Item 1.01. Entry Into a Material Definitive Agreement.

Effectiveness of Plan of Reorganization

As previously disclosed on December 12, 2011 (the “Petition Date”), Lee Enterprises, Incorporated (the “Company”) and certain of its subsidiaries (together with the Company, the “Debtors”) filed voluntary petitions in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) for relief under Chapter 11 of Title 11 of the United States Code (the “Bankruptcy Code” and the “Ch. 11 Proceedings”). On December 14, 2011, following approval by the Bankruptcy Court, the Company and certain of its subsidiaries entered into a debtor-in-possession financing facility consisting of a \$40 million revolving credit facility (the “DIP Facility”).

On January 23, 2012, the Bankruptcy Court held a hearing and entered an order (the “Confirmation Order”) confirming the Second Amended Joint Prepackaged Plan of Reorganization for Lee Enterprises, Incorporated and its Debtor Subsidiaries (the “Plan”). Capitalized terms used but not defined in this Current Report on Form 8-K have the meanings set forth in the Plan.

On January 30, 2012 (the “Effective Date”), the Plan became effective and the Debtors emerged from bankruptcy. The description of the Plan in this Current Report on Form 8-K is qualified in its entirety by reference to the full text of the Plan. A copy of the Plan is filed as Exhibit 2.2 to the Company’s Current Report on Form 8-K filed with the United States Securities and Exchange Commission on January 26, 2012 and is incorporated by reference herein.

On January 30, 2012, the Company issued a news release announcing the effectiveness of the Plan and the Company’s emergence from the Ch. 11 Proceedings. A copy of the news release is attached hereto as **Exhibit 99.1** and incorporated herein by reference.

First Lien Debt. On the Effective Date, the Company entered into a new first lien credit agreement dated as of January 30, 2012 (the “Exit Credit Agreement”) by and among the Company, the lenders from time to time party thereto (“First Lien Lenders”), Deutsche Bank Trust Company Americas (“Deutsche Bank”), as Administrative Agent and Collateral Agent, and Deutsche Bank Securities Inc. and Goldman Sachs Lending Partners LLC, as Joint Lead Arrangers and Joint Bookrunning Managers. Pursuant to the Plan, the April 2012 debt maturities under the Company’s prepetition 2005 credit agreement (the “Prepetition Credit Agreement”) are extended in a structure of first lien debt under the Exit Credit Agreement and second lien debt under the Second Lien Loan Agreement (as described below).

The Exit Credit Agreement provides for a term loan of \$689.5 million and a \$40 million secured superpriority revolving credit facility with payment priority over the term loan. This revolving credit facility replaced the DIP Facility on the Effective Date. The revolving credit facility, which was not drawn on the Effective Date, may be used for general corporate purposes (including letters of credit). The term loan and the revolving credit facility mature in December 2015.

Interest on the term loan is LIBOR plus 6.25%, with a LIBOR floor of 1.25%. Interest on the revolving credit facility, when used, is LIBOR plus 5.5%, with a LIBOR floor of 1.25%. The Company may voluntarily prepay principal amounts outstanding or reduce commitments under the Exit Credit Agreement at any time without premium or penalty, upon proper notice and subject to certain limitations as to minimum amounts of prepayments.

Mandatory amortization payments for the term loan total \$5 million for the remainder of the Company's 2012 fiscal year, \$11 million in 2013, \$12.75 million in 2014 and \$13.5 million prior to the final maturity in 2015. In addition, the Exit Credit Agreement requires principal payments based on calculated excess cash flow.

The Exit Credit Agreement requires that the Company comply with certain affirmative and negative covenants customary for financing of this nature, including maintenance of a minimum interest coverage ratio, maximum total leverage ratio and an annual capital expenditure limitation. The Exit Credit Agreement restricts the Company from paying dividends on its Common Stock and generally restricts the Company from repurchasing its Common Stock. Further, the Exit Credit Agreement restricts or limits, among other things, subject to certain exceptions, the ability of the Company and its subsidiaries to: (i) incur indebtedness, (ii) enter into mergers, acquisitions and asset sales, (iii) incur or create liens and (iv) enter into transactions with certain affiliates. The Exit Credit Agreement contains various representations and warranties and may be terminated upon occurrence of certain events of default. The Exit Credit Agreement also contains cross-default provisions tied to the terms of each of the Note Agreement and Guaranty (as defined below) and Second Lien Loan Agreement (as defined below).

The indebtedness under the Exit Credit Agreement is unconditionally guaranteed on a joint and several basis by substantially all of the Company's existing and future, direct and indirect subsidiaries in which the Company holds a direct or indirect interest of more than 50% (collectively, the "First Lien Guarantors"), other than Pulitzer Inc. and its subsidiaries, which, unless otherwise separately stated below, includes St. Louis Post-Dispatch LLC, a wholly-owned subsidiary of Pulitzer (collectively, "Pulitzer"), pursuant to a Subsidiaries Guaranty dated as of January 30, 2012 (the "First Lien Subsidiaries Guaranty"), executed by the First Lien Guarantors in favor of Deutsche Bank, as Administrative Agent, for the benefit of the First Lien Lenders. The Company owns 50% of the capital stock of Madison Newspapers, Inc. ("MNI"), which publishes daily and Sunday newspapers and other publications in Madison, Wisconsin, and other Wisconsin locations. Neither MNI nor its subsidiaries are parties to the Plan or any of the material agreements described in this filing, nor are their respective assets or capital stock pledged or otherwise encumbered as a consequence thereof.

The Company and the First Lien Guarantors (as "First Lien Assignors") entered into a Security Agreement dated as of January 30, 2012 (the "First Lien Security Agreement") with Deutsche Bank, as Collateral Agent for the benefit of the First Lien Lenders. Under the agreement, the Exit Credit Agreement indebtedness is secured by first priority liens against, and security interests in, substantially all of the First Lien Assignors' assets. The First Lien Assignors' pledged assets include, among other things, equipment, inventory, accounts receivables, depository accounts, intellectual property and certain of their other tangible and intangible assets (excluding assets of Pulitzer).

Under the Exit Credit Agreement, certain of the First Lien Assignors, separately, granted first lien mortgages or deeds of trust, covering their real estate and improvements, to the First Lien Lenders (excluding the real estate of Pulitzer).

Also, the Exit Credit Agreement indebtedness is secured by first priority security interests in the stock and other equity interests owned by the Company and each First Lien Guarantor (excluding the capital stock and equity interests of or held by Pulitzer), pursuant to a Pledge Agreement dated as of January 30, 2012 (the "First Lien Pledge Agreement") by and among the Company and the First Lien Guarantors, as Pledgors, in favor of Deutsche Bank, as Collateral Agent, for the benefit of the First Lien Lenders.

The First Lien Assignors' first priority security interests and liens are subject to:

(a) an intercreditor agreement with the Second Lien Lenders, who hold a second priority security interest in substantially all of the assets of the Company and the First Lien Guarantors secured or pledged to the First Lien Lenders, pursuant to an Intercreditor Agreement dated as of January 30, 2012 (the "First Lien Intercreditor Agreement") among Deutsche Bank, as Collateral Agent, for the First Lien Lenders, Wilmington Trust, National Association, as Collateral Agent, for the Second Lien Lenders, the Company and the First Lien Guarantors; and

(b) an Intercompany Subordination Agreement dated as of January 30, 2012 (the "First Lien Intercompany Subordination Agreement") among the Company, the First Lien Guarantors and Deutsche Bank, as Collateral Agent, for the benefit of the First Lien Lenders.

Second Lien Debt. On the Effective Date, the Company entered into a Second Lien Loan Agreement dated as of January 30, 2012 (the "Second Lien Loan Agreement") by and among the Company, the lenders from time to time party thereto ("Second Lien Lenders"), Wilmington Trust, National Association, as Administrative Agent and Collateral Agent, and Deutsche Bank Securities Inc. and Goldman Sachs Lending Partners LLC, as Joint Lead Arrangers and Joint Bookrunning Managers.

The Second Lien Loan Agreement consists of a \$175 million term loan with an interest rate of 15% maturing in April 2017. There are no scheduled mandatory amortization payments required, except as may be required in 2017 for income tax purposes.

On the Effective Date, the Second Lien Lenders received their pro rata share of the Company's issuance of 6,743,640 shares of its Common Stock, par value \$0.01 per share (the "Common Stock Issuance"), amounting to approximately 13% of outstanding shares on a pro forma basis on such date. Consistent with the Confirmation Order and applicable law, the Company relied on Section 1145 of the Bankruptcy Code to exempt the issuance of these shares of Common Stock from the registration requirements of the Securities Act of 1933, as amended.

The Second Lien Loan Agreement requires that the Company observe and perform substantially all affirmative and negative covenants required by the Exit Credit Agreement. However, the annual capital expenditure limitation is generally the only financial covenant imposed under the Second Lien Loan Agreement. Also, the Second Lien Loan Agreement contains various representations and warranties and may be terminated upon occurrence of certain events of default. Further, the Second Lien Loan Agreement contains cross-default provisions tied to the terms of each of the Exit Credit Agreement and Note Agreement and Guaranty.

The indebtedness under the Second Lien Loan Agreement is unconditionally guaranteed on a joint and several basis by the First Lien Guarantors and Pulitzer (collectively, the "Second Lien Guarantors"), other than TNI Partners ("TNI"), pursuant to a Subsidiaries Guaranty dated as of January 30, 2012 (the "Second Lien Subsidiaries Guaranty"), with the Second Lien Guarantors in favor of Wilmington Trust, National Association, as Administrative Agent, for the benefit of the Second Lien Lenders. The Company's indirect subsidiary, Star Publishing Company ("Star Publishing"), has a 50% interest in TNI, the Tucson, Arizona, newspaper partnership. TNI acts as agent for Star Publishing and Citizen Publishing Company, a subsidiary of Gannett Co., Inc., the owner of the remaining 50% interest.

The Company and the Second Lien Guarantors (as "Second Lien Assignors") entered into a Security Agreement dated as of January 30, 2012 (the "Second Lien Security Agreement") with Wilmington Trust, National Association, as Collateral Agent, for the benefit of the Second Lien Lenders. Under the agreement, the Second Lien Loan Agreement indebtedness is secured by second priority liens against, and security interests in, substantially all of the Second Lien Assignors' assets. The Second Lien Assignors' pledged assets include, among other things, equipment, inventory, accounts receivables, depository accounts, intellectual property and certain of their other tangible and intangible assets (excluding TNI and the assets of Star Publishing used by or held for the benefit of TNI). The liens securing the loans under the Exit Credit Agreement are senior to the liens securing the loans under the Second Lien Loan Agreement.

Under the Second Lien Loan Agreement, certain of the Second Lien Assignors, separately, granted second lien mortgages or deeds of trust, covering their real estate and improvements, to the Second Lien Lenders (excluding the real estate of Star Publishing used by or held for the benefit of TNI).

Further, the Second Lien Loan Agreement indebtedness is secured by second priority security interest in the stock and other equity interests owned by the Company and the Second Lien Guarantors and their respective subsidiaries (excluding such interests of TNI), pursuant to a Pledge Agreement dated as of January 30, 2012 (the "Second Lien Pledge Agreement") by and among the Company and the Second Lien Guarantors, as Pledgors, in favor of Wilmington Trust, National Association, as Collateral Agent, for the benefit of the Second Lien Lenders.

The Second Lien Assignors' second priority security interests and liens are subject to:

- (a) First Lien Intercreditor Agreement and the Pulitzer Intercreditor Agreement (as defined below); and
- (b) the Pulitzer Intercompany Subordination Agreement (as defined below).

New Pulitzer Notes. On the Effective Date, St. Louis Post-Dispatch LLC ("PD LLC") entered into a Note Agreement dated as of January 30, 2012 (the "Note Agreement") with a group of institutional note holders from time to time party thereto (the "Noteholders") to effect PD LLC's issuance of new Pulitzer Notes (the "New Pulitzer Notes") to the Noteholders. The New Pulitzer Notes are guaranteed by Pulitzer Inc. pursuant to a Guaranty Agreement dated as of January 30, 2012 (the "Pulitzer Guaranty Agreement" and collectively with the Note Agreement, the "Note Agreement and Guaranty").

The Note Agreement and Guaranty and the New Pulitzer Notes replace the Note Agreement dated as of May 1, 2000, as amended, and the notes issued thereunder (the "Prepetition Note Agreement" and "Prepetition Pulitzer Notes"), and the related Guaranty Agreement dated as of May 1, 2000, as amended (together with the Prepetition Note Agreement, collectively, the "Prepetition Note Agreement and Guaranty"). On the Effective Date, each Holder of a Claim arising under the Prepetition Pulitzer Notes received its pro rata share of the New Pulitzer Notes.

The New Pulitzer Notes debt will carry an interest rate of 10.55%, increasing 0.75% in January 2013 and January of each year thereafter. Adjusted for principal payments of \$5.0 million and non-cash fees in the amount of \$3.5 million paid to the Noteholders on the Effective Date, the New Pulitzer Notes have a principal balance of \$126.4 million. Mandatory amortization payments total \$1.4 million in fiscal 2012 and \$6.4 million annually thereafter prior to the final maturity in December 2015. The New Pulitzer Notes also require principal payments based on calculated excess cash flow.

PD LLC may voluntarily prepay principal amounts outstanding or reduce commitments under the New Pulitzer Notes at any time, in whole or in part, without premium or penalty, upon proper notice and consent from the Noteholders, and subject to certain limitations as to minimum amounts of prepayments.

The Note Agreement and Guaranty require that PD LLC and Pulitzer Inc. comply with certain affirmative and negative covenants customary for financing of this nature, including a minimum EBITDA ratio (as defined in the Pulitzer Guaranty Agreement) and an annual capital expenditure limitation. The Note Agreement and Guaranty place limitations or restrictions on, among other things, as applicable, PD LLC's or Pulitzer's ability to (i) incur additional debt, (ii) make distributions, loans, advances and investments, (iii) incur or create liens, (iv) enter into acquisitions, dispositions and mergers, (v) make certain restricted payments, (vi) enter into sale and leaseback transactions and (vii) enter into certain restrictive agreements involving any subsidiary of PD LLC or Pulitzer. The Note Agreement and Guaranty contain various representations and warranties and may be terminated upon occurrence of certain events of default. The Note Agreement and Guaranty also contain cross-default provisions tied to the terms of each of the Exit Credit Agreement and Second Lien Loan Agreement.

The New Pulitzer Notes are unconditionally guaranteed on a joint and several basis by Pulitzer Inc.'s subsidiaries excluding PD LLC (collectively, the "Pulitzer Subsidiary Guarantors"), other than TNI, pursuant to the Subsidiary Guaranty Agreement dated as of January 30, 2012 (the "Pulitzer Subsidiary Guaranty"), in favor of the Noteholders.

On the Effective Date, Pulitzer Inc., PD LLC and the Pulitzer Subsidiary Guarantors (as "Pulitzer Assignors") entered into an agreement dated as of January 30, 2012 (the "Pulitzer Security Agreement") with The Bank of New York Mellon Trust Company, N.A., as Collateral Agent. Under the agreement, the New Pulitzer Notes are secured by first priority liens against, and security interests in, substantially all of the Pulitzer Assignors' assets. The Pulitzer Assignors' pledged assets include, among other things, equipment, inventory, accounts receivables, depository accounts, intellectual property and certain of their other tangible and intangible assets (excluding assets of Star Publishing used by or held for the benefit of TNI).

Under the Note Agreement and Guaranty, PD LLC and certain of the Pulitzer Subsidiary Guarantors, separately, granted first lien mortgages or deed of trusts, covering their real estate and improvements, to the Noteholders (excluding real estate of Star Publishing used by or held for the benefit of TNI).

Further, the New Pulitzer Notes are secured by first priority security interests in the stock and other equity interests owned by Pulitzer Inc., PD LLC and the Pulitzer Subsidiary Guarantors (excluding Star Publishing), pursuant to a Pledge Agreement dated as of January 30, 2012 (the "Pulitzer Pledge Agreement") by and among Pulitzer Inc., PD LLC and the Pulitzer Subsidiary Guarantors and The Bank of New York Mellon Trust Company, N.A., as Collateral Agent, in favor of the Noteholders.

The Pulitzer Assignors' first priority security interests and liens are subject to:

(a) an intercreditor agreement with the Second Lien Lenders, who hold a second priority security interests in substantially all of the assets pledged by Pulitzer Inc., PD LLC and the Pulitzer Subsidiary Guarantors, pursuant to an Intercreditor Agreement dated as of January 30, 2012 (the "Pulitzer Intercreditor Agreement") among The Bank of New York Mellon Trust Company, N.A., as Collateral Agent, for the First Lien Lenders, Wilmington Trust, National Association, as Collateral Agent, for the Second Lien Lenders, Pulitzer Inc., PD LLC and the Pulitzer Subsidiary Guarantors; and

(b) the Intercompany Subordination Agreement dated as of January 30, 2012 (the "Pulitzer Intercompany Subordination Agreement") among Pulitzer Inc., PD LLC, the Pulitzer Subsidiary Guarantors and Wilmington Trust, National Association, as Collateral Agent, for the Second Lien Lenders.

The foregoing summary descriptions of the First Lien Debt, Second Lien Debt and New Pulitzer Notes do not purport to be complete and are qualified in their entirety by reference to the Exit Credit Agreement, First Lien Subsidiaries Guaranty, First Lien Security Agreement, First Lien Pledge Agreement, First Lien Intercreditor Agreement, First Lien Intercompany Subordination Agreement, Second Lien Loan Agreement, Second Lien Subsidiaries Guaranty, Second Lien

Security Agreement, Second Lien Pledge Agreement, Note Agreement, Pulitzer Guaranty Agreement, Pulitzer Subsidiary Guaranty, Pulitzer Security Agreement, Pulitzer Pledge Agreement, Pulitzer Intercreditor Agreement and Pulitzer Intercompany Subordination Agreement, which are filed as **Exhibits 10.1, 10.2, 10.3, 10.4, 10.5, 10.6, 10.7, 10.8, 10.9, 10.10, 10.11, 10.12, 10.13, 10.14, 10.15, 10.16** and **10.17**, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

On the Effective Date, by operation of the Plan (other than Claims and Interests being reinstated pursuant to the Plan) all of the following were cancelled: (a) the Prepetition Credit Agreement and all related documents (and the respective notes issued under the Prepetition Credit Agreement), (b) the DIP Revolving Facility and all related documents (and the respective notes issued under the facility), and (c) the Prepetition Note Agreement and Guaranty and all related documents (and the respective Prepetition Pulitzer Notes issued under the Prepetition Note Agreement).

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above in Item 1.01 “Entry into a Material Definitive Agreement” with respect to the Exit Credit Agreement, Second Lien Loan Agreement and Note and Guaranty Agreement is incorporated by reference in this Item 2.03.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth above in Item 1.01 “Entry into a Material Definitive Agreement” with respect to the Common Stock Issuance is incorporated by reference in this Item 3.02.

Item 3.03 Material Modification to Rights of Security Holders.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

In connection with the Company’s reorganization and emergence from the Bankruptcy Proceedings, on the Effective Date, the Company adopted an Amended and Restated Certificate of Incorporation (the “Certificate of Incorporation”) and Amended and Restated By-Laws (the “By-Laws”). The Certificate of Incorporation and By-Laws are similar in all material respects to the Company’s Restated Certificate of Incorporation, as amended, and Amended By-Laws as in effect immediately prior to the Effective Date, with the following material changes:

- The Company’s Certificate of Incorporation reduced the par value of the Company’s Common Stock from \$2.00 per share to \$0.01 per share; and

- Section 1123 of the Bankruptcy Code prohibits the issuance of non-voting equity securities as part of the Plan. The Certificate of Incorporation contains a provision requiring compliance with that section of the Bankruptcy Code. The restriction does not limit the Company's ability to issue non-voting equity securities in the future.

The foregoing summary descriptions of the Certificate of Incorporation and By-Laws do not purport to be complete and are qualified in their entirety by reference to the Certificate of Incorporation and By-Laws, attached hereto as **Exhibits 3.1** and **3.2**, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

**AMENDED AND RESTATED CERTIFICATE OF
INCORPORATION
OF
LEE ENTERPRISES, INCORPORATED**

Lee Enterprises, Incorporated, a corporation organized and existing under and by virtue of the General Corporation Law of the State of Delaware, whose original certificate of incorporation of the Corporation was filed in the office of the Secretary of State on September 22, 1950, adopts the following Amended and Restated Certificate of Incorporation:

FIRST: The name of the Corporation (hereinafter referred to as the "Corporation") is and shall be:

LEE ENTERPRISES, INCORPORATED

SECOND: The name and address of its registered agent is Corporation Service Company, 2711 Centerville Road, Suite 400, Wilmington, DE 19808.

THIRD: The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of Delaware.

FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is 150,500,000, consisting of 500,000 shares of Serial Convertible Preferred Stock, without par value, 120,000,000 shares of Common Stock, par value \$0.01 per share ("Common Stock"), and 30,000,000 shares of Class B Common Stock, par value \$2.00 per share ("Class B Common Stock").

Notwithstanding anything herein to the contrary, the Corporation shall not be authorized to issue non-voting capital stock of any class, series or other designation to the extent prohibited by Section 1123(a)(6) of the Bankruptcy Code; provided, however, that the foregoing restriction shall (i) have no further force and effect beyond that required under Section 1123(a)(6) of the Bankruptcy Code, (ii) only have such force and effect for so long as such Section 1123(a)(6) is in effect and applies to the Corporation and (iii) be deemed void or eliminated if required under applicable law.

The following is a statement of the designations, preferences and rights, and the qualifications, limitations and restrictions thereof, in respect of the Common Stock and the Class B Common Stock and the Serial Convertible Preferred Stock, except such thereof as the Board of Directors is herein expressly authorized to fix.

COMMON STOCK AND CLASS B COMMON STOCK

(A) The powers, preferences and rights of the Common Stock and Class B Common Stock, and the qualifications, limitations or restrictions thereof, shall be in all respects identical, except as otherwise required by law or expressly provided in this Amended and Restated Certificate of Incorporation.

(B) At each annual or special meeting of stockholders, each holder of Common Stock shall be entitled to one (1) vote in person or by proxy for each share of Common Stock standing in his name on the stock transfer records of the Corporation and each holder of Class B Common Stock shall be entitled to ten (10) votes in person or by proxy for each share of Class B Common Stock standing in his name on the stock transfer records of the Corporation. Except as set forth below, all actions submitted to a vote of stockholders shall be voted on by the holders of Common Stock and Class B Common Stock voting together as a single class. The holders of Common Stock and Class B Common Stock shall vote separately as classes with respect to amendments to this Amended and Restated Certificate of Incorporation that alter or change the powers, preferences or special rights of their respective classes of stock so as to affect them adversely, and with respect to such other matters as may require class votes under the General Corporation Law of the State of Delaware. The holders of all outstanding shares of capital stock of the Corporation entitled to vote shall vote together as a single class upon any proposal to authorize additional shares of Common Stock or Class B Common Stock, or upon any proposal to issue authorized but unissued shares of Class B Common Stock other than (i) pursuant to stock dividends, stock splits or (ii) issuances pursuant to the 1977 Employee Stock Purchase Plan for 1985-86 and the 1975 and 1982 Stock Option Plans respecting outstanding stock options for which shares of Class B Common Stock have been duly reserved for issuance on the record date for the initial distribution of shares of Class B Common Stock (the "Record Date").

(C) If and when dividends on the Common Stock and Class B Common Stock are declared payable from time to time by the Board of Directors from funds legally available therefor, whether payable in cash, in property or in shares of stock of the Corporation, the holders of Common Stock and the holders of Class B Common Stock shall be entitled to share equally, share for share, in such dividends, except that, if dividends are declared that are payable in shares of Common Stock or Class B Common Stock, dividends shall be declared that are payable at the same rate on both classes of stock and the dividends payable in shares of Common Stock shall be payable to holders of that class of stock and the dividends payable in shares of Class B Common Stock shall be payable to holders of that class of stock. If the Corporation shall in any manner subdivide or combine the outstanding shares of Common Stock or Class B Common Stock, the outstanding shares of the other such class of stock shall be proportionally subdivided or combined in the same manner and on the same basis as the outstanding shares of Common Stock or Class B Common Stock, as the case may be, have been subdivided or combined.

(D) (1) The holder of each outstanding share of Class B Common Stock shall have the right at any time, or from time to time, at such holder's option to convert such share into one fully paid and non-assessable share of Common Stock, on and subject to the terms and conditions hereinafter set forth.

(2) In order to exercise his conversion privilege, the holder of any shares of Class B Common Stock to be converted shall present and surrender the certificate representing such shares during usual business hours at any office or agency of the Corporation maintained for the transfer of Class B Common Stock and shall deliver a written notice of the election of the holder to convert the shares represented by such certificate or any portion thereof specified in such notice. Such notice shall also state the name or names (with address) in which the certificate or certificates for shares of Common Stock which shall be issuable on such conversion shall be issued. If so required by the Corporation, any certificate for shares surrendered for conversion shall be accompanied by instruments of transfer, in form satisfactory to the Corporation, duly executed by the holder of such shares or his duly authorized representative. Each conversion of shares of Class B Common Stock shall be deemed to have been effected on the date (the "conversion date") on which the certificate or certificates representing such shares shall have been surrendered and such notice and any required instruments of transfer shall have been received as aforesaid, and the person or persons in whose name or names any certificate or certificates for shares of Common Stock shall be issuable on such conversion shall be deemed to have become immediately prior to the close of business on the conversion date the holder or holders of record of the shares of Common Stock represented thereby.

(3) As promptly as practicable after the presentation and surrender for conversion, as herein provided, of any certificate for shares of Class B Common Stock, the Corporation shall issue and deliver at such office or agency, to or upon the written order of the holder thereof, certificates for the number of shares of Common Stock issuable upon such conversion. In case any certificate for shares of Class B Common Stock shall be surrendered for conversion of a part only of the shares represented thereby, the Corporation shall deliver at such office or agency, to or upon the written order of the holder thereof, a certificate or certificates for the number of shares of Class B Common Stock represented by such surrendered certificate, which are not being converted. The issuance of certificates for shares of Common Stock issuable upon the conversion of shares of Class B Common Stock shall be made without charge to the converting holder for any tax imposed on the Corporation in respect of the issue thereof. The Corporation shall not, however, be required to pay any tax which may be payable with respect to any transfer involved in the issue and delivery of any certificate in a name other than that of the holder of the shares being converted, and the Corporation shall not be required to issue or deliver any such certificate unless and until the person requesting the issue thereof shall have paid to the Corporation the amount of such tax or has established to the satisfaction of the Corporation that such tax has been paid.

(4) Upon any conversion of shares of Class B Common Stock into shares of Common Stock pursuant hereto, no adjustment with respect to dividends shall be made; only those dividends shall be

made payable on the shares so converted as may be declared and may be payable to holders of record of shares of Class B Common Stock on a date prior to the conversion date with respect to the shares so converted; and only those dividends shall be payable on shares of Common Stock issued upon such conversion as may be declared and may be payable to holders of record of shares of Common Stock on or after such conversion date.

(5) In case of any consolidation or merger of the Corporation as a result of which the holders of Common Stock shall be entitled to receive stock, other securities or other property with respect to or in exchange for Common Stock or in case of any sale or conveyance of all or substantially all of the property or business of the Corporation as an entirety, a holder of a share of Class B Common Stock shall have the right thereafter, so long as the conversion right hereunder shall exist, to convert such share into the kind and amount of shares of stock and other securities and properties receivable upon such consolidation, merger, sale or conveyance by a holder of one share of Common Stock and shall have no other conversion rights with regard to such share. The provisions of this subparagraph (5) shall similarly apply to successive consolidations, mergers, sales or conveyances.

(6) All shares of Class B Common Stock which shall have been surrendered for conversion as herein provided shall no longer be deemed to be outstanding, and all rights with respect to such shares, including the rights, if any, to receive notices and to vote, shall thereupon cease and terminate, except only the right of the holders thereof, subject to the provisions of subparagraph (3) of this subdivision (D), to receive shares of Common Stock in exchange therefor.

(7) Such number of shares of Common Stock as may from time to time be required for such purpose shall be reserved for issuance upon conversion of outstanding shares of Class B Common Stock.

(E) (1) No person holding shares of Class B Common Stock (hereinafter called a "Class B Holder") may transfer, and the Corporation shall not register the transfer of, such shares of Class B Common Stock, whether by sale, assignment, gift, bequest, appointment or otherwise, except to a Permitted Transferee of such Class B Holder, which term shall have the following meanings:

(a) In the case of a Class B Holder who is a natural person and the holder of record and beneficial owner of the shares of Class B Common Stock subject to said proposed transfer, "Permitted Transferee" means (A) the spouse of such Class B Holder, (B) a lineal descendant of a great grandparent of such Class B Holder or a spouse of any such lineal descendant, (C) the trustee of a trust (including a voting trust) for the benefit of one or more Class B Holders, other lineal descendants of a great grandparent of such Class B Holder, the spouse of such Class B Holder, the spouses of such other lineal descendants and an organization contributions to which are deductible for federal income, estate or gift tax purposes (hereinafter called a "Charitable Organization"), and for the benefit of no other person, provided that such trust may

grant a general or special power of appointment to the spouse of such Class B Holder, any lineal descendant of such Class B Holder or the spouse of any such lineal descendant, and may permit trust assets to be used to pay taxes, legacies and other obligations of the trust or the estate of such Class B Holder payable by reason of the death of such Class B Holder and provided that such trust prohibits transfer of shares of Class B Common Stock to persons other than Permitted Transferees, as defined in clause (b) below, (D) a Charitable Organization established by such Class B Holder, such Class B Holder's spouse, a lineal descendant of a great grandparent of such Class B Holder, a spouse of any such lineal descendant, the Corporation or employees or former employees of the Corporation, and (E) a corporation all the outstanding capital stock of which is owned by, or a partnership all the partners of which are, one or more of such Class B Holders, other lineal descendants of a great grandparent of such Class B Holder or a spouse of any such lineal descendant, and the spouse of such Class B Holder, provided that if any share of capital stock of such a corporation (or of any survivor of a merger or consolidation of such a corporation), or any partnership interest in such a partnership, is acquired by any person who is not within such class of persons, all shares of Class B Common Stock then held by such corporation or partnership, as the case may be, shall be deemed without further act to be converted into shares of Common Stock, and stock certificates formerly representing such shares of Class B Common Stock shall thereupon and thereafter be deemed to represent the like number of shares of Common Stock.

(b) In the case of a Class B Holder holding the shares of Class B Common Stock subject to said proposed transfer as trustee pursuant to a trust other than a trust described in clause (c) below, "Permitted Transferee" means (A) the person who established such trust and (B) a Permitted Transferee of such person determined pursuant to clause (a) above.

(c) In the case of a Class B Holder holding the shares of Class B Common Stock subject to said proposed transfer as trustee pursuant to a trust which was irrevocable on the Record Date, for determining the persons to whom the Class B Common Stock is first issuable by the Corporation "Permitted Transferee" means any person to whom or for whose benefit principal may be distributed either during or at the end of the term of such trust whether by power of appointment or otherwise or any "Permitted Transferee" of such person determined pursuant to clause (a), (b), (d), (e) or (f) hereof, as the case may be.

(d) In the case of a Class B Holder who is the record (but not beneficial) owner of the shares of Class B Common Stock subject to said proposed transfer as nominee for the person who was the beneficial owner thereof on the Record Date, "Permitted Transferee" means such beneficial owner and a Permitted Transferee of such beneficial owner determined pursuant to clause (a), (b), (c), (e) or (f) hereof, as the case may be.

(e) In the case of a Class B Holder which is a partnership and the holder of record and beneficial owner of the shares of Class B Common Stock subject

to said proposed transfer, "Permitted Transferee" means any partner of such partnership or any "Permitted Transferee" of such partner determined pursuant to clause (a), (b), (c), (d) or (f) hereof, as the case may be.

(f) In the case of a Class B Holder which is a corporation (other than a Charitable Organization described in subclause (D) of clause (a) above) and the holder of record and beneficial owner of the shares of Class B Common Stock subject to said proposed transfer, "Permitted Transferee" means any stockholder of such corporation receiving shares of Class B Common Stock through a dividend or through a distribution made upon liquidation of such corporation and the survivor of a merger or consolidation of such corporation or any "Permitted Transferee" of such stockholder determined pursuant to clause (a), (b), (c), (d) or (e) hereof, as the case may be.

(g) In the case of a Class B Holder which is the estate of a deceased Class B Holder, or which is the estate of a bankrupt or insolvent Class B Holder, and provided such deceased, bankrupt or insolvent Class B Holder, as the case may be, was the record and beneficial owner of the shares of Class B Common Stock subject to said proposed transfer, "Permitted Transferee" means a Permitted Transferee of such deceased, bankrupt or insolvent Class B Holder as determined pursuant to clauses (a), (e), (c) or (f) above, as the case may be.

(2) Notwithstanding anything to the contrary set forth herein, any Class B Holder may pledge such Holder's shares of Class B Common Stock to a pledgee pursuant to a bona fide pledge of such shares as collateral security for indebtedness due to the pledgee, provided that such shares shall not be transferred to or registered in the name of the pledgee and shall remain subject to the provisions of this subdivision (E). In the event of foreclosure or other similar action by the pledgee, such pledged shares of Class B Common Stock may only be transferred to a Permitted Transferee of the pledgor or converted into shares of Common Stock, as the pledgee may elect.

(3) For purposes of this subdivision (E):

(a) The relationship of any person that is derived by or through legal adoption shall be considered a natural one.

(b) Each joint owner of shares of Class B Common Stock shall be considered a "Class B Holder" of such shares.

(c) A minor for whom shares of Class B Common Stock are held pursuant to a Uniform Gifts to Minors Act or similar law shall be considered a Class B Holder of such shares.

(d) Unless otherwise specified, the term "person" means both natural persons and legal entities.

(4) Any purported transfer of shares of Class B Common Stock not permitted hereunder shall result in the conversion of the transferee's shares of Class B Common Stock into shares of Common Stock, effective on the date of such purported transfer. The Corporation may, as a condition to the transfer or the registration of transfer of shares of Class B Common Stock to a purported Permitted Transferee, require the furnishing of such affidavits or other proof as it deems necessary to establish that such transferee is a Permitted Transferee.

(F) (1) Shares of Class B Common Stock shall be registered in the name(s) of the beneficial owner(s) thereof (as hereafter defined) and not in "street" or "nominee" names; provided, however, certificates representing shares of Class B Common Stock issued as a stock dividend on the Corporation's then outstanding Common Stock may be registered in the same name and manner as the certificates representing the shares of Common Stock with respect to which the shares of Class B Common Stock were issued. For the purposes of this subdivision (F), the term "beneficial owner(s)" of any shares of Class B Common Stock shall mean the person or persons who possess the power to dispose, or to direct the disposition, of such shares.

(2) The Corporation shall note on the certificates representing the shares of Class B Common Stock that there are restrictions on transfer and registration of transfer imposed by subdivision (E) and this subdivision (F).

(G) Except as otherwise provided in subdivisions (B) and (C) above and except for shares of Class B Common Stock duly reserved for issuance as of the record date for the distribution of shares of Class B Common Stock, the Corporation shall not issue additional shares of Class B Common Stock after the date shares of Class B Common Stock are first issued by the Corporation. All shares of Class B Common Stock surrendered for conversion shall resume the status of authorized but unissued shares of Class B Common Stock.

(H) If at any time following the initial issuance of shares of Class B Common Stock the number of outstanding shares of Class B Common Stock as reflected on the stock transfer books of the Company is less than 2,800,000 (as adjusted for any stock splits, combinations or stock dividends effected after the record date for the initial distribution of shares of Class B Common Stock), then the outstanding shares of Class B Common Stock shall be deemed without further act to be converted into shares of Common Stock, and stock certificates formerly representing outstanding shares of Class B Common Stock shall thereupon and thereafter be deemed to represent a like number of shares of Common Stock, and any outstanding right to receive Class B Common Stock shall automatically become the right to receive a like number of shares of Common Stock.

(I) The Common Stock and Class B Common Stock are subject to all the powers, rights, privileges, preferences and priorities of the Serial Convertible Preferred Stock as may be stated herein and as shall be stated and expressed in any resolution

or resolutions adopted by the Board of Directors pursuant to authority expressly granted to and vested in it by the provisions of this Article FOURTH.

PREFERRED STOCK

(A) The Board of Directors is hereby empowered to cause the shares of Serial Convertible Preferred Stock to be issued in one or more series from time to time. Each series shall be designated by the Board of Directors so as to distinguish the shares thereof from the shares of all other series. All shares of the Serial Convertible Preferred Stock of all series shall be of equal rank and all shares of any particular series shall be identical except as to the date or dates from which dividends thereon shall be cumulative as provided in subdivision (B) hereof. The shares of Serial Convertible Preferred Stock of different series, subject to any applicable provision of law, may vary as to the following designations, preferences and relative, participating, optional or other special rights and qualifications, limitations or restrictions thereof, which the Board of Directors is expressly authorized to fix, in the case of each such series, at any time prior to the issuance of the shares thereof: (1) the annual dividend rate for the particular series and the date from which dividends on all shares of such series issued prior to the record date for the first dividend for such series shall be cumulative; (2) the redemption price or prices for the particular series; (3) the terms and amount of any sinking fund provided for the purchase or redemption of shares of the particular series; and (4) the conversion (which shall be into Common Stock and not into Class B Common Stock), participating or other special rights, and the qualifications, limitations or restrictions thereof, if any, of the particular series.

(B) The holders of each series of the Serial Convertible Preferred Stock at the time outstanding shall be entitled to receive, but only when and as declared by the Board of Directors, out of funds legally available for the payment of dividends, dividends at the annual rate for the particular series fixed therefor as herein provided, payable quarterly on the 1st day of January, April, July and October in each year, to stockholders of record on the respective dates, not exceeding 50 days preceding such dividend payment dates, fixed for the purpose by the Board of Directors in advance of the payment of the respective dividends. No dividend shall be declared on any series of the Serial Convertible Preferred Stock in respect of any quarter-yearly dividend period unless there shall likewise be declared on all shares of all series of the Serial Convertible Preferred Stock at the time outstanding, like proportionate dividends, ratably, in proportion to the annual dividend rates fixed therefor in respect of the same quarter-yearly dividend period, to the extent that such shares are entitled to receive such dividend for such quarter-yearly dividend period. The dividends on shares of all series of the Serial Convertible Preferred Stock shall be cumulative. In the case of all shares of each particular series, the dividends on shares of such series shall be cumulative: (1) if issued prior to the record date for the first dividend on the shares of such series, then from the date for the particular series fixed therefor by the Board of Directors at any time prior to the issuance of shares of the particular series; (2) if issued during the period commencing on a record date for a dividend and terminating at the close of the payment date for such dividend, then from such dividend payment date;

and (3) otherwise from the quarter-yearly dividend payment date next preceding the date of issue of such shares, so that unless dividends on all outstanding shares of each series of the Serial Convertible Preferred Stock, at the annual dividend rate and from the dates for accumulation thereof fixed as herein provided shall have been paid or declared and set aside for payment for all past quarter-yearly dividend periods, but without interest on cumulative dividends, no dividends shall be paid or declared and no other distribution shall be made on the Common Stock or Class B Common Stock and no Common Stock or Class B Common Stock shall be purchased or otherwise acquired for value by the Corporation. The holders of the Serial Convertible Preferred Stock of any series shall not be entitled to receive any dividends thereon other than the dividends referred to in this subdivision (B).

(C) The Corporation, by action of its Board of Directors, may redeem the whole or any part of any series of the Serial Convertible Preferred Stock, at any time or from time to time, by paying in cash the redemption price of the shares of the particular series fixed therefor as herein provided, together with a sum in the case of each share of each series so to be redeemed, computed at the annual dividend rate for the series of which the particular share is a part from the date from which dividends on such share became cumulative to the date fixed for such redemption, less the aggregate of the dividends theretofore or on such redemption date paid thereon. At least 30 days' and not more than 90 days' notice of every such redemption shall be mailed to the holders of record of the shares of the Serial Convertible Preferred Stock so to be redeemed, at their respective addresses as the same shall appear on the books of the Corporation; but no failure to mail such notice nor any defect therein or in the mailing thereof shall affect the validity of the proceedings for the redemption of any shares of the Serial Convertible Preferred Stock so to be redeemed. In case of the redemption of a part only of any series of the Serial Convertible Preferred Stock at the time outstanding, the Corporation shall select by lot or in such other manner as the Board of Directors may determine, the shares so to be redeemed. The Board of Directors shall have full power and authority, subject to the limitations and provisions herein contained, to prescribe the manner in which and the terms and conditions upon which the shares of the Serial Convertible Preferred Stock shall be redeemed from time to time. If such notice of redemption shall have been duly given, and if on or before the redemption date specified in such notice all funds necessary for such redemption shall have been set aside by the Corporation, separate and apart from its other funds, in trust for the account of the holders of the shares to be redeemed, so as to be and continue to be available therefor, then, notwithstanding that any certificate for such shares so called for redemption shall not have been surrendered for cancellation, from and after the date fixed for redemption, the shares represented thereby shall no longer be deemed outstanding, the right to receive dividends thereon shall cease to accrue and all rights with respect to such shares so called for redemption shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive, out of the funds so set aside in trust, the amount payable upon redemption thereof, without interest; provided, however, that the Corporation may at any time prior to the redemption date specified in such notice, deposit in trust, for the account of the holders of the shares to be redeemed, funds necessary for such redemption with a bank or trust

company in good standing, organized under the laws of the State of Iowa or the State of Illinois or of the United States of America, doing business in the City of Davenport, Iowa, or the City of Chicago, Illinois, having capital, surplus and undivided profits aggregating at least \$500,000, designated in such notice of redemption, and, upon such deposit in trust, all shares with respect to which such deposit shall have been made shall no longer be deemed to be outstanding, and all rights with respect to such shares shall forthwith cease and terminate, except only the right of the holders thereof to receive, out of the funds so deposited in trust, from and after the date of such deposit, the amount payable upon the redemption thereof, without interest. Nothing herein contained shall limit any legal right of the Corporation to purchase or otherwise acquire any shares of the Serial Convertible Preferred Stock.

(D) Before any amount shall be paid to or any assets distributed among the holders of Common Stock or Class B Common Stock upon any liquidation, dissolution or winding up of the Corporation, and after paying or providing for the payment of all creditors of the Corporation, the holders of each series of Serial Convertible Preferred Stock at the time outstanding shall be entitled to be paid in cash the amount for the particular series fixed therefor as herein provided, together with a sum in the case of each such share of each series, computed at the annual dividend rate for the series of which the particular share is apart, from the date from which dividends on such share became cumulative to the date fixed for the payment of such distributive amount, less the aggregate of the dividends theretofore or on such date paid thereon; but no payments on account of such distributive amounts shall be made to the holders of any series of the Serial Convertible Preferred Stock unless there shall likewise be paid at the same time to the holders of each other series of the Serial Convertible Preferred Stock at the time outstanding like proportionate distributive amounts, ratably, in proportion to the full distributive amounts to which they are respectively entitled as herein provided. The holders of Serial Convertible Preferred Stock of any series shall not be entitled to receive any amounts with respect thereto upon any liquidation, dissolution or winding up of the Corporation other than the amounts referred to in this subdivision (D). Neither the consolidation or merger of the Corporation with any other corporation or corporations, nor the sale or transfer by the Corporation of all or any part of its assets, shall be deemed to be a liquidation, dissolution or winding up of the Corporation.

(E) Whenever the full dividends on all series of the Serial Convertible Preferred Stock at the time outstanding for all past quarter-yearly dividend periods shall have been paid or declared and set apart for payment, then such dividends (payable in cash or Common Stock or Class B Common Stock, as the case may be), as may be determined by the Board of Directors, may be declared and paid on the Common Stock and Class B Common Stock but only out of funds legally available for the payment of dividends.

(F) In the event of any liquidation, dissolution or winding up of the Corporation, all assets and funds of the Corporation remaining after paying or providing for the

payment of all creditors of the Corporation and after paying or providing for the payment to the holders of shares of all series of the Serial Convertible Preferred Stock of the preferential amount specified in subdivision (D) hereof to which they are respectively entitled, shall be divided among and paid to the holders of the Common Stock and Class B Common Stock according to their respective rights and interests.

(G) (1) So long as any shares of the Serial Convertible Preferred Stock of any series are outstanding, the Corporation shall not, without the consent (given in writing or by vote at a meeting called for that purpose) of the holders of at least two-thirds of the total number of shares of the Serial Convertible Preferred Stock of all series then outstanding:

(a) Create or authorize any class of stock ranking prior to the Serial Convertible Preferred Stock, or create or authorize any obligation or security convertible into shares of stock of any such class; or

(b) Amend, alter, change or repeal any of the express terms of the Serial Convertible Preferred Stock or of any series of the Serial Convertible Preferred Stock then outstanding in a manner prejudicial to the holders thereof; provided, however, that if any such amendment, alteration, change or repeal would be prejudicial to the holders of one or more, but not all, of the series of the Serial Convertible Preferred Stock at the time outstanding, only such consent of the holders of two-thirds of the total number of shares of all series so affected shall be required; or

(c) Issue any shares of any series of the Serial Convertible Preferred Stock unless the net earnings of the Corporation (calculated in accordance with the accounting principles followed by the Corporation during the period for which such net earnings are calculated) available for the payment of dividends on the Serial Convertible Preferred Stock for any twelve consecutive calendar months within the fifteen calendar months immediately preceding the calendar month within which such additional shares of stock shall be issued, shall have been at least two times the dividend requirements for a twelve months' period upon the entire amount of the Serial Convertible Preferred Stock to be outstanding immediately after such issue (including the shares proposed to be issued but not including any shares proposed to be redeemed or otherwise retired in connection with such issue).

(2) So long as any shares of the Serial Convertible Preferred Stock of any series are outstanding, the Corporation shall not, without the consent (given in writing or by vote at a meeting called for that purpose) of the holders of a majority of the total number of shares of the Serial Convertible Preferred Stock of all series then outstanding increase the total authorized amount of the Serial Convertible Preferred Stock of all series.

(3) Provided that the consent of the holders of the Serial Convertible Preferred Stock (or of any series thereof) required by the provisions of subparagraphs (1) and (2) of this subdivision (G), if any such consent be so required, shall have been obtained, the Corporation may create or authorize any class of stock ranking prior to or

on a parity with or subordinate to the Serial Convertible Preferred Stock or may increase the total authorized amount of the Serial Convertible Preferred Stock or of any other class of stock of the Corporation or may amend, alter, change or repeal any of the rights, privileges, terms and conditions of the Serial Convertible Preferred Stock or of any series of the Serial Convertible Preferred Stock then outstanding upon the vote, given at a meeting called for that purpose, of the holders of a majority of the total number of shares of stock of the Corporation then outstanding and entitled to vote thereon.

(H) Each share of Serial Convertible Preferred Stock of any series may, at the option of the holder thereof, be converted into Common Stock at any time prior to the close of business on the 10th day preceding the date fixed for redemption thereof into the number of shares of Common Stock designated by the Board of Directors at the time of authorization of such series, subject to the following terms and conditions:

(1) No adjustment of dividends will be made upon the exercise of the conversion privilege.

(2) In case the Corporation shall at any time or from time to time subdivide the outstanding shares of Common Stock into a greater number of shares or pay a dividend thereon in Common Stock, or combine the outstanding shares of Common Stock into a smaller number of shares, then with respect to each such subdivision or Common Stock dividend the number of shares of Common Stock deliverable upon the conversion of each share of Serial Convertible Preferred Stock shall be increased proportionately and with respect to each such combination shall be decreased proportionately.

(3) In case the Corporation shall offer to the holders of Common Stock any right to subscribe for stock or other securities of the Corporation, the holders of each series of Serial Convertible Preferred Stock outstanding as of the date the record is taken of the holders of Common Stock entitled to receive such rights, shall be entitled to subscribe for and purchase at the same price at which such stock or securities are offered to the holders of Common Stock, and upon the same terms, the number of shares of such stock or the amount of such securities for which they would have been entitled to subscribe if they had been holders of record of the number of shares of Common Stock into which their Serial Convertible Preferred Stock was convertible on such record date.

(4) If during any fiscal year the Board of Directors shall declare cash dividends on the Common Stock in excess of the amount of dividends declared during such year on any series of the Serial Convertible Preferred Stock, then the Corporation shall give notice of the amount of such excess dividend to all holders of such series of Serial Convertible Preferred Stock at least 20 days prior to the record date for determination of shareholders entitled to such dividend. Such notice shall be given by mailing a copy thereof to each holder of record of such series of Serial Convertible

Preferred Stock at his address last appearing on the books of the Corporation and shall be deemed to have been given when mailed.

(5) So long as any of the Serial Convertible Preferred Stock remains outstanding, no reorganization of the Corporation and no consolidation of the Corporation and no consolidation or merger thereof with or into any other corporation or corporations and no conveyance of all or substantially all of its properties and business, as an entity, to any other corporation, shall be made, unless as part of such reorganization, consolidation, merger or conveyance, arrangements shall be made whereby the holders of each series of Serial Convertible Preferred Stock then outstanding shall thereafter be entitled to convert such Serial Convertible Preferred Stock into any stock or securities given in exchange for Common Stock of the Corporation on such reorganization, or in connection with such consolidation, merger or conveyance, in such amounts as would at the time have been given in exchange for the Common Stock then issuable upon conversion of such Serial Convertible Preferred Stock.

(6) Whenever any shares of Serial Convertible Preferred Stock shall be redeemed or converted into Common Stock, such shares shall be restored to the status of unissued shares of Serial Convertible Preferred Stock and the number of authorized shares of Serial Convertible Preferred Stock shall not be reduced as a result thereof.

(I) Subject to the provisions of Subdivision (J) hereof, every holder of the Serial Convertible Preferred Stock and every holder of the Common Stock shall have one vote, and every holder of Class B Common Stock shall have ten votes, for each share of stock held by him for the election of directors and upon all other matters.

(J) (1) No more than twenty per cent (20%) of the outstanding shares of stock of the Corporation shall at any time be owned or controlled, directly or indirectly, by or for the account of all aliens as a group (including the representatives, associates and affiliates thereof).

(2) No more than twenty per cent (20%) of the outstanding shares of stock of the Corporation entitled to vote on any matter submitted to stockholders (including the election of directors) shall be voted, directly or indirectly, by or for the account of all aliens as a group (including the representatives, associates and affiliates thereof).

(3) No alien (including the representatives, associates and affiliates thereof) shall be eligible to serve as a director of the Corporation.

For the purposes of this Subdivision (J):

(a) The term "alien" includes:

(i) all persons not citizens of the United States of America, without regard to residence;

- (ii) All corporations organized under laws other than those of the United States of America or the several States; and/or
- (iii) all foreign governments.

(b) The term “representative” means any person acting at the request or direction of, or in anticipation of benefit (economic or otherwise) from, the person specified, either directly or through one or more intermediaries.

(c) The term “affiliate” includes any person who directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.

(d) The term “associate” includes: (i) any person of which the person specified is an officer or partner or is, directly or indirectly, the beneficial owner of 10 per cent or more of any class or equity securities; (ii) any trust or other estate in which the specified person has a substantial beneficial interest or as to which the person specified serves as trustee or in a similar capacity, or (iii) any relative or spouse of the person specified or any relative of such spouse, who has the same home as the person specified or who is a director or officer of the person specified or any corporation which controls or is controlled by the person specified.

(e) The term “control” means the possession directly or indirectly, of the power to direct or cause the direction of management, actions, decisions or policies of a person, whether through the ownership of voting securities, by contract or otherwise.

(f) The term “person” includes all individuals and legal entities (including corporations, partnerships, trusts and estates).

The By-laws of the Corporation shall establish rules, regulations and procedures to assure compliance with and enforcement of this Subdivision (J).

Each of the foregoing provisions (1, 2 and 3) is separate and severable. In the event of the unenforceability of any one or more of said provisions, all of the remaining provisions shall continue in full force and effect.

FIFTH: For the management of the business and for the conduct of the affairs of the Corporation, and in further definition, limitation and regulation of the powers of the Corporation and of its directors and stockholders, it is further provided:

(A) The election of directors need not be by ballot.

(B) The Board of Directors is expressly authorized and empowered to make, alter, amend and repeal By-Laws, subject to the power of the stockholders to alter or repeal the By-Laws made by the Board of Directors.

(C) Any officer elected or appointed by the stockholders or by the Board of Directors may be removed at any time in such manner as shall be provided in the By-Laws of the Corporation.

(D) No person who is or was at any time a Director of the Corporation shall have any personal liability to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a Director; provided, however, that unless and except to the extent otherwise permitted from time to time by applicable law, the provisions of this Subdivision shall not eliminate or limit the liability of a Director (i) for any breach of the Director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions by the Director which are not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, (iv) for any transaction from which the Director derived an improper personal benefit, or (v) for any act or omission occurring prior to the date this Subdivision becomes effective.

(E) Notwithstanding the provisions of §228 of the Delaware General Corporation Law, no corporate action without a meeting of stockholders shall be taken by less than unanimous written consent of the stockholders of the Corporation.

(F) Special meetings of the stockholders may be called by the Board of Directors or the Chairman of the Board.

SIXTH: The number of Directors of the Corporation shall be such as from time to time shall be fixed by, or in the manner provided in, the By-Laws, but in no event less than three. The Directors shall be divided into three classes as nearly equal in number as possible, with the term of office of one class expiring each year. Each class of Directors shall be elected for a three year term. During the intervals between annual meetings of stockholders, any vacancy occurring in the Board of Directors caused by resignation, removal, death or incapacity, and any newly created directorships resulting from an increase in the number of Directors, shall be filled by a majority vote of the Directors then in office whether or not a quorum. Each Director chosen to fill a vacancy shall hold office for the unexpired term in respect of which such vacancy occurred. Each Director chosen to fill a newly created directorship shall hold office until the next election of the class for which such Director shall have been chosen. When the number of Directors is changed, any newly created directorships or any decrease in directorships shall be so apportioned among the classes as to make all classes as nearly equal in number as possible. Each Director shall serve until a successor shall have been duly elected and qualified, except in the event of resignation, removal, death or other incapacity. A Director may be removed from office at any time, but only for cause, by the affirmative vote of the holders of a majority of the outstanding shares of stock

entitled to vote for the election of Directors at a meeting of the stockholders called for that purpose.

SEVENTH: Any proposal that the Corporation (1) enter into a merger or consolidation with any person, or (2) sell, lease, transfer, exchange, mortgage, pledge or otherwise dispose of all or a substantial portion of its assets or business to any person, or (3) issue voting securities of the corporation in exchange or payment for the securities or assets of any person, or (4) be liquidated or dissolved, and any proposal, (5) that the stockholders increase or decrease the number of Directors of the corporation, however effectuated, shall require for approval the affirmative vote of the holders of not less than seventy-five per cent (75%) of the outstanding shares entitled to vote thereon. Provided, however, that the foregoing shall not apply to any such proposal which has been approved by the affirmative vote of not less than two-thirds of the Directors of the Corporation nor to any merger, consolidation or sale of assets or business or the issuance of voting securities between this corporation and another corporation fifty per cent (50%) or more of the voting stock of which is owned by this Corporation. For the purposes of this Article, the term "person" includes all individuals and other legal entities, including corporations, partnerships, trusts and estates.

EIGHTH: The provisions set forth in Subdivision (J) of Article FOURTH and in Articles SIXTH and SEVENTH of this Amended and Restated Certificate of Incorporation and this Article EIGHTH shall not be repealed or amended in any respect unless such repeal or amendment is approved by the affirmative vote of the holders of not less than seventy-five per cent (75%) of the outstanding shares of stock of the corporation entitled to vote thereon.

NINTH: (A) The Board of Directors of the Corporation, when evaluating any offer of another party to (a) make a tender or exchange offer for any equity security of the Corporation, (b) merge or consolidate the Corporation with another corporation, or (c) purchase or otherwise acquire all or substantially all of the properties and assets of the Corporation, shall, in connection with the exercise of its judgment in determining what is in the best interests of the Corporation and its stockholders, give due consideration to all relevant factors, including without limitation the social and economic effects on the employees, customers, suppliers and other constituents of the Corporation and its subsidiaries and on the communities in which the Corporation and its subsidiaries operate or are located.

(B) This Article shall not be repealed or amended in any respect unless such repeal or amendment is approved by the affirmative vote of the holders of not less than seventy-five per cent (75%) of the outstanding shares of stock of the Corporation entitled to vote thereon.

SECTION 2. Other Offices. The corporation may also have an office or offices at such other place or places, within or without the State of Delaware, as the Board of Directors may from time to time designate or the business of the corporation require.

ARTICLE II

STOCKHOLDERS' MEETINGS

SECTION 1. Annual Meetings. An annual meeting of the stockholders of the corporation shall be held at such time and place within or without the State of Delaware as may be determined by the Board of Directors, and as shall be designated in the notice of said meeting, for the purpose of electing directors and for the transaction of such other proper business, notice of which was given in the notice of the meeting.

SECTION 2. Nomination of Directors and Other Business.

(a) Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors. Nominations of persons for election as directors may be made at a meeting of stockholders only (x) by or at the direction of the Board of Directors, (y) by any person or persons authorized to do so by the Board or (z) by any stockholder of the corporation entitled to vote for the election of directors at the meeting who complies with the notice procedures set forth in this Section 2. Any such nomination, other than those made by or at the direction of the

Board or by persons authorized by the Board, shall be made pursuant to timely notice in writing to the Chairman of the Nominating Committee of the Board of Directors. Such stockholder's notice of a proposed nomination shall set forth, as to each person whom the stockholder proposes to nominate for election or re-election as a director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of capital stock of the corporation which are beneficially owned by the person, and (iv) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as now or hereafter amended; and as to the stockholder giving the notice, (v) the name and record address of such stockholder and (vi) the class and number of shares of the corporation which are beneficially owned by such stockholder. The corporation may require any proposed nominee to furnish such other information as may reasonably be required by the corporation to determine the eligibility of such proposed nominee to serve as director. No person shall be eligible for election as a director of the corporation unless nominated in accordance with the procedures set forth herein and unless qualified under the other provisions of these bylaws. If the chairman of the meeting determines that a nomination was not made in accordance with the foregoing procedure, he or she shall so declare to the meeting and the defective nomination shall be disregarded.

(b) To be properly brought before any annual or special meeting of stockholders, business must be either (x) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board, (y) otherwise properly brought before the meeting by or at the direction of the Board, or (z) otherwise properly brought before the meeting by a stockholder. In addition to any other applicable requirements, for business to be properly brought before a meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the corporation. A stockholder's notice to the Secretary shall set forth with respect to each matter the stockholder proposes to bring before the meeting (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting, (ii) the name and record address of the stockholder proposing such business, (iii) the class and number of shares of the corporation which are beneficially owned by the stockholder, and (iv) any material interest of the stockholder in such business. Notwithstanding anything in these bylaws to the contrary, no business shall be conducted at any meeting of stockholders except in accordance with the procedures set forth in this Section 2, provided, however, that nothing in this Section 2 shall be deemed to preclude discussion by any stockholder of any business properly brought before the meeting. If the chairman of the meeting determines that such business was not properly brought before the meeting in accordance with the foregoing procedure, he or she shall so declare to the meeting, and any such business not properly brought before the meeting shall not be transacted.

(c) To be timely, a stockholder's notice of nomination or other business must be delivered to, or mailed and received at, the principal executive offices of the corporation, as to the annual meeting of stockholders, not later than the date fixed annually by the Board of Directors and set forth in the proxy statement for the preceding

annual meeting. As to any other meeting such notice shall be given not less than 40 days nor more than 65 days prior to the meeting; provided, however, that in the event that less than 45 days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not later than the close of business on the 15th day following the day on which such notice of the date of the special meeting was mailed or such public disclosure was made, whichever first occurs.

SECTION 3. Special Meetings. Special meetings of the stockholders may be held at such time and place within or without the State of Delaware as may be designated in the notice of said meeting, upon call of the Board of Directors or Chairman and President.

SECTION 4. Notice of Meetings and Adjourned Meetings. Unless otherwise provided by law, written notice of any meeting of the stockholders stating the place, date, hour and purpose or purposes of the meeting shall be given not less than ten (10) nor more than fifty (50) days before the date of the meeting to each stockholder entitled to vote at such meeting. If mailed, notice shall be deemed for all purposes to have been given when deposited in the United States mail, postage prepaid, directed to the stockholder at the address of the stockholder as it appears on the records of the corporation. An affidavit of the Secretary or an Assistant Secretary or of the transfer agent of the corporation that the notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken, provided that if the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

SECTION 5. Record Date for Determination of Stockholders. In order that the corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the stock record books of the corporation shall not be closed, but the Board of Directors shall fix, in advance, a record date, which shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting, nor more than sixty (60) days prior to any other action.

A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

SECTION 6. Quorum. Except as otherwise provided by law or the Amended and Restated Certificate of Incorporation of the corporation, a quorum of all meetings of stockholders shall consist of the holders of record of stock representing a majority of the voting power of all classes of the corporation, issued and outstanding, entitled to vote at the meeting, present in person or by proxy. For purposes of the foregoing, two or more classes or series of stock shall be considered a single class if the holders thereof are entitled to vote together as a single class at the meeting. In the absence of a quorum at any meeting or any adjournment thereof, a majority of the voting power of those present in person or by proxy and entitled to vote may adjourn such meeting from time to time. At any adjourned meeting at which a quorum is present any business may be transacted which might have been transacted at the meeting as originally called.

SECTION 7. Organization. Meetings of the stockholders shall be presided over by the Chairman and President. If he or she is not present, a Vice President shall preside. In their absence or inability to act, another person designated by the Chairman and President shall preside. The Secretary of the corporation, or an Assistant Secretary, shall act as secretary of every meeting, but if neither the Secretary nor an Assistant Secretary is present, the presiding officer shall choose any person present to act as secretary of the meeting.

SECTION 8. Voting. Except as provided in Section 9 or as otherwise provided by law, each stockholder entitled to vote at any meeting of stockholders shall be entitled to such number of votes as is specified, in respect of the class or series of capital stock held by such stockholder, in the corporation's Amended and Restated Certificate of Incorporation, and a proportionate vote for each fraction of a share of capital stock held by such stockholder. Any vote of stock of the corporation may be given by the stockholder entitled thereto in person or by his or her proxy appointed by an instrument in writing, subscribed by such stockholder or his or her attorney thereto authorized and delivered to the Secretary of the meeting; provided, however, that no proxy shall be voted on after three (3) years from its date unless said proxy provides for a longer period. Except as otherwise required by law or the Amended and Restated Certificate of Incorporation or these Amended and Restated By-Laws ("By-Laws"), or in electing directors, all matters coming before any meeting of the stockholders shall be decided by the vote of a majority of the voting power of all classes of stock of the corporation present in person or by proxy at such meeting and entitled to vote thereat, a quorum being present. At all elections of directors the voting may, but need not be, by ballot and a plurality of the votes cast thereat shall elect.

SECTION 9. Voting of Shares by Aliens. No more than twenty percent (20%) of the outstanding shares of stock of the corporation entitled to vote on any matter submitted to stockholders (including the election of directors) shall be voted, directly or indirectly, by or for the account of all aliens as a group. All references herein to "alien" shall include the representatives, associates and affiliates of such alien. The term "alien", "representative", "associate", and "affiliate" shall be defined as set forth in Subdivision (J) to Article FOURTH of the Amended and Restated Certificate of Incorporation of the corporation.

SECTION 10. List of Stockholders. The officer who has charge of the stock ledger of the corporation shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

SECTION 11. Inspectors of Voting. Except as otherwise provided by statute, the Chairman and President or in his or her absence the chairman of the meeting, shall appoint one or more inspectors of voting for each meeting of stockholders.

SECTION 12. Meeting Procedures. Meetings of stockholders shall be conducted in a fair manner but need not be governed by any prescribed rules of order. The presiding officer's rulings on procedural matters shall be final. The presiding officer is authorized to impose reasonable time limits on the remarks of individual stockholders and may take such steps as such officer may deem necessary or appropriate to assure that the business of the meeting is conducted in a fair and orderly manner including, without limitation, to adjourn any meeting and determine the date, time and place at which any adjourned meeting shall be reconvened, unless otherwise determined by the Board of Directors.

ARTICLE III

DIRECTORS

SECTION 1. Powers, Number, Qualification, Term, Quorum and Vacancies. The property, affairs and business of the corporation shall be managed by its Board of Directors, consisting of such number as shall be fixed from time to time by resolution adopted at a meeting of the stockholders or as may be determined by the Board of Directors as hereinafter provided. The number of directors shall never be less than three (3). The directors shall be divided into three classes as nearly equal in number as possible, with the term of office of one class expiring each year. Following expiration of terms for which they were elected, each class of directors shall thereafter be elected for a three-year term. The directors shall have power from time to time, and at any time, when the stockholders as such are not assembled in a meeting, regular or special, to increase or decrease their own number. During the intervals between annual meetings of stockholders, any vacancy occurring in the Board of Directors caused by resignation, removal, death or incapacity, and any newly created

directorships resulting from an increase in the number of directors, shall be filled by a majority vote of the directors then in office, whether or not a quorum. Each director chosen to fill a vacancy shall hold office for the unexpired term in respect of which such vacancy occurred. Each director chosen to fill a newly created directorship shall hold office until the next election of the class for which such director shall have been chosen. When the number of directors is changed, any newly created directorships or any decrease in directorships shall be so apportioned among the classes as to make all classes as nearly equal in number as possible. Each director shall serve until a successor shall have been duly elected and qualified, except in the event of resignation, removal, death or other incapacity.

Directors need not be stockholders. No alien (including the representatives, associates and affiliates thereof) shall be eligible to serve as a director of the corporation. The terms "alien", "representative", "associate", and "affiliate", shall be defined as set forth in Subparagraph (J) to Article FOURTH of the Amended and Restated Certificate of Incorporation of the corporation.

A majority of the members of the Board of Directors then acting, but in no event less than one-third nor less than two (2) of the number of directors authorized, acting at a meeting duly assembled, shall constitute a quorum for the transaction of business, but if at any meeting of the Board of Directors there shall be less than a quorum present, a majority of those present may adjourn the meeting, without further notice, from time to time until a quorum shall have been obtained.

SECTION 2. Meetings. Meetings of the Board of Directors shall be held at such place within or outside the State of Delaware as may from time to time be fixed by resolution of the Board of Directors, or as may be specified in the notice of the meeting. Regular meetings of the Board of Directors shall be held at such times as may from time to time be fixed by resolution of the Board of Directors, and special meetings may be held at any time upon the call of the Chairman and President or any two (2) directors by oral, telegraphic, facsimile or other written notice duly communicated to, served on, sent, or mailed to each director at his or her principal address as recorded in the records of the corporation not less than twenty-four (24) hours before such meeting. A meeting of the Board of Directors shall be held without notice immediately after the annual meeting of stockholders. Notice need not be given of regular meetings of the Board of Directors held at times fixed by resolution of the Board of Directors. Meetings may be held at any time without notice if all the directors are present, or if at any time before or after the meeting those not present waive notice of the meeting in writing.

SECTION 3. Action Without Meeting. Any action required or permitted to be taken at any meeting of the Board of Directors, or any committee thereof, may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of the proceedings of the Board or committee.

SECTION 4. Committees. The Board of Directors may, by resolution passed by a majority of the whole Board, designate one or more committees, each committee to consist of two (2) or more of the directors of the corporation. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. Any such committee, to the extent provided in the resolution, shall have and may exercise the powers of the Board of Directors in the management of the business and affairs of the corporation, and may authorize the seal of the corporation to be affixed to all papers which may require it; provided, however, that in the absence or disqualification of any member of such committee or committees, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or she or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member.

SECTION 5. Dividends. Subject always to the provisions of the law and the Certificate of Incorporation, the Board of Directors shall have full power to determine whether any, and if any, what part of any, funds legally available for the payment of dividends shall be declared in dividends and paid to stockholders; the division of the whole or any part of such funds of the corporation shall rest wholly within the lawful discretion of the Board of Directors, and it shall not be required at any time, against such discretion, to divide or pay any part of such funds among or to the stockholders as dividends or otherwise; and the Board of Directors may fix a sum which may be set aside or reserved over and above the capital paid in of the corporation as working capital for the corporation or as a reserve for any proper purpose, and from time to time may increase, diminish, and vary the same in its absolute judgment and discretion.

SECTION 6. Removal of Directors. A director may be removed from office at any time, but only for cause, by the affirmative vote of the holders of a majority of the outstanding shares of stock entitled to vote for the election of directors at a meeting of the stockholders called for that purpose.

SECTION 7. Indemnification of Officers, Directors, Employees and Aliens.

(a) Each officer, director, employee and agent of the corporation and each person serving at the request of the corporation as an officer, director, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall be indemnified (including payment of expenses in advance) by the corporation to the full extent from time to time provided or authorized by the General corporation Law of the State of Delaware. This right of indemnification shall not be exclusive of other indemnification rights to which any such person may be entitled under contract, by-law, vote of stockholders or disinterested directors, policy of insurance or otherwise. The subsequent provisions of this By-law shall not limit or otherwise modify the foregoing provision.

(b) The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

(c) The corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such persons shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

(d) To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (b) and (c), or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

(e) Any indemnification under subsections (b) and (c) (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in subsections (b) and (c). Such determination shall be made (1) by the board of

directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (2) if such a quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (3) by the stockholders.

(f) Expenses incurred by an officer or director in defending a civil or criminal action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the corporation as authorized in this Section. Such expenses incurred by other employees and agents may be so paid upon such terms and conditions, if any, as the board of directors deems appropriate.

(g) The indemnification and advance of expenses provided by or granted pursuant to, the other subsections of this section shall not be deemed exclusive of any other rights to which those seeking indemnification and advancement of expenses may be entitled under any by-law, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office. The corporation shall have authority to enter into indemnification agreements with its officers and directors, the terms of which shall be approved by the Board of Directors.

(h) The corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liability under the provisions of this section.

(i) For purposes of this Section, references to "the corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Section with respect to the resulting or surviving corporation as he or she would have with respect to such constituent corporation if its separate existence had continued.

(j) For purposes of this Section, references to "other enterprises" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a person with respect to any employee benefit plan; and references to

“serving at the request of the corporation” shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he or she reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “not opposed to the best interests of the corporation” as referred to in this Section. References to “actions” or “proceedings” shall include administrative or investigative inquiries as well as suits at law or in equity.

(k) The indemnification and advancement of expenses provided by, or granted pursuant to, this section shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

ARTICLE V

CERTIFICATES OF STOCK AND UNCERTIFICATED STOCK

Shares of stock held by or for the account of aliens (including the representatives, associates, and affiliates thereof) shall be represented by "Foreign Share Certificates". The terms "alien", "representative", "associate" and "affiliate" shall be defined as set forth in Subparagraph (J) of Article FOURTH of the Amended and Restated Certificate of Incorporation of the corporation. All such other shares of stock shall be represented by either "Domestic Share Certificates" or, in the case of uncertificated stock, by such written statements issued by the corporation in respect of uncertificated shares. All such certificates or written statements shall be in such form and design as the Board of Directors may approve, and each certificate or written statement shall express on its face its number, date of issuance, the number of shares for which and the person to whom issued.

SECTION 2. Ownership, Control and Transfer of Shares. Shares of stock shall be transferable on the books of the corporation by the holder thereof in person or by duly authorized attorney upon the surrender of the certificate representing shares to be transferred, properly endorsed, or, in the case of uncertificated stock, by the registration of the transfer of the uncertificated shares on the books of the corporation by the holder thereof; provided, however, that shares of stock other than shares represented by foreign share certificates shall be transferable

to aliens or any person holding for the account thereof only when the aggregate number of shares of stock owned by or for the account of all aliens as a group will not then be more than twenty percent (20%) of the number of shares outstanding. The Board of Directors may direct that, before shares of stock shall be transferred on the books of the corporation, the corporation may require information as to whether the proposed transferee is an alien or will own the stock for the account of an alien. The issuance or transfer of any of the shares of stock at any time outstanding to an alien contrary to the provisions of this Section shall be void. All references herein to "alien" shall include the representatives, associates and affiliates of such alien. The terms "alien", "representative", "affiliate", "associate", "control" and "person" shall be defined as set forth in Subparagraph (J) to Article FOURTH of the Amended and Restated Certificate of Incorporation of the corporation.

The person in whose name shares of stock stand on the books of the corporation shall be deemed the owner thereof for all purposes as regards the corporation; provided that whenever any transfer of shares shall be made for collateral security, and not absolutely, such fact, if known to the Secretary of the corporation, shall be so expressed in the entry of transfer. The Board may, from time to time, make such additional rules and regulations as it may deem expedient, not inconsistent with these By-Laws, concerning the issue, transfer, and registration of certificates for shares or uncertificated shares of the capital stock of the corporation.

The certificates of stock shall be signed by the Chairman and President or a Vice President and by the Secretary or an Assistant Secretary or the Treasurer or an Assistant Treasurer, and sealed with the seal of the corporation. If a certificate of stock is countersigned (1) by a transfer agent other than the corporation or its employee, or (2) by a registrar other than the corporation or its employee, any other signature on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate of stock shall have ceased to be such officer, transfer agent or registrar before such certificate of stock is issued, it may be issued by the corporation with the same effect as if he or she were such officer, transfer agent or registrar at the date of issue.

SECTION 3. Lost, Destroyed or Stolen Certificates. No certificate for shares of stock in the corporation or uncertificated shares in place of any certificate or certificates previously issued by the corporation shall be issued in place of any certificate alleged to have been lost, destroyed or stolen, except on production of such evidence of such loss, destruction or theft and on delivery to the corporation, if the Board of Directors shall so require, of a bond of indemnity in such amount (not exceeding twice the value of the shares represented by such certificate), upon such

terms and secured by such surety as the Board of Directors may in its discretion require.

SECTION 4. Transfer Agent and Registrar. The Board of Directors may appoint one or more Transfer Clerks or one or more Transfer Agents and one or more Registrars, and may require all certificates of stock to bear the signature or signatures of any of them.

“Unrestricted” shall mean, when referring to cash or Cash Equivalents of the Borrower or any of its Subsidiaries, that such cash or Cash Equivalents are not Restricted.

“Unutilized Revolving Loan Commitment” shall mean, with respect to any RL Lender at any time, such RL Lender’s Revolving Loan Commitment at such time less the sum of (i) the aggregate outstanding principal amount of all Revolving Loans made by such RL Lender at such time and (ii) such RL Lender’s RL Percentage of the Letter of Credit Outstandings at such time.

“Voting Equity Interests” shall mean, as to any Person, any class or classes of outstanding Equity Interests of such Person pursuant to which the holders thereof have the general voting power under ordinary circumstances to elect at least a majority of the board of directors of such Person.

“Wholly-Owned Domestic Subsidiary” shall mean, as to any Person, any Wholly-Owned Subsidiary of such Person which is a Domestic Subsidiary.

“Wholly-Owned Foreign Subsidiary” shall mean, as to any Person, any Wholly-Owned Subsidiary of such Person which is a Foreign Subsidiary.

“Wholly-Owned Subsidiary” shall mean, as to any Person, (i) any corporation 100% of whose capital stock is at the time owned by such Person and/or one or more Wholly-Owned Subsidiaries of such Person and (ii) any partnership, association, joint venture or other entity in which such Person and/or one or more Wholly-Owned Subsidiaries of such Person has a 100% equity interest at such time (other than, in the case of a Foreign Subsidiary of the Borrower with respect to preceding clauses (i) and (ii), director’s qualifying shares and/or other nominal amount of shares required to be held by Persons other than the Borrower and its Subsidiaries under applicable law).

SECTION 2. Amount and Terms of Credit.

2.01 Loans. (a) Subject to the terms and conditions hereof and to give effect to the Plan of Reorganization and provide for, together with the consummation of the transactions contemplated by the Second Lien Loan Agreement, full and complete satisfaction, settlement, release and discharge of the Prepetition Credit Agreement Claims, each Term Lender shall be deemed to have made a term loan to the Borrower on the Conversion Date in an amount equal to the amount set forth opposite such Lender's name on Schedule I below the column entitled "Term Loans" (such term loan, a "Term Loan" and, collectively, the "Term Loans"). Such Term Loan shall (i) be denominated in Dollars and (ii) except as hereinafter provided, shall, at the option of the Borrower, be maintained as, and/or converted into, Base Rate Loans or Eurodollar Loans, provided that except as otherwise specifically provided in Section 2.10(b), all Term Loans comprising the same Borrowing shall at all times be of the same Type. Once repaid, Term Loans may not be reborrowed.

(b) Subject to and upon the terms and conditions set forth herein, each Lender with a Revolving Loan Commitment severally agrees to make, at any time and from time to time on or after the Conversion Date and prior to the Revolving Loan Maturity Date, a revolving loan or revolving loans (each, a "Revolving Loan" and, collectively, the "Revolving Loans") to the Borrower, which Revolving Loans (i) shall be denominated in Dollars, (ii) shall, at the option of the Borrower, be incurred and maintained as, and/or converted into, Base Rate Loans or Eurodollar Loans, provided that except as otherwise specifically provided in Section 2.10(b), all Revolving Loans comprising the same Borrowing shall at all times be of the same Type, (iii) may be repaid and reborrowed in accordance with the provisions hereof, and (iv) shall not exceed for any such Lender at any time outstanding that aggregate principal amount which, when added to the product of (x) such Lender's RL Percentage and (y) the sum of (I) the aggregate amount of all Letter of Credit Outstandings (exclusive of Unpaid Drawings which are repaid with the proceeds of, and simultaneously with the incurrence of, the respective incurrence of Revolving Loans) at such time and (II) the aggregate principal amount of all Swingline Loans (exclusive of Swingline Loans which are repaid with the proceeds of, and simultaneously with the incurrence of, the respective incurrence of Revolving Loans) then outstanding, equals the Revolving Loan Commitment of such Lender at such time.

(c) On the Conversion Date, automatically and without any further consent or action required by the Borrower and notwithstanding anything to the contrary in Section 2.02 or 2.03, the Administrative Agent or any Lender, (i) the Borrower, in its capacity as reorganized Lee Enterprises, Incorporated and each Subsidiary Guarantor, in its capacity as a reorganized Debtor shall assume all obligations in respect of the DIP Credit Agreement and all other obligations in respect hereof, and, immediately thereafter, (ii) the DIP Credit Agreement and the Prepetition Credit Agreement each shall terminate and be superseded and replaced by, and deemed amended and restated in their entirety in the form of this Agreement, and (1) the "Borrower" and the "Subsidiary Guarantors" under and as defined in the DIP Credit Agreement and the Prepetition Credit Agreement shall be the Borrower and Subsidiary Guarantors hereunder, (2) each "Revolving Loan" under and as defined in the DIP Credit Agreement shall be a Revolving Loan hereunder, (3) each "Lender" under and as defined in the DIP Credit Agreement or in the Prepetition Credit Agreement shall be a Lender hereunder, (4)

the “Revolving Loan Commitments” under and as defined in the DIP Credit Agreement shall be Revolving Loan Commitments hereunder, and (5) the “Letters of Credit” outstanding under and as defined in the DIP Credit Agreement and the Prepetition Credit Agreement shall be Letters of Credit hereunder. Notwithstanding the foregoing, all obligations of the Borrower and the Subsidiary Guarantors to the “Administrative Agent”, the “Issuing Bank” and the “Lenders” under and as defined under the DIP Credit Agreement and any other “Credit Document” under and as defined in the DIP Credit Agreement which are expressly stated in the DIP Credit Agreement or such other credit document as surviving such agreement’s termination shall, as so specified, survive without prejudice and remain in full force and effect. Each of the Credit Parties, the Administrative Agent, the Lenders and the Issuing Bank shall take such actions and execute and deliver such agreements, instruments or other documents as the Administrative Agent may reasonably request to give effect to the provisions of this Section 2.01(c).

(d) Subject to and upon the terms and conditions set forth herein, the Swingline Lender agrees to make, at any time and from time to time on or after the Conversion Date and prior to the Swingline Expiry Date, a revolving loan or revolving loans (each, a “Swingline Loan” and, collectively, the “Swingline Loans”) to the Borrower, which Swingline Loans (i) shall be incurred and maintained as Base Rate Loans, (ii) shall be denominated in Dollars, (iii) may be repaid and reborrowed in accordance with the provisions hereof, (iv) shall not exceed in aggregate principal amount at any time outstanding, when combined with the aggregate principal amount of all Revolving Loans then outstanding and the aggregate amount of all Letter of Credit Outstandings at such time, an amount equal to the Total Revolving Loan Commitment at such time, and (v) shall not exceed in aggregate principal amount at any time outstanding the Maximum Swingline Amount. Notwithstanding anything to the contrary contained in this Section 2.01(d), (i) the Swingline Lender shall not be obligated to make any Swingline Loans at a time when a Lender Default exists with respect to a RL Lender unless the Swingline Lender has entered into arrangements satisfactory to it and the Borrower to eliminate the Swingline Lender’s risk with respect to the Defaulting Lender’s or Defaulting Lenders’ participation in such Swingline Loans, including by cash collateralizing such Defaulting Lender’s or Defaulting Lenders’ RL Percentage of the outstanding Swingline Loans, and (ii) the Swingline Lender shall not make any Swingline Loan after it has received written notice from the Borrower, any other Credit Party or the Required Lenders stating that a Default or an Event of Default exists and is continuing until such time as the Swingline Lender shall have received written notice (A) of rescission of all such notices from the party or parties originally delivering such notice or notices or (B) of the waiver of such Default or Event of Default by the Required Lenders.

(e) On any Business Day, the Swingline Lender may, in its sole discretion, give notice to the RL Lenders that the Swingline Lender’s outstanding Swingline Loans shall be funded with one or more Borrowings of Revolving Loans (provided that such notice shall be deemed to have been automatically given upon the occurrence of a Default or an Event of Default under Section 11.05 or upon the exercise of any of the remedies provided in the last paragraph of Section 11), in which case one or more Borrowings of Revolving Loans constituting Base Rate Loans (each such Borrowing, a “Mandatory Borrowing”) shall be made on the immediately succeeding Business Day by all RL Lenders pro rata based on each such RL Lender’s RL Percentage (determined before giving effect to any termination of the Revolving

Loan Commitments pursuant to the last paragraph of Section 11) and the proceeds thereof shall be applied directly by the Swingline Lender to repay the Swingline Lender for such outstanding Swingline Loans. Each RL Lender hereby irrevocably agrees to make Revolving Loans upon one Business Day's notice pursuant to each Mandatory Borrowing in the amount and in the manner specified in the preceding sentence and on the date specified in writing by the Swingline Lender notwithstanding (i) the amount of the Mandatory Borrowing may not comply with the Minimum Borrowing Amount otherwise required hereunder, (ii) whether any conditions specified in Section 7 are then satisfied, (iii) whether a Default or an Event of Default then exists, (iv) the date of such Mandatory Borrowing, and (v) the amount of the Total Revolving Loan Commitment at such time. In the event that any Mandatory Borrowing cannot for any reason be made on the date otherwise required above (including, without limitation, as a result of the commencement of a proceeding under the Bankruptcy Code with respect to the Borrower), then each RL Lender hereby agrees that it shall forthwith purchase (as of the date the Mandatory Borrowing would otherwise have occurred, but adjusted for any payments received from the Borrower on or after such date and prior to such purchase) from the Swingline Lender such participations in the outstanding Swingline Loans as shall be necessary to cause the RL Lenders to share in such Swingline Loans ratably based upon their respective RL Percentages (determined before giving effect to any termination of the Revolving Loan Commitments pursuant to the last paragraph of Section 11), provided that (x) all interest payable on the Swingline Loans shall be for the account of the Swingline Lender until the date as of which the respective participation is required to be purchased and, to the extent attributable to the purchased participation, shall be payable to the participant from and after such date, and (y) at the time any purchase of participations pursuant to this sentence is actually made, the purchasing RL Lender shall be required to pay the Swingline Lender interest on the principal amount of participation purchased for each day from and including the day upon which the Mandatory Borrowing would otherwise have occurred to but excluding the date of payment for such participation, at the overnight Federal Funds Rate for the first three days and at the interest rate otherwise applicable to Revolving Loans maintained as Base Rate Loans hereunder for each day thereafter.

2.02 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Loans under a respective Tranche shall not be less than the Minimum Borrowing Amount applicable to such Tranche. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than fifteen Borrowings of Eurodollar Loans in the aggregate for all Tranches of Loans (or such greater number of Borrowings of Eurodollar Loans as may be acceptable to the Administrative Agent).

2.03 Notice of Borrowing. (a) Whenever the Borrower desires to incur (x) Eurodollar Loans hereunder, the Borrower shall give the Administrative Agent at the Notice Office at least three Business Days' prior notice of each Eurodollar Loan to be incurred hereunder, and (y) Base Rate Loans hereunder (excluding Swingline Loans and Revolving Loans made pursuant to a Mandatory Borrowing), the Borrower shall give the Administrative Agent at the Notice Office at least one Business Day's prior notice of each Base Rate Loan to be incurred hereunder, provided that (in each case) any such notice shall be deemed to have been given on a certain day only if given before 11:00 A.M. (New York time) on such day. Each such notice (together with each notice delivered pursuant to Section 2.03(b)(i), a "Notice of Borrowing"), except as otherwise expressly provided in Section 2.10, shall be irrevocable and shall be in writ-

ing, or by telephone promptly confirmed in writing, in the form of Exhibit A-1, appropriately completed to specify: (i) the aggregate principal amount of the Revolving Loans to be incurred pursuant to such Borrowing; (ii) the date of such Borrowing (which shall be a Business Day); and (iii) whether the Revolving Loans being incurred pursuant to such Borrowing are to be initially maintained as Base Rate Loans or, to the extent permitted hereunder, Eurodollar Loans and, if Eurodollar Loans, the initial Interest Period to be applicable thereto. The Administrative Agent shall promptly give each Lender which is required to make Revolving Loans notice of such proposed Borrowing, of such Lender's proportionate share thereof and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

(b) (i) Whenever the Borrower desires to incur Swingline Loans hereunder, the Borrower shall give the Swingline Lender no later than 1:00 P.M. (New York time) on the date that a Swingline Loan is to be incurred, written notice or telephonic notice promptly confirmed in writing of each Swingline Loan to be incurred hereunder. Each such Notice of Borrowing shall be irrevocable and specify in each case (A) the date of Borrowing (which shall be a Business Day), and (B) the aggregate principal amount of the Swingline Loans to be incurred pursuant to such Borrowing.

(ii) Mandatory Borrowings shall be made upon the notice specified in Section 2.01(e), with the Borrower irrevocably agreeing, by its incurrence of any Swingline Loan, to the making of the Mandatory Borrowings as set forth in Section 2.01(e).

(c) Without in any way limiting the obligation of the Borrower to confirm in writing any telephonic notice of any Borrowing or prepayment of Loans, the Administrative Agent or the Swingline Lender, as the case may be, may act without liability upon the basis of telephonic notice of such Borrowing or prepayment, as the case may be, believed by the Administrative Agent or the Swingline Lender, as the case may be, in good faith to be from an Authorized Officer of the Borrower, prior to receipt of written confirmation. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's or the Swingline Lender's record of the terms of such telephonic notice of such Borrowing or prepayment of Loans, as the case may be, absent manifest error.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York time) on the date specified in each Notice of Borrowing (or (x) in the case of Swingline Loans, no later than 4:00 P.M. (New York time) on the date specified pursuant to Section 2.03(b)(i) or (y) in the case of Mandatory Borrowings, no later than 1:00 P.M. (New York time) on the date specified in Section 2.01(e)), each Lender with a Revolving Loan Commitment will make available its pro rata portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date (or in the case of Swingline Loans, the Swingline Lender will make available the full amount thereof). All such amounts will be made available in Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will, except in the case of Revolving Loans made pursuant to a Mandatory Borrowing, make available to the Borrower at the Payment Office the aggregate of the amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may

assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the overnight Federal Funds Rate for the first three days and at the interest rate otherwise applicable to such Loans for each day thereafter, and (ii) if recovered from the Borrower, the rate of interest applicable to the respective Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Loans hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any failure by such Lender to make Loans hereunder.

2.05 Notes. (a) The Borrower's obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.15 and shall, if requested by such Lender, also be evidenced (i) in the case of Term Loans, by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B-1, with blanks appropriately completed in conformity herewith (each, a "Term Note" and, collectively, the "Term Notes"), (ii) in the case of Revolving Loans, by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B-2, with blanks appropriately completed in conformity herewith (each, a "Revolving Note" and, collectively, the "Revolving Notes"), and (iii) in the case of Swingline Loans, by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B-3, with blanks appropriately completed in conformity herewith (the "Swingline Note").

(b) The Term Note issued to each Term Lender that has outstanding Term Loans shall (i) be executed by the Borrower, (ii) be payable to such Term Lender or its registered assigns and be dated the Conversion Date (or, if issued after the Conversion Date, be dated the date of issuance thereof), (iii) be in a stated principal amount equal to the Term Loans of such Term Lender as of the Conversion Date (or, if issued after the Conversion Date, be in a stated principal amount equal to the outstanding Term Loans of such Term Lender at such time) and be payable in the outstanding principal amount of Term Loans evidenced thereby from time to time, (iv) mature on the Term Loan Maturity Date, (v) bear interest as provided in the appropriate clause of Section 2.08 in respect of the Base Rate Loans and Eurodollar Loans, as the case may be, evidenced thereby, (vi) be subject to voluntary prepayment as provided in Section 5.01, and mandatory repayment as provided in Section 5.02, and (vii) be entitled to the benefits of this Agreement and the other Credit Documents.

(c) The Revolving Note issued to each Lender that has a Revolving Loan Commitment or outstanding Revolving Loans shall (i) be executed by the Borrower, (ii) be payable to such Lender or its registered assigns and be dated the Conversion Date (or, if issued after the Conversion Date, be dated the date of the issuance thereof), (iii) be in a stated principal amount equal to the Revolving Loan Commitment of such Lender (or, if issued after the termination thereof, be in a stated principal amount equal to the outstanding Revolving Loans of such Lender at such time) and be payable in the outstanding principal amount of the Revolving Loans evidenced thereby from time to time, (iv) mature on the Revolving Loan Maturity Date, (v) bear interest as provided in the appropriate clause of Section 2.08 in respect of the Base Rate Loans and Eurodollar Loans, as the case may be, evidenced thereby, (vi) be subject to voluntary prepayment as provided in Section 5.01, and mandatory repayment as provided in Section 5.02, and (vii) be entitled to the benefits of this Agreement and the other Credit Documents.

(d) The Swingline Note issued to the Swingline Lender shall (i) be executed by the Borrower, (ii) be payable to the Swingline Lender or its registered assigns and be dated the Conversion Date, (iii) be in a stated principal amount equal to the Maximum Swingline Amount and be payable in the outstanding principal amount of the Swingline Loans evidenced thereby from time to time, (iv) mature on the Swingline Expiry Date, (v) bear interest as provided in the appropriate clause of Section 2.08 in respect of the Base Rate Loans evidenced thereby, (vi) be subject to voluntary prepayment as provided in Section 5.01, and mandatory repayment as provided in Section 5.02, and (vii) be entitled to the benefits of this Agreement and the other Credit Documents.

(e) Each Lender will note on its internal records the amount of each Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrower's obligations in respect of such Notes or Loans.

(f) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Loans shall affect or in any manner impair the obligations of the Borrower to pay the Loans (and all related Obligations) which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in preceding clause (e). At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans. On or after the Conversion Date, any Lender can request the replacement of Notes outstanding under the Existing Credit Agreement by new Notes reflecting the Commitments or Loans of such Lender under the applicable Tranche, and the Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans.

2.06 Conversions. The Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Loans (other than Swingline Loans which may not be converted pursuant to this Section 2.06) made pursuant to one or more Borrowings (so long as of the same Tranche) of one or more Types of Loans into a Borrowing (of the same Tranche) of another Type of Loan, provided that (i) except as otherwise provided in Section 2.10(b), Eurodollar Loans may be converted into Base Rate Loans only on the last day of an Interest Period applicable to the Loans being converted and no such partial conversion of Eurodollar Loans shall reduce the outstanding principal amount of such Eurodollar Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount applicable thereto, (ii) unless the Required Lenders otherwise agree, Base Rate Loans may only be converted into Eurodollar Loans if no Default or Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of Eurodollar Loans than is permitted under Section 2.02. Each such conversion shall be effected by the Borrower by giving the Administrative Agent at the Notice Office prior to 11:00 A.M. (New York time) at least (x) in the case of conversions of Base Rate Loans into Eurodollar Loans, three Business Days' prior notice, and (y) in the case of conversions of Eurodollar Loans into Base Rate Loans, one Business Day's prior notice (each, a "Notice of Conversion/Continuation"), in each case in the form of Exhibit A-2, appropriately completed to specify the Loans to be so converted, the Borrowing or Borrowings pursuant to which such Loans were incurred and, if to be converted into Eurodollar Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Loans.

2.07 Pro Rata Borrowings. All Borrowings of Revolving Loans under this Agreement after the Conversion Date shall be incurred from the RL Lenders pro rata on the basis of their Revolving Loan Commitments. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

2.08 Interest.

(a) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Base Rate Loan from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Loan to a Eurodollar Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall be equal to the sum of the relevant Applicable Margin plus the Base Rate.

(b) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Eurodollar Loan from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Eurodollar Loan to a Base Rate Loan pursuant to Section 2.06, 2.09 or 2.10, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the relevant Applicable Margin plus the Eurodollar Rate for such Interest Period.

(c) Notwithstanding anything to the contrary contained in this Agreement, the unpaid principal amount of each Loan shall bear interest at a rate per annum equal to the rate which is 2% in excess of the rate otherwise applicable to such Loan, at all times that an Event of Default shall have occurred and be continuing. In addition (but without duplication of any amounts payable pursuant to the immediately preceding sentence), overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan shall, in each case, bear interest at a rate per annum equal to (A) in the case of Loans, the greater of (x) the rate which is 2% in excess of the rate then borne by such Loans and (y) the rate which is 2% in excess of the rate otherwise applicable to Base Rate Loans of the respective Tranche from time to time and (B) in the case of other overdue amounts payable hereunder and under any other Credit Document, at a rate per annum equal to the rate which is 2% in excess of the rate applicable to Revolving Loans that are maintained at Base Rate Loans from time to time. Interest that accrues under this Section 2.08(c) shall be payable on demand. Payment or acceptance of the increased rates of interest provided for in this Section 2.08(c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

(d) Accrued (and theretofore unpaid) interest shall be payable in cash (i) in respect of each Base Rate Loan, (x) quarterly in arrears on each Quarterly Payment Date, (y) on the date of any repayment or prepayment in full of all outstanding Base Rate Loans, and (z) at maturity (whether by acceleration or otherwise) and, after such maturity, on demand and (ii) in respect of each Eurodollar Loan, (x) on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three month intervals after the first day of such Interest Period, (y) on the date of any repayment or prepayment (on the amount repaid or prepaid), and (z) at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the Eurodollar Rate for each Interest Period applicable to the respective Eurodollar Loans and shall promptly notify the Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.09 Interest Periods. At the time the Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any Eurodollar Loan (in the case of the initial Interest Period applicable thereto), or prior to 11:00 A.M. (New York time) on the third Business Day prior to the expiration of an Interest Period applicable to such Eurodollar Loan (in the case of any subsequent Interest Period), the Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such Eurodollar Loan, which Interest Period shall, at the option of the Borrower, be a one, two, three or six month period, provided that (in each case):

- (i) all Eurodollar Loans comprising a Borrowing shall at all times have the same Interest Period;
- (ii) the initial Interest Period for any Eurodollar Loan shall commence on the date of Borrowing of such Eurodollar Loan (including the date of any conversion thereto from a Base Rate Loan) and each Interest Period occurring thereafter in respect of such

Eurodollar Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a Eurodollar Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a Eurodollar Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided, however, that if any Interest Period for a Eurodollar Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period may be selected at any time when a Default or an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Loans shall be selected which extends beyond the Maturity Date for such Tranche of Loans.

If by 11:00 A.M. (New York time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of Eurodollar Loans, the Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such Eurodollar Loans as provided above, the Borrower shall be deemed to have elected to convert such Eurodollar Loans into Base Rate Loans effective as of the expiration date of such current Interest Period.

2.10 Increased Costs, Illegality, etc. (a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of Eurodollar Rate; or

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any Eurodollar Loan because of (x) any change since the Conversion Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, guideline or request, such as, but not limited to: (A) a change in the basis of taxation of payment to any Lender of the principal of or interest on the Loans or the Notes or any other amounts payable hereunder (except for changes in the rate of tax on, or determined by reference to, the net income or net profits of such Lender pursuant to the laws of the jurisdiction in

which it is organized or in which its principal office or applicable lending office is located or any subdivision thereof or therein) or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the Eurodollar Rate and/or (y) other circumstances arising since the Conversion Date affecting such Lender, the interbank Eurodollar market or the position of such Lender in such market, provided that notwithstanding anything herein to the contrary, this provision shall apply to the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, regardless of the date enacted, adopted or issued; or

(iii) at any time, that the making or continuance of any Eurodollar Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Conversion Date which materially and adversely affects the interbank Eurodollar market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, Eurodollar Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Borrower with respect to Eurodollar Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrower, (y) in the case of clause (ii) above, the Borrower agrees to pay to such Lender, upon such Lender's written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent manifest error, be final and conclusive and binding on all the parties hereto) and (z) in the case of clause (iii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any Eurodollar Loan is affected by the circumstances described in Section 2.10(a)(ii), the Borrower may, and in the case of a Eurodollar Loan affected by the circumstances described in Section 2.10(a)(iii), the Borrower shall, either (x) if the affected Eurodollar Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the

same date that the Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected Eurodollar Loan is then outstanding, upon at least three Business Days' written notice to the Administrative Agent, require the affected Lender to convert such Eurodollar Loan into a Base Rate Loan, provided that, if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

(c) If any Lender determines that after the Conversion Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital adequacy, or any change in interpretation or administration thereof by the NAIC or any governmental authority, central bank or comparable agency, will have the effect of increasing the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender's Commitments hereunder or its obligations hereunder, then the Borrower agrees to pay to such Lender, upon its written demand therefor, such additional amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender's determination of compensation owing under this Section 2.10(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

2.11 Compensation. The Borrower agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its Eurodollar Loans but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, Eurodollar Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation (whether or not withdrawn by the Borrower or deemed withdrawn pursuant to Section 2.10(a)); (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Loans pursuant to Section 11) or conversion of any of its Eurodollar Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any of its Eurodollar Loans is not made on any date specified in a notice of prepayment given by the Borrower; or (iv) as a consequence of (x) any other default by the Borrower to repay Eurodollar Loans when required by the terms of this Agreement or any Note held by such Lender or (y) any cancellation or conversion made pursuant to Section 2.10(b).

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c), Section 3.06

or Section 5.04 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans or Letters of Credit affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Sections 2.10, 3.06 and 5.04.

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of any event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c), Section 3.06 or Section 5.04 with respect to any Lender which results in such Lender charging to the Borrower increased costs in excess of those being generally charged by the other Lenders or (z) in the case of a refusal by a Lender to consent to a proposed change, waiver, discharge or termination with respect to this Agreement which has been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Borrower shall have the right, in accordance with Section 13.04(b), if no Default or Event of Default then exists or would exist after giving effect to such replacement, to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of which shall be reasonably acceptable to the Administrative Agent or, in the case of a replacement as provided in Section 13.12(b) where the consent of the respective Lender is required with respect to less than all Tranches of its Loans or Commitments, to replace the Commitments and/or outstanding Loans of such Lender in respect of each Tranche where the consent of such Lender would otherwise be individually required, with identical Commitments and/or Loans of the respective Tranche provided by the Replacement Lender; provided that:

(a) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Loans of the applicable Tranche of, and, in the case of the replacement of Revolving Loan Commitments or Revolving Loans of the respective Lender, all participations in Letters of Credit by, the respective Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced, (B) an amount equal to all Unpaid Drawings (unless there are no Unpaid Drawings with respect to the Tranche being replaced) that have been funded by (and not reimbursed to) such Replaced Lender, together with all then unpaid interest with respect thereto at such time, and (C) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender (but only with respect to the relevant Tranche, in the case of the replacement of less than all Tranches of Loans then held by the respective Replaced Lender) pursuant to Section 4.01, (y) in the case of the replacement of Revolving Loan Commitments or Revolving Loans, each Issuing Lender an amount equal to such Replaced Lender's RL Percentage of any Unpaid Drawing

relating to Letters of Credit issued by such Issuing Lender (which at such time remains an Unpaid Drawing) to the extent such amount was not theretofore funded by such Replaced Lender and (z) in the case of any replacement of Revolving Loan Commitments, the Swingline Lender an amount equal to such Replaced Lender's RL Percentage of any Mandatory Borrowing to the extent such amount was not theretofore funded by such Replaced Lender to the Swingline Lender; and

(b) all obligations of the Borrower then owing to the Replaced Lender (other than those (i) specifically described in clause (a) above in respect of which the assignment purchase price has been, or is concurrently being, paid, but including all amounts, if any, owing under Section 2.11 or (ii) relating to any Tranche of Loans and/or Commitments of the respective Replaced Lender which will remain outstanding after giving effect to the respective replacement) shall be paid in full to such Replaced Lender concurrently with such replacement.

Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (a) and (b) above, recordation of the assignment on the Register by the Administrative Agent pursuant to Section 13.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrower, (x) the Replacement Lender shall become a Lender hereunder and, unless the respective Replaced Lender continues to have outstanding Term Loans and/or a Revolving Loan Commitment hereunder, the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 3.06, 5.04, 12.06, 13.01 and 13.06), which shall survive as to such Replaced Lender, and (y) except in the case of the replacement of only outstanding Term Loans pursuant to this Section 2.13, the RL Percentages of the Lenders shall be automatically adjusted at such time to give effect to such replacement.

SECTION 3. Letters of Credit.

3.01 Letters of Credit. (a) Subject to and upon the terms and conditions set forth herein, the Borrower may request that an Issuing Lender issue, at any time and from time to time on and after the Conversion Date and prior to the 30th day prior to the Revolving Loan Maturity Date, for the account of the Borrower and for the benefit of (x) any holder (or any trustee, agent or other similar representative for any such holders) of L/C Supportable Obligations, an irrevocable standby letter of credit, in a form customarily used by such Issuing Lender or in such other form as is reasonably acceptable to such Issuing Lender, and (y) sellers of goods to the Borrower or any of its Wholly-Owned Subsidiaries, an irrevocable trade letter of credit, in a form customarily used by such Issuing Lender or in such other form as has been approved by such Issuing Lender (which approval shall not be unreasonably withheld or delayed by such Issuing Lender) (each such letter of credit and each Existing Letter of Credit, a "Letter of

Credit” and, collectively, the “Letters of Credit”). All Letters of Credit shall be denominated in Dollars and shall be issued on a sight basis only.

(b) Subject to and upon the terms and conditions set forth herein, each Issuing Lender agrees that it will, at any time and from time to time on and after the Conversion Date and prior to the 30th day prior to the Revolving Loan Maturity Date, following its receipt of the respective Letter of Credit Request, issue for account of the Borrower, one or more Letters of Credit as are permitted to remain outstanding hereunder without giving rise to a Default or an Event of Default, provided that no Issuing Lender shall be under any obligation to issue any Letter of Credit of the types described above if at the time of such issuance:

(i) any order, judgment or decree of any governmental authority or arbitrator shall purport by its terms to enjoin or restrain such Issuing Lender from issuing such Letter of Credit or any requirement of law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any governmental authority with jurisdiction over such Issuing Lender shall prohibit, or request that such Issuing Lender refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction or reserve or capital requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect with respect to such Issuing Lender on the Conversion Date, or any unreimbursed loss, cost or expense which was not applicable or in effect with respect to such Issuing Lender as of the Conversion Date and which such Issuing Lender reasonably and in good faith deems material to it; or

(ii) such Issuing Lender shall have received from the Borrower, any other Credit Party or the Required Lenders prior to the issuance of such Letter of Credit notice of the type described in the second sentence of Section 3.03(b).

(c) Schedule III contains a description of letters of credit that were issued by an Issuing Lender for the account of the Borrower prior to the Conversion Date and which remain outstanding on the Conversion Date (and setting forth, with respect to each such letter of credit, (i) the name of the issuing lender, (ii) the letter of credit number, (iii) the name of the account party, (iv) the stated amount (which shall be in Dollars), (v) the name of the beneficiary, (vi) the expiry date and (vii) whether such letter of credit constitutes a standby letter of credit or a trade letter of credit). Each such letter of credit, including any extension or renewal thereof in accordance with the terms thereof and hereof (each, as amended from time to time in accordance with the terms thereof and hereof, an “Existing Letter of Credit”) shall constitute a “Letter of Credit” for all purposes of this Agreement and shall be deemed issued on the Conversion Date.

3.02 Maximum Letter of Credit Outstandings; Final Maturities. Notwithstanding anything to the contrary contained in this Agreement, (i) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letter of Credit Outstandings (exclusive of Unpaid Drawings which are repaid on the date of, and prior to the issuance of, the respective Letter of Credit) at such time would exceed either (x) \$20,000,000 or (y) when added to the sum of (I) the aggregate principal amount of all Revolving Loans then outstanding and (II) the aggregate principal amount of all Swingline Loans then outstanding, an amount equal to the Total Revolving Loan Commitment at such time, and (ii) each Letter of Credit shall by its terms

terminate (x) in the case of standby Letters of Credit, on or before the earlier of (A) the date which occurs 12 months after the date of the issuance thereof (although any such standby Letter of Credit may be extendible for successive periods of up to 12 months, but, in each case, not beyond the tenth Business Day prior to the Revolving Loan Maturity Date, on terms acceptable to the respective Issuing Lender) and (B) ten Business Days prior to the Revolving Loan Maturity Date, and (y) in the case of trade Letters of Credit, on or before the earlier of (A) the date which occurs 180 days after the date of issuance thereof and (B) 30 days prior to the Revolving Loan Maturity Date.

3.03 Letter of Credit Requests; Minimum Stated Amount. (a) Whenever the Borrower desires that a Letter of Credit be issued for its account, the Borrower shall give the Administrative Agent and the respective Issuing Lender at least five Business Days' (or such shorter period as is acceptable to such Issuing Lender) written notice thereof (including by way of facsimile). Each notice shall be in the form of Exhibit C, appropriately completed (each, a "Letter of Credit Request").

(b) The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the Borrower to the Lenders that such Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 3.02. Unless the respective Issuing Lender has received notice from the Borrower, any other Credit Party or the Required Lenders before it issues a Letter of Credit that one or more of the conditions specified in Section 7 are not then satisfied, or that the issuance of such Letter of Credit would violate Section 3.02, then such Issuing Lender shall, subject to the terms and conditions of this Agreement, issue the requested Letter of Credit for the account of the Borrower in accordance with such Issuing Lender's usual and customary practices. Upon the issuance of or modification or amendment to any standby Letter of Credit, each Issuing Lender shall promptly notify the Borrower and the Administrative Agent, in writing of such issuance, modification or amendment and such notice shall be accompanied by a copy of such Letter of Credit or the respective modification or amendment thereto, as the case may be. Promptly after receipt of such notice the Administrative Agent shall notify the Participants, in writing, of such issuance, modification or amendment. On the first Business Day of each week, each Issuing Lender shall furnish the Administrative Agent with a written (including via facsimile) report of the daily aggregate outstandings of trade Letters of Credit issued by such Issuing Lender for the immediately preceding week. Notwithstanding anything to the contrary contained in this Agreement, in the event that a Lender Default exists with respect to a RL Lender, no Issuing Lender shall be required to issue any Letter of Credit unless such Issuing Lender has entered into arrangements satisfactory to it and the Borrower to eliminate such Issuing Lender's risk with respect to the participation in Letters of Credit by the Defaulting Lender or Lenders, including by cash collateralizing such Defaulting Lender's or Lenders' RL Percentage of the Letter of Credit Outstandings.

(c) The initial Stated Amount of each Letter of Credit shall not be less than \$100,000 or such lesser amount as is acceptable to the respective Issuing Lender.

3.04 Letter of Credit Participations. (a) Immediately upon the issuance by an Issuing Lender of any Letter of Credit, such Issuing Lender shall be deemed to have sold and transferred to each RL Lender, and each such RL Lender (in its capacity under this Section 3.04,

a “Participant”) shall be deemed irrevocably and unconditionally to have purchased and received from such Issuing Lender, without recourse or warranty, an undivided interest and participation, to the extent of such Participant’s RL Percentage, in such Letter of Credit, each drawing or payment made thereunder and the obligations of the Borrower under this Agreement with respect thereto, and any security therefor or guaranty pertaining thereto. Upon any change in the Revolving Loan Commitments or RL Percentages of the Lenders pursuant to Section 2.13, 4.02(b) or 13.04(b), it is hereby agreed that, with respect to all outstanding Letters of Credit and Unpaid Drawings relating thereto, there shall be an automatic adjustment to the participations pursuant to this Section 3.04 to reflect the new RL Percentages of the assignor and assignee Lender, as the case may be.

(b) In determining whether to pay under any Letter of Credit, no Issuing Lender shall have any obligation relative to the other Lenders other than to confirm that any documents required to be delivered under such Letter of Credit appear to have been delivered and that they appear to substantially comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by an Issuing Lender under or in connection with any Letter of Credit issued by it shall not create for such Issuing Lender any resulting liability to the Borrower, any other Credit Party, any Lender or any other Person unless such action is taken or omitted to be taken with gross negligence or willful misconduct on the part of such Issuing Lender (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(c) In the event that an Issuing Lender makes any payment under any Letter of Credit issued by it and the Borrower shall not have reimbursed such amount in full to such Issuing Lender pursuant to Section 3.05(a), such Issuing Lender shall promptly notify the Administrative Agent, which shall promptly notify each Participant of such failure, and each Participant shall promptly and unconditionally pay to such Issuing Lender the amount of such Participant’s RL Percentage of such unreimbursed payment in Dollars and in same day funds. If the Administrative Agent so notifies, prior to 12:00 Noon (New York time) on any Business Day, any Participant required to fund a payment under a Letter of Credit, such Participant shall make available to the respective Issuing Lender in Dollars such Participant’s RL Percentage of the amount of such payment on such Business Day in same day funds. If and to the extent such Participant shall not have so made its RL Percentage of the amount of such payment available to respective Issuing Lender, such Participant agrees to pay to such Issuing Lender, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to such Issuing Lender at the overnight Federal Funds Rate for the first three days and at the interest rate applicable to Revolving Loans that are maintained as Base Rate Loans for each day thereafter. The failure of any Participant to make available to an Issuing Lender its RL Percentage of any payment under any Letter of Credit issued by such Issuing Lender shall not relieve any other Participant of its obligation hereunder to make available to such Issuing Lender its RL Percentage of any payment under any Letter of Credit on the date required, as specified above, but no Participant shall be responsible for the failure of any other Participant to make available to such Issuing Lender such other Participant’s RL Percentage of any such payment.

(d) Whenever an Issuing Lender receives a payment of a reimbursement obligation as to which it has received any payments from the Participants pursuant to clause (c) above, such Issuing Lender shall pay to each such Participant which has paid its RL Percentage thereof, in Dollars and in same day funds, an amount equal to such Participant's share (based upon the proportionate aggregate amount originally funded by such Participant to the aggregate amount funded by all Participants) of the principal amount of such reimbursement obligation and interest thereon accruing after the purchase of the respective participations.

(e) Upon the request of any Participant, each Issuing Lender shall furnish to such Participant copies of any standby Letter of Credit issued by it and such other documentation as may reasonably be requested by such Participant.

(f) The obligations of the Participants to make payments to each Issuing Lender with respect to Letters of Credit shall be irrevocable and not subject to any qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances, including, without limitation, any of the following circumstances:

(i) any lack of validity or enforceability of this Agreement or any of the other Credit Documents;

(ii) the existence of any claim, setoff, defense or other right which the Borrower or any of its Subsidiaries may have at any time against a beneficiary named in a Letter of Credit, any transferee of any Letter of Credit (or any Person for whom any such transferee may be acting), the Administrative Agent, any Participant, or any other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transaction between the Borrower or any Subsidiary of the Borrower and the beneficiary named in any such Letter of Credit);

(iii) any draft, certificate or any other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Credit Documents; or

(v) the occurrence of any Default or Event of Default.

3.05 Agreement to Repay Letter of Credit Drawings. (a) The Borrower agrees to reimburse each Issuing Lender, by making payment to the Administrative Agent in immediately available funds at the Payment Office, for any payment or disbursement made by such Issuing Lender under any Letter of Credit issued by it (each such amount, so paid until reimbursed by the Borrower, an "Unpaid Drawing"), not later than one Business Day following receipt by the Borrower of notice of such payment or disbursement (provided that no such notice shall be required to be given if a Default or an Event of Default under Section 11.05 shall have occurred and be continuing, in which case the Unpaid Drawing shall be due and payable

immediately without presentment, demand, protest or notice of any kind (all of which are hereby waived by the Borrower)), with interest on the amount so paid or disbursed by such Issuing Lender, to the extent not reimbursed prior to 12:00 Noon (New York time) on the date of such payment or disbursement, from and including the date paid or disbursed to but excluding the date such Issuing Lender was reimbursed by the Borrower therefor at a rate per annum equal to the Base Rate as in effect from time to time plus the Applicable Margin as in effect from time to time for Revolving Loans that are maintained as Base Rate Loans; provided, however, to the extent such amounts are not reimbursed prior to 12:00 Noon (New York time) on the third Business Day following the receipt by the Borrower of notice of such payment or disbursement or following the occurrence of a Default or an Event of Default under Section 11.05, interest shall thereafter accrue on the amounts so paid or disbursed by such Issuing Lender (and until reimbursed by the Borrower) at a rate per annum equal to the Base Rate as in effect from time to time plus the Applicable Margin for Revolving Loans that are maintained as Base Rate Loans as in effect from time to time plus 2%, with such interest to be payable on demand. Each Issuing Lender shall give the Borrower prompt written notice of each Drawing under any Letter of Credit issued by it, provided that the failure to give any such notice shall in no way affect, impair or diminish the Borrower's obligations hereunder.

(b) The obligations of the Borrower under this Section 3.05 to reimburse each Issuing Lender with respect to drafts, demands and other presentations for payment under Letters of Credit issued by it (each, a "Drawing") (including, in each case, interest thereon) shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower or any Subsidiary of the Borrower may have or have had against any Lender (including in its capacity as an Issuing Lender or as a Participant), including, without limitation, any defense based upon the failure of any drawing under a Letter of Credit to conform to the terms of the Letter of Credit or any nonapplication or misapplication by the beneficiary of the proceeds of such Drawing; provided, however, that the Borrower shall not be obligated to reimburse any Issuing Lender for any wrongful payment made by such Issuing Lender under a Letter of Credit issued by it as a result of acts or omissions constituting willful misconduct or gross negligence on the part of such Issuing Lender (as determined by a court of competent jurisdiction in a final and non-appealable decision).

3.06 Increased Costs. If at any time after the Conversion Date, the introduction of or any change in any applicable law, rule, regulation, order, guideline or request or in the interpretation or administration thereof by the NAIC or any governmental authority charged with the interpretation or administration thereof, or compliance by any Issuing Lender or any Participant with any request or directive by the NAIC or by any such governmental authority (whether or not having the force of law), shall either (i) impose, modify or make applicable any reserve, deposit, capital adequacy or similar requirement against letters of credit issued by any Issuing Lender or participated in by any Participant, or (ii) impose on any Issuing Lender or any Participant any other conditions relating, directly or indirectly, to this Agreement or any Letter of Credit; and the result of any of the foregoing is to increase the cost to any Issuing Lender or any Participant of issuing, maintaining or participating in any Letter of Credit, or reduce the amount of any sum received or receivable by any Issuing Lender or any Participant hereunder or reduce the rate of return on its capital with respect to Letters of Credit (except for changes in the rate of tax on, or determined by reference to, the net income or net profits of such Issuing Lender or

such Participant pursuant to the laws of the jurisdiction in which it is organized or in which its principal office or applicable lending office is located or any subdivision thereof or therein), then, upon the delivery of the certificate referred to below to the Borrower by any Issuing Lender or any Participant (a copy of which certificate shall be sent by such Issuing Lender or such Participant to the Administrative Agent), the Borrower agrees to pay to such Issuing Lender or such Participant such additional amount or amounts as will compensate such Issuing Lender or such Participant for such increased cost or reduction in the amount receivable or reduction on the rate of return on its capital. Any Issuing Lender or any Participant, upon determining that any additional amounts will be payable to it pursuant to this Section 3.06, will give prompt written notice thereof to the Borrower, which notice shall include a certificate submitted to the Borrower by such Issuing Lender or such Participant (a copy of which certificate shall be sent by such Issuing Lender or such Participant to the Administrative Agent), setting forth in reasonable detail the basis for the calculation of such additional amount or amounts necessary to compensate such Issuing Lender or such Participant. The certificate required to be delivered pursuant to this Section 3.06 shall, absent manifest error, be final and conclusive and binding on the Borrower.

SECTION 4. Commitment Commission; Fees; Reductions of Commitment.

4.01 Fees. (a) The Borrower agrees to pay to the Administrative Agent for distribution to each Non-Defaulting RL Lender a commitment commission (the "Commitment Commission") for the period from and including the Conversion Date to and including the Revolving Loan Maturity Date (or such earlier date on which the Total Revolving Loan Commitment has been terminated) computed at a rate per annum equal to the Applicable Commitment Commission of the Unutilized Revolving Loan Commitment of such Non-Defaulting RL Lender as in effect from time to time. Accrued Commitment Commission shall be due and payable quarterly in arrears on each Quarterly Payment Date and on the date upon which the Total Revolving Loan Commitment is terminated.

(b) The Borrower agrees to pay to the Administrative Agent for distribution to each RL Lender (based on each such RL Lender's respective RL Percentage) a fee in respect of each Letter of Credit (the "Letter of Credit Fee") for the period from and including the date of issuance of such Letter of Credit to and including the date of termination or expiration of such Letter of Credit, computed at a rate per annum equal to the Applicable Margin during such period with respect to Revolving Loans that are maintained as Eurodollar Loans on the daily Stated Amount of each such Letter of Credit. Accrued Letter of Credit Fees shall be due and payable quarterly in arrears on each Quarterly Payment Date and on the first day on or after the termination of the Total Revolving Loan Commitment upon which no Letters of Credit remain outstanding.

(c) The Borrower agrees to pay to each Issuing Lender, for its own account, a facing fee in respect of each Letter of Credit issued by it (the "Facing Fee") for the period from and including the date of issuance of such Letter of Credit to and including the date of termination or expiration of such Letter of Credit, computed at a rate per annum equal to 1/8 of 1% on the daily Stated Amount of such Letter of Credit, provided that in any event the minimum amount of Facing Fees payable in any twelve-month period for each Letter of Credit shall be not less than \$500, it being agreed that, on the day of issuance of any Letter of Credit and on each

anniversary thereof prior to the termination or expiration of such Letter of Credit, if \$500 will exceed the amount of Facing Fees that will accrue with respect to such Letter of Credit for the immediately succeeding twelve-month period, the full \$500 shall be payable on the date of issuance of such Letter of Credit and on each such anniversary thereof. Except as otherwise provided in the proviso to the immediately preceding sentence, accrued Facing Fees shall be due and payable quarterly in arrears on each Quarterly Payment Date and upon the first day on or after the termination of the Total Revolving Loan Commitment upon which no Letters of Credit remain outstanding.

(d) The Borrower agrees to pay to each Issuing Lender, for its own account, upon each payment under, issuance of, or amendment to, any Letter of Credit issued by it, such amount as shall at the time of such event be the administrative charge and the reasonable expenses which such Issuing Lender is generally imposing in connection with such occurrence with respect to letters of credit.

(e) The Borrower agrees to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by the Borrower or any of its Subsidiaries and the Administrative Agent.

4.02 Voluntary Termination of Unutilized Revolving Loan Commitments. (a) Upon at least three Business Day's prior written notice to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, at any time or from time to time, without premium or penalty to terminate the Total Unutilized Revolving Loan Commitment in whole, or reduce it in part, pursuant to this Section 4.02(a), in an integral multiple of \$5,000,000 in the case of partial reductions to the Total Unutilized Revolving Loan Commitment, provided that each such reduction shall apply proportionately to permanently reduce the Revolving Loan Commitment of each RL Lender.

(b) In the event of certain refusals by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Borrower shall have the right, subject to obtaining the consents required by Section 13.12(b), upon five Business Days' prior written notice to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), to terminate the entire Revolving Loan Commitment of such Lender, so long as all Loans, together with accrued and unpaid interest, Fees and all other amounts, owing to such Lender (including all amounts, if any, owing pursuant to Section 2.11 but excluding amounts owing in respect of Loans of any Tranche maintained by such Lender, if such Loans are not being repaid pursuant to Section 5.01(b)) are repaid concurrently with the effectiveness of such termination (at which time Schedule I shall be deemed modified to reflect such changed amounts) and such Lender's RL Percentage, if any, of (x) all outstanding Letters of Credit is cash collateralized in a manner satisfactory to the Administrative Agent and the respective Issuing Lenders and (y) all Mandatory Borrowings not theretofore funded by such Lender are paid in full to the Swingline Lender, and at such time, unless the respective Lender continues to have outstanding Term Loans hereunder, such Lender shall no longer constitute a "Lender" for purposes of this Agreement

with respect to the Revolving Loan Commitment of such Lender so terminated, except with respect to indemnifications under this Agreement (including, without limitation, Sections 2.10, 2.11, 3.06, 5.04, 12.06, 13.01 and 13.06), which shall survive as to such repaid Lender (but only in respect of the period of time during which such repaid Lender was a Lender hereunder).

4.03 Mandatory Reduction of Commitments and Revolving Loan Repayments.

The Total Revolving Loan Commitment (and the Revolving Loan Commitment of each RL Lender) shall terminate in its entirety upon the earlier of (i) the Revolving Loan Maturity Date and (ii) unless the Required Lenders otherwise agree in writing, the date on which a Change of Control occurs.

SECTION 5. Prepayments; Payments; Taxes.

5.01 Voluntary Prepayments. (a) Subject to Section 5.05, the Borrower shall have the right to prepay the Loans, without premium or penalty, in whole or in part at any time and from time to time on the following terms and conditions: (i) the Borrower shall give the Administrative Agent prior to 12:00 Noon (New York time) at the Notice Office (x) at least one Business Day's prior written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay Base Rate Loans (or same day notice in the case of a prepayment of Swingline Loans) and (y) at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay Eurodollar Loans, which notice (in each case) shall specify whether Term Loans, Revolving Loans or Swingline Loans shall be prepaid, the amount of such prepayment and the Types of Loans to be prepaid and, in the case of Eurodollar Loans, the specific Borrowing or Borrowings pursuant to which such Eurodollar Loans were made, and which notice the Administrative Agent shall, except in the case of a prepayment of Swingline Loans, promptly transmit to each of the Lenders; (ii) (x) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least \$5,000,000 (or such lesser amount as is acceptable to the Administrative Agent), (y) each partial prepayment of Revolving Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least \$1,000,000 (or such lesser amount as is acceptable to the Administrative Agent) and (z) each partial prepayment of Swingline Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least \$300,000 (or such lesser amount as is acceptable to the Administrative Agent), provided that if any partial prepayment of Eurodollar Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of Eurodollar Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable thereto, then such Borrowing may not be continued as a Borrowing of Eurodollar Loans (and same shall automatically be converted into a Borrowing of Base Rate Loans) and any election of an Interest Period with respect thereto given by the Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Revolving Loans made pursuant to a Borrowing shall be applied to the Revolving Loans, with each RL Lender to be allocated its applicable RL Percentage of the amount of such prepayment, provided that at the Borrower's election in connection with any prepayment of Revolving Loans pursuant to this Section 5.01(a), such prepayment shall not, so long as no Default or Event of Default then exists, be applied to any Revolving Loan of a Defaulting Lender; (iv) each voluntary prepayment in respect of any Term Loans made pursuant to this Section 5.01(a) shall be allocated to the Term

Loans, with each Term Lender to be allocated its applicable Term Loan Percentage of the amount of such prepayment; and (v) each voluntary prepayment of the Term Loans pursuant to this Section 5.01(a) (in excess of amounts required to be paid for the applicable period pursuant to Section 5.02) shall be applied to reduce the remaining Scheduled Term Loan Repayments of such Term Loans in inverse order of maturity.

(b) In the event of certain refusals by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Borrower may, upon five Business Days' prior written notice to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), repay all Loans of such Lender (including all amounts, if any, owing pursuant to Section 2.11), together with accrued and unpaid interest, Fees and all other amounts then owing to such Lender (or owing to such Lender with respect to each Tranche which gave rise to the need to obtain such Lender's individual consent) in accordance with, and subject to the requirements of, said Section 13.12(b), so long as (A) in the case of the repayment of Revolving Loans of any Lender pursuant to this clause (b), (x) the Revolving Loan Commitment of such Lender is terminated concurrently with such repayment pursuant to Section 4.02(b) (at which time Schedule I shall be deemed modified to reflect the changed Revolving Loan Commitments) and (y) such Lender's RL Percentage, if any, of all outstanding Letters of Credit is cash collateralized in a manner satisfactory to the Administrative Agent and the respective Issuing Lenders and (B) the consents, if any, required by Section 13.12(b) in connection with the repayment pursuant to this clause (b) shall have been obtained. Each prepayment of the Term Loans pursuant to this Section 5.01(b) shall be applied to reduce the then remaining Scheduled Term Loan Repayments of such Term Loans on a pro rata basis (based upon the remaining principal amount of each such Scheduled Term Loan Repayments after giving effect to all prior reductions thereto).

5.02 Mandatory Repayments. (a) On any day on which the sum of (I) the aggregate outstanding principal amount of all Revolving Loans (after giving effect to all other repayments thereof on such date), (II) the aggregate outstanding principal amount of all Swingline Loans (after giving effect to all other repayments thereof on such date) and (III) the aggregate amount of all Letter of Credit Outstandings exceeds the Total Revolving Loan Commitment at such time, the Borrower shall prepay on such day the principal of Swingline Loans and, after all Swingline Loans have been repaid in full or if no Swingline Loans are outstanding, Revolving Loans in an amount equal to such excess. If, after giving effect to the prepayment of all outstanding Swingline Loans and Revolving Loans, the aggregate amount of the Letter of Credit Outstandings exceeds the Total Revolving Loan Commitment at such time, the Borrower shall pay to the Administrative Agent at the Payment Office on such day an amount of cash and/or Cash Equivalents equal to the amount of such excess (up to a maximum amount equal to the Letter of Credit Outstandings at such time), such cash and/or Cash Equivalents to be held as security for all Obligations of the Borrower to the Issuing Lenders and the Lenders hereunder in a cash collateral account to be established by the Administrative Agent.

(b) Subject to Section 5.05, in addition to any other mandatory repayments pursuant to this Section 5.02, on the 15th day (or, if not a Business Day, the immediately preceding Business Day) of the last month of each of the Borrower's fiscal quarters set forth

below, the Borrower shall be required to repay the principal amount of Term Loans, to the extent then outstanding, as set forth opposite each such fiscal quarter below, and the aggregate principal amount of all Term Loans then outstanding shall be repaid on the Term Loan Maturity Date (each such date, a “Scheduled Term Loan Repayment Date”; each such repayment, as the same may be reduced as provided in Section 5.01(a) or 5.01(b), a “Scheduled Term Loan Repayment”):

Scheduled Term Loan Repayment Date	Amount
The fiscal quarters ending on or closest to June 30, 2012, September 30, 2012, December 31, 2012 and March 31, 2013	\$2,500,000
The fiscal quarters ending on or closest to June 30, 2013, September 30, 2013, December 31, 2013 and March 31, 2014	\$3,000,000
The fiscal quarter ending on or closest to June 30, 2014 and each fiscal quarter of the Borrower ended thereafter prior to the Term Loan Maturity Date	\$3,375,000

(c) (i) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date on or after the Conversion Date upon which the Borrower or any of its Subsidiaries receives any Net Cash Proceeds from any issuance or incurrence by the Borrower or any of its Subsidiaries of (x) Indebtedness for borrowed money (other than Indebtedness for borrowed money permitted to be incurred pursuant to Section 10.04 as in effect on the Conversion Date (but including (i) Additional Permitted Indebtedness or Additional Second Lien Indebtedness, in either case to the extent not applied to repay outstanding Second Lien Term Loans and (ii) any Permitted Pulitzer Debt Refinancing Incremental Amount to the extent required under Section 10.04(xi)) which shall be applied as otherwise provided by this Section 5.02(c) and (y) Equity Interests (other than Qualified Preferred Equity or to the extent Net Cash Proceeds thereof are applied to repay outstanding Second Lien Term Loans), an amount equal to 100% of the Net Cash Proceeds of the respective issuance or incurrence of such Indebtedness or Equity Interests shall be applied on such date as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(ii) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date on or after the Conversion Date upon which the Borrower or any of its Subsidiaries receives any Net Cash Proceeds from any issuance of Qualified Preferred Stock, the first \$50,000,000 of the Net Cash Proceeds therefrom, and any other Net Cash Proceeds therefrom that are not applied to repay outstanding Second Lien Term Loans, shall be applied on such date as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date on or after the Conversion Date upon which the Borrower or any of its Subsidiaries receives any Net Sale Proceeds from any Asset Sale, an amount equal to 100% of the Net Sale Proceeds therefrom shall be applied within one Business Day after receipt as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(e) On each Excess Cash Flow Payment Date after the Conversion Date, an amount equal to the Excess Cash Flow Repayment Amount shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Conversion Date upon which the Borrower or any of its Subsidiaries receives any Net Cash Proceeds from any Recovery Event (other than Recovery Events where the Net Cash Proceeds therefrom do not exceed \$500,000), an amount equal to 100% of the Net Cash Proceeds from such Recovery Event shall be applied within such 10 day period as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); provided, however, that so long as no Default or Event of Default then exists, such Net Cash Proceeds shall not be required to be so applied within such 10 day period to the extent that such Net Cash Proceeds shall be used to replace or restore any properties or assets in respect of which such Net Cash Proceeds were paid within 360 days following the date of the receipt of such Net Cash Proceeds, and provided further, that (x) so long as no Default or Event of Default then exists and to the extent that the amount of such Net Cash Proceeds equals or exceeds \$25,000,000, the amount of such Net Cash Proceeds, together with other cash available to the Borrower and its Subsidiaries and permitted to be spent by them on Capital Expenditures during the relevant period, equals at least 100% of the cost of replacement or restoration of the properties or assets in respect of which such Net Cash Proceeds were paid as determined by the Borrower and as supported by such information as the Administrative Agent may reasonably request, then the entire amount of the Net Cash Proceeds from such Recovery Event (and not just the portion thereof in excess of \$25,000,000) shall be deposited with the Administrative Agent pursuant to a cash collateral arrangement reasonably satisfactory to the Administrative Agent whereby such proceeds shall be disbursed to the Borrower from time to time as needed to pay or reimburse the Borrower or such Subsidiary for the actual costs incurred by it in connection with the replacement or restoration of the respective properties or assets (pursuant to such certification requirements as may be reasonably established by the Administrative Agent), although at any time while an Event of Default has occurred and is continuing, the Required Lenders may direct the Administrative Agent (in which case the Administrative Agent shall, and is hereby authorized by the Borrower to, follow said directions) to apply any or all proceeds then on deposit in such collateral account in accordance with the requirements of Sections 5.02(g) and (h) and (y) if all or any portion of such Net Cash Proceeds not required to be so applied pursuant to the preceding proviso are not so used within 360 days after the date of the receipt of such Net Cash Proceeds (or such earlier date, if any, as the Borrower or the relevant Subsidiary determines not to reinvest the Net Cash Proceeds relating to such Recovery Event as set forth above), such remaining portion shall be applied on the last day of such period (or such earlier date, as the case may be) as provided above in this Section 5.02(f) without regard to the preceding proviso.

(g) (I) Subject to Section 5.05, each amount required to be applied pursuant to Sections 5.02(c), (d) and (f) shall be applied ratably to repay outstanding Term Loans and Revolving Loans, on a pro rata basis among the Lenders within each such Tranche.

(II) Subject to Section 5.05, each amount required to be applied pursuant to Section 5.02(e) on each Excess Cash Flow Payment Date shall be applied to repay the Term Loans, on a pro rata basis among the Lenders within such Tranche in accordance with clause (III) below.

(III) The amount of each principal repayment of Term Loans pursuant to (A) clause (I) above shall be applied to reduce the then remaining Scheduled Term Loan Repayments in inverse order of maturity and (B) clause (II) above shall be applied to reduce the remaining Scheduled Term Loan Repayments, after (without duplication) deduction for the amount of the Scheduled Term Loan Repayment (without giving effect to any reductions thereof after the Conversion Date) due during the applicable Excess Cash Flow Payment Period and actually applied to make such Scheduled Term Loan Repayment (the remaining amount after such deduction, the "Excess Cash Flow Payment Amount"), to prepay the Term Loans and applied (1) first, to the extent the Excess Cash Flow Payment Amount is positive, to reduce the Scheduled Term Loan Repayment due in the calendar quarter immediately succeeding such Excess Cash Flow Payment Period and (2) thereafter, to the remaining Scheduled Term Loan Repayments in inverse order of maturity.

(h) With respect to each repayment of Loans required by this Section 5.02, the Borrower may designate the Types of Loans of the respective Tranche which are to be repaid and, in the case of Eurodollar Loans, the specific Borrowing or Borrowings of the respective Tranche pursuant to which such Eurodollar Loans were made, provided that: (i) repayments of Eurodollar Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all Eurodollar Loans of the respective Tranche with Interest Periods ending on such date of required repayment and all Base Rate Loans of the respective Tranche have been paid in full; (ii) if any repayment of Eurodollar Loans made pursuant to a single Borrowing shall reduce the outstanding Eurodollar Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount applicable thereto, such Borrowing shall be automatically converted into a Borrowing of Base Rate Loans; and (iii) each repayment of any Loans made pursuant to a Borrowing shall be applied pro rata among such Loans within its applicable Tranche. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, (i) all then outstanding Swingline Loans shall be repaid in full on the Swingline Expiry Date, (ii) all then outstanding Loans shall be repaid in full on the respective Maturity Date for such Tranche of Loans, and (iii) unless the Required Lenders otherwise agree in writing, all then outstanding Loans and other Obligations shall be repaid in full on the date on which a Change of Control occurs.

5.03 Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement and under any Note shall be made to the

Administrative Agent for the account of the Lender or Lenders entitled thereto not later than 12:00 Noon (New York time) on the date when due and shall be made in Dollars in immediately available funds at the Payment Office. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.

5.04 Net Payments. (a) All payments made by or on behalf of the Borrower hereunder and under any Note will be made without setoff, counterclaim or other defense. Except as provided in Section 5.04(b), all such payments will be made free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein with respect to such payments (but excluding, (i) except as provided in the second succeeding sentence, any tax imposed on or measured by the net income or net profits of a Lender pursuant to the laws of the jurisdiction in which it is organized or the jurisdiction in which the principal office or applicable lending office of such Lender is located or any subdivision thereof or therein and (ii) any United States Federal withholding tax that would not have been imposed but for a failure by such recipient (or any financial institution through which any payment is made to such recipient) to comply with the applicable requirements of Sections 1471 through 1474 of the Code, as of the date of this Agreement, and any regulations or official interpretations thereof) and all interest, penalties or similar liabilities with respect to such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being referred to collectively as "Taxes"). If any Taxes are so levied or imposed, the Borrower agrees to pay the full amount of such Taxes, and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement or under any Note, after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein or in such Note as if such Taxes had not been levied or imposed. If any amounts are payable in respect of Taxes pursuant to the preceding sentence, the Borrower agrees to reimburse each Lender, upon the written request of such Lender, for taxes imposed on or measured by the net income or net profits of such Lender pursuant to the laws of the jurisdiction in which such Lender is organized or in which the principal office or applicable lending office of such Lender is located or under the laws of any political subdivision or taxing authority of any such jurisdiction in which such Lender is organized or in which the principal office or applicable lending office of such Lender is located and for any withholding of taxes as such Lender shall determine are payable by, or withheld from, such Lender, in respect of such amounts so paid to or on behalf of such Lender pursuant to the preceding sentence and in respect of any amounts paid to or on behalf of such Lender pursuant to this sentence. The Borrower will furnish to the Administrative Agent within 45 days after the date the payment of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by such Borrower. The Borrower agrees to indemnify and hold harmless each Lender, and reimburse such Lender upon its written request, for the amount of any Taxes so levied or imposed and paid by such Lender (other than for any interest or penalties directly attributable to any failure of a Lender to file any returns or pay any Taxes directly attributable to this Agreement, to the extent such Lender was legally required to file such

returns and/or pay such Taxes and was reasonably informed by the Borrower about such requirements and had all information necessary to file such returns and/or pay such Taxes). For purposes of this Section 5.04(a), Taxes shall include Other Taxes.

(b) Each Lender that is a “United States person” (as such term is defined in Section 7701(a)(30) of the Code) agrees to deliver to the Borrower and the Administrative Agent on or prior to the Conversion Date or, in the case of a Lender that is an assignee, transferee or acquiror of an interest under this Agreement pursuant to Section 2.12, 2.13 or 13.04(b) (unless the respective Lender was already a Lender hereunder immediately prior to such assignment, transfer or acquisition), on the date of such assignment, transfer or acquisition to or by such Lender, two properly completed and duly signed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. Federal withholding tax. Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes agrees to deliver to the Borrower and the Administrative Agent on or prior to the Conversion Date or, in the case of a Lender that is an assignee, transferee or acquiror of an interest under this Agreement pursuant to Section 2.12, 2.13 or 13.04(b) (unless the respective Lender was already a Lender hereunder immediately prior to such assignment, transfer or acquisition), on the date of such assignment, transfer or acquisition to or by such Lender, (i) two accurate and complete original signed copies of Internal Revenue Service Form W-8ECI, Form W-8BEN (with respect to a complete exemption under an income tax treaty) or Form W-8IMY (together with any applicable underlying Internal Revenue Service forms) (or successor forms) certifying to such Lender’s entitlement as of such date to a complete exemption from United States withholding tax with respect to payments to be made under this Agreement and under any Note, (ii) if the Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code and cannot deliver either Internal Revenue Service Form W-8ECI or Form W-8BEN (with respect to a complete exemption under an income tax treaty) or W-8IMY (or any successor forms) pursuant to clause (i) above, (x) a certificate substantially in the form of Exhibit D (any such certificate, a “Section 5.04(b)(ii) Certificate”) and (y) two accurate and complete original signed copies of applicable Internal Revenue Service Form W-8 (with respect to the portfolio interest exemption) (or successor form) certifying to such Lender’s entitlement as of such date to a complete exemption from United States withholding tax with respect to payments of interest to be made under this Agreement and under any Note, or (iii) any other form prescribed by applicable requirements of U.S. Federal income tax law as a basis for claiming exemption from or a reduction in U.S. Federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made. In addition, each Lender agrees that from time to time after the Conversion Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect and from time to time thereafter upon the request of the Borrower or the Administrative Agent, such Lender will deliver to the Borrower and the Administrative Agent two new accurate and complete original signed copies of Internal Revenue Service Form W-8ECI, Form W-8BEN (with respect to the benefits of any income tax treaty), Form W-8IMY (together with any applicable underlying Internal Revenue Service forms) or applicable Form W-8 (with respect to the portfolio interest exemption) and a Section 5.04(b)(ii) Certificate, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any Note, or such

Lender shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such Form or Certificate, in which case such Lender shall not be required to deliver any such Form or Certificate pursuant to this Section 5.04(b). Notwithstanding anything to the contrary contained in Section 5.04(a), but subject to Section 13.04(b) and the immediately succeeding sentence, (x) the Borrower shall be entitled, to the extent it is required to do so by law, to deduct or withhold income or similar taxes imposed by the United States (or any political subdivision or taxing authority thereof or therein) from interest, Fees or other amounts payable hereunder for the account of any Lender which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes to the extent that such Lender has not provided to the Borrower U.S. Internal Revenue Service Forms that establish a complete exemption from such deduction or withholding and (y) the Borrower shall not be obligated pursuant to Section 5.04(a) to gross-up payments to be made to a Lender in respect of income or similar taxes imposed by the United States if (I) such Lender has not provided to the Borrower the Internal Revenue Service Forms required to be provided to the Borrower pursuant to this Section 5.04(b) or (II) in the case of a payment, other than interest, to a Lender described in clause (ii) above, to the extent that such forms do not establish a complete exemption from withholding of such taxes. Notwithstanding anything to the contrary contained in the preceding sentence or elsewhere in this Section 5.04 and except as set forth in Section 13.04(b), the Borrower agrees to pay any additional amounts and to indemnify each Lender in the manner set forth in Section 5.04(a) (without regard to the identity of the jurisdiction requiring the deduction or withholding) in respect of any amounts deducted or withheld by it as described in the immediately preceding sentence as a result of any changes that are effective after the Conversion Date in any applicable law, treaty, governmental rule, regulation, guideline or order, or in the interpretation thereof, relating to the deducting or withholding of such Taxes.

(c) Each Lender shall indemnify the Administrative Agent for the full amount of any taxes, levies, imposts, duties, charges, fees, deductions, withholdings or similar charges imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein (but only to the extent that the Borrower has not already reimbursed the Administrative Agent for such taxes, levies, imposts, duties, charges, fees, deductions, withholdings or similar charges and without limiting the obligation of the Borrower to do so) that are attributable to such Lender and that are payable or paid by the Administrative Agent, together with all interest, penalties, reasonable costs and expenses arising therefrom or with respect thereto in connection with any Credit Document, as determined by the Administrative Agent in good faith. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error.

5.05 Priority of Revolving Facility. Notwithstanding anything to the contrary in Section 5, at any time during the occurrence and continuation of a Default or Event of Default (unless the Administrative Agent has commenced the exercise of rights and remedies, in which case Section 13.17 shall apply), any payment of the Loans pursuant to Section 5 shall be applied as follows: first, to any outstanding Swingline Loans, second, to any outstanding Revolving Loans, third, to the cash collateralization of outstanding Letters of Credit and, fourth, to the Term Loans as otherwise provided in Section 5 (without giving effect to this Section 5.05). If any Lender collects or receives any amounts received on account of Obligations to which it is not entitled as a result of the application of this Section 5.05, such Lender shall hold the same in trust

for the Revolving Lenders and shall forthwith deliver the same to the Administrative Agent, for the account of the Revolving Lenders, to be applied in accordance with this Section 5.05 or, if then applicable, Section 13.17. Without limiting the generality of the foregoing, this Section 5.05 is intended to constitute and shall be deemed to constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code and is intended to be and shall be interpreted to be enforceable to the maximum extent permitted pursuant to applicable non-bankruptcy law.

7.04 No Pulitzer Financial Covenant Default. The obligation of each Lender to make Revolving Loans (other than pursuant to a Mandatory Borrowing), and the obligation of the Swingline Lender to make Swingline Loans, in each case, shall be subject to the satisfaction of the condition that there shall exist no Pulitzer Financial Covenant Default.

SECTION 8. Representations, Warranties and Agreements.

In order to induce the Lenders to enter into this Agreement and to make the Loans, and issue (or participate in) the Letters of Credit as provided herein, the Borrower makes the following representations, warranties and agreements, in each case after giving effect to the Conversion Date, all of which shall survive the execution and delivery of this Agreement and the Notes and the making of the Loans and the issuance of the Letters of Credit, with the occurrence of the Conversion Date and the occurrence of each Credit Event on or after the Conversion Date being deemed to constitute a representation and warranty that the matters specified in this Section 8 are true and correct in all material respects on and as of the Conversion Date and on the date of each such other Credit Event (it being understood and agreed that any representation or warranty which by its terms is made as of a specified date shall be required to be true and correct in all material respects only as of such specified date).

8.01 Company Status. Each of the Borrower and each of its Subsidiaries (i) is a duly organized and validly existing Company in good standing under the laws of the jurisdiction of its organization, (ii) has the Company power and authority to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (iii) is duly qualified and is authorized to do business and is in good standing in each jurisdiction where the ownership, leasing or operation of its property or the conduct of its business requires such qualifications except for failures to be so qualified or authorized which, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

8.02 Power and Authority. Each Credit Party has the Company power and authority to execute, deliver and perform the terms and provisions of each of the Credit Documents to which it is party and has taken all necessary Company action to authorize the execution, delivery and performance by it of each of such Credit Documents. Each Credit Party has duly executed and delivered each of the Credit Documents to which it is party, and each of such Credit Documents constitutes its legal, valid and binding obligation enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally

affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law).

8.03 No Violation. Neither the execution, delivery or performance by any Credit Party of the Credit Documents to which it is a party, nor compliance by it with the terms and provisions thereof, (i) contravenes any provision of any law, statute, rule or regulation or any order, writ, injunction or decree of any court or governmental instrumentality, (ii) conflicts with or results in any breach of any of the terms, covenants, conditions or provisions of, or constitutes a default under, or results in the creation or imposition of (or the obligation to create or impose) any Lien (except (x) pursuant to the Security Documents and (y) the Liens permitted under Sections 10.01(xvii) and 10.01(xviii)) upon any of the property or assets of any Credit Party or any of its Subsidiaries pursuant to the terms of any material indenture, mortgage, deed of trust, credit agreement or loan agreement, or any other material agreement, contract or instrument, in each case to which any Credit Party or any of its Subsidiaries is a party or by which it or any its property or assets is bound or to which it may be subject, or (iii) violates any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of any Credit Party or any of its Subsidiaries.

8.04 Approvals. All necessary governmental (domestic and foreign) and material third party approvals and/or consents in connection with this Agreement and the other transactions contemplated hereby and by the other Credit Documents shall have been obtained and remain in effect, and all applicable waiting periods with respect thereto shall have expired without any action being taken by any competent authority which restrains, prevents or imposes materially adverse conditions upon the consummation of this Agreement or the other transactions contemplated hereby and by the other Credit Documents or otherwise referred to herein or therein. No order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except for those that have otherwise been obtained or made on or prior to the Conversion Date and which remain in full force and effect on the Conversion Date and for the filings for perfection or recordation of the Liens under the Credit Documents set forth in Section 8.11), or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to be obtained or made by, or on behalf of, any Credit Party to authorize, or is required to be obtained or made by, or on behalf of, any Credit Party in connection with, (i) the execution, delivery and performance of any Credit Document or (ii) the legality, validity, binding effect or enforceability of any such Credit Document.

8.05 Financial Statements; Financial Condition; Undisclosed Liabilities; Projections. (a) The consolidated balance sheets of the Borrower and its Subsidiaries at September 25, 2011 and September 26, 2010, and the related consolidated statements of income and cash flows and changes in shareholders' equity of the Borrower and its Subsidiaries for the Borrower's respective fiscal year ended on each such date, in each case furnished to the Lenders prior to the Conversion Date, present fairly in all material respects the consolidated financial position of the Borrower and its Subsidiaries at the dates of said financial statements and the consolidated results of their operations for the periods covered thereby. The consolidated balance sheets of Pulitzer and its Subsidiaries at September 25, 2011 and September 26, 2010 and the related consolidated statements of income and cash flows and changes in shareholders'

equity of Pulitzer and its Subsidiaries for Pulitzer's fiscal year ended on each such date, furnished to the Lenders prior to the Conversion Date, present fairly in all material respects the consolidated financial condition of Pulitzer and its Subsidiaries at the date of said financial statements and the consolidated results of their operations for the periods covered thereby. All such financial statements have been prepared in accordance with GAAP consistently applied except to the extent provided in the notes to said financial statements and subject, in the case of the unaudited interim consolidated financial statements of the Borrower and Pulitzer, to normal year-end audit adjustments (all of which are of a recurring nature and none of which, individually or in the aggregate, would be material) and the absence of footnotes.

(b) On and as of the Conversion Date, and after giving effect to all Indebtedness (including the Loans) being incurred or assumed and Liens created by the Credit Parties in connection therewith, (i) the sum of the assets, at a fair valuation, of the Borrower (on a stand-alone basis) and of the Borrower and its Subsidiaries (taken as a whole) will exceed its or their respective debts, (ii) the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole) has or have not incurred and does or do not intend to incur, and does or do not believe that it or they will incur, debts beyond its or their respective ability to pay such debts as such debts mature, and (iii) the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole) will have sufficient capital with which to conduct its or their respective businesses. For purposes of this Section 8.05(b), "debt" means any liability on a claim, and "claim" means (a) right to payment, whether or not such a right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured or (b) right to an equitable remedy for breach of performance if such breach gives rise to a payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured. The amount of contingent liabilities at any time shall be computed as the amount that, in the light of all the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability.

(c) Except as fully disclosed in the financial statements delivered pursuant to Section 8.05(a) and for the Indebtedness incurred under this Agreement, the Pulitzer Debt Documents and the Second Lien Loan Documents, there were as of the Conversion Date no liabilities or obligations with respect to the Borrower or any of its Subsidiaries of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether or not due) which, either individually or in the aggregate, could reasonably be expected to be material to the Borrower and its Subsidiaries taken as a whole. As of the Conversion Date, the Borrower knows of no basis for the assertion against it or any of its Subsidiaries of any liability or obligation of any nature whatsoever that is not fully disclosed in the financial statements delivered pursuant to Section 8.05(a) or referred to in the immediately preceding sentence which, either individually or in the aggregate, could reasonably be expected to be material to the Borrower and its Subsidiaries taken as a whole.

(d) The Projections delivered to the Administrative Agent and the Lenders prior to the Conversion Date have been prepared in good faith and are based on reasonable assumptions, and there are no statements or conclusions in the Projections which are based upon or include information known to the Borrower to be misleading in any material respect or which

fail to take into account material information known to the Borrower regarding the matters reported therein. On the Conversion Date, the Borrower believes that the Projections are reasonable and attainable, it being recognized by the Lenders, however, that projections as to future events are not to be viewed as facts and that the actual results during the period or periods covered by the Projections may differ from the projected results.

(e) Since September 25, 2011, nothing has occurred that has had, or could reasonably be expected to have, a Material Adverse Effect (it being understood that the filing of the voluntary petitions under Chapter 11 of the Bankruptcy Code on the Petition Date shall not, in and of itself, be deemed to have had or, reasonably be expected to have, a Material Adverse Effect).

8.06 Litigation. Except as set forth in Schedule XII (it being understood that disclosure on Schedule XII is not a representation that a matter to which the disclosure relates is expected to have a Material Adverse Effect), there are no actions, suits, proceedings or governmental investigations pending or, to the knowledge of the Borrower, threatened with respect to any Credit Document or otherwise that have had, or could reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect (it being understood that the filing of the voluntary petitions under Chapter 11 of the Bankruptcy Code on the Petition Date shall not, in and of itself, be deemed to have had or, reasonably be expected to have, a Material Adverse Effect).

8.07 True and Complete Disclosure. All factual information (taken as a whole) theretofore furnished by or on behalf of the Borrower in writing to the Administrative Agent or any Lender (including, without limitation, all information contained in the Credit Documents, the Plan of Reorganization and the Disclosure Statement) for purposes of or in connection with this Agreement, the other Credit Documents or any transaction contemplated herein or therein is true and accurate in all material respects on the date as of which such information is dated or certified and not incomplete by omitting to state any fact necessary to make such information (taken as a whole) not misleading in any material respect at such time in light of the circumstances under which such information was provided, it being understood and agreed that for purposes of this Section 8.07, such factual information shall not include the Projections or any pro forma financial information.

8.08 Use of Proceeds; Margin Regulations. (a) All proceeds of the Revolving Loans and the Swingline Loans, and all amounts on deposit in the Lee Reserve, will be used for the working capital and general corporate purposes of the Borrower and its Subsidiaries.

(b) No part of any Credit Event (or the proceeds thereof) will be used to purchase or carry any Margin Stock or to extend credit for the purpose of purchasing or carrying any Margin Stock. Neither the making of any Loan nor the use of the proceeds thereof nor the occurrence of any other Credit Event will violate or be inconsistent with the provisions of Regulation T, U or X of the Board of Governors of the Federal Reserve System.

8.09 Tax Returns and Payments. Each of the Borrower and each of its Subsidiaries has timely filed or caused to be timely filed (in each case giving effect to all applicable and permitted extensions) with the appropriate taxing authority all Federal and other

material returns, statements, forms and reports for taxes (the "Returns") required to be filed by, or with respect to the income, properties or operations of, the Borrower and/or any of its Subsidiaries. The Returns accurately reflect in all material respects all liability for taxes of the Borrower and its Subsidiaries, as applicable, for the periods covered thereby. Each of the Borrower and each of its Subsidiaries has paid all taxes and assessments payable by it which have become due, other than those that are immaterial and those that are being contested in good faith and adequately disclosed and fully provided for on the financial statements of the Borrower and its Subsidiaries in accordance with GAAP. There is no material action, suit, proceeding, investigation, audit or claim now pending or, to the knowledge of the Borrower, threatened by any authority regarding any material taxes relating to the Borrower or any of its Subsidiaries. Neither the Borrower nor any of its Subsidiaries has incurred, nor will any of them incur, any material tax liability in connection with transactions contemplated in this Agreement, the Second Lien Credit Agreement or the Pulitzer Debt Agreement (it being understood that (x) the representation contained in this sentence does not cover any future tax liabilities of the Borrower or any of its Subsidiaries arising as a result of the operation of their businesses in the ordinary course of business and (y) the consummation of the Plan of Reorganization may result in tax consequences to the Borrower, including an adjustment of asset values or tax basis as a result of cancellation of indebtedness resulting from the Plan of Reorganization).

8.10 Compliance with ERISA. (a) Schedule IV sets forth each Plan as of the Conversion Date. Except as disclosed on Schedule IV or otherwise as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect (it being understood that disclosure on Schedule IV is not a representation that such item is expected to have a Material Adverse Effect); each Plan (and each related trust, insurance contract or fund) is in compliance with its terms and with all applicable laws, including without limitation ERISA and the Code; each Plan (and each related trust, if any) which is intended to be qualified under Section 401(a) of the Code has received a determination letter from the Internal Revenue Service to the effect that it meets the requirements of Sections 401(a) and 501(a) of the Code, has applied for such a determination letter within the time period permitted by the Internal Revenue Service, or has time remaining within the time period permitted by the Internal Revenue Service in which to apply for such a determination letter; no Reportable Event has occurred; the Borrower has not been notified by any Plan which is a multiemployer plan (as defined in Section 4001(a)(3) of ERISA) that it is insolvent or in reorganization; no Plan has an Unfunded Current Liability; no Plan which is subject to Section 412 of the Code or Section 302 of ERISA has an accumulated funding deficiency or failure to meet applicable minimum funding standards, within the meaning of such sections of the Code or ERISA, or has applied for or received either a waiver of such standards or an extension of any amortization period (to the extent applicable), within the meaning of Section 412 of the Code or Section 302 of ERISA; all contributions required to be made with respect to a Plan have been timely made; neither the Borrower nor any ERISA Affiliate has incurred any liability (including any indirect, contingent or secondary liability to or on account of a Plan) pursuant to Sections 409, 502(i), 502(l), 515, 4062, 4063, 4064, 4069, 4201, 4204 or 4212 of ERISA or Sections 401(a)(29), 4971 or 4975 of the Code or expects to incur any liability under any of the foregoing sections with respect to any Plan; no condition exists which presents a risk to the Borrower or any ERISA Affiliate of incurring a liability to or on account of a Plan pursuant to the foregoing provisions of ERISA and the Code; no proceedings have been instituted to terminate or appoint a trustee to administer any

Plan which is subject to Title IV of ERISA; no action, suit, proceeding, hearing, audit or investigation with respect to the administration, operation or the investment of assets of any Plan (other than routine audits and claims for benefits) is pending, expected or threatened; using actuarial assumptions and computation methods consistent with Part 1 of subtitle E of Title IV of ERISA, the aggregate liabilities of the Borrower and its ERISA Affiliates to all Plans which are multiemployer plans (as defined in Section 4001(a)(3) of ERISA) in the event of a complete withdrawal therefrom, as of the close of the most recent fiscal year of each such Plan ended prior to the date of the most recent Credit Event, would not exceed \$10,000,000; each group health plan (as defined in Section 607(1) of ERISA or Section 4980B(g)(2) of the Code) which covers or has covered employees or former employees of the Borrower or any ERISA Affiliate has at all times been operated in compliance with the provisions of Part 6 of subtitle B of Title I of ERISA and Section 4980B of the Code; each group health plan (as defined in 45 Code of Federal Regulations Section 160.103) which covers or has covered employees or former employees of the Borrower or any ERISA Affiliate has at all times been operated in compliance with the provisions of the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder; no lien imposed under the Code or ERISA on the assets of the Borrower or any ERISA Affiliate exists or is likely to arise on account of any Plan; and the Borrower and its ERISA Affiliates may cease contributions to or terminate any employee maintained by any of them without incurring any liability (other than any termination of employees which, individually or in the aggregate, may trigger a complete or partial withdrawal from a multiemployer pension fund).

(b) Except as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect: each Foreign Pension Plan has been maintained in compliance with its terms and with the requirements of any and all applicable laws, statutes, rules, regulations and orders and has been maintained, where required, in good standing with applicable regulatory authorities; all contributions required to be made with respect to a Foreign Pension Plan have been timely made; neither the Borrower nor any of its Subsidiaries has incurred any obligation in connection with the termination of, or withdrawal from, any Foreign Pension Plan; and the present value of the accrued benefit liabilities (whether or not vested) under each Foreign Pension Plan, determined as of the end of the Borrower's most recently ended fiscal year on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the assets of such Foreign Pension Plan allocable to such benefit liabilities.

Furthermore, the Borrower will, and will cause the other Credit Parties to, deliver to the Collateral Agent such opinions of counsel, officers' certificates, title insurance and other related documents as may be reasonably requested by the Administrative Agent to assure itself that this Section 9.12 has been complied with.

needed), as the case may be, granting to the Collateral Agent for the benefit of the Secured Creditors a security interest in all assets, promissory notes and Equity Interests owned by such Foreign Subsidiary and securing the obligations of the Borrower under the Credit Documents and under any Interest Rate Protection Agreement or Other Hedging Agreement and, in the event the Subsidiaries Guaranty shall have been executed by such Foreign Subsidiary, the obligations of such Foreign Subsidiary thereunder, and in the case of a failure to deliver the evidence described in clause (iii) above, such Foreign Subsidiary shall execute and deliver the Subsidiaries Guaranty (or another guaranty in substantially similar form, if needed), guaranteeing the obligations of the Borrower under the Credit Documents and under any Interest Rate Protection Agreement or Other Hedging Agreement, in each case to the extent that the entering into of such Security Agreements, the Pledge Agreement or the Subsidiaries Guaranty (or substantially similar document) is permitted by the laws of the respective foreign jurisdiction and with all documents delivered pursuant to this Section 9.14 to be in form and substance reasonably satisfactory to the Administrative Agent and/or the Collateral Agent.

The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectibility, priority or sufficiency of this Agreement or any other Credit Document or the financial condition of the Borrower or any of its Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Credit Document, or the financial condition of the Borrower or any of its Subsidiaries or the existence or possible existence of any Default or Event of Default.

12.04 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Credit Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders (or all the Lenders if required hereunder); and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders (or all the Lenders if required hereunder).

12.05 Reliance. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, teletype or telecopier message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent reasonably believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Credit Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent.

12.06 Indemnification. To the extent the Administrative Agent (or any affiliate thereof) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent (and any affiliate thereof) in proportion to their respective "percentage" as used in determining the Required Lenders (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any affiliate thereof) in performing its duties hereunder or under any other Credit Document or in any way relating to or arising out of this Agreement or any other Credit Document with respect to such duties or its role as Administrative Agent; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

12.07 The Administrative Agent in its Individual Capacity. With respect to its obligation to make (or be deemed to have made) Loans, or issue or participate in Letters of Credit, under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "Lender", "Required Lenders", "Majority Lenders" or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Credit Party or any Affiliate of any Credit Party (or any Person engaged in a similar business with any Credit Party

or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Credit Party or any Affiliate of any Credit Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

12.08 Holders. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

12.09 Resignation by the Administrative Agent. (a) The Administrative Agent may resign from the performance of all its respective functions and duties hereunder and/or under the other Credit Documents at any time by giving 30 days' prior written notice to the Lenders and, unless a Default or an Event of Default under Section 11.05 then exists, the Borrower. Any such resignation by an Administrative Agent hereunder shall also constitute its (and its applicable Affiliate's) resignation as an Issuing Lender and/or the Swingline Lender, as the case may be, in which case the resigning Administrative Agent (and its applicable Affiliates) (x) shall not be required to issue any further Letters of Credit or make any additional Swingline Loans hereunder and (y) shall maintain all of its rights as Issuing Lender or Swingline Lender, as the case may be, with respect to any Letters of Credit issued by it, or Swingline Loans made by it, prior to the date of such resignation. Such resignation shall take effect upon the appointment of a successor Administrative Agent pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation by the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld, delayed or conditioned (provided that the Borrower's approval shall not be required if an Event of Default then exists).

(c) If a successor Administrative Agent shall not have been so appointed within such 30 day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, provided that the Borrower's consent shall not be required if an Event of Default then exists), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(d) If no successor Administrative Agent has been appointed pursuant to clause (b) or (c) above by the 35th day after the date any such notice of resignation was given by the Administrative Agent, the Administrative Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder and/or under any other Credit Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(e) Upon a resignation of the Administrative Agent pursuant to this Section 12.09, such former Administrative Agent shall remain indemnified to the extent provided in this Agreement and the other Credit Documents and the provisions of this Section 12 (and the analogous provisions of the other Credit Documents) shall continue in effect for the benefit of such former Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

12.10 Collateral Matters. (a) Each Lender authorizes and directs the Collateral Agent to enter into the Security Documents for the benefit of the Lenders and the other Secured Creditors. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 13.12) in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders (or all the Lenders, as the case may be) of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or the Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents.

(b) The Lenders hereby authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral (i) upon termination of the Commitments and payment and satisfaction of all of the Obligations at any time arising under or in respect of this Agreement or the Credit Documents or the transactions contemplated hereby or thereby, (ii) constituting property being sold or otherwise disposed of (to Persons other than the Borrower and its Subsidiaries) upon the sale or other disposition thereof in compliance with Section 10.02, (iii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 13.12) or (iv) as otherwise may be expressly provided in this Agreement and/or the relevant Security Documents. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 12.10.

(c) The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Credit Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 12.10 or in any of the Security Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders,

except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

12.11 Delivery of Information. The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Credit Party, any Subsidiary, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Credit Document except (i) as specifically provided in this Agreement or any other Credit Document and (ii) as specifically requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

SECTION 13. Miscellaneous.

13.01 Payment of Expenses, etc. The Borrower hereby agrees to: (i) whether or not the transactions herein contemplated are consummated, pay all reasonable out-of-pocket costs and expenses of each Agent (including, without limitation, the reasonable fees and disbursements of Simpson Thacher & Bartlett LLP and each Agent's other counsel and consultants) in connection with the preparation, execution, delivery and administration of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, of each Agent and its Affiliates in connection with its or their syndication efforts with respect to this Agreement and of each Agent and, after the occurrence and during the continuance of an Event of Default, each of the Issuing Lenders and Lenders in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings (including, in each case without limitation, the reasonable fees and disbursements of counsel and consultants for each Agent and, after the occurrence and during the continuance of an Event of Default, counsel for each of the Issuing Lenders and Lenders); (ii) without duplication with Section 5.04(a), pay and hold each Agent, each of the Issuing Lenders and each of the Lenders harmless from and against any and all present and future stamp, excise and other similar documentary taxes with respect to the foregoing matters and save each Agent, each of the Issuing Lenders and each of the Lenders harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to such Agent, such Issuing Lender or such Lender) to pay such taxes; and (iii) indemnify each Agent, each Issuing Lender and each Lender, and each of their respective officers, directors, employees, representatives, agents, affiliates, trustees and investment advisors from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) of whatsoever kind or nature incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any Agent, any Issuing Lender or any Lender is a party thereto and whether or not such investigation, litigation

or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the use of any Letter of Credit or the proceeds of any Loans hereunder or the consummation of any transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents or in any other way relating to or arising out of this Agreement or any other Credit Document, or (b) the actual or alleged presence of Hazardous Materials in the air, surface water or groundwater or on the surface or subsurface of any Real Property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, the generation, storage, transportation, handling or disposal of Hazardous Materials by the Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Borrower or any of its Subsidiaries, the non-compliance by the Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property, or any Environmental Claim asserted against the Borrower, any of its Subsidiaries or any Real Property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding (but excluding any losses, liabilities, claims, damages or expenses to the extent incurred by reason of the gross negligence or willful misconduct of the Person to be indemnified (as determined by a court of competent jurisdiction in a final and non-appealable decision)). To the extent that the undertaking to indemnify, pay or hold harmless any Agent, any Issuing Lender or any Lender set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

13.02 Right of Setoff. (a) In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, each Issuing Lender and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by the Administrative Agent, such Issuing Lender or such Lender (including, without limitation, by branches and agencies of the Administrative Agent, such Issuing Lender or such Lender wherever located) to or for the credit or the account of the Borrower or any other Credit Party against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent, such Issuing Lender or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent, such Issuing Lender or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

(b) NOTWITHSTANDING THE FOREGOING SUBSECTION (a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL BE

SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER SHALL EXERCISE A RIGHT OF SETOFF, LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT OR ANY NOTE UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY OR ENFORCEABILITY OF THE LIENS GRANTED TO THE COLLATERAL AGENT PURSUANT TO THE SECURITY DOCUMENTS OR THE ENFORCEABILITY OF THE NOTES AND OTHER OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OF ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE REQUIRED LENDERS OR THE ADMINISTRATIVE AGENT SHALL BE NULL AND VOID. THIS SUBSECTION (b) SHALL BE SOLELY FOR THE BENEFIT OF EACH OF THE LENDERS AND THE ADMINISTRATIVE AGENT HEREUNDER.

13.03 Notices. Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, telecopier or cable communication) and mailed, telegraphed, telexed, telecopied, cabled or delivered: if to any Credit Party, at the address specified opposite its signature below or in the other relevant Credit Documents; if to any Lender, at its address specified on Schedule II or in the administrative questionnaire delivered to the Administrative Agent; and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent and the Borrower shall not be effective until received by the Administrative Agent or the Borrower, as the case may be.

13.04 Benefit of Agreement; Assignments; Participations. (a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, the Borrower may not assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of each Lender and, provided further, that, although any Lender may transfer, assign or grant participations in its rights hereunder, such Lender shall remain a "Lender" for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a "Lender" hereunder and, provided further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or

waiver would (i) extend the final scheduled maturity of any Loan, Note or Letter of Credit (unless such Letter of Credit is not extended beyond the Revolving Loan Maturity Date) in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 13.07(a) shall not constitute a reduction in the rate of interest or Fees payable hereunder), or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Total Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (ii) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement or (iii) release all or substantially all of the Collateral under all of Security Documents (except as expressly provided in the Credit Documents) supporting the Loans or Letters of Credit hereunder in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (including, without limitation, any rights of set-off) (the participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to (i)(A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this sub-clause (x)(i)(B)), or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least \$1,000,000 in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement, provided that (i) at such time, Schedule I shall be deemed modified to reflect the Commitments and/or outstanding Loans, as the case may be, of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender's indemnifying the Borrower for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrower's expense, to

such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Loans, as the case may be, (iii) the consent of the Administrative Agent and, so long as no Default or Event of Default then exists, the Borrower, shall be required in connection with any such assignment pursuant to clause (y) above (each of which consents shall not be unreasonably withheld or delayed), (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of \$3,500, and (v) no such transfer or assignment will be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.15. To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person which is not already a Lender hereunder, the respective assignee Lender shall, to the extent legally entitled to do so, provide to the Borrower the appropriate Internal Revenue Service Forms (and, if applicable, a Section 5.04(b)(ii) Certificate) described in Section 5.04(b). To the extent that an assignment of all or any portion of a Lender's Commitments and related outstanding Obligations pursuant to Section 2.13 or this Section 13.04(b) would, at the time of such assignment, result in increased costs under Section 2.10, 3.06 or 5.04 from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such increased costs (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(c) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrower), any Lender which is a fund may pledge all or any portion of its Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances

or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent, any Issuing Lender or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata. (a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its pro rata share of any such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Except as otherwise provided in this Agreement, each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise), which is applicable to the payment of the principal of, or interest on, the Loans, Unpaid Drawings, Commitment Commission or Letter of Credit Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lenders, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders.

13.07 Calculations; Computations. (a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto or as otherwise disclosed in writing by the Borrower to the Lenders); provided that, (i) except as otherwise specifically provided herein, all computations of Excess Cash Flow and the Applicable Margin, and all computations and all definitions (including accounting terms) used in determining compliance with Sections 10.07, 10.08 and 10.09 shall utilize GAAP and policies in conformity with those used to prepare the audited financial statements of the Borrower referred to in Section 8.05(a) for the Borrower's fiscal year ended September 25, 2011 and (ii) to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis.

(b) All computations of interest, Commitment Commission and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day; except that in the case of Letter of Credit Fees and Facing Fees, the last day shall be included) occurring in the period for which such interest, Commitment Commission or Fees are payable.

13.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL. (a) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL , EXCEPT AS OTHERWISE PROVIDED IN ANY MORTGAGE, BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE INTERNAL LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, IN EACH CASE WHICH ARE LOCATED IN THE COUNTY OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT THE BORROWER HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE PERSONAL JURISDICTION OF THE AFORESAID COURTS. THE BORROWER HEREBY FURTHER IRREVOCABLY WAIVES ANY CLAIM THAT ANY SUCH COURTS LACK PERSONAL JURISDICTION OVER THE BORROWER, AND AGREES NOT TO PLEAD OR CLAIM, IN ANY LEGAL ACTION PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN ANY OF THE AFOREMENTIONED COURTS, THAT SUCH COURTS LACK PERSONAL JURISDICTION OVER THE BORROWER. THE BORROWER FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS SET FORTH OPPOSITE ITS SIGNATURE BELOW, SUCH SERVICE TO BECOME EFFECTIVE 30 DAYS AFTER SUCH MAILING. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY OTHER CREDIT DOCUMENT THAT SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT, ANY LENDER OR THE HOLDER OF ANY NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE BORROWER IN ANY OTHER JURISDICTION.

(b) THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING

OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

13.09 Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile or other electronic transmission) and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. 13.11 Headings Descriptive. The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

13.12 Amendment or Waiver; etc.

(a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions), and Subsidiaries of the Borrower may be released from, the Subsidiaries Guaranty and the Pledge Agreement in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders), provided that no such change, waiver, discharge or termination shall, without the consent of each Lender (other than a Defaulting Lender) (with Obligations being directly affected in the case of following clause (i)), (i)(x) extend the final scheduled maturity of any Loan or Note or extend the stated expiration date of any Letter of Credit beyond its Maturity Date, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with the waiver of applicability of any post-default increase in interest rates), or reduce the principal amount thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 13.07(a) shall not constitute a reduction in the rate of interest or Fees for the purposes of this clause (i)), or (y) reduce the amount of, or extend the date of, any Scheduled Term Loan Repayment of the Term Loans, (ii) release all or substantially all of the Collateral (except as expressly provided in the Credit Documents) under the Pledge Agreement, (iii) amend, modify or waive any provision of this Section 13.12(a) (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Term

Loans and the Revolving Loan Commitments on the Conversion Date), (iv) reduce the percentage specified in the definition of Required Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the extensions of Term Loans and Revolving Loan Commitments are included on the Conversion Date) or (v) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement; provided further, that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Total Commitment shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) except in cases where additional extensions of term loans and/or revolving loans are being afforded substantially the same treatment afforded to the Term Loans and Revolving Loans pursuant to this Agreement as in effect on, and after giving effect to, the Conversion Date, (x) without the consent of the Majority Lenders of each Tranche which is being allocated a lesser prepayment, repayment or commitment reduction as a result of the actions described below, alter the required application of any prepayments or repayments (or commitment reduction), as between the various Tranches, pursuant to Section 5.01(a) or 5.02 (excluding Section 5.02(b)) (although, subject to clause (7) below, the Required Lenders may waive, in whole or in part, any such prepayment, repayment or commitment reduction, so long as the application, as amongst the various Tranches, of any such prepayment, repayment or commitment reduction which is still required to be made is not altered) or (y) without the consent of each Lender of each Tranche which is adversely affected by such amendment, amend the definition of Majority Lenders (it being understood that with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Majority Lenders on substantially the same basis as the extensions of Term Loans and Revolving Loan Commitments are included on the Conversion Date), (3) without the consent of each Issuing Lender, amend, modify or waive any provision of Section 3 or alter its rights or obligations with respect to Letters of Credit, (4) without the consent of the Swingline Lender, alter the Swingline Lender's rights or obligations with respect to Swingline Loans, (5) without the consent of the Administrative Agent, amend, modify or waive any provision of Section 12 or any other provision as same relates to the rights or obligations of the Administrative Agent, (6) without the consent of Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent, (7) without the written consent of the Majority Lenders with respect to the Revolving Facility, amend, modify or waive (i) any condition precedent set forth in Section 7 with respect to the making of Revolving Loans, Swingline Loans or the issuance of Letters or Credit (it being understood that a general waiver of an existing Default or Event of Default by the required Lenders or an amendment approved by the required Lenders that has the effect of "curing" an existing Default or Event of Default and permitting the making of Loans or other extension of credit shall constitute a waiver of a condition precedent governed by this clause) or (ii) Section 5.01(a) or 5.02 (excluding Section 5.02(b)) to alter the required application of prepayments or repayments (or Commitment reduction) either in a manner (x) adverse to the RL Lenders or (y) that would alter the priority, or reduce the amount, of any payment received by the RL Lenders, or (8) without the written consent of each RL Lender (other than a Defaulting Lender), amend, modify or waive Section

5.05, Section 13.17, Section 7.4 of the Security Agreement or Section 9 of the Pledge Agreement to alter the required application of prepayments or repayments or application of proceeds in a manner adverse to the RL Lenders.

(b) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders (or, at the option of the Borrower, if the respective Lender's consent is required with respect to less than all Tranches of Loans (or related Commitments), to replace only the Revolving Loan Commitments and/or Loans of the respective non-consenting Lender which gave rise to the need to obtain such Lender's individual consent) with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender's Revolving Loan Commitment (if such Lender's consent is required as a result of its Revolving Loan Commitment) and/or repay each Tranche of outstanding Loans of such Lender which gave rise to the need to obtain such Lender's consent and/or cash collateralize its applicable RL Percentage of the Letter of Credit of Outstandings, in accordance with Sections 4.02(b) and/or 5.01(b), provided that, unless the Commitments which are terminated and Loans which are repaid pursuant to preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of the Commitments and/or outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B), the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto, provided further, that the Borrower shall not have the right to replace a Lender, terminate its Commitment or repay its Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 2.11, 3.06, 5.04, 12.06 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

13.14 Domicile of Loans. Each Lender may transfer and carry its Loans at, to or for the account of any office, Subsidiary or affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 2.10, 2.11, 3.06 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrower shall not be obligated to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

13.15 Register. The Borrower hereby designates the Administrative Agent to serve as its agent, solely for purposes of this Section 13.15, to maintain a register (the

“Register”) on which it will record the Commitments from time to time of each of the Lenders, the Loans made by each of the Lenders and each repayment in respect of the principal amount of the Loans of each Lender. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower’s obligations in respect of such Loans. With respect to any Lender, the transfer of the Commitments of such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The Borrower agrees to indemnify the Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature which may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this Section 13.15. Each Lender that sells a participation, acting solely for this purpose as an agent of the Borrower, shall maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant’s interest in the Loans or other obligations under this Agreement (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Loans, Letters of Credit or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, and such Lender, each Credit Party and the Administrative Agent shall treat each person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary.

13.16 Confidentiality. (a) Subject to the provisions of clause (b) of this Section 13.16, each Lender agrees that it will use its reasonable efforts not to disclose without the prior consent of the Borrower (other than to its employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender’s holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender) any non-public confidential information with respect to the Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by the respective Lender or is or has become available to such Lender on a non-confidential basis, (ii) as may be required or

appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor) or to any credit insurance provider relating to the Borrower and its obligations, so long as such contractual counterparty (or such professional advisor) or credit insurance provider agrees to be bound by the provisions of this Section 13.16 and (vii) to any prospective or actual transferee or participant in connection with any contemplated transfer or participation of any of the Notes or Commitments or any interest therein by such Lender, provided that such prospective transferee agrees to be bound by the confidentiality provisions contained in this Section 13.16.

(b) The Borrower hereby acknowledges and agrees that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to the Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of the Borrower and its Subsidiaries), in each case only if such Lender or affiliate shall have determined in its sole discretion that the Lender or affiliate with whom the information is to be shared should have access to such information; provided that such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender.

13.17 Application of Proceeds.

(a) After the exercise of remedies (including rights of setoff) provided for in Section 11 (or after the Loans and the Obligations owing hereunder have automatically become immediately due and payable as set forth in Section 11), any amounts received on account of the Obligations (whether as a result of a payment under the Subsidiaries Guaranty, any realization on the Collateral, any setoff rights, any distribution in connection with any proceedings or otherwise and whether received in cash or otherwise) shall be applied in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including legal fees and expenses payable under the Security Documents) payable to the Collateral Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including legal fees and expenses payable under Section 13.01 and amounts payable under Sections 2.10, 2.11 and 5.04) payable to the Administrative Agent in its capacity as such;

Third, to payment of that portion of the Obligations under the Revolving Facility constituting Fees, indemnities and other fees and amounts (other than principal and interest) payable to the RL Lenders (including legal fees and expenses payable under

Section 13.01 and amounts payable under Sections 2.10, 2.11 and 5.04), ratably among them in proportion to the amounts described in this clause *Third* payable to them;

Fourth, to payment of that portion of the Obligations under the Revolving Facility constituting accrued and unpaid interest on the Revolving Loans and Unpaid Drawings, ratably among the RL Lenders in proportion to the respective amounts described in this clause *Fourth* payable to them;

Fifth, (i) to payment of that portion of the Obligations under the Revolving Facility constituting unpaid principal of the Revolving Loans and Unpaid Drawings under Letters of Credit, (ii) to the Administrative Agent for the account of the Issuing Lender, to cash collateralize the Stated Amount of all Letters of Credit (other than Unpaid Drawings) then outstanding and (iii) to the payment of that portion of the Obligations under the Secured Hedging Agreements (other than indemnities, fees (including, without limitation, attorney's fees) and similar obligation and liabilities), ratably among the applicable Secured Creditors in proportion to the respective amounts described in this clause *Fifth* held by them;

Sixth, to the payment of all other Obligations under the Revolving Facility of the Credit Parties that are due and payable to the Administrative Agent and the other applicable Secured Creditors on such date, ratably based upon the respective aggregate amounts of all such Obligations under the Revolving Facility owing to the Administrative Agent and the other applicable Secured Creditors on such date;

Seventh, to payment of that portion of the Obligations under the Term Loan Facility constituting fees, indemnities and other amounts (other than principal and interest) payable to the applicable Secured Creditors (including legal fees and expenses payable under Section 13.01 and amounts payable under Sections 2.10, 2.11 and 5.04), ratably among them in proportion to the amounts described in this clause *Seventh* payable to them;

Eighth, to payment of that portion of the Obligations under the Term Loan Facility constituting accrued and unpaid interest on the Term Loans, ratably among the applicable Secured Creditors in proportion to the respective amounts described in this clause *Eighth* payable to them;

Ninth, to payment of that portion of the Obligations under the Term Loan Facility constituting unpaid principal of the Term Loans, ratably among the applicable Secured Creditors in proportion to the respective amounts described in this clause *Ninth* payable to them;

Tenth, to the payment of all other Obligations under the Term Loan Facility of the Credit Parties that are due and payable to the Administrative Agent and the other applicable Secured Creditors on such date, ratably based upon the respective aggregate amounts of all such Obligations under the Term Loan Facility owing to the Administrative Agent and the other applicable Secured Creditors on such date;

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law;

Amounts used to cash collateralize the Stated Amount of Letters of Credit pursuant to clause *fifth* above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as cash collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, such remaining amount shall be paid to the Borrower or as otherwise required by Law.

(b) Each Credit Party shall allocate its Obligations among its Obligations under the Revolving Facility and its Obligations under the Term Loan Facility as such Credit Party shall determine in good faith is a reasonable allocation thereof.

(c) Without limiting the generality of the foregoing, this Section 13.17 is intended to constitute and shall be deemed to constitute a “subordination agreement” within the meaning of Section 510(a) of the Bankruptcy Code and is intended to be and shall be interpreted to be enforceable to the maximum extent permitted pursuant to applicable nonbankruptcy law. Amounts applied pursuant to clauses *First* through *Tenth* of Section 13.17(a) are to be applied, for the avoidance of doubt, in the order required by such clauses until the payment in full in cash of the applicable Obligations referred to in the applicable clause.

(d) If any Secured Creditor collects or receives any amounts received on account of the Obligations to which it is not entitled under Section 13.17(a) hereof, such Secured Creditor shall hold the same in trust for the applicable Secured Creditors entitled thereto and shall forthwith deliver the same to the Administrative Agent, for the account of such Secured Creditors, to be applied in accordance with Section 13.17(a) hereof, in each case until the prior payment in full in cash of the applicable Obligations of such Secured Creditors.

(e) It is the intention of the parties hereto that (and to the maximum extent permitted by law the parties hereto agree that) the Obligations under the Revolving Facility (and the security therefor) constitute a separate and distinct class (and separate and distinct claims) from the Obligations (and security therefor) under the other Facilities.

(f) EACH LENDER WITH OUTSTANDING TERM LOANS ACKNOWLEDGES AND AGREES THAT THE OBLIGATIONS IN RESPECT OF THE REVOLVING LOAN COMMITMENTS (INCLUDING OUTSTANDING REVOLVING LOANS, SWINGLINE LOANS AND LETTERS OF CREDIT) ARE ENTITLED TO DISTRIBUTIONS PURSUANT TO THIS SECTION 13.17 (INCLUDING DISTRIBUTIONS PURSUANT TO AN INSOLVENCY PROCEEDING) PRIOR TO ANY DISTRIBUTIONS BEING APPLIED TO THE OBLIGATIONS IN RESPECT OF OUTSTANDING TERM LOANS.

13.18 The Patriot Act. Each Lender subject to the USA PATRIOT ACT (Title 111 of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Patriot Act”) hereby notifies the Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrower and the other Credit Parties and other information

that will allow such Lender to identify the Borrower and the other Credit Parties in accordance with the Patriot Act.

FORM OF SOLVENCY CERTIFICATE

To the Administrative Agent and each of the Lenders party to the Credit Agreement referred to below:

I, the undersigned, the Chief Financial Officer of Lee Enterprises, Incorporated, a Delaware corporation (the "Borrower"), in that capacity only and not in my individual capacity, do hereby certify as of the date hereof that:

1. This Certificate is furnished to the Administrative Agent and the Lenders pursuant to Section 6.13 of the Exit Credit Agreement, dated as of January 30, 2012, among the Borrower, the lenders from time to time party thereto (each, a "Lender" and, collectively, the "Lenders"), Deutsche Bank Securities Inc. and Goldman Sachs Lending Partners LLC, as Joint Lead Arrangers and Joint Book Running Managers, and Deutsche Bank Trust Company Americas, as Administrative Agent (the "Administrative Agent") and Collateral Agent (the "Credit Agreement"). Unless otherwise defined herein, capitalized terms used in this Certificate shall have the meanings set forth in the Credit Agreement.

2. For purposes of this Certificate, the terms below shall have the following definitions:

(a) "does or do not have Unreasonably Small Capital"

For the period from the date hereof through the stated maturity of all New Financing, each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, after the incurrence, issuance or assumption of all Indebtedness (including the Loans) being incurred, issued or assumed (including the Loans and Letters of Credit) and Liens of such Person or of such group of Persons existing or created, as the case may be, on the Conversion Date, has or have sufficient capital with which to conduct its or their respective businesses.

(b) "Fair Value"

The amount at which the assets (both tangible and intangible), in their entirety, of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, would change hands between a willing buyer and a willing seller, within a commercially reasonable period of time, each having reasonable knowledge of the relevant facts, with neither being under any compulsion to act.

(c) "Identified Contingent Liabilities"

The maximum estimated amount of liabilities reasonably likely to result from pending litigation, asserted claims and assessments, guaranties, uninsured risks and other contingent liabilities (other than such contingent

liabilities included within the term “Stated Liabilities”) of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, after giving effect to the transactions consummated on the Conversion Date (including all fees and expenses related thereto but exclusive of such contingent liabilities to the extent reflected in Stated Liabilities), as identified and explained in terms of their nature and estimated magnitude by responsible officers of the Borrower and its Subsidiaries or that have been identified as such by an officer of the Borrower or any of its Subsidiaries, determined in accordance with GAAP.

(d) “New Financing”

All Indebtedness incurred or to be incurred by the Borrower and its Subsidiaries under the Credit Documents (assuming the full utilization by the Borrower of the Commitments under the Credit Agreement), the Second Lien Loan Documents and the Pulitzer Debt Documents, as applicable.

(e) “Present Fair Salable Value”

The amount that could be obtained by an independent willing seller from an independent willing buyer if the assets of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, are sold with reasonable promptness in an arm’s-length transaction under present conditions for the sale of comparable business enterprises.

(f) “Stated Liabilities”

The recorded liabilities (including contingent liabilities that would be recorded in accordance with GAAP) of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, as of the date hereof after giving effect to the transactions consummated on the Conversion Date, determined in accordance with GAAP consistently applied, together with the amount of the New Financing.

(g) “will be able to pay its or their respective Stated Liabilities and Identified Contingent Liabilities as they mature or otherwise become payable”

For the period from the date hereof through the stated maturity of all New Financing, each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, will have sufficient assets and cash flow to pay its or their respective Stated Liabilities and Identified Contingent Liabilities as those liabilities mature or otherwise become payable.

3. For purposes of this Certificate, I, or officers of the Borrower and/or its Subsidiaries under my direction and supervision, have performed the following procedures as of and for the periods set forth below.

- (a) Reviewed the financial statements (including the pro forma financial statements) referred to in Section 8.05 of the Credit Agreement.
- (b) Made inquiries of certain officials of the Borrower and its Subsidiaries who have responsibility for financial and accounting matters regarding (i) the existence and amount of Identified Contingent Liabilities associated with the business of the Borrower and its Subsidiaries and (ii) whether the financial statements referred to in paragraph (a) above are in conformity with GAAP applied on a basis consistent with that of the Borrower's audited financial statements for the Borrower's fiscal year ended September 25, 2011.
- (c) Reviewed to my satisfaction the Credit Documents, the Second Lien Loan Documents and the Pulitzer Debt Documents and the respective Schedules, Annexes and Exhibits thereto.
- (d) With respect to Identified Contingent Liabilities:
 - 1. inquired of certain officials of the Borrower and/or its Subsidiaries who have responsibility for legal, financial and accounting matters as to the existence and estimated liability with respect to all contingent liabilities associated with the business of the Borrower and its Subsidiaries;
 - 2. confirmed with officers of the Borrower and/or its Subsidiaries that, to the best of such officers' knowledge, (i) all appropriate items were included in Stated Liabilities or Identified Contingent Liabilities and that (ii) the amounts relating thereto were the maximum estimated amount of liabilities reasonably likely to result therefrom as of the date hereof; and
 - 3. to the best of my knowledge, in making the certification set forth in paragraph 4 below, considered all material Identified Contingent Liabilities that may arise from any pending litigation, asserted claims and assessments, guarantees, uninsured risks and other Identified Contingent Liabilities of the Borrower and its Subsidiaries (exclusive of such Identified Contingent Liabilities to the extent reflected in Stated Liabilities) and with respect to each such Identified Contingent Liability the estimable maximum amount of liability with respect thereto was used in making such certification.
- (e) Made inquiries of certain officers of the Borrower and/or its Subsidiaries who have responsibility for financial reporting and accounting matters

regarding whether they were aware of any events or conditions that, as of the date hereof, would cause either Borrower (on a stand-alone basis) or the Borrower and its Subsidiaries (taken as a whole), as the case may be, after giving effect to the consummation of the financing transactions (including the incurrence of the New Financing), to (i) have assets with a Fair Value or Present Fair Salable Value that are less than the sum of its or their Stated Liabilities and Identified Contingent Liabilities; (ii) have Unreasonably Small Capital; or (iii) not be able to pay its or their respective Stated Liabilities and Identified Contingent Liabilities as they mature or otherwise become payable.

- (f) Had the Projections relating to the Borrower and/or its Subsidiaries which have been previously delivered to the Administrative Agent and the Lenders, prepared under my direction based on good faith estimates and assumptions, and have re-examined the Projections on the date hereof and considered the effect thereon of any changes since the date of the preparation thereof on the results projected therein. After such review, I hereby certify that in my opinion the Projections are (and remain) reasonable and attainable (it being recognized by the Lenders that such projections of future events are not to be viewed as facts and that actual results during the period or periods covered by any such Projections may differ from the projected results contained therein) and the Projections support the conclusions contained in paragraph 4 below.
4. Based on and subject to the foregoing, I hereby certify on behalf of the Borrower that, on and as of the date hereof and after giving effect to the consummation of the financing transactions (including the incurrence of the New Financing), it is my opinion that (i) the Fair Value and Present Fair Salable Value of the assets of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, exceed its or their respective Stated Liabilities and Identified Contingent Liabilities; (ii) each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, do not have Unreasonably Small Capital; and (iii) each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, intends to and believes that it will be able to pay its or their respective Stated Liabilities and Identified Contingent Liabilities as they mature or otherwise become payable.
 5. The Borrower does not intend, in consummating the transactions contemplated by the New Financing, to delay, hinder, or defraud either present or future creditors.

IN WITNESS WHEREOF, the undersigned has set his hand this 30th day of January, 2012.

WHEREAS, it is a condition precedent to the extensions of credit under the Credit Agreement that this Agreement be executed and delivered by the original Parties hereto;

WHEREAS, additional Parties may from time to time become parties hereto in order to allow for certain extensions of credit in accordance with the requirements of the Credit Agreement; and

WHEREAS, each of the Parties desires to execute this Agreement to satisfy the conditions described in the immediately preceding paragraphs.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, the Parties and the Collateral Agent (for the benefit of the Senior Creditors) hereby agree as follows:

1. The Subordinated Debt (as defined in Section 7 hereof) and all payments of principal, interest and all other amounts thereunder are hereby, and shall continue to be, subject and subordinate in right of payment to the prior payment in full, in cash, of all Senior Indebtedness to the extent, and in the manner, set forth herein. The foregoing shall apply notwithstanding the availability of collateral to the Senior Creditors or the holders of Subordinated Debt or the actual date and time of execution, delivery, recordation, filing or perfection of any security interests granted with respect to the Senior Indebtedness or the Subordinated Debt, or the lien or priority of payment thereof, and in any instance wherein the Senior Indebtedness or any claim for the Senior Indebtedness (as defined in Section 7 hereof) is subordinated, avoided or disallowed, in whole or in part, under the Bankruptcy Code or other applicable federal, foreign, state or local law. In the event of a proceeding, whether voluntary or involuntary, for insolvency, liquidation, reorganization, dissolution, bankruptcy or other similar proceeding pursuant to the Bankruptcy Code or other applicable federal, foreign, state or local law (each, a "Bankruptcy Proceeding"), the Senior Indebtedness shall include all interest accrued on the Senior Indebtedness, in accordance with and at the rates specified in the Senior Indebtedness, both for periods before and for periods after the commencement of any of such proceedings, even if the claim for such interest is not allowed pursuant to the Bankruptcy Code or other applicable law.

2. Each Party (as a lender of any Subordinated Debt) hereby agrees that until all Senior Indebtedness has been repaid in full in cash:

(a) Such Party shall not, without the prior written consent of the Required Senior Creditors (as defined in Section 7 hereof), which consent may be withheld or conditioned

in the Required Senior Creditors' sole discretion, commence, or join or participate in, any Enforcement Action (as defined in Section 7 hereof).

(b) In the event that (i) all or any portion of any Senior Indebtedness remaining unpaid after it becomes due (whether at stated maturity, by acceleration or otherwise), (ii) any Event of Default under the Credit Agreement or any event of default under, and as defined in, any other Senior Indebtedness (or the documentation governing the same), then exists or would result from such payment on the Subordinated Debt (including, without limitation, pursuant to Section 11.10 of the Credit Agreement), (iii) such Party receives any payment or prepayment of principal, interest or any other amount, in whole or in part, of (or with respect to) the Subordinated Debt in violation of the terms of the Credit Agreement or any other Senior Indebtedness (or the documentation governing the same) or (iv) any distribution, division or application, partial or complete, voluntary or involuntary, by operation of law or otherwise, is made of all or any part of the property, assets or business of the Borrower or any of its Subsidiaries or the proceeds thereof, in whatever form, to any creditor or creditors of the Borrower or any of its Subsidiaries or to any holder of indebtedness of the Borrower or any of its Subsidiaries or by reason of any liquidation, dissolution or other winding up of the Borrower, any of its Subsidiaries or their respective businesses, or of any receivership or custodianship for the Borrower or any of its Subsidiaries or of all or substantially all of their respective property, or of any insolvency or bankruptcy proceedings or assignment for the benefit of creditors or any proceeding by or against the Borrower or any of its Subsidiaries for any relief under any bankruptcy, reorganization or insolvency law or laws, federal, foreign, state or local, or any law, federal, foreign, state or local relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension, then, and in any such event, any payment or distribution of any kind or character, whether in cash, property or securities, which shall be payable or deliverable with respect to any or all of the Subordinated Debt or which has been received by any Party shall be held in trust by such Party for the benefit of the Senior Creditors and shall forthwith be paid or delivered directly to the Senior Creditors for application to the payment of the Senior Indebtedness (after giving effect to the relative priorities of such Senior Indebtedness) to the extent necessary to make payment in full in cash of all sums due under the Senior Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution to the Senior Creditors. In any such event, the Senior Creditors may, but shall not be obligated to, demand, claim and collect any such payment or distribution that would, but for these subordination provisions, be payable or deliverable with respect to the Subordinated Debt. In the event of the occurrence of any event referred to in subclauses (i), (ii), (iii) or (iv) of the second preceding sentence of this clause (b) and until the Senior Indebtedness shall have been fully paid in cash and satisfied and all of the obligations of the Borrower or any of its Subsidiaries to the Senior Creditors have been performed in full, no payment of any kind or character (whether in cash, property, securities or otherwise) shall be made to or accepted by any Party in respect of the Subordinated Debt. Notwithstanding anything to the contrary contained above, if one or more of the events referred to in subclauses (i) through (iv) of the first sentence of this clause (b) is in existence, the Required Senior Creditors may agree in writing that payments may be made with respect to the Subordinated Debt which would otherwise be prohibited pursuant to the provisions contained above, provided that any such waiver shall be specifically limited to the respective payment or payments which the Required Senior Creditors agree may be so paid to any Party in respect of the Subordinated Debt.

(c) If such Party shall acquire by indemnification, subrogation or otherwise, any lien, estate, right or other interest in any of the assets or properties of the Borrower or any of its Subsidiaries, that lien, estate, right or other interest shall be subordinate in right of payment to the Senior Indebtedness and the lien of the Senior Indebtedness as provided herein, and such Party hereby waives any and all rights it may acquire by subrogation or otherwise to any lien of the Senior Indebtedness or any portion thereof until such time as all Senior Indebtedness has been repaid in full in cash.

(d) Such Party shall not pledge, assign, hypothecate, transfer, convey or sell any Subordinated Debt or any interest in any Subordinated Debt to any entity (other than under the relevant Security Documents (as hereinafter defined) or in accordance with the relevant requirements of the Credit Agreement to a Credit Party which is a Party hereto) without the prior written consent of the Administrative Agent (with the prior written consent of the Required Senior Creditors).

(e) After request by the Administrative Agent or the Required Senior Creditors, such Party shall within ten (10) days furnish the Senior Creditors with a statement, duly acknowledged and certified setting forth the original principal amount of the notes evidencing the indebtedness of the Subordinated Debt, the unpaid principal balance, all accrued interest but unpaid interest and any other sums due and owing thereunder, the rate of interest, the monthly payments and that, to the best knowledge of such Party, there exists no defaults under the Subordinated Debt, or if any such defaults exist, specifying the defaults and the nature thereof.

(f) In any case commenced by or against the Borrower or any of its Subsidiaries under the Bankruptcy Code or any similar federal, foreign, state or local statute (a "Reorganization Proceeding"), to the extent permitted by applicable law, the Required Senior Creditors shall have the exclusive right to exercise any voting rights in respect of the claims of such Party against the Borrower or any of its Subsidiaries.

(g) If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made (whether by the Borrower, any other Credit Party or any other Person or enforcement of any right of setoff or otherwise) is rescinded or must otherwise be returned by the holders of Senior Indebtedness for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of the Borrower, any other Credit Party or such other Persons), the subordination provisions set forth herein shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

(h) Such Party shall not object to the entry of any order or orders approving any cash collateral stipulations, adequate protection stipulations or similar stipulations executed by the Senior Creditors in any Reorganization Proceeding or any other proceeding under the Bankruptcy Code.

(i) Such Party waives any marshalling rights with respect to the Senior Creditors in any Reorganization Proceeding or any other proceeding under the Bankruptcy Code.

3. Each Party hereby represents, warrants and covenants as follows:

(a) each Party will deliver a schedule setting forth all Intercompany Debt to the Administrative Agent within 10 days after any request by the Administrative Agent or the Required Senior Creditors (although any failure to deliver such a supplement shall have no effect whatsoever on the subordination provisions contained herein, which shall apply to all Subordinated Debt whether or not listed on said schedule); and

(b) each Party will not lend, hold or permit to exist any Intercompany Debt owed by it or to it (in accordance with the definition thereof contained herein) unless each obligee or obligor, as the case may be, with respect to such Intercompany Debt is (or concurrently with such extension becomes) a Party to this Agreement.

4. Any payments made to, or received by, any Party in respect of any guaranty or security in support of the Subordinated Debt shall be subject to the terms of this Agreement and applied on the same basis as payments made directly by the obligor under such Subordinated Debt. To the extent that the Borrower or any of its Subsidiaries (other than the respective obligor or obligors which are already Parties hereto) provides a guaranty or any security in support of any Subordinated Debt, the Party which is the lender of the respective Subordinated Debt will cause each such Person to become a Party hereto (if such Person is not already a Party hereto) not later than the date of the execution and delivery of the respective guarantee or security documentation, provided that any failure to comply with the foregoing requirements of this Section 4 will have no effect whatsoever on the subordination provisions contained herein (which shall apply to all payments received with respect to any guarantee or security for any Subordinated Debt, whether or not the Person furnishing such guarantee or security is a Party hereto).

5. Each Party hereby acknowledges and agrees that no payments will be accepted by it in respect of the Subordinated Debt (unless promptly turned over to the holders of Senior Indebtedness as contemplated by Section 2 above) to the extent such payments would be prohibited under any Senior Indebtedness (or the documentation governing the same).

6. In addition to the foregoing agreements, each Party hereby acknowledges and agrees that, with respect to all Intercompany Debt (whether or not same constitutes Subordinated Debt), that (x) such Intercompany Debt (and any promissory notes or other instruments evidencing same) may be pledged, and delivered for pledge, by the Borrower or any of its Subsidiaries pursuant to any Security Document (as used herein, the term "Security Documents" shall mean the Pledge Agreement (as defined in the Credit Agreement) and also shall include any other security documentation executed and delivered in connection with, or pursuant to, the Credit Agreement) to which the Borrower or the respective such Subsidiary is, or at any time in the future becomes, a party and (y) with respect to all Intercompany Debt so pledged, the Collateral Agent shall be entitled to exercise all rights and remedies with respect to such Intercompany Debt to the maximum extent provided in the various Security Documents (in accordance with the terms thereof and subject to the requirements of applicable law). Furthermore, with respect to all Intercompany Debt at any time owed to the Borrower or any of its Subsidiaries which is a Credit Party, and notwithstanding anything to the contrary contained in the terms of such Intercompany Debt, each obligor (including any guarantor) and obligee with respect to such Intercompany Debt hereby agrees, for the benefit of the holders from time to time of the Senior Indebtedness, that the Administrative Agent or the Collateral Agent may at any time, and from time to time, acting on its own or at the request of the Required Senior Creditors,

accelerate the maturity of such Intercompany Debt if (x) any obligor (including any guarantor) of such Intercompany Debt is subject to any Bankruptcy Proceeding or (y) any event of default under the Credit Agreement shall have occurred and be continuing. Any such acceleration of the maturity of any Intercompany Debt shall be made by written notice by the Administrative Agent or Collateral Agent to the obligor on the respective Intercompany Debt; provided that no such notice shall be required (and the acceleration shall automatically occur) either upon the occurrence of a Bankruptcy Proceeding with respect to the respective obligor (or any guarantor) of the respective Intercompany Debt or upon (or following) any acceleration of the maturity of any Loans pursuant to the Credit Agreement.

7. Definitions. As and in this Agreement, the terms set forth below shall have the respective meanings provided below:

“Credit Document Obligations Termination Date” shall mean the first date after the Conversion Date upon which all Commitments and Letters of Credit under the Credit Agreement have terminated and all Credit Document Obligations have been paid in full in cash.

“Enforcement Action” shall mean any acceleration of all or any part of the Subordinated Debt, any foreclosure proceeding, the exercise of any power of sale, the obtaining of a receiver, the seeking of default interest, the suing on, or otherwise taking action to enforce the obligation of the Borrower or any of its Subsidiaries to pay any amounts relating to any Subordinated Debt, the exercising of any banker’s lien or rights of set-off or recoupment, the institution of a Bankruptcy Proceeding against the Borrower or any of its Subsidiaries, or the taking of any other enforcement action against any asset or Property of the Borrower or its Subsidiaries.

“Intercompany Debt” shall mean any Indebtedness, payables or other obligations, whether now existing or hereinafter incurred, owed by the Borrower or any Subsidiary Guarantor to the Borrower or any Subsidiary of the Borrower, provided that no such payables or other obligations incurred by any Credit Party after the Conversion Date and owing to Pulitzer or any of its Subsidiaries shall constitute Intercompany Debt. For the avoidance of doubt, all such Intercompany Debt outstanding on the Conversion Date and owed to Pulitzer or any of its Subsidiaries shall continue to be subordinated on, and subject to, the terms of this Agreement.

“Obligation” shall mean any principal, interest, premium, penalties, fees, indemnities and other liabilities and obligations payable under the documentation governing any indebtedness (including, without limitation, all interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided in the governing documentation, whether or not such interest is an allowed claim in such proceeding).

“Required Senior Creditors” shall mean (i) the Required Lenders (or, to the extent required by Section 13.12 of the Credit Agreement, each of the Lenders) at all times prior to the Credit Document Obligations Termination Date, and (ii) the holders of at least a majority of the other outstanding Senior Indebtedness at all times after the Credit Document Obligations Termination Date.

“Secured Hedging Agreements” shall have the meaning provided in the recitals to this Agreement.

“Senior Creditors” shall mean all holders from time to time of any Senior Indebtedness and shall include, without limitation, the Lender Creditors and the Hedging Creditors.

“Senior Indebtedness” shall mean:

(i) all Obligations (including Obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due) and liabilities (including, without limitation, indemnities, Fees and interest thereon) of each Credit Party (whether as obligor, guarantor or otherwise) to the Lender Creditors, whether now existing or hereafter incurred under, arising out of or in connection with each Credit Document to which it is at any time a party (including, without limitation, all such obligations and liabilities of each Credit Party under the Credit Agreement (if a party thereto) and under the Subsidiaries Guaranty (if a party thereto) or under any other guarantee by it of obligations pursuant to the Credit Agreement) and the due performance and compliance by each Credit Party with the terms of each such Credit Document (all such obligations and liabilities under this clause (i), except to the extent consisting of obligations or indebtedness with respect to Secured Hedging Agreements, being herein collectively called the “Credit Document Obligations”); and

(ii) all Obligations (including Obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due) and liabilities of each Credit Party to the Hedging Creditors, whether now existing or hereafter incurred under, arising out of or in connection with any Secured Hedging Agreement (including, without limitation, all such obligations and liabilities of such Credit Party under the Subsidiaries Guaranty (if a party thereto) with respect thereto or under any other guarantee by it of obligations pursuant to any Secured Hedging Agreement) and the due performance and compliance by each Credit Party with the terms of each such Secured Hedging Agreement (all such obligations and liabilities under this clause (ii) being herein collectively called the “Hedging Obligations”).

“Subordinated Debt” shall mean the principal of, interest on, and all other amounts owing from time to time in respect of, all Intercompany Debt (including, without limitation, pursuant to guarantees thereof or security therefor and intercompany payables not evidenced by a note) at any time outstanding.

8. Each Party agrees to be fully bound by all terms and provisions contained in this Agreement, both with respect to any Subordinated Debt (including any guarantees thereof and security therefor) owed to it, and with respect to all Subordinated Debt (including all guarantees thereof and security therefor) owing by it.

9. It is understood and agreed that any Subsidiary of the Borrower that is required to execute a counterpart of this Agreement after the date hereof pursuant to the requirements of the Credit Agreement or any other Senior Indebtedness shall become a Party hereunder by executing a counterpart hereof (or a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent) and delivering same to the Collateral Agent.

10. No failure or delay on the part of any party hereto or any holder of Senior Indebtedness in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder.

11. Each Party hereto acknowledges that to the extent that no adequate remedy at law exists for breach of its obligations under this Agreement, in the event any Party fails to comply with its obligations hereunder, the Collateral Agent, the Administrative Agent or the holders of Senior Indebtedness shall have the right to obtain specific performance of the obligations of such defaulting Party, injunctive relief or such other equitable relief as may be available.

12. Any notice to be given under this Agreement shall be in writing and shall be sent in accordance with the provisions of the Credit Agreement.

13. In the event of any conflict between the provisions of this Agreement and the provisions of the Subordinated Debt, the provisions of this Agreement shall prevail.

14. No Person other than the parties hereto, the Senior Creditors from time to time and their successors and assigns as holders of the Senior Indebtedness and the Subordinated Debt shall have any rights under this Agreement.

15. This Agreement may be executed in any number of counterparts each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

16. No amendment, supplement, modification, waiver or termination of this Agreement shall be effective against a party against whom the enforcement of such amendment, supplement, modification, waiver or termination would be asserted, unless such amendment, supplement, modification, waiver or termination was made in a writing signed by such party, provided that amendments hereto shall be effective as against the Senior Creditors only if executed and delivered by the Collateral Agent (with the written consent of the Required Senior Creditors at such time).

17. In case any one or more of the provisions confined in this Agreement, or any application thereof, shall be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein, and any other application thereof, shall not in any way be affected or impaired thereby.

18. (a) THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES.

(b) Any legal action or proceeding with respect to this Agreement may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York in each case which are located in the County of New York, and, by execution and delivery of this Agreement, each Party hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts.

Each Party hereby further irrevocably waives any claim that any such court lacks personal jurisdiction over such Party, and agrees not to plead or claim in any legal action or proceeding with respect to this Agreement or any other Credit Document to which such Party is a party brought in any of the aforesaid courts that any such court lacks personal jurisdiction over such Party. Each Party further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to such Party at its address set forth opposite its signature below, such service to become effective 30 days after such mailing. Each Party hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Credit Document to which such Party is a party that such service of process was in any way invalid or ineffective. Nothing herein shall affect the right of any of the Senior Creditors to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against each Party in any other jurisdiction.

(c) EACH PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (b) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(d) EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

19. This Agreement shall bind and inure to the benefit of the Administrative Agent, the Collateral Agent, the other Senior Creditors and each Party and their respective successors, permitted transferees and assigns.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized officers to execute and deliver this Agreement as of the date first above written.

Litigation

In 2008, a group of newspaper carriers filed a lawsuit against Lee Publications, Inc. ("Lee Publications"), which is currently pending in the United States District Court for the Southern District of California (the "California Litigation"), in which the plaintiffs claimed to be employees of Lee Publications and not independent contractors. The plaintiffs seek relief related to alleged violations of various employment-based statutes, and request punitive damages and attorneys' fees. In July 2010, the trial court granted the plaintiffs' petition for class certification. Lee Publications filed an interlocutory appeal, which was denied. After concluding discovery, Lee Publications filed a motion to reverse the class certification ruling. This motion is currently pending before the trial court. Lee Publications denies the allegations of employee status, consistent with its past practices and industry practices, and intends to vigorously contest the action, which is not covered by insurance.

NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby makes the following representations and warranties to the Administrative Agent for the benefit of the Secured Creditors and hereby covenants and agrees with each other Guarantor and the Administrative Agent for the benefit of the Secured Creditors as follows:

1. GUARANTY. (a) Each Guarantor, jointly and severally, irrevocably, absolutely and unconditionally guarantees as a primary obligor and not merely as surety:

(i) to the Lender Creditors the full and prompt payment when due (whether at the stated maturity, by required prepayment, declaration, acceleration, demand or otherwise), subject to any applicable grace periods set forth in the Credit Documents, of (x) the principal of, premium, if any, and interest on the Notes issued by, and the Loans made to, the Borrower under the Credit Agreement, and all reimbursement obligations and Unpaid Drawings with respect to Letters of Credit and (y) all other obligations (including, without limitation, obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness owing by the Borrower to the Lender Creditors under each Credit Document to which the Borrower is a party (including, without limitation, indemnities, Fees and interest thereon (including, without limitation, any interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the Credit Agreement, whether or not such interest is an allowed claim in any such proceeding)), whether now existing or hereafter incurred under, arising out of or in connection with each such Credit Document and the due performance and compliance by the Borrower with all of the terms, conditions, covenants and agreements contained in all such Credit Documents (all such principal, premium, interest, liabilities, indebtedness and obligations under this clause (i), except to the extent consisting of obligations or liabilities with respect to Secured Hedging Agreements, being herein collectively called the "Credit Document Obligations"); and

(ii) to each Other Creditor the full and prompt payment when due (whether at the stated maturity, by required prepayment, declaration, acceleration, demand or otherwise) of all obligations (including, without limitation, obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness (including, without limitation, any interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the respective Secured Hedging Agreements, whether or not such interest is an allowed claim in any such proceeding) owing by the Borrower and each

other Guaranteed Party (as defined below) under each Secured Hedging Agreement to which it is a party, whether now in existence or hereafter arising, and the due performance and compliance by the Borrower and each such other Guaranteed Party with all of the terms, conditions, covenants and agreements contained therein (all such obligations, liabilities and indebtedness being herein collectively called the “Other Obligations” and, together with the Credit Document Obligations are herein collectively called the “Guaranteed Obligations”).

As used herein, the term “Guaranteed Party” shall mean the Borrower and each Qualified Wholly-Owned Domestic Subsidiary of the Borrower party to any Secured Hedging Agreement. Each Guarantor understands, agrees and confirms that the Secured Creditors may enforce this Guaranty up to the full amount of the Guaranteed Obligations against such Guarantor without proceeding against any other Guarantor, the Borrower or any other Guaranteed Party, or against any security for the Guaranteed Obligations, or under any other guaranty covering all or a portion of the Guaranteed Obligations. This Guaranty is a guaranty of prompt payment and performance and not of collection.

(b) Additionally, each Guarantor, jointly and severally, unconditionally, absolutely and irrevocably, guarantees the payment of any and all Guaranteed Obligations whether or not due or payable by the Borrower or any other Guaranteed Party upon the occurrence in respect of the Borrower or any other Guaranteed Party of any of the events specified in Section 11.05 of the Credit Agreement, and unconditionally, absolutely and irrevocably, jointly and severally, promises to pay such Guaranteed Obligations to the Secured Creditors, or order, on demand.

2. LIABILITY OF GUARANTORS ABSOLUTE. The liability of each Guarantor hereunder is primary, absolute, joint and several, and unconditional and is exclusive and independent of any security for or other guaranty of the indebtedness of the Borrower or any other Guaranteed Party whether executed by such Guarantor, any other Guarantor, any other guarantor or by any other party, and the liability of each Guarantor hereunder shall not be affected or impaired by any circumstance or occurrence whatsoever, including, without limitation: (a) any direction as to application of payment by the Borrower, any other Guaranteed Party or any other party, (b) any other continuing or other guaranty, undertaking or maximum liability of a Guarantor or of any other party as to the Guaranteed Obligations, (c) any payment on or in reduction of any such other guaranty or undertaking, (d) any dissolution, termination or increase, decrease or change in personnel by the Borrower or any other Guaranteed Party, (e) the failure of the Guarantor to receive any benefit from or as a result of its execution, delivery and performance of this Guaranty, (f) any payment made to any Secured Creditor on the indebtedness which any Secured Creditor repays the Borrower or any other Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (g) any action or inaction by the Secured Creditors as contemplated in Section 5 hereof or (h) any invalidity, rescission, irregularity or unenforceability of all or any part of the Guaranteed Obligations or of any security therefor.

3. **OBLIGATIONS OF GUARANTORS INDEPENDENT.** The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other guarantor, the Borrower or any other Guaranteed Party, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor, any other guarantor, the Borrower or any other Guaranteed Party and whether or not any other Guarantor, any other guarantor, the Borrower or any other Guaranteed Party be joined in any such action or actions. Each Guarantor waives (to the fullest extent permitted by applicable law) the benefits of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by the Borrower or any other Guaranteed Party or other circumstance which operates to toll any statute of limitations as to the Borrower or such other Guaranteed Party shall operate to toll the statute of limitations as to each Guarantor.

4. **WAIVERS BY GUARANTORS.** (a) Each Guarantor hereby waives (to the fullest extent permitted by applicable law) notice of acceptance of this Guaranty and notice of the existence, creation or incurrence of any new or additional liability to which it may apply, and waives promptness, diligence, presentment, demand of payment, demand for performance, protest, notice of dishonor or nonpayment of any such liabilities, suit or taking of other action by the Administrative Agent or any other Secured Creditor against, and any other notice to, any party liable thereon (including such Guarantor, any other Guarantor, any other guarantor, the Borrower or any other Guaranteed Party) and each Guarantor further hereby waives any and all notice of the creation, renewal, extension or accrual of any of the Guaranteed Obligations and notice or proof of reliance by any Secured Creditor upon this Guaranty, and the Guaranteed Obligations shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended, modified, supplemented or waived, in reliance upon this Guaranty.

(b) Each Guarantor waives any right to require the Secured Creditors to: (i) proceed against the Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; (ii) proceed against or exhaust any security held from the Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; or (iii) pursue any other remedy in the Secured Creditors' power whatsoever. Each Guarantor waives any defense based on or arising out of any defense of the Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party other than payment in full in cash of the Guaranteed Obligations, including, without limitation, any defense based on or arising out of the disability of the Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party, or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower or any other Guaranteed Party other than payment in full in cash of the Guaranteed Obligations. The Secured Creditors may, at their election, foreclose on any collateral serving as security held by the Administrative Agent, the Collateral Agent or the other Secured Creditors by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Secured Creditors may have against the Borrower, any other Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full in cash. Each Guarantor waives any defense arising out of any such

election by the Secured Creditors, even though such election operates to impair or extinguish any right of reimbursement, contribution, indemnification or subrogation or other right or remedy of such Guarantor against the Borrower, any other Guaranteed Party, any other guarantor of the Guaranteed Obligations or any other party or any security.

(c) Each Guarantor has knowledge and assumes all responsibility for being and keeping itself informed of the Borrower's, each other Guaranteed Party's and each other Guarantor's financial condition, affairs and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and has adequate means to obtain from the Borrower, each other Guaranteed Party and each other Guarantor on an ongoing basis information relating thereto and the Borrower's, each other Guaranteed Party's and each other Guarantor's ability to pay and perform its respective Guaranteed Obligations, and agrees to assume the responsibility for keeping, and to keep, so informed for so long as this Guaranty is in effect. Each Guarantor acknowledges and agrees that (x) the Secured Creditors shall have no obligation to investigate the financial condition or affairs of the Borrower, any other Guaranteed Party or any other Guarantor for the benefit of such Guarantor nor to advise such Guarantor of any fact respecting, or any change in, the financial condition, assets or affairs of the Borrower, any other Guaranteed Party or any other Guarantor that might become known to any Secured Creditor at any time, whether or not such Secured Creditor knows or believes or has reason to know or believe that any such fact or change is unknown to such Guarantor, or might (or does) increase the risk of such Guarantor as guarantor hereunder, or might (or would) affect the willingness of such Guarantor to continue as a guarantor of the Guaranteed Obligations hereunder and (y) the Secured Creditors shall have no duty to advise any Guarantor of information known to them regarding any of the aforementioned circumstances or risks.

(d) Each Guarantor hereby acknowledges and agrees that no Secured Creditor nor any other Person shall be under any obligation (a) to marshal any assets in favor of such Guarantor or in payment of any or all of the liabilities of any Guaranteed Party under the Credit Documents or the obligation of such Guarantor hereunder or (b) to pursue any other remedy that such Guarantor may or may not be able to pursue itself any right to which such Guarantor hereby waives.

(e) Each Guarantor warrants and agrees that each of the waivers set forth in Section 3 and in this Section 4 is made with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective only to the maximum extent permitted by applicable law.

5. **RIGHTS OF SECURED CREDITORS.** Subject to Sections 4 and 13 hereof, any Secured Creditor may (except as shall be required by applicable statute and cannot be waived) at any time and from time to time without the consent of, or notice to, any Guarantor, without incurring responsibility to such Guarantor, without impairing or releasing the obligations or liabilities of such Guarantor hereunder, upon or without any terms or conditions and in whole or in part:

(a) change the manner, place or terms of payment of, and/or change, increase or extend the time of payment of, renew, increase, accelerate or alter, any of the Guaranteed

Obligations (including, without limitation, any increase or decrease in the rate of interest thereon or the principal amount thereof), any security therefor, or any liability incurred directly or indirectly in respect thereof, and the guaranty herein made shall apply to the Guaranteed Obligations as so changed, extended, increased, accelerated, renewed or altered;

(b) take and hold security for the payment of the Guaranteed Obligations and sell, exchange, release, surrender, impair, realize upon or otherwise deal with in any manner and in any order any property or other collateral by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;

(c) exercise or refrain from exercising any rights against the Borrower, any other Guaranteed Party, any other Credit Party, any Subsidiary thereof, any other guarantor of the Borrower or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, Guarantors, other guarantors, the Borrower, any other Guaranteed Party or other obligors;

(e) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of the Borrower or any other Guaranteed Party to creditors of the Borrower or such other Guaranteed Party other than the Secured Creditors;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of the Borrower or any other Guaranteed Party to the Secured Creditors regardless of what liabilities of the Borrower or such other Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, any of the Secured Hedging Agreements, the Credit Documents or any of the instruments or agreements referred to therein, or otherwise amend, modify or supplement any of the Secured Hedging Agreements, the Credit Documents or any of such other instruments or agreements;

(h) act or fail to act in any manner which may deprive such Guarantor of its right to subrogation against the Borrower or any other Guaranteed Party to recover full indemnity for any payments made pursuant to this Guaranty; and/or

(i) take any other action or omit to take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Guarantor from its liabilities under this Guaranty (including, without limitation, any action or omission whatsoever that might otherwise vary the risk of such Guarantor or constitute a legal or equitable defense to or discharge of the liabilities of a guarantor or surety or that might otherwise limit recourse against such Guarantor).

No invalidity, illegality, irregularity or unenforceability of all or any part of the Guaranteed Obligations, the Credit Documents or any other agreement or instrument relating to the

Guaranteed Obligations or of any security or guarantee therefor shall affect, impair or be a defense to this Guaranty, and this Guaranty shall be primary, absolute and unconditional notwithstanding the occurrence of any event or the existence of any other circumstances which might constitute a legal or equitable discharge of a surety or guarantor except payment in full in cash of the Guaranteed Obligations.

6. CONTINUING GUARANTY. This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. No failure or delay on the part of any Secured Creditor in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Secured Creditor would otherwise have. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Secured Creditor to any other or further action in any circumstances without notice or demand. It is not necessary for any Secured Creditor to inquire into the capacity or powers of the Borrower or any other Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on its or their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

7. SUBORDINATION OF INDEBTEDNESS HELD BY GUARANTORS. Any indebtedness of the Borrower or any other Guaranteed Party now or hereafter held by any Guarantor is hereby subordinated to the indebtedness of the Borrower or such other Guaranteed Party to the Secured Creditors; and such indebtedness of the Borrower or such other Guaranteed Party to any Guarantor, if the Administrative Agent or the Collateral Agent, after an Event of Default has occurred and is continuing, so requests, shall be collected, enforced and received by such Guarantor as trustee for the Secured Creditors and be paid over to the Secured Creditors on account of the indebtedness of the Borrower or such other Guaranteed Party to the Secured Creditors, but without affecting or impairing in any manner the liability of such Guarantor under the other provisions of this Guaranty. Prior to the transfer by any Guarantor of any note or negotiable instrument evidencing any indebtedness of the Borrower or any other Guaranteed Party to such Guarantor, such Guarantor shall mark such note or negotiable instrument with a legend that the same is subject to this subordination. Without limiting the generality of the foregoing, each Guarantor hereby agrees with the Secured Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Guaranteed Obligations have been irrevocably paid in full in cash; provided, that if any amount shall be paid to such Guarantor on account of such subrogation rights at any time prior to the irrevocable payment in full in cash of all the Guaranteed Obligations, such amount shall be held in trust for the benefit of the Secured Creditors and shall forthwith be paid to the Secured Creditors to be credited and applied upon the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms of the Credit Documents or, if the Credit Documents do not provide for the application of such amount, to be held by the Secured Creditors as collateral security for any Guaranteed Obligations thereafter existing.

8. GUARANTY ENFORCEABLE BY ADMINISTRATIVE AGENT OR COLLATERAL AGENT. Notwithstanding anything to the contrary contained elsewhere in this Guaranty, the Secured Creditors agree (by their acceptance of the benefits of this Guaranty) that this Guaranty may be enforced only by the action of the Administrative Agent or the Collateral Agent, in each case acting upon the instructions of the Required Lenders (or, after the date on which all Credit Document Obligations have been paid in full, the holders of at least a majority of the outstanding Other Obligations) and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Guaranty or to realize upon the security to be granted by the Security Documents, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent or the Collateral Agent or, after all the Credit Document Obligations have been paid in full, by the holders of at least a majority of the outstanding Other Obligations, as the case may be, for the benefit of the Secured Creditors upon the terms of this Guaranty and the Security Documents. The Secured Creditors further agree that this Guaranty may not be enforced against any director, officer, employee, partner, member or stockholder of any Guarantor (except to the extent such partner, member or stockholder is also a Guarantor hereunder). It is understood and agreed that the agreement in this Section 8 is among and solely for the benefit of the Secured Creditors and that, if the Required Lenders (or, after the date on which all Credit Document Obligations have been paid in full, the holders of at least a majority of the outstanding Other Obligations) so agree (without requiring the consent of any Guarantor), this Guaranty may be directly enforced by any Secured Creditor.

9. REPRESENTATIONS, WARRANTIES AND COVENANTS OF GUARANTORS. In order to induce the Lenders to make Loans to, and issue Letters of Credit for the account of, the Borrower pursuant to the Credit Agreement, and in order to induce the Other Creditors to execute, deliver and perform the Secured Hedging Agreements to which they are a party, each Guarantor represents, warrants and covenants that:

(a) such Guarantor (i) is a duly organized and validly existing Company in good standing under the laws of the jurisdiction of its organization, (ii) has the Company power and authority to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (iii) is duly qualified and is authorized to do business and is in good standing in each jurisdiction where the nature of its business requires such qualification, except for failures to be so qualified which, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect;

(b) such Guarantor has the Company power and authority to execute, deliver and perform the terms and provisions of this Guaranty and each other Document (such term, for purposes of this Guaranty, to mean each Credit Document (as defined in the Credit Agreement) and each Secured Hedging Agreement) to which it is a party and has taken all necessary Company action to authorize the execution, delivery and performance by it of this Guaranty and each such other Document;

(c) such Guarantor has duly executed and delivered this Guaranty and each other Document to which it is a party, and this Guaranty and each such other Document constitutes the legal, valid and binding obligation of such Guarantor enforceable in accordance with its terms, except to the extent that the enforceability hereof or thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally

affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law);

(d) neither the execution, delivery or performance by such Guarantor of this Guaranty or any other Document to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, will (i) contravene any provision of any applicable law, statute, rule or regulation or any applicable order, writ, injunction or decree of any court or governmental instrumentality, (ii) conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents) upon any of the property or assets of such Guarantor or any of its Subsidiaries pursuant to the terms of any material indenture, mortgage, deed of trust, loan agreement, credit agreement, notes agreement, guaranty agreement, or any other material agreement, contract or instrument to which such Guarantor or any of its Subsidiaries is a party or by which it or any of its property or assets is bound or to which it may be subject or (iii) violate any provision of the certificate or articles of incorporation, by-laws, partnership agreement or limited liability company agreement (or equivalent organizational documents), as the case may be, of such Guarantor or any of its Subsidiaries;

(e) no order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except as have been obtained or made prior to the date when required and which remain in full force and effect), or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to authorize, or is required in connection with, (i) the execution, delivery and performance of this Guaranty by such Guarantor or any other Document to which such Guarantor is a party or (ii) the legality, validity, binding effect or enforceability of this Guaranty or any other Document to which such Guarantor is a party;

(f) there are no actions, suits or proceedings pending or, to such Guarantor's knowledge, threatened (i) with respect to this Guaranty or any other Document to which such Guarantor is a party or (ii) with respect to such Guarantor or any of its Subsidiaries that, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect;

(g) until the termination of the Total Commitment and all Secured Hedging Agreements and until such time as no Note or Letter of Credit remains outstanding and all Guaranteed Obligations have been paid in full (other than indemnities described in Section 13.01 of the Credit Agreement and analogous provisions in the Pledge Agreement which are not then due and payable), such Guarantor will comply, and will cause each of its Subsidiaries to comply, with all of the applicable provisions, covenants and agreements contained in Sections 9 and 10 of the Credit Agreement, and will take, or will refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that no violation of any provision, covenant or agreement contained in Sections 9 and 10 of the Credit Agreement, and so that no Default or Event of Default, is caused by the actions of such Guarantor or any of its Subsidiaries; and

(h) an executed (or conformed) copy of each of the Credit Documents, the Secured Hedging Agreements has been made available to a senior officer of such Guarantor and such officer is familiar with the contents thereof.

10. **EXPENSES.** The Guarantors hereby jointly and severally agree to pay all reasonable out-of-pocket costs and expenses of the Collateral Agent, the Administrative Agent and each other Secured Creditor in connection with the enforcement of this Guaranty and the protection of the Secured Creditors' rights hereunder and any amendment, waiver or consent relating hereto (including, in each case, without limitation, the reasonable fees and disbursements of counsel (including in-house counsel) employed by the Collateral Agent, the Administrative Agent and each other Secured Creditor).

11. **BENEFIT AND BINDING EFFECT.** This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the Secured Creditors and their successors and assigns.

12. **AMENDMENTS; WAIVERS.** Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of each Guarantor directly affected thereby (it being understood that the addition or release of any Guarantor hereunder shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released) and with the written consent of either (x) the Required Lenders (or, to the extent required by Section 13.12 of the Credit Agreement, with the written consent of each Lender) at all times prior to the time at which all Credit Document Obligations have been paid in full or (y) the holders of at least a majority of the outstanding Other Obligations at all times after the time at which all Credit Document Obligations have been paid in full; provided, that any change, waiver, modification or variance affecting the rights and benefits of a single Class (as defined below) of Secured Creditors (and not all Secured Creditors in a like or similar manner) shall also require the written consent of the Requisite Creditors (as defined below) of such Class of Secured Creditors. For the purpose of this Guaranty, the term "Class" shall mean each class of Secured Creditors, i.e., whether (x) the Lender Creditors as holders of the Credit Document Obligations or (y) the Other Creditors as the holders of the Other Obligations. For the purpose of this Guaranty, the term "Requisite Creditors" of any Class shall mean (x) with respect to the Credit Document Obligations, the Required Lenders (or, to the extent required by Section 13.12 of the Credit Agreement, each Lender) and (y) with respect to the Other Obligations, the holders of at least a majority of all Other Obligations outstanding from time to time under the Secured Hedging Agreements.

13. **SET OFF.** In addition to any rights now or hereafter granted under applicable law (including, without limitation, Section 151 of the New York Debtor and Creditor Law) and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default (such term to mean and include any "Event of Default" as defined in the Credit Agreement and any payment default under any Secured Hedging Agreement continuing after any applicable grace period), each Secured Creditor is hereby authorized, at any time or from time to time, without notice to any Guarantor or to any other Person, any such notice being expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any time held or owing by such Secured Creditor to or for the credit or the account of such Guarantor, against and on account of the obligations and liabilities of such Guarantor to such Secured Creditor under this Guaranty, irrespective of whether or not such Secured Creditor shall have made any demand hereunder and although said obligations, liabilities, deposits or claims, or any of them, shall be contingent or unmatured. Each Secured Creditor (by its acceptance of the benefits hereof) acknowledges and agrees that the provisions of

this Section 13 are subject to the sharing provisions set forth in Section 13.06 of the Credit Agreement.

14. NOTICE. Except as otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be sent or delivered by mail, telegraph, telex, telecopy, cable or courier service and all such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent or any Guarantor shall not be effective until received by the Administrative Agent or such Guarantor, as the case may be. All notices and other communications shall be in writing and addressed to such party (i) in the case of any Lender Creditor, as provided in the Credit Agreement, (ii) in the case of any Guarantor, at its address set forth opposite its signature below, and (iii) in the case of any Other Creditor, at such address as such Other Creditor shall have specified in writing to the Guarantors; or in any case at such other address as any of the Persons listed above may hereafter notify the others in writing.

15. REINSTATEMENT. If any claim is ever made upon any Secured Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including, without limitation, the Borrower or any other Guaranteed Party), then and in such event each Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation hereof or the cancellation of any Note, any Secured Hedging Agreement or any other instrument evidencing any liability of the Borrower or any other Guaranteed Party, and such Guarantor shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

16. CONSENT TO JURISDICTION; SERVICE OF PROCESS; AND WAIVER OF TRIAL BY JURY. (a) THIS GUARANTY AND THE RIGHTS AND OBLIGATIONS OF THE SECURED CREDITORS AND OF THE UNDERSIGNED HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK. Any legal action or proceeding with respect to this Guaranty or any other Credit Document to which any Guarantor is a party may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York, in each case located within the County of New York, and, by execution and delivery of this Guaranty, each Guarantor hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the personal jurisdiction of the aforesaid courts. Each Guarantor hereby further irrevocably waives any claim that any such courts lack personal jurisdiction over such Guarantor, and agrees not to plead or claim, in any legal action or proceeding with respect to this Guaranty or any other Credit Document to which such Guarantor is a party brought in any of the aforesaid courts, that any such court lacks personal jurisdiction over such Guarantor. Each Guarantor further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail,

postage prepaid, to each Guarantor at its address set forth opposite its signature below, such service to become effective 30 days after such mailing. Each Guarantor hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Credit Document to which such Guarantor is a party that such service of process was in any way invalid or ineffective. Nothing herein shall affect the right of any of the Secured Creditors to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against each Guarantor in any other jurisdiction.

(b) Each Guarantor hereby irrevocably waives (to the fullest extent permitted by applicable law) any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Guaranty or any other Credit Document to which such Guarantor is a party brought in the courts referred to in clause (a) above and hereby further irrevocably waives and agrees not to plead or claim in any such court that such action or proceeding brought in any such court has been brought in an inconvenient forum.

(c) EACH GUARANTOR AND EACH SECURED CREDITOR (BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY) HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS GUARANTY, THE OTHER CREDIT DOCUMENTS TO WHICH SUCH GUARANTOR IS A PARTY OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

17. RELEASE OF GUARANTORS. (a) In the event that all of the Equity Interests of one or more Guarantors is sold or otherwise disposed of or liquidated in compliance with the requirements of Section 10.02 of the Credit Agreement (or such sale, other disposition or liquidation has been approved in writing by the Required Lenders (or all the Lenders if required by Section 13.12 of the Credit Agreement)) and the proceeds of such sale, disposition or liquidation are applied in accordance with the provisions of the Credit Agreement, to the extent applicable, such Guarantor shall, upon consummation of such sale or other disposition (except to the extent that such sale or disposition is to the Borrower or another Subsidiary thereof), be released from this Guaranty automatically and without further action and this Guaranty shall, as to each Guarantor, terminate, and have no further force or effect (it being understood and agreed that the sale of one or more Persons that own, directly or indirectly, all of the Equity Interests of any Guarantor shall be deemed to be a sale of such Guarantor for the purposes of this Section 17(a)).

(b) Upon the payment in full of all Guaranteed Obligations and the termination of the Credit Agreement, Total Commitments and Letters of Credit (or, in the case of Letters of Credit, such Letters of Credit are cash collateralized or made subject to backstop letters of credit pursuant to documentation acceptable to the Collateral Agent and the Issuing Lender), the Guarantors shall be released from this Guaranty automatically and without further action and this Guaranty shall, as to each Guarantor, terminate, and have no further force or effect.

18. **CONTRIBUTION.** At any time a payment in respect of the Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a "Relevant Payment") is made on the Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor's Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the "Aggregate Excess Amount"), each such Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor's Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Guarantors in respect of the Guaranteed Obligations (the aggregate amount of such deficit, the "Aggregate Deficit Amount") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor's right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment to the time of each computation; provided that no Guarantor may take any action to enforce such right until the Guaranteed Obligations have been irrevocably paid in full in cash and the Total Commitment, all Secured Hedging Agreements and all Letters of Credit have been terminated, it being expressly recognized and agreed by all parties hereto that any Guarantor's right of contribution arising pursuant to this Section 18 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor's obligations and liabilities in respect of the Guaranteed Obligations and any other obligations owing under this Guaranty. As used in this Section 18: (i) each Guarantor's "Contribution Percentage" shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such Guarantor by (y) the aggregate Adjusted Net Worth of all Guarantors; (ii) the "Adjusted Net Worth" of each Guarantor shall mean the greater of (x) the Net Worth (as defined below) of such Guarantor and (y) zero; and (iii) the "Net Worth" of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor's assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under this Guaranty on such date). Notwithstanding anything to the contrary contained above, any Guarantor that is released from this Guaranty pursuant to Section 17 hereof shall thereafter have no contribution obligations, or rights, pursuant to this Section 18, and at the time of any such release, if the released Guarantor had an Aggregate Excess Amount or an Aggregate Deficit Amount, same shall be deemed reduced to \$0, and the contribution rights and obligations of the remaining Guarantors shall be recalculated on the respective date of release (as otherwise provided above) based on the payments made hereunder by the remaining Guarantors. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 18, each Guarantor who makes any payment in respect of the Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Guaranteed Obligations have been irrevocably paid in full in cash. Each of the Guarantors recognizes and acknowledges that the rights to contribution

arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive its contribution right against any Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the determination of the Required Lenders.

19. LIMITATION ON GUARANTEED OBLIGATIONS. Each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby confirms that it is its intention that this Guaranty not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act of any similar Federal or state law. To effectuate the foregoing intention, each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably agrees that the Guaranteed Obligations guaranteed by such Guarantor shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such laws and after giving effect to any rights to contribution pursuant to any agreement providing for an equitable contribution among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.

20. COUNTERPARTS. This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent.

21. PAYMENTS. All payments made by any Guarantor hereunder will be made without setoff, counterclaim or other defense and on the same basis as payments are made by the Borrower under Sections 5.03 and 5.04 of the Credit Agreement.

22. ADDITIONAL GUARANTORS. It is understood and agreed that any Subsidiary of the Borrower that is required to execute a counterpart of this Guaranty after the date hereof pursuant to the Credit Agreement shall become a Guarantor hereunder by (x) executing and delivering a counterpart hereof to the Administrative Agent or executing a joinder agreement and delivering same to the Administrative Agent, in each case as may be requested by (and in form and substance satisfactory to) the Administrative Agent and (y) taking all actions as specified in this Guaranty as would have been taken by such Guarantor had it been an original party to this Guaranty, in each case with all documents required above to be delivered to the Administrative Agent with all documents and actions required to be taken above to be taken to the reasonable satisfaction of the Administrative Agent.

23. HEADINGS DESCRIPTIVE. The headings of the several Sections of this Guaranty are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Guaranty.

IN WITNESS WHEREOF, each Guarantor has caused this Guaranty to be executed and delivered as of the date first above written.

Form of Control Agreement Regarding Deposit Accounts

AGREEMENT (as amended, modified, restated and/or supplemented from time to time, this "Agreement"), dated as of _____, 20[], among the undersigned assignor (the "Assignor") DEUTSCHE BANK TRUST COMPANY AMERICAS, not in its individual capacity but solely as Collateral Agent (the "Collateral Agent"), and _____ (the "Deposit Account Bank"), as the "bank" (as defined in Section 9-102 of the UCC as in effect on the date hereof in the State of _____ (the "UCC")) with which one or more deposit accounts (as defined in Section 9-102 of the UCC) are maintained by the Assignor (with all such deposit accounts now or at any time in the future maintained by the Assignor with the Deposit Account Bank being herein called the "Deposit Accounts").

WITNESSETH:

WHEREAS, the Assignor, various other assignors and the Collateral Agent have entered into a Security Agreement, dated as of [_____], (as amended, amended and restated, modified or supplemented from time to time, the "Security Agreement"), under which, among other things, in order to secure the payment of the Obligations (as defined in the Security Agreement), the Assignor has granted a security interest to the Collateral Agent for the benefit of the Secured Creditors (as defined in the Security Agreement) in all of the right, title and interest of the Assignor in and into any and all "deposit accounts" (as defined in Section 9-102 of the UCC) and in all monies, securities, instruments and other investments deposited therein from time to time (collectively, herein called the "Collateral"); and

WHEREAS, the Assignor desires that the Deposit Account Bank enter into this Agreement in order to establish "control" (as defined in Section 9-104 of the UCC) in each Deposit Account at any time or from time to time maintained with the Deposit Account Bank, and to provide for the rights of the parties under this Agreement with respect to such Deposit Accounts;

NOW THEREFORE, in consideration of the premises and the mutual promises and agreements contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Assignor's Dealings with Deposit Accounts; Notice of Exclusive Control. Until the Deposit Account Bank shall have received from the Collateral Agent a Notice of Exclusive Control (as defined below), the Assignor shall be entitled to present items drawn on and otherwise to withdraw or direct the disposition of funds from the Deposit Accounts and give instructions in respect of the Deposit Accounts; provided, however, that the Assignor may not, and the Deposit Account Bank agrees that it shall not permit the Assignor to, without the Collateral Agent's prior written consent, close any Deposit Account. If the Collateral Agent

shall give to the Deposit Account Bank a notice of the Collateral Agent's exclusive control of the Deposit Accounts, which notice states that it is a "Notice of Exclusive Control" (a "Notice of Exclusive Control"), only the Collateral Agent shall be entitled to withdraw funds from the Deposit Accounts, to give any instructions in respect of the Deposit Accounts and any funds held therein or credited thereto or otherwise to deal with the Deposit Accounts.

2. Collateral Agent's Right to Give Instructions as to Deposit Accounts. (a) Notwithstanding the foregoing or any separate agreement that the Assignor may have with the Deposit Account Bank, the Collateral Agent shall be entitled, for purposes of this Agreement, at any time to give the Deposit Account Bank instructions as to the withdrawal or disposition of any funds from time to time credited to any Deposit Account, or as to any other matters relating to any Deposit Account or any other Collateral, without further consent from the Assignor. The Assignor hereby irrevocably authorizes and instructs the Deposit Account Bank, and the Deposit Account Bank hereby agrees, to comply with any such instructions from the Collateral Agent without any further consent from the Assignor. Such instructions may include the giving of stop payment orders for any items being presented to any Deposit Account for payment. The Deposit Account Bank shall be fully entitled to rely on, and shall comply with, such instructions from the Collateral Agent even if such instructions are contrary to any instructions or demands that the Assignor may give to the Deposit Account Bank. In case of any conflict between instructions received by the Deposit Account Bank from the Collateral Agent and the Assignor, the instructions from the Collateral Agent shall prevail.

(b) It is understood and agreed that the Deposit Account Bank's duty to comply with instructions from the Collateral Agent regarding the Deposit Accounts is absolute, and the Deposit Account Bank shall be under no duty or obligation, nor shall it have the authority, to inquire or determine whether or not such instructions are in accordance with the Security Agreement or any other Credit Document (as defined in the Credit Agreement referred to in the Security Agreement), nor seek confirmation thereof from the Assignor or any other Person.

3. Assignor's Exculpation and Indemnification of Depository Bank. The Assignor hereby irrevocably authorizes and instructs the Deposit Account Bank to follow instructions from the Collateral Agent regarding the Deposit Accounts even if the result of following such instructions from the Collateral Agent is that the Deposit Account Bank dishonors items presented for payment from any Deposit Account. The Assignor further confirms that the Deposit Account Bank shall have no liability to the Assignor for wrongful dishonor of such items in following such instructions from the Collateral Agent. The Deposit Account Bank shall have no duty to inquire or determine whether the Assignor's obligations to the Collateral Agent are in default or whether the Collateral Agent is entitled, under any separate agreement between the Assignor and the Collateral Agent, to give any such instructions. The Assignor further agrees to be responsible for the Deposit Account Bank's customary charges and to indemnify the Deposit Account Bank from and to hold the Deposit Account Bank harmless against any loss, cost or expense that the Deposit Account Bank may sustain or incur in acting upon instructions which the Deposit Account Bank believes in good faith to be instructions from the Collateral Agent.

4. Subordination of Security Interests; Deposit Account Bank's Recourse to Deposit Accounts. The Deposit Account Bank hereby subordinates any claims and security interests it may have against, or with respect to, any Deposit Account at any time established or maintained with it by the Assignor (including any amounts, investments, instruments or other Collateral from time to time on deposit therein) to the security interests of the Collateral Agent (for the benefit of the Secured Creditors) therein, and agrees that no amounts shall be charged by it to, or withheld or set-off or otherwise recouped by it from, any Deposit Account of the Assignor or any amounts, investments, instruments or other Collateral from time to time on deposit therein; provided that the Deposit Account Bank may, however, from time to time debit the Deposit Accounts for any of its customary charges in maintaining the Deposit Accounts or for reimbursement for the reversal of any provisional credits granted by the Deposit Account Bank to any Deposit Account, to the extent, in each case, that the Assignor has not separately paid or reimbursed the Deposit Account Bank therefor.

5. Representations, Warranties and Covenants of Deposit Account Bank. The Deposit Account Bank represents and warrants to the Collateral Agent that:

(a) The Deposit Account Bank constitutes a "bank" (as defined in Section 9-102 of the UCC), that the jurisdiction (determined in accordance with Section 9-304 of the UCC) of the Deposit Account Bank for purposes of each Deposit Account maintained by the Assignor with the Deposit Account Bank shall be one or more States within the United States.

(b) The Deposit Account Bank shall not permit any Assignor to establish any demand, time, savings, passbook or other account with it which does not constitute a "deposit account" (as defined in Section 9-102 of the UCC).

(c) The account agreements between the Deposit Account Bank and the Assignor relating to the establishment and general operation of the Deposit Accounts provide, whether specifically or generally, that the laws of _____ govern secured transactions relating to the Deposit Accounts and that the Deposit Account Bank's "jurisdiction" for purposes of Section 9-304 of the UCC in respect of the Deposit Accounts is _____. The Deposit Account Bank will not, without the Collateral Agent's prior written consent, amend any such account agreement so that the Deposit Account Bank's jurisdiction for purposes of Section 9-304 of the UCC is other than a jurisdiction permitted pursuant to preceding clause (a). All account agreements in respect of each Deposit Account in existence on the date hereof are listed on Annex A hereto and copies of all such account agreements have been furnished to the Collateral Agent. The Deposit Account Bank will promptly furnish to the Collateral Agent a copy of the account agreement for each Deposit Account hereafter established by the Deposit Account Bank for the Assignor.

(d) The Deposit Account Bank has not entered and will not enter, into any agreement with any other Person by which the Deposit Account Bank is obligated to comply with instructions from such other Person as to the disposition of funds from any Deposit Account or other dealings with any Deposit Account or other of the Collateral.

(e) On the date hereof the Deposit Account Bank maintains no Deposit Accounts for the Assignor other than the Deposit Accounts specifically identified in Annex A hereto.

(f) Any items or funds received by the Deposit Account Bank for the Assignor's account will be credited to said Deposit Accounts specified in paragraph (e) above or to any other Deposit Accounts hereafter established by the Deposit Account Bank for the Assignor in accordance with this Agreement.

(g) The Deposit Account Bank will promptly notify the Collateral Agent of each Deposit Account hereafter established by the Deposit Account Bank for the Assignor (which notice shall specify the account number of such Deposit Account and the location at which the Deposit Account is maintained), and each such new Deposit Account shall be subject to the terms of this Agreement in all respects.

6. Deposit Account Statements and Information. The Deposit Account Bank agrees, and is hereby authorized and instructed by the Assignor, to furnish to the Collateral Agent, at its address indicated below, copies of all account statements and other information relating to each Deposit Account that the Deposit Account Bank sends to the Assignor and to disclose to the Collateral Agent all information requested by the Collateral Agent regarding any Deposit Account.

7. Conflicting Agreements. This Agreement shall have control over any conflicting agreement between the Deposit Account Bank and the Assignor.

8. Merger or Consolidation of Deposit Account Bank. Without the execution or filing of any paper or any further act on the part of any of the parties hereto, any bank into which the Deposit Account Bank may be merged or with which it may be consolidated, or any bank resulting from any merger to which the Deposit Account Bank shall be a party, shall be the successor of the Deposit Account Bank hereunder and shall be bound by all provisions hereof which are binding upon the Deposit Account Bank and shall be deemed to affirm as to itself all representations and warranties of the Deposit Account Bank contained herein.

9. Notices. (a) All notices and other communications provided for in this Agreement shall be in writing (including facsimile) and sent to the intended recipient at its address or telex or facsimile number set forth below:

10. Amendment. This Agreement may not be amended, modified or supplemented except in writing executed and delivered by all the parties hereto.

11. Binding Agreement. This Agreement shall bind the parties hereto and their successors and assign and shall inure to the benefit of the parties hereto and their successors and assigns. Without limiting the provisions of the immediately preceding sentence, the Collateral Agent at any time or from time to time may designate in writing to the Deposit Account Bank a successor Collateral Agent (at such time, if any, as such entity becomes the Collateral Agent under the Security Agreement, or at any time thereafter) who shall thereafter succeed to the rights of the existing Collateral Agent hereunder and shall be entitled to all of the rights and benefits provided hereunder.

12. Continuing Obligations. The rights and powers granted herein to the Collateral Agent have been granted in order to protect and further perfect its security interests in the Deposit Accounts and other Collateral and are powers coupled with an interest and will be affected neither by any purported revocation by the Assignor of this Agreement or the rights granted to the Collateral Agent hereunder or by the bankruptcy, insolvency, conservatorship or receivership of the Assignor or the Deposit Account Bank or by the lapse of time. The rights of the Collateral Agent hereunder and in respect of the Deposit Accounts and the other Collateral, and the obligations of the Assignor and Deposit Account Bank hereunder, shall continue in effect until the security interests of Collateral Agent in the Deposit Accounts and such other Collateral have been terminated and the Collateral Agent has notified the Deposit Account Bank of such termination in writing.

Certain capitalized terms as used herein are defined in Article IX hereof. Except as otherwise defined herein, all capitalized terms used herein and defined in the Credit Agreement (as defined below) shall be used herein as therein defined.

WITNESSETH:

WHEREAS, Lee Enterprises, Incorporated (the “Borrower”), the lenders from time to time party thereto (the “Lenders”), Deutsche Bank Securities Inc. and Goldman Sachs Lending Partners LLC, as Joint Lead Arrangers and Joint Book Running Managers, and Deutsche Bank Trust Company Americas, as Administrative Agent (together with any successor administrative agent, the “Administrative Agent”) and Collateral Agent, have entered into an Exit Credit Agreement, dated as of January 30, 2012 (as amended, modified, restated and/or supplemented from time to time, the “Credit Agreement”), providing for the making and continuation of Loans to, and the issuance and maintenance of, and participation in, Letters of Credit for the account of, the Borrower, all as contemplated therein (the Lenders, each Issuing Lender, the Administrative Agent, the Collateral Agent and each other Agent are herein called the “Lender Creditors”);

WHEREAS, pursuant to the Subsidiaries Guaranty, each Subsidiary Guarantor has jointly and severally guaranteed to the Secured Creditors the payment when due of all Guaranteed Obligations as described therein;

WHEREAS, it is a condition precedent to the making and continuation of Loans to the Borrower and the issuance and maintenance of, and participation in, Letters of Credit for the account of the Borrower under the Credit Agreement and to the Other Creditors entering into Secured Hedging Agreements that each Assignor shall have executed and delivered to the Collateral Agent this Agreement; and

WHEREAS, each Assignor will obtain benefits from the incurrence and continuation of Loans by the Borrower and the issuance and maintenance of, and participation in, Letters of Credit for the account of the Borrower under the Credit Agreement and the entering into and maintaining by the Borrower and/or one or more of its Qualified Wholly-Owned Domestic Subsidiaries of Secured Hedging Agreements and, accordingly, desires to execute this Agreement in order to satisfy the condition described in the preceding paragraph and to induce the Lenders to make and continue Loans to the Borrower and issue, maintain, and/or participate in, Letters of Credit for the account of the Borrower and the Other Creditors to maintain and/or enter into Secured Hedging Agreements with the Borrower and/or one or more of its Qualified Wholly-Owned Domestic Subsidiaries;

NOW, THEREFORE, in consideration of the benefits accruing to each Assignor, the receipt and sufficiency of which are hereby acknowledged, each Assignor hereby makes the following representations and warranties to the Collateral Agent for the benefit of the Secured Creditors and hereby covenants and agrees with the Collateral Agent for the benefit of the Secured Creditors as follows:

(ii) each Assignor shall from time to time cause appropriate financing statements (on appropriate forms) under the Uniform Commercial Code as in effect in the various relevant States, covering all Collateral hereunder (with the form of such financing statements to be satisfactory to the Collateral Agent), to be filed in the relevant filing offices so that at all times the Collateral Agent's security interest in all Investment Property and other Collateral which can be perfected by the filing of such financing statements (in each case to the maximum extent perfection by filing may be obtained under the laws of the relevant States, including, without limitation, Section 9-312(a) of the UCC) is so perfected.

endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Collateral Agent may deem to be reasonably necessary or advisable to protect the interests of the Secured Creditors, which appointment as attorney is coupled with an interest.

ARTICLE II

GENERAL REPRESENTATIONS, WARRANTIES AND COVENANTS

Each Assignor represents, warrants and covenants, which representations, warranties and covenants shall survive execution and delivery of this Agreement, as follows:

2.1 Necessary Filings. All filings, registrations, recordings and other actions necessary or appropriate to create, preserve and perfect the security interest granted by such Assignor to the Collateral Agent hereby in respect of the Collateral have been accomplished and the security interest granted to the Collateral Agent pursuant to this Agreement in and to the Collateral creates a valid and, together with all such filings, registrations, recordings and other actions, a perfected security interest therein prior to the rights of all other Persons therein and subject to no other Liens (other than Permitted Liens) and is entitled to all the rights, priorities and benefits afforded by the Uniform Commercial Code or other relevant law as enacted in any relevant jurisdiction to perfected security interests, in each case to the extent that the Collateral consists of the type of property in which a security interest may be perfected by possession or control (within the meaning of the UCC as in effect on the date hereof in the State of New York), by filing a financing statement under the Uniform Commercial Code as enacted in any relevant jurisdiction or by a filing of a Grant of Security Interest in the respective form attached hereto in the United States Patent and Trademark Office or in the United States Copyright Office.

2.2 No Liens. Such Assignor is, and as to all Collateral acquired by it from time to time after the date hereof such Assignor will be, the owner of all Collateral free from any Lien or other right, title or interest of any Person (other than Permitted Liens), and such Assignor shall defend the Collateral against all claims and demands of all Persons at any time claiming the same or any interest therein adverse to the Collateral Agent.

2.3 Other Financing Statements. As of the date hereof, there is no financing statement (or similar statement or instrument of registration under the law of any jurisdiction) covering or purporting to cover any interest of any kind in the Collateral (other than financing statements filed in respect of Permitted Liens), and so long as the Termination Date has not occurred, such Assignor will not execute or authorize to be filed in any public office any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) or statements relating to the Collateral, except financing statements filed or to be filed in respect of and covering the security interests granted hereby by such Assignor or in connection with Permitted Liens.

2.4 Chief Executive Office, Record Locations. The chief executive office of such Assignor is, on the date of this Agreement, located at the address indicated on Annex A hereto for such Assignor. During the period of the four calendar months preceding the date of this Agreement, the chief executive office of such Assignor has not been located at any address other

than that indicated on Annex A in accordance with the immediately preceding sentence, in each case unless each such other address is also indicated on Annex A hereto for such Assignor.

2.5 [RESERVED].

2.6 Legal Names; Type of Organization (and Whether a Registered Organization and/or a Transmitting Utility); Jurisdiction of Organization; Location; Organizational Identification Numbers; Federal Employer Identification Number; Changes Thereto; etc.

The exact legal name of each Assignor, the type of organization of such Assignor, whether or not such Assignor is a Registered Organization, the jurisdiction of organization of such Assignor, such Assignor's Location, the organizational identification number (if any) of such Assignor, the Federal Employer Identification Number (if any); and whether or not such Assignor is a Transmitting Utility, is listed on Annex C hereto for such Assignor. Such Assignor shall not change its legal name, its type of organization, its status as a Registered Organization (in the case of a Registered Organization), its status as a Transmitting Utility or as a Person which is not a Transmitting Utility, as the case may be, its jurisdiction of organization, its Location, its organizational identification number (if any), or its Federal Employer Identification Number (if any) from that used on Annex C hereto, except that any such changes shall be permitted (so long as not in violation of the applicable requirements of the Secured Debt Agreements and so long as same do not involve (x) a Registered Organization ceasing to constitute same or (y) such Assignor changing its jurisdiction of organization or Location from the United States or a State thereof to a jurisdiction of organization or Location, as the case may be, outside the United States or a State thereof) if (i) it shall have given to the Collateral Agent not less than 15 days' prior written notice of each change to the information listed on Annex C (as adjusted for any subsequent changes thereto previously made in accordance with this sentence), together with a supplement to Annex C which shall correct all information contained therein for such Assignor, and (ii) in connection with such change or changes, it shall have taken all action reasonably requested by the Collateral Agent to maintain the security interests of the Collateral Agent in the Collateral intended to be granted hereby at all times fully perfected and in full force and effect. In addition, to the extent that such Assignor does not have an organizational identification number on the date hereof and later obtains one, such Assignor shall promptly thereafter notify the Collateral Agent of such organizational identification number and shall take all actions reasonably satisfactory to the Collateral Agent to the extent necessary to maintain the security interest of the Collateral Agent in the Collateral intended to be granted hereby fully perfected and in full force and effect.

2.7 [RESERVED].

2.8 Certain Significant Transactions.

During the one year period preceding the date of this Agreement, no Person shall have merged or consolidated with or into any Assignor, and no Person shall have liquidated into, or transferred all or substantially all of its assets to, any Assignor, in each case except as described in Annex E hereto. With respect to any transactions so described in Annex E hereto, the respective Assignor shall have furnished such information with respect to the Person (and the assets of the Person and locations thereof) which merged with or into or consolidated with such

Assignor, or was liquidated into or transferred all or substantially all of its assets to such Assignor, and shall have furnished to the Collateral Agent such UCC lien searches as may have been requested with respect to such Person and its assets, to establish that no security interest (excluding Permitted Liens) continues perfected on the date hereof with respect to any Person described above (or the assets transferred to the respective Assignor by such Person), including without limitation pursuant to Section 9-316(a)(3) of the UCC.

2.9 Non-UCC Property. The aggregate fair market value (as determined by the Assignors in good faith) of all property of the Assignors of the types described in clauses (1), (2) and (3) of Section 9-311(a) (other than Copyrights, Marks and Patents which are the subject of a filing of a grant of security interest in the respective form attached hereto in the United States Patent and Trademark Office or in the United States Copyright Office) of the UCC does not exceed \$5,000,000. If the aggregate value of all such property at any time owned by all Assignors exceeds \$5,000,000, the Assignors shall provide prompt written notice thereof to the Collateral Agent and, upon the request of the Collateral Agent, the Assignors shall promptly (and in any event within 30 days) take such actions (at their own cost and expense) as may be required under the respective United States, State or other laws referenced in Section 9-311(a) of the UCC to perfect the security interests granted herein in any Collateral where the filing of a financing statement does not perfect the security interest in such property in accordance with the provisions of Section 9-311(a) of the UCC.

2.10 As-Extracted Collateral; Timber-to-be-Cut. On the date hereof, such Assignor does not own, or expect to acquire, any property which constitutes, or would constitute, As-Extracted Collateral or Timber-to-be-Cut. If at any time after the date of this Agreement such Assignor owns, acquires or obtains rights to any As-Extracted Collateral or Timber-to-be-Cut, such Assignor shall furnish the Collateral Agent with prompt written notice thereof (which notice shall describe in reasonable detail the As-Extracted Collateral and/or Timber-to-be-Cut and the locations thereof) and shall take all actions as may be deemed reasonably necessary or desirable by the Collateral Agent to perfect the security interest of the Collateral Agent therein.

2.11 Collateral in the Possession of a Bailee. If any material amounts of Inventory or other Goods (as to the Assignors taken as a whole) are at any time in the possession of a bailee, such Assignor shall promptly notify the Collateral Agent thereof and, if requested by the Collateral Agent, shall use its reasonable best efforts to promptly obtain an acknowledgment from such bailee, in form and substance reasonably satisfactory to the Collateral Agent, that the bailee holds such Collateral for the benefit of the Collateral Agent and shall act upon the instructions of the Collateral Agent, without the further consent of such Assignor. The Collateral Agent agrees with such Assignor that the Collateral Agent shall not give any such instructions unless an Event of Default has occurred and is continuing or would occur after taking into account any action by the respective Assignor with respect to any such bailee.

2.12 Recourse. This Agreement is made with full recourse to each Assignor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Assignor contained herein, in the Secured Debt Agreements and otherwise in writing in connection herewith or therewith.

ARTICLE III

SPECIAL PROVISIONS CONCERNING ACCOUNTS; CONTRACT RIGHTS; INSTRUMENTS; CHATTEL PAPER AND CERTAIN OTHER COLLATERAL

3.1 Additional Representations and Warranties. As of the time when each of its Accounts arises, each Assignor shall be deemed to have represented and warranted that each such Account, and all records, papers and documents relating thereto (if any) are genuine and what they purport to be, and that all papers and documents (if any) relating thereto (i) will, to the knowledge of such Assignor, represent the genuine, legal, valid and binding obligation of the account debtor evidencing indebtedness unpaid and owed by the respective account debtor arising out of the performance of labor or services or the sale or lease and delivery of the merchandise listed therein, or both, (ii) will be the only original writings evidencing and embodying such obligation of the account debtor named therein (other than copies created for general accounting purposes), (iii) will, to the knowledge of such Assignor, evidence true and valid obligations, enforceable in accordance with their respective terms, and (iv) will be in compliance and will conform in all material respects with all applicable federal, state and local laws and applicable laws of any relevant foreign jurisdiction.

3.2 Maintenance of Records. Each Assignor will keep and maintain at its own cost and expense accurate records of its Accounts and Contracts pursuant to its historical customs and practices, including, but not limited to, originals of all documentation (including each Contract) with respect thereto, records of all payments received, all credits granted thereon, all merchandise returned and all other dealings therewith, and such Assignor will make the same available on any premise of any Assignor to the Collateral Agent for inspection, at such Assignor's own cost and expense, at any and all reasonable times upon prior notice to such Assignor and otherwise in accordance with the Credit Agreement. Upon the occurrence and

during the continuance of an Event of Default and at the request of the Collateral Agent, such Assignor shall, at its own cost and expense, deliver all tangible evidence of its Accounts and Contract Rights (including, without limitation, all documents evidencing the Accounts and all Contracts) and such books and records to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by such Assignor). Upon the occurrence and during the continuance of an Event of Default and if the Collateral Agent so directs, such Assignor shall legend, in form and manner satisfactory to the Collateral Agent, the Accounts and the Contracts, as well as books, records and documents (if any) of such Assignor evidencing or pertaining to such Accounts and Contracts with an appropriate reference to the fact that such Accounts and Contracts have been assigned to the Collateral Agent and that the Collateral Agent has a security interest therein.

3.3 Direction to Account Debtors; Contracting Parties; etc.

Upon the occurrence and during the continuance of an Event of Default, if the Collateral Agent so directs any Assignor, such Assignor agrees (x) to cause all payments on account of the Accounts and Contracts to be made directly to the Cash Collateral Account, (y) that the Collateral Agent may, at its option, directly notify the obligors with respect to any Accounts and/or under any Contracts to make payments with respect thereto as provided in the preceding clause (x), and (z) that the Collateral Agent may enforce collection of any such Accounts and Contracts and may adjust, settle or compromise the amount of payment thereof, in the same manner and to the same extent as such Assignor. Without notice to or assent by any Assignor, the Collateral Agent may, upon the occurrence and during the continuance of an Event of Default, apply any or all amounts then in, or thereafter deposited in, the Cash Collateral Account toward the payment of the Obligations in the manner provided in Section 7.4 of this Agreement. The reasonable costs and expenses of collection (including reasonable attorneys' fees), whether incurred by an Assignor or the Collateral Agent, shall be borne by the relevant Assignor. The Collateral Agent shall deliver a copy of each notice referred to in the preceding clause (y) to the relevant Assignor, provided that (x) the failure by the Collateral Agent to so notify such Assignor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 3.3 and (y) no such notice shall be required if an Event of Default of the type described in Section 11.05 of the Credit Agreement has occurred and is continuing.

3.4 Modification of Terms; etc.

Except in accordance with such Assignor's ordinary course of business and consistent with reasonable business judgment or as permitted by Section 3.5, no Assignor shall rescind or cancel any indebtedness evidenced by any Account or under any Contract, or modify any material term thereof or make any material adjustment with respect thereto, or extend or renew the same, or compromise or settle any material dispute, claim, suit or legal proceeding relating thereto, or sell any Account or Contract, or interest therein, without the prior written consent of the Collateral Agent.

3.5 Collection. Each Assignor shall endeavor in accordance with reasonable business practices to cause to be collected from the account debtor named in each of its Accounts or obligor under any Contract, as and when due (including, without limitation, amounts which

are delinquent, such amounts to be collected in accordance with generally accepted lawful collection procedures) any and all amounts owing under or on account of such Account or Contract, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account or under such Contract. Except as otherwise directed by the Collateral Agent after the occurrence and during the continuation of an Event of Default, any Assignor may allow in the ordinary course of business as adjustments to amounts owing under its Accounts and Contracts (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which such Assignor finds appropriate in accordance with reasonable business judgment and (ii) a refund or credit due as a result of returned or damaged merchandise or improperly performed services or for other reasons which such Assignor finds appropriate in accordance with reasonable business judgment. The reasonable costs and expenses (including, without limitation, reasonable attorneys' fees) of collection, whether incurred by an Assignor or the Collateral Agent, shall be borne by the relevant Assignor.

3.6 Instruments. If any Assignor owns or acquires any Instrument in excess of \$500,000 constituting Collateral (other than (x) checks and other payment instruments received and collected in the ordinary course of business and (y) any Intercompany Note, such Assignor will within 10 Business Days notify the Collateral Agent thereof, and upon request by the Collateral Agent will promptly deliver such Instrument to the Collateral Agent appropriately endorsed to the order of the Collateral Agent.

3.7 Assignors Remain Liable Under Accounts. Anything herein to the contrary notwithstanding, the Assignors shall remain liable under each of the Accounts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts. Neither the Collateral Agent nor any other Secured Creditor shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Collateral Agent or any other Secured Creditor of any payment relating to such Account pursuant hereto, nor shall the Collateral Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Assignor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by them or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto), to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.8 Assignors Remain Liable Under Contracts. Anything herein to the contrary notwithstanding, the Assignors shall remain liable under each of the Contracts to observe and perform all of the conditions and obligations to be observed and performed by them thereunder, all in accordance with and pursuant to the terms and provisions of each Contract. Neither the Collateral Agent nor any other Secured Creditor shall have any obligation or liability under any Contract by reason of or arising out of this Agreement or the receipt by the Collateral Agent or any other Secured Creditor of any payment relating to such Contract pursuant hereto, nor shall the Collateral Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Assignor under or pursuant to any Contract, to make any payment, to

make any inquiry as to the nature or the sufficiency of any performance by any party under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.9 Deposit Accounts; Etc.

(a) No Assignor maintains, or at any time after the date of this Agreement shall establish or maintain, any demand, time, savings, passbook or similar account, except for such accounts maintained with a bank (as defined in Section 9-102 of the UCC) whose jurisdiction (determined in accordance with Section 9-304 of the UCC) is within a State of the United States. Annex F hereto accurately sets forth, as of the date of this Agreement, for each Assignor, each Deposit Account maintained by such Assignor (including a description thereof and the respective account number), the name and address of the respective bank with which such Deposit Account is maintained, and the jurisdiction of the respective bank with respect to such Deposit Account, and indicates whether such Deposit Account constitutes an Excluded Account. For each Deposit Account (other than (i) the Cash Collateral Account or any other Deposit Account maintained with the Collateral Agent and (ii) any Excluded Account), the respective Assignor shall cause the bank with which the Deposit Account is maintained to execute and deliver to the Collateral Agent, on or before the date of this Agreement (or such later date as may be reasonably acceptable to the Collateral Agent in its sole discretion) or, if later, at the time of the establishment of the respective Deposit Account, a "control agreement" (A) in the form substantially consistent with the "control agreement" for such Deposit Account in effect with respect to the Prepetition Credit Agreement on the Petition Date, with such changes thereto to account for the lien of the collateral agent under the Second Lien Loan Agreement on such Deposit Account or, (B) if no such "control agreement" for a Deposit Account is in effect on the Petition Date, a "control agreement" in such other form as may be acceptable to the Collateral Agent. If any bank with which a Deposit Account (other than (i) the Cash Collateral Account or any other Deposit Account maintained with the Collateral Agent and (ii) any Excluded Account) is maintained refuses to, or does not, enter into such a "control agreement", then the respective Assignor shall promptly (and in any event within such period as may be reasonably acceptable to the Collateral Agent in its sole discretion) close the respective Deposit Account and transfer all balances therein to the Cash Collateral Account or another Deposit Account meeting the requirements of this Section 3.9. If any bank with which a Deposit Account (other than (i) the Cash Collateral Account or any other Deposit Account maintained with the Collateral Agent and (ii) any Excluded Account) is maintained refuses to subordinate all its claims with respect to such Deposit Account to the Collateral Agent's security interest therein on terms satisfactory to the Collateral Agent, then the Collateral Agent, at its option, may (x) require that such Deposit Account be terminated in accordance with the immediately preceding sentence or (y) agree to a "control agreement" without such subordination, provided that in such event the Collateral Agent may at any time, at its option, subsequently require that such Deposit Account be terminated (within a reasonable period after notice from the Collateral Agent) in accordance with the requirements of the immediately preceding sentence. The Collateral Agent agrees that it will only give a "Notice of Exclusive Control" under a "control agreement" following the occurrence of an Event of Default.

(b) After the date of this Agreement, no Assignor shall establish any new demand, time, savings, passbook or similar account, except for (i) Deposit Accounts established and maintained with banks and meeting the requirements of preceding clause (a) and (ii) Excluded Accounts. At the time any such Deposit Account (other than an Excluded Account) is established, the appropriate "control agreement" shall be entered into in accordance with the requirements of preceding clause (a) and the respective Assignor shall furnish to the Collateral Agent a supplement to Annex F hereto containing the relevant information with respect to the respective Deposit Account and the bank with which same is established.

3.10 Letter-of-Credit Rights. If any Assignor is at any time a beneficiary under a letter of credit with a stated amount of \$500,000 or more, such Assignor shall promptly notify the Collateral Agent thereof and, at the request of the Collateral Agent, such Assignor shall, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, use its reasonable best efforts to (i) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to the Collateral Agent of the proceeds of any drawing under such letter of credit or (ii) arrange for the Collateral Agent to become the transferee beneficiary of such letter of credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be applied as provided in this Agreement after the occurrence and during the continuance of an Event of Default.

3.11 Commercial Tort Claims. All Commercial Tort Claims of each Assignor in existence on the date of this Agreement in an amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of \$500,000 or more are described in Annex H hereto. If any Assignor shall at any time after the date of this Agreement acquire a Commercial Tort Claim in an amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of \$500,000 or more, such Assignor shall promptly notify the Collateral Agent thereof in a writing signed by such Assignor and describing the details thereof and shall grant to the Collateral Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

3.12 Chattel Paper. Upon the request of the Collateral Agent made at any time or from time to time, each Assignor shall promptly furnish to the Collateral Agent a list of all Electronic Chattel Paper held or owned by such Assignor. Furthermore, if requested by the Collateral Agent, each Assignor shall promptly take all actions which are reasonably practicable so that the Collateral Agent has "control" of all Electronic Chattel Paper in accordance with the requirements of Section 9-105 of the UCC. Each Assignor will promptly (and in any event within 10 days) following any request by the Collateral Agent, deliver all of its Tangible Chattel Paper to the Collateral Agent. At all times, each Assignor will mark Tangible Chattel Paper with a legend provided by the Collateral Agent indicating the security interest herein.

3.13 Further Actions. Each Assignor will, at its own expense, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent from time to time such vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps, including any and all actions as may be necessary or required under the Federal Assignment of Claims Act, relating to its Accounts, Contracts, Instruments and other property or

rights covered by the security interest hereby granted, as the Collateral Agent may reasonably require.

Each Assignor represents and warrants that it owns, is licensed to use or otherwise has the right to use, all material Marks and material Domain Names that it uses. Each Assignor further warrants that it has no knowledge of any third party claim received by it that any aspect of such Assignor's present or contemplated business operations infringes or will infringe any trademark, service mark or trade name of any other Person other than as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Assignor represents and warrants that it is the true and lawful owner of or otherwise has the right to use all U.S. trademark registrations and Domain Name registrations listed in Annex I hereto for such Assignor and that, to each Assignor's knowledge, said registrations are valid, subsisting, have not been canceled and that such Assignor is not aware of any third-party claim that any of said registrations is invalid or unenforceable, and is not aware that there is any reason that any of said applications for United States Marks will not mature into registrations, except to the extent the same, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. Each Assignor hereby grants to the Collateral Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of an Event of Default, any document which may be required by the United States Patent and Trademark Office or similar registrar in order to effect an absolute assignment of all right, title and interest in each Mark and/or Domain Name, and record the same.

4.2 Licenses and Assignments. Except as otherwise permitted by the Secured Debt Agreements, each Assignor hereby agrees not to divest itself of any right under any material Mark or Domain Name absent prior written approval of the Collateral Agent.

4.3 Infringements. Each Assignor agrees, promptly upon learning thereof, to notify the Collateral Agent in writing of the name and address of, and to furnish such pertinent information that may be available with respect to, any party who such Assignor believes is, or may be, infringing or diluting or otherwise violating any of such Assignor's rights in and to any Mark or Domain Name in any manner that could reasonably be expected to have a Material Adverse Effect, or with respect to any party claiming that such Assignor's use of any Mark or Domain Name material to such Assignor's business violates in any material respect any property right of that party. Each Assignor further agrees to prosecute diligently in accordance with reasonable business practices any Person infringing any Mark or Domain Name in any manner that could reasonably be expected to have a Material Adverse Effect.

4.4 Preservation of Marks. Each Assignor agrees to take all such actions as are reasonably necessary to preserve its Marks as trademarks or service marks under the laws of the United States (other than any such Marks which are no longer used or useful in its business or operations).

4.5 Maintenance of Registration. Each Assignor shall, at its own expense, diligently process all documents reasonably required to maintain all Mark and/or Domain Name registrations, including but not limited to affidavits of use and applications for renewals of registration in the United States Patent and Trademark Office for all of its material registered Marks, and shall pay all fees and disbursements in connection therewith and shall not abandon any such filing of affidavit of use or any such application of renewal prior to the exhaustion of all administrative and judicial remedies without prior written consent of the Collateral Agent (other than with respect to registrations and applications deemed by such Assignor in its reasonable business judgment to be no longer prudent to pursue).

4.6 Future Registered Marks and Domain Names. If any Mark registration is issued hereafter to any Assignor as a result of any application now or hereafter pending before the United States Patent and Trademark Office or any Domain Name is registered by Assignor, within 30 days of receipt of such certificate or similar indicia of ownership, such Assignor shall deliver to the Collateral Agent a copy of such registration certificate or similar indicia of ownership, and a grant of a security interest in such Mark and/or Domain Name, to the Collateral Agent and at the expense of such Assignor, confirming the grant of a security interest in such Mark and/or Domain Name to the Collateral Agent hereunder, the form of such security to be substantially in the form of Annex L hereto or in such other form as may be reasonably satisfactory to the Collateral Agent.

Each Assignor further warrants that it has no knowledge of any third party claim that any aspect of such Assignor's present or contemplated business operations infringes or will infringe any patent of any other Person or such Assignor has misappropriated any Trade Secret or proprietary information which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. Each Assignor hereby grants to the Collateral Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of any Event of Default, any document which may be required by the United States Patent and Trademark Office or the United States Copyright Office in order to effect an absolute assignment of all right, title and interest in each Patent or Copyright, and to record the same.

5.2 Licenses and Assignments. Except as otherwise permitted by the Secured Debt Agreements, each Assignor hereby agrees not to divest itself of any right under any material Patent or Copyright absent prior written approval of the Collateral Agent.

5.3 Infringements. Each Assignor agrees, promptly upon learning thereof, to furnish the Collateral Agent in writing with all pertinent information available to such Assignor with respect to any infringement, contributing infringement or active inducement to infringe or other violation of such Assignor's rights in any Patent or Copyright or to any claim that the practice of any Patent or use of any Copyright violates any property right of a third party, or with respect to any misappropriation of any Trade Secret Right or any claim that practice of any Trade Secret Right violates any property right of a third party, in each case, in any manner which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. Each Assignor further agrees, absent direction of the Collateral Agent to the contrary, to diligently prosecute, in accordance with its reasonable business judgment, any Person infringing any Patent or Copyright or any Person misappropriating any Trade Secret Right, in each case to the extent that such infringement or misappropriation, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

5.6 Other Patents and Copyrights. Within 30 days of the acquisition or issuance of a United States Patent, registration of a Copyright, or acquisition of a registered Copyright, or of filing of an application for a United States Patent or Copyright, the relevant Assignor shall deliver to the Collateral Agent a copy of said Copyright or Patent, or certificate or registration of, or application therefor, as the case may be, with a grant of a security interest as to such Patent or Copyright, as the case may be, to the Collateral Agent and at the expense of such Assignor, confirming the grant of a security interest, the form of such grant of a security interest to be substantially in the form of Annex M or N hereto, as appropriate, or in such other form as may be reasonably satisfactory to the Collateral Agent.

ARTICLE VI

PROVISIONS CONCERNING ALL COLLATERAL

6.1 Protection of Collateral Agent's Security. Except as otherwise permitted by the Secured Debt Agreements, each Assignor will do nothing to impair, in any material respect, the rights of the Collateral Agent in the Collateral. Each Assignor will at all times maintain insurance, at such Assignor's own expense to the extent and in the manner provided in the Secured Debt Agreements. Except to the extent otherwise permitted to be retained by such Assignor or applied by such Assignor pursuant to the terms of the Secured Debt Agreements, the Collateral Agent shall, at the time any proceeds of such insurance are distributed to the Secured Creditors, apply such proceeds in accordance with Section 7.4 hereof. Each Assignor assumes all liability and responsibility in connection with the Collateral acquired by it and the liability of such Assignor to pay the Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to such Assignor.

6.2 Warehouse Receipts Non-Negotiable. To the extent practicable, each Assignor agrees that if any warehouse receipt or receipt in the nature of a warehouse receipt is issued with respect to any of its Inventory, such Assignor shall request that such warehouse receipt or receipt in the nature thereof shall not be “negotiable” (as such term is used in Section 7-104 of the Uniform Commercial Code as in effect in any relevant jurisdiction or under other relevant law).

6.3 Additional Information. Each Assignor will, at its own expense, from time to time upon the reasonable request of the Collateral Agent, promptly (and in any event within 10 days after its receipt of the respective request) furnish to the Collateral Agent such information with respect to the Collateral (including the identity of the Collateral or such components thereof as may have been requested by the Collateral Agent, and the estimated value and location of such Collateral). Without limiting the forgoing, each Assignor agrees that it shall promptly (and in any event within 20 days after its receipt of the respective request) furnish to the Collateral Agent such updated Annexes hereto as may from time to time be reasonably requested by the Collateral Agent.

6.4 Further Actions. Each Assignor will, at its own expense and upon the reasonable request of the Collateral Agent, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent from time to time such lists, descriptions and designations of its Collateral, warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Collateral Agent deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral consistent with the provisions of this Agreement.

6.5 Financing Statements. Each Assignor agrees to execute and deliver to the Collateral Agent such financing statements, in form reasonably acceptable to the Collateral Agent, as the Collateral Agent may from time to time reasonably request or as are reasonably necessary or desirable in the opinion of the Collateral Agent to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and the other rights and security contemplated hereby. Each Assignor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Assignor hereby authorizes the Collateral Agent to file any such financing statements without the signature of such Assignor where permitted by law (and such authorization includes describing the Collateral as “all assets” of such Assignor with further reference to those assets specifically excluded from the grant of the security interest contained in this Agreement).

ARTICLE VII

REMEDIES UPON OCCURRENCE OF AN EVENT OF DEFAULT

7.1 Remedies; Obtaining the Collateral Upon Default. Each Assignor agrees that, if any Event of Default shall have occurred and be continuing, then and in every such case, the Collateral Agent, in addition to any rights now or hereafter existing under applicable law and

under the other provisions of this Agreement, shall have all rights as a secured creditor under any UCC, and such additional rights and remedies to which a secured creditor is entitled under the laws in effect in all relevant jurisdictions and may:

(i) personally, or by agents or attorneys, immediately take possession of the Collateral or any part thereof, from such Assignor or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon such Assignor's premises where any of the Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of such Assignor;

(ii) instruct the obligor or obligors on any agreement, instrument or other obligation (including, without limitation, the Accounts and the Contracts) constituting the Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Collateral Agent and may exercise any and all remedies of such Assignor in respect of such Collateral;

(iii) instruct all banks which have entered into a control agreement with the Collateral Agent to transfer all monies, securities and instruments held by such depository bank to the Cash Collateral Account;

(iv) sell, assign or otherwise liquidate any or all of the Collateral or any part thereof in accordance with Section 7.2 hereof, or direct such Assignor to sell, assign or otherwise liquidate any or all of the Collateral or any part thereof, and, in each case, take possession of the proceeds of any such sale or liquidation;

(v) take possession of the Collateral or any part thereof, by directing such Assignor in writing to deliver the same to the Collateral Agent at any reasonable place or places designated by the Collateral Agent, in which event such Assignor shall at its own expense:

(x) forthwith cause the same to be moved to the place or places so designated by the Collateral Agent and there delivered to the Collateral Agent;

(y) store and keep any Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent as provided in Section 7.2 hereof; and

(z) while the Collateral shall be so stored and kept, provide such security and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain it in good condition;

(vi) license or sublicense, whether on an exclusive or nonexclusive basis, any Marks, Domain Names, Patents or Copyrights included in the Collateral for such term and on such conditions and in such manner as the Collateral Agent shall in its sole judgment determine;

- (vii) apply any monies constituting Collateral or proceeds thereof in accordance with the provisions of Section 7.4;
- (viii) accelerate any Note which may be accelerated in accordance with its terms, and take any other lawful action to collect upon any Note (including, without limitation, to make any demand for payment thereon);
- (ix) transfer all or any part of the Collateral into the Collateral Agent's name or the name of its nominee or nominees;
- (x) vote (and exercise all rights and powers in respect of voting) all or any part of the Collateral (whether or not transferred into the name of the Collateral Agent) and give all consents, waivers and ratifications in respect of the Collateral and otherwise act with respect thereto as though it were the outright owner thereof (each Assignor hereby irrevocably constituting and appointing the Collateral Agent the proxy and attorney-in-fact of such Assignor, with full power of substitution to do so); and
- (xi) take any other action as specified in clauses (1) through (5), inclusive, of Section 9-607 of the UCC;

it being understood that each Assignor's obligation so to deliver the Collateral is of the essence of this Agreement and that, accordingly, upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by such Assignor of said obligation. By accepting the benefits of this Agreement and each other Security Document, the Secured Creditors expressly acknowledge and agree that this Agreement and each other Security Document may be enforced only by the action of the Collateral Agent acting upon the instructions of the Required Secured Creditors and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent for the benefit of the Secured Creditors upon the terms of this Agreement and the other Security Documents.

7.2 Remedies; Disposition of the Collateral. If any Event of Default shall have occurred and be continuing, then any Collateral repossessed by the Collateral Agent under or pursuant to Section 7.1 hereof and any other Collateral whether or not so repossessed by the Collateral Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Collateral Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Collateral Agent or after any overhaul or repair at the expense of the relevant Assignor which the Collateral Agent shall determine to be commercially reasonable. Any such sale, lease or other disposition may be effected by means of a public disposition or private disposition, effected in accordance with the applicable requirements (in each case if and to the extent applicable) of Sections 9-610 through 9-613 of the UCC and/or such other mandatory requirements of applicable law as may apply to the respective disposition. The Collateral Agent may, without notice or publication,

adjourn any public or private disposition or cause the same to be adjourned from time to time by announcement at the time and place fixed for the disposition, and such disposition may be made at any time or place to which the disposition may be so adjourned. To the extent permitted by any such requirement of law, the Collateral Agent may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for disposition in accordance with this Section 7.2 without accountability to the relevant Assignor. If, under applicable law, the Collateral Agent shall be permitted to make disposition of the Collateral within a period of time which does not permit the giving of notice to the relevant Assignor as hereinabove specified, the Collateral Agent need give such Assignor only such notice of disposition as shall be required by such applicable law. Each Assignor agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make such disposition or dispositions of all or any portion of the Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, domestic or foreign, having jurisdiction over any such sale or sales, all at such Assignor's expense.

7.3 Waiver of Claims. Except as otherwise provided in this Agreement, EACH ASSIGNOR HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NOTICE AND JUDICIAL HEARING IN CONNECTION WITH THE COLLATERAL AGENT'S TAKING POSSESSION OR THE COLLATERAL AGENT'S DISPOSITION OF ANY OF THE COLLATERAL, INCLUDING, WITHOUT LIMITATION, ANY AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES, and each Assignor hereby further waives, to the extent permitted by law:

- (i) all damages occasioned by such taking of possession or any such disposition except any damages which are the direct result of the Collateral Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision);
- (ii) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder; and
- (iii) all rights of redemption, appraisalment, valuation, stay, extension or moratorium now or hereafter in force under any applicable law in order to prevent or delay the enforcement of this Agreement or the absolute sale of the Collateral or any portion thereof, and each Assignor, for itself and all who may claim under it, insofar as it or they now or hereafter lawfully may, hereby waives the benefit of all such laws.

Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the relevant Assignor therein and thereto, and shall be a perpetual bar both at law and in equity against such Assignor and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under such Assignor.

7.4 Application of Proceeds. (a) All moneys collected by the Collateral Agent (or, to the extent any Mortgage or any other Security Document requires proceeds of collateral under such other Security Document to be applied in accordance with the provisions of this Agreement, the Collateral Agent or other agent under such other Security Document) upon any sale or other disposition of the Collateral, together with all other moneys received by the Collateral Agent hereunder, shall be applied as provided in Section 13.17 of the Credit Agreement.

(b) Each of the Secured Creditors, by their acceptance of the benefits hereof and of the other Security Documents, agrees and acknowledges that if the Lender Creditors receive a distribution on account of undrawn amounts with respect to Letters of Credit issued under the Credit Agreement (which shall only occur after all outstanding Revolving Loans under the Credit Agreement and Unpaid Drawings have been paid in full), such amounts shall be paid to the Administrative Agent under the Credit Agreement and held by it, for the equal and ratable benefit of the Lender Creditors, as cash security for the repayment of Obligations owing to the Lender Creditors as such. If any amounts are held as cash security pursuant to the immediately preceding sentence, then upon the termination of all outstanding Letters of Credit under the Credit Agreement, and after the application of all such cash security to the repayment of all Obligations owing to the Lender Creditors after giving effect to the termination of all such Letters of Credit, if there remains any excess cash, such excess cash shall be returned by the Administrative Agent to the Collateral Agent for distribution in accordance with Section 7.4(a) hereof.

(c) All payments required to be made hereunder shall be made (x) if to the Lender Creditors, to the Administrative Agent for the account of the Lender Creditors and (y) if to the Other Creditors, to the trustee, paying agent or other similar representative (each, a "Representative") for the Other Creditors or, in the absence of such a Representative, directly to the Other Creditors.

(d) For purposes of applying payments received in accordance with this Section 7.4, the Collateral Agent shall be entitled to rely upon (i) the Administrative Agent and (ii) the Representative or, in the absence of such a Representative, upon the Other Creditors for a determination (which the Administrative Agent, each Representative and the Other Creditors agree (or shall agree) to provide upon request of the Collateral Agent) of the outstanding Primary Obligations and Secondary Obligations owed to the Lender Creditors or the Other Creditors, as the case may be. Unless it has received written notice from a Lender Creditor or an Other Creditor to the contrary, the Administrative Agent and each Representative, in furnishing information pursuant to the preceding sentence, and the Collateral Agent, in acting hereunder, shall be entitled to assume that no Secondary Obligations are outstanding. Unless it has written notice from an Other Creditor to the contrary, the Collateral Agent, in acting hereunder, shall be entitled to assume that no Secured Hedging Agreements are in existence.

(e) It is understood that the Assignors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Obligations.

7.5 Remedies Cumulative. Each and every right, power and remedy hereby specifically given to the Collateral Agent shall be in addition to every other right, power and remedy specifically given to the Collateral Agent under this Agreement, the other Secured Debt Agreements or now or hereafter existing at law, in equity or by statute and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Collateral Agent. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Collateral Agent in the exercise of any such right, power or remedy and no renewal or extension of any of the Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any Default or Event of Default or an acquiescence thereof. No notice to or demand on any Assignor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Collateral Agent to any other or further action in any circumstances without notice or demand. In the event that the Collateral Agent shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Collateral Agent may recover reasonable expenses, including reasonable attorneys' fees, and the amounts thereof shall be included in such judgment.

7.6 Discontinuance of Proceedings. In case the Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case the relevant Assignor, the Collateral Agent and each holder of any of the Obligations shall be restored to their former positions and rights hereunder with respect to the Collateral subject to the security interest created under this Agreement, and all rights, remedies and powers of the Collateral Agent shall continue as if no such proceeding had been instituted.

ARTICLE VIII

INDEMNITY

8.1 Indemnity. Form of Control Agreement Regarding Deposit Accounts

AGREEMENT (as amended, modified, restated and/or supplemented from time to time, this "Agreement"), dated as of [], 20[], among the undersigned assignor (the "Assignor") DEUTSCHE BANK TRUST COMPANY AMERICAS, not in its individual capacity but solely as Collateral Agent (the "Collateral Agent"), and [] (the "Deposit Account Bank"), as the "bank" (as defined in Section 9-102 of the UCC as in effect on the date hereof in the State of [] (the "UCC")) with which one or more deposit accounts (as defined in Section 9-102 of the UCC) are maintained by the Assignor (with all such deposit accounts now or at any time in the future maintained by the Assignor with the Deposit Account Bank being herein called the "Deposit Accounts").

WITNESSETH:

WHEREAS, the Assignor, various other assignors and the Collateral Agent have entered into a Security Agreement, dated as of [], (as amended, amended and restated, modified or supplemented from time to time, the "Security Agreement"), under which, among other things, in order to secure the payment of the Obligations (as defined in the Security Agreement), the Assignor has granted a security interest to the Collateral Agent for the benefit of the Secured Creditors (as defined in the Security Agreement) in all of the right, title and interest of the Assignor in and into any and all "deposit accounts" (as defined in Section 9-102 of the UCC) and in all monies, securities, instruments and other investments deposited therein from time to time (collectively, herein called the "Collateral"); and

WHEREAS, the Assignor desires that the Deposit Account Bank enter into this Agreement in order to establish "control" (as defined in Section 9-104 of the UCC) in each Deposit Account at any time or from time to time maintained with the Deposit Account Bank, and to provide for the rights of the parties under this Agreement with respect to such Deposit Accounts;

NOW THEREFORE, in consideration of the premises and the mutual promises and agreements contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Assignor's Dealings with Deposit Accounts; Notice of Exclusive Control. Until the Deposit Account Bank shall have received from the Collateral Agent a Notice of Exclusive Control (as defined below), the Assignor shall be entitled to present items drawn on and otherwise to withdraw or direct the disposition of funds from the Deposit Accounts and give instructions in respect of the Deposit Accounts; provided, however, that the Assignor may not, and the Deposit Account Bank agrees that it shall not permit the Assignor to, without the Collateral Agent's prior written consent, close any Deposit Account. If the Collateral Agent

shall give to the Deposit Account Bank a notice of the Collateral Agent's exclusive control of the Deposit Accounts, which notice states that it is a "Notice of Exclusive Control" (a "[Notice of Exclusive Control](#)"), only the Collateral Agent shall be entitled to withdraw funds from the Deposit Accounts, to give any instructions in respect of the Deposit Accounts and any funds held therein or credited thereto or otherwise to deal with the Deposit Accounts.

2. [Collateral Agent's Right to Give Instructions as to Deposit Accounts](#). (a) Notwithstanding the foregoing or any separate agreement that the Assignor may have with the Deposit Account Bank, the Collateral Agent shall be entitled, for purposes of this Agreement, at any time to give the Deposit Account Bank instructions as to the withdrawal or disposition of any funds from time to time credited to any Deposit Account, or as to any other matters relating to any Deposit Account or any other Collateral, without further consent from the Assignor. The Assignor hereby irrevocably authorizes and instructs the Deposit Account Bank, and the Deposit Account Bank hereby agrees, to comply with any such instructions from the Collateral Agent without any further consent from the Assignor. Such instructions may include the giving of stop payment orders for any items being presented to any Deposit Account for payment. The Deposit Account Bank shall be fully entitled to rely on, and shall comply with, such instructions from the Collateral Agent even if such instructions are contrary to any instructions or demands that the Assignor may give to the Deposit Account Bank. In case of any conflict between instructions received by the Deposit Account Bank from the Collateral Agent and the Assignor, the instructions from the Collateral Agent shall prevail.

(b) It is understood and agreed that the Deposit Account Bank's duty to comply with instructions from the Collateral Agent regarding the Deposit Accounts is absolute, and the Deposit Account Bank shall be under no duty or obligation, nor shall it have the authority, to inquire or determine whether or not such instructions are in accordance with the Security Agreement or any other Credit Document (as defined in the Credit Agreement referred to in the Security Agreement), nor seek confirmation thereof from the Assignor or any other Person.

3. [Assignor's Exculpation and Indemnification of Depository Bank](#). The Assignor hereby irrevocably authorizes and instructs the Deposit Account Bank to follow instructions from the Collateral Agent regarding the Deposit Accounts even if the result of following such instructions from the Collateral Agent is that the Deposit Account Bank dishonors items presented for payment from any Deposit Account. The Assignor further confirms that the Deposit Account Bank shall have no liability to the Assignor for wrongful dishonor of such items in following such instructions from the Collateral Agent. The Deposit Account Bank shall have no duty to inquire or determine whether the Assignor's obligations to the Collateral Agent are in default or whether the Collateral Agent is entitled, under any separate agreement between the Assignor and the Collateral Agent, to give any such instructions. The Assignor further agrees to be responsible for the Deposit Account Bank's customary charges and to indemnify the Deposit Account Bank from and to hold the Deposit Account Bank harmless against any loss, cost or expense that the Deposit Account Bank may sustain or incur in acting upon instructions which the Deposit Account Bank believes in good faith to be instructions from the Collateral Agent.

4. Subordination of Security Interests; Deposit Account Bank's Recourse to Deposit Accounts. The Deposit Account Bank hereby subordinates any claims and security interests it may have against, or with respect to, any Deposit Account at any time established or maintained with it by the Assignor (including any amounts, investments, instruments or other Collateral from time to time on deposit therein) to the security interests of the Collateral Agent (for the benefit of the Secured Creditors) therein, and agrees that no amounts shall be charged by it to, or withheld or set-off or otherwise recouped by it from, any Deposit Account of the Assignor or any amounts, investments, instruments or other Collateral from time to time on deposit therein; provided that the Deposit Account Bank may, however, from time to time debit the Deposit Accounts for any of its customary charges in maintaining the Deposit Accounts or for reimbursement for the reversal of any provisional credits granted by the Deposit Account Bank to any Deposit Account, to the extent, in each case, that the Assignor has not separately paid or reimbursed the Deposit Account Bank therefor.

5. Representations, Warranties and Covenants of Deposit Account Bank. The Deposit Account Bank represents and warrants to the Collateral Agent that:

(a) The Deposit Account Bank constitutes a "bank" (as defined in Section 9-102 of the UCC), that the jurisdiction (determined in accordance with Section 9-304 of the UCC) of the Deposit Account Bank for purposes of each Deposit Account maintained by the Assignor with the Deposit Account Bank shall be one or more States within the United States.

(b) The Deposit Account Bank shall not permit any Assignor to establish any demand, time, savings, passbook or other account with it which does not constitute a "deposit account" (as defined in Section 9-102 of the UCC).

(c) The account agreements between the Deposit Account Bank and the Assignor relating to the establishment and general operation of the Deposit Accounts provide, whether specifically or generally, that the laws of _____ govern secured transactions relating to the Deposit Accounts and that the Deposit Account Bank's "jurisdiction" for purposes of Section 9-304 of the UCC in respect of the Deposit Accounts is _____. The Deposit Account Bank will not, without the Collateral Agent's prior written consent, amend any such account agreement so that the Deposit Account Bank's jurisdiction for purposes of Section 9-304 of the UCC is other than a jurisdiction permitted pursuant to preceding clause (a). All account agreements in respect of each Deposit Account in existence on the date hereof are listed on Annex A hereto and copies of all such account agreements have been furnished to the Collateral Agent. The Deposit Account Bank will promptly furnish to the Collateral Agent a copy of the account agreement for each Deposit Account hereafter established by the Deposit Account Bank for the Assignor.

(d) The Deposit Account Bank has not entered and will not enter, into any agreement with any other Person by which the Deposit Account Bank is obligated to comply with instructions from such other Person as to the disposition of funds from any Deposit Account or other dealings with any Deposit Account or other of the Collateral.

(e) On the date hereof the Deposit Account Bank maintains no Deposit Accounts for the Assignor other than the Deposit Accounts specifically identified in Annex A hereto.

(f) Any items or funds received by the Deposit Account Bank for the Assignor's account will be credited to said Deposit Accounts specified in paragraph (e) above or to any other Deposit Accounts hereafter established by the Deposit Account Bank for the Assignor in accordance with this Agreement.

(g) The Deposit Account Bank will promptly notify the Collateral Agent of each Deposit Account hereafter established by the Deposit Account Bank for the Assignor (which notice shall specify the account number of such Deposit Account and the location at which the Deposit Account is maintained), and each such new Deposit Account shall be subject to the terms of this Agreement in all respects.

6. Deposit Account Statements and Information. The Deposit Account Bank agrees, and is hereby authorized and instructed by the Assignor, to furnish to the Collateral Agent, at its address indicated below, copies of all account statements and other information relating to each Deposit Account that the Deposit Account Bank sends to the Assignor and to disclose to the Collateral Agent all information requested by the Collateral Agent regarding any Deposit Account.

7. Conflicting Agreements. This Agreement shall have control over any conflicting agreement between the Deposit Account Bank and the Assignor.

8. Merger or Consolidation of Deposit Account Bank. Without the execution or filing of any paper or any further act on the part of any of the parties hereto, any bank into which the Deposit Account Bank may be merged or with which it may be consolidated, or any bank resulting from any merger to which the Deposit Account Bank shall be a party, shall be the successor of the Deposit Account Bank hereunder and shall be bound by all provisions hereof which are binding upon the Deposit Account Bank and shall be deemed to affirm as to itself all representations and warranties of the Deposit Account Bank contained herein.

11. Binding Agreement. This Agreement shall bind the parties hereto and their successors and assign and shall inure to the benefit of the parties hereto and their successors and assigns. Without limiting the provisions of the immediately preceding sentence, the Collateral Agent at any time or from time to time may designate in writing to the Deposit Account Bank a successor Collateral Agent (at such time, if any, as such entity becomes the Collateral Agent under the Security Agreement, or at any time thereafter) who shall thereafter succeed to the rights of the existing Collateral Agent hereunder and shall be entitled to all of the rights and benefits provided hereunder.

12. Continuing Obligations. The rights and powers granted herein to the Collateral Agent have been granted in order to protect and further perfect its security interests in the Deposit Accounts and other Collateral and are powers coupled with an interest and will be affected neither by any purported revocation by the Assignor of this Agreement or the rights granted to the Collateral Agent hereunder or by the bankruptcy, insolvency, conservatorship or receivership of the Assignor or the Deposit Account Bank or by the lapse of time. The rights of the Collateral Agent hereunder and in respect of the Deposit Accounts and the other Collateral, and the obligations of the Assignor and Deposit Account Bank hereunder, shall continue in effect until the security interests of Collateral Agent in the Deposit Accounts and such other Collateral have been terminated and the Collateral Agent has notified the Deposit Account Bank of such termination in writing.

Without limiting the foregoing, each Pledgor shall be required to pledge hereunder the Equity Interests of any Exempted Foreign Entity at any time and from time to time after the date hereof acquired by such Pledgor, provided that (x) except in the circumstances and to the extent provided by Section 9.14 of the Credit Agreement (in which case this clause (x) shall no longer be applicable), no Pledgor shall be required at any time to pledge hereunder more than 66-²/₃% of the total combined voting power of all classes of Voting Equity Interests of any Exempted Foreign Entity, (y) each Pledgor shall be required to pledge hereunder 100% of the Non-Voting Equity Interests of each Exempted Foreign Entity at any time and from time to time acquired by such Pledgor and (z) no Pledgor shall be required at any time to pledge hereunder any Excluded TNI Assets.

4. APPOINTMENT OF SUB-AGENTS; ENDORSEMENTS, ETC. The Pledgee shall have the right to appoint one or more sub-agents for the purpose of retaining physical possession of the Collateral, which may be held (in the discretion of the Pledgee) in the name of the relevant Pledgor, endorsed or assigned in blank or in favor of the Pledgee or any nominee or nominees of the Pledgee or a sub-agent appointed by the Pledgee.

5. VOTING, ETC., WHILE NO EVENT OF DEFAULT. Unless and until there shall have occurred and be continuing an Event of Default and the Pledgee shall instruct the Pledgors otherwise (in writing), each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Collateral owned by it, and to give consents, waivers or ratifications in respect thereof; provided that, in each case, no vote shall be cast or any consent, waiver or ratification given or any action taken or omitted to be taken which would violate, result in a breach of any covenant contained in, or be inconsistent with any of the terms of any Secured Debt Agreement, or which could reasonably be expected to have the effect of impairing the value of the Collateral or any part thereof or the position or interests of the Pledgee or any other Secured Creditor in the Collateral, unless expressly permitted by the terms of the Secured Debt Agreements. All such rights of each Pledgor to vote and to give consents, waivers and ratifications shall cease in case an Event of Default has occurred and is continuing and the Pledgee has notified the Pledgors (in writing) that such rights have ceased, and Section 7 hereof shall become applicable.

6. DIVIDENDS AND OTHER DISTRIBUTIONS. Unless and until there shall have occurred and be continuing an Event of Default, all cash dividends, cash distributions, cash Proceeds and other cash amounts payable in respect of the Collateral shall be paid to the respective Pledgor. The Pledgee shall be entitled to receive directly, and to retain as part of the Collateral:

- (ii) all other or additional stock, notes, certificates, limited liability company interests, partnership interests, instruments or other securities or property (including, but not limited to, cash (although such cash may be paid directly to the respective Pledgor so

long as no Event of Default then exists)) paid or distributed in respect of the Collateral by way of stock-split, spin-off, split-up, reclassification, combination of shares or similar rearrangement; and

(iii) all other or additional stock, notes, certificates, limited liability company interests, partnership interests, instruments or other securities or property (including, but not limited to, cash) which may be paid in respect of the Collateral by reason of any consolidation, merger, exchange of stock, conveyance of assets, liquidation or similar corporate or other reorganization.

Nothing contained in this Section 6 shall limit or restrict in any way the Pledgee's right to receive the proceeds of the Collateral in any form in accordance with Section 3 of this Agreement. All dividends, distributions or other payments which are received by any Pledgor contrary to the provisions of this Section 6 or Section 7 hereof shall be received in trust for the benefit of the Pledgee, shall be segregated from other property or funds of such Pledgor and shall be forthwith paid over to the Pledgee as Collateral in the same form as so received (with any necessary endorsement).

7. REMEDIES IN CASE OF AN EVENT OF DEFAULT. If there shall have occurred and be continuing an Event of Default, then and in every such case, the Pledgee shall be entitled to exercise all of the rights, powers and remedies (whether vested in it by this Agreement, any other Secured Debt Agreement or by law) for the protection and enforcement of its rights in respect of the Collateral, and the Pledgee shall be entitled to exercise all the rights and remedies of a secured party under the UCC as in effect in any relevant jurisdiction and also shall be entitled, without limitation, to exercise the following rights, which each Pledgor hereby agrees to be commercially reasonable:

(i) to receive all amounts payable in respect of the Collateral otherwise payable under Section 6 hereof to the respective Pledgor;

(ii) to transfer all or any part of the Collateral into the Pledgee's name or the name of its nominee or nominees;

(iii) to vote (and exercise all rights and powers in respect of voting) all or any part of the Collateral (whether or not transferred into the name of the Pledgee) and give all consents, waivers and ratifications in respect of the Collateral and otherwise act with respect thereto as though it were the outright owner thereof (each Pledgor hereby irrevocably constituting and appointing the Pledgee the proxy and attorney-in-fact of such Pledgor, with full power of substitution to do so);

(iv) at any time and from time to time to sell, assign and deliver, or grant options to purchase, all or any part of the Collateral, or any interest therein, at any public or private sale, without demand of performance, advertisement or, notice of intention to sell or of the time or place of sale or adjournment thereof or to redeem or otherwise purchase or dispose (all of which are hereby waived by each Pledgor), for cash, on credit or for other property, for immediate or future delivery without any assumption of credit risk, and for such price or prices and on such terms as the Pledgee in its absolute

discretion may determine, provided at least 10 days' written notice of the time and place of any such sale shall be given to the respective Pledgor. The Pledgee shall not be obligated to make any such sale of Collateral regardless of whether any such notice of sale has theretofore been given. Each Pledgor hereby waives and releases to the fullest extent permitted by law any right or equity of redemption with respect to the Collateral, whether before or after sale hereunder, and all rights, if any, of marshalling the Collateral and any other security or the Obligations or otherwise. At any such sale, unless prohibited by applicable law, the Pledgee on behalf of the Secured Creditors may bid for and purchase all or any part of the Collateral so sold free from any such right or equity of redemption. Neither the Pledgee nor any other Secured Creditor shall be liable for failure to collect or realize upon any or all of the Collateral or for any delay in so doing nor shall any of them be under any obligation to take any action whatsoever with regard thereto; and

(v) to set off any and all Collateral against any and all Obligations, and to withdraw any and all cash or other Collateral from any and all accounts described in Section 3.2(a)(v) hereof and to apply such cash and other Collateral to the payment of any and all Obligations.

8. REMEDIES, CUMULATIVE, ETC. Each and every right, power and remedy of the Pledgee provided for in this Agreement or in any other Secured Debt Agreement, or now or hereafter existing at law or in equity or by statute shall be cumulative and concurrent and shall be in addition to every other such right, power or remedy. The exercise or beginning of the exercise by the Pledgee or any other Secured Creditor of any one or more of the rights, powers or remedies provided for in this Agreement or any other Secured Debt Agreement or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the Pledgee or any other Secured Creditor of all such other rights, powers or remedies, and no failure or delay on the part of the Pledgee or any other Secured Creditor to exercise any such right, power or remedy shall operate as a waiver thereof. No notice to or demand on any Pledgor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Pledgee or any other Secured Creditor to any other or further action in any circumstances without notice or demand. The Secured Creditors agree that this Agreement may be enforced only by the action of the Pledgee, in each case, acting upon the instructions of the Required Secured Creditors, and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Pledgee for the benefit of the Secured Creditors upon the terms of this Agreement.

9. APPLICATION OF PROCEEDS. (a) All monies collected by the Pledgee pursuant to the terms of this Agreement upon any sale or other disposition of Collateral, together with all other monies received by the Pledgee hereunder, shall be applied as provided in Section 13.17 of the Credit Agreement.

(b) All payments required to be made under Section 13.17 of the Credit Agreement shall be made (x) if to the Lender Creditors, to the Administrative Agent for the account of the Lender Creditors and (y) if to the Other Creditors, to the trustee, paying agent or

other similar representative (each, a "Representative") for the Other Creditors or, in the absence of such a Representative, directly to the Other Creditors.

(c) For purposes of applying payments received in accordance with this Section 9, the Pledgee shall be entitled to rely upon (i) the Administrative Agent and (ii) the Representative or, in the absence of such a Representative, upon the Other Creditors for a determination (which the Administrative Agent, each Representative and the Other Creditors agree (or shall agree) to provide upon request of the Pledgee) of the outstanding Primary Obligations and Secondary Obligations owed to the Lender Creditors or the Other Creditors, as the case may be. Unless it has received written notice from a Lender Creditor or an Other Creditor to the contrary, the Administrative Agent and each Representative, in furnishing information pursuant to the preceding sentence, and the Pledgee, in acting hereunder, shall be entitled to assume that no Secondary Obligations are outstanding. Unless it has written notice from an Other Creditor to the contrary, the Pledgee, in acting hereunder, shall be entitled to assume that no Secured Hedging Agreements are in existence.

(d) It is understood and agreed that each Pledgor shall remain jointly and severally liable with respect to its Obligations to the extent of any deficiency between the amount of the proceeds of the Collateral pledged by it hereunder and the aggregate amount of such Obligations.

10. PURCHASERS OF COLLATERAL. Upon any sale of the Collateral by the Pledgee hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt of the Pledgee or the officer making such sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Pledgee or such officer or be answerable in any way for the misapplication or nonapplication thereof.

11. INDEMNITY. Each Pledgor jointly and severally agrees (i) to indemnify, reimburse and hold harmless the Pledgee and each other Secured Creditor and their respective successors, assigns, employees, agents and affiliates (individually an "Indemnitee", and collectively, the "Indemnitees") from and against any and all obligations, damages, injuries, penalties, claims, demands, losses, judgments and liabilities (including, without limitation, liabilities for penalties) of whatsoever kind or nature, and (ii) to reimburse each Indemnitee for all reasonable costs, expenses and disbursements, including reasonable attorneys' fees and expenses, in each case arising out of or resulting from this Agreement or the exercise by any Indemnitee of any right or remedy granted to it hereunder or under any other Secured Debt Agreement (but excluding any obligations, damages, injuries, penalties, claims, demands, losses, judgments and liabilities (including, without limitation, liabilities for penalties) or expenses of whatsoever kind or nature to the extent incurred or arising by reason of gross negligence or willful misconduct of such Indemnitee (as determined by a court of competent jurisdiction in a final and non-appealable decision)). In no event shall the Pledgee hereunder be liable, in the absence of gross negligence or willful misconduct on its part (as determined by a court of competent jurisdiction in a final and non-appealable decision), for any matter or thing in connection with this Agreement other than to account for monies or other property actually received by it in accordance with the terms hereof. If and to the extent that the obligations of any

Pledgor under this Section 11 are unenforceable for any reason, such Pledgor hereby agrees to make the maximum contribution to the payment and satisfaction of such obligations which is permissible under applicable law. The indemnity obligations of each Pledgor contained in this Section 11 shall continue in full force and effect notwithstanding the full payment of all the Notes issued under the Credit Agreement, the termination of all Secured Hedging Agreements and Letters of Credit, and the payment of all other Obligations and notwithstanding the discharge thereof.

12. PLEDGEE NOT A PARTNER OR LIMITED LIABILITY COMPANY MEMBER. (a) Nothing herein shall be construed to make the Pledgee or any other Secured Creditor liable as a member of any limited liability company or as a partner of any partnership and neither the Pledgee nor any other Secured Creditor by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Pledgee shall become the absolute owner of Collateral consisting of a Limited Liability Company Interest or a Partnership Interest pursuant hereto, this Agreement shall not be construed as creating a partnership or joint venture among the Pledgee, any other Secured Creditor, any Pledgor and/or any other Person.

(b) Except as provided in the last sentence of paragraph (a) of this Section 12, the Pledgee, by accepting this Agreement, did not intend to become a member of any limited liability company or a partner of any partnership or otherwise be deemed to be a co-venturer with respect to any Pledgor, any limited liability company, partnership and/or any other Person either before or after an Event of Default shall have occurred. The Pledgee shall have only those powers set forth herein and the Secured Creditors shall assume none of the duties, obligations or liabilities of a member of any limited liability company or as a partner of any partnership or any Pledgor except as provided in the last sentence of paragraph (a) of this Section 12.

(c) The Pledgee and the other Secured Creditors shall not be obligated to perform or discharge any obligation of any Pledgor as a result of the pledge hereby effected.

(d) The acceptance by the Pledgee of this Agreement, with all the rights, powers, privileges and authority so created, shall not at any time or in any event obligate the Pledgee or any other Secured Creditor to appear in or defend any action or proceeding relating to the Collateral to which it is not a party, or to take any action hereunder or thereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Collateral.

13. FURTHER ASSURANCES; POWER-OF-ATTORNEY. (a) Each Pledgor agrees that it will join with the Pledgee in executing and, at such Pledgor's own expense, file and refile under the UCC or other applicable law such financing statements, continuation statements and other documents, in form reasonably acceptable to the Pledgee, in such offices as the Pledgee (acting on its own or on the instructions of the Required Secured Creditors) may reasonably deem necessary or appropriate and wherever required or permitted by law in order to perfect and preserve the Pledgee's security interest in the Collateral hereunder and hereby authorizes the Pledgee to file financing statements and amendments thereto relative to all or any part of the Collateral (including, without limitation, (x) financing statements which list the

Collateral specifically and/or “all assets” as collateral and (y) “in lieu of” financing statements) without the signature of such Pledgor where permitted by law, and agrees to do such further acts and things and to execute and deliver to the Pledgee such additional conveyances, assignments, agreements and instruments as the Pledgee may reasonably require or deem advisable to carry into effect the purposes of this Agreement or to further assure and confirm unto the Pledgee its rights, powers and remedies hereunder or thereunder.

(b) Each Pledgor hereby constitutes and appoints the Pledgee its true and lawful attorney-in-fact, irrevocably, with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, from time to time after the occurrence and during the continuance of an Event of Default, in the Pledgee’s discretion, to act, require, demand, receive and give acquittance for any and all monies and claims for monies due or to become due to such Pledgor under or arising out of the Collateral, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings and to execute any instrument which the Pledgee may deem necessary or advisable to accomplish the purposes of this Agreement, which appointment as attorney is coupled with an interest.

14. THE PLEDGEE AS COLLATERAL AGENT. The Pledgee will hold in accordance with this Agreement all items of the Collateral at any time received under this Agreement. It is expressly understood, acknowledged and agreed by each Secured Creditor that by accepting the benefits of this Agreement each such Secured Creditor acknowledges and agrees that the obligations of the Pledgee as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Section 12 of the Credit Agreement. The Pledgee shall act hereunder on the terms and conditions set forth herein and in Section 12 of the Credit Agreement.

15. TRANSFER BY THE PLEDGORS. Except as permitted (i) prior to the date all Credit Document Obligations have been paid in full and all Commitments and Letters of Credit under the Credit Agreement have been terminated, pursuant to the Credit Agreement, and (ii) thereafter, pursuant to the other Secured Debt Agreements, no Pledgor will sell or otherwise dispose of, grant any option with respect to, or mortgage, pledge or otherwise encumber any of the Collateral or any interest therein.

16. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PLEDGORS. (a) Each Pledgor represents, warrants and covenants as to itself and each of its Subsidiaries that:

(i) it is the legal, beneficial and record owner of, and has good and marketable title to, all of its Collateral and that it has sufficient interest in all of its Collateral in which a security interest is purported to be created hereunder for such security interest to attach (subject, in each case, to no pledge, lien, mortgage, hypothecation, security interest, charge, option, Adverse Claim or other encumbrance whatsoever, except the liens and security interests created by this Agreement and any other Permitted Liens and Permitted Encumbrances granted pursuant to the Second Lien Loan Documents);

(ii) it has full power, authority and legal right to pledge all the Collateral pledged by it pursuant to this Agreement;

(iii) this Agreement has been duly authorized, executed and delivered by such Pledgor and constitutes a legal, valid and binding obligation of such Pledgor enforceable against such Pledgor in accordance with its terms, except to the extent that the enforceability hereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and by general equitable principles (regardless of whether enforcement is sought in equity or at law);

(iv) except to the extent already obtained or made, no consent of any other party (including, without limitation, any stockholder, partner, member or creditor of such Pledgor or any of its Subsidiaries) and no consent, license, permit, approval or authorization of, exemption by, notice or report to, or registration, filing or declaration with, any governmental authority is required to be obtained by such Pledgor in connection with (a) the execution, delivery or performance of this Agreement by such Pledgor, (b) the validity or enforceability of this Agreement against such Pledgor, (c) the perfection or enforceability of the Pledgee's security interest in such Pledgor's Collateral or (d) except for compliance with or as may be required by applicable securities laws, the exercise by the Pledgee of any of its rights or remedies provided herein;

(v) neither the execution, delivery or performance by such Pledgor of this Agreement or any other Secured Debt Agreement to which it is a party, nor compliance by it with the terms and provisions hereof and thereof nor the consummation of the transactions contemplated therein: (i) will contravene any provision of any applicable law, statute, rule or regulation, or any applicable order, writ, injunction or decree of any court, arbitrator or governmental instrumentality, domestic or foreign, applicable to such Pledgor; (ii) will conflict or be inconsistent with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to this Agreement or any other Security Document) upon any of the properties or assets of such Pledgor or any of its Subsidiaries pursuant to the terms of any indenture, lease, mortgage, deed of trust, credit agreement, loan agreement or any other material agreement, contract or other instrument to which such Pledgor or any of its Subsidiaries is a party or is otherwise bound, or by which it or any of its properties or assets is bound or to which it may be subject; or (iii) will violate any provision of the certificate of incorporation, by-laws, certificate of partnership, partnership agreement, certificate of formation or limited liability company agreement (or equivalent organizational documents), as the case may be, of such Pledgor or any of its Subsidiaries;

(vi) all of such Pledgor's Collateral has been duly and validly issued, is fully paid and non-assessable and is subject to no options to purchase or similar rights;

(vii) the pledge, collateral assignment and delivery to the Pledgee of such Pledgor's Collateral consisting of Certificated Securities pursuant to this Agreement creates a valid and perfected first priority security interest in such Certificated Securities, and the Proceeds thereof, subject to no prior Lien or encumbrance or to any agreement

purporting to grant to any third party a Lien or encumbrance on the property or assets of such Pledgor (other than Permitted Liens and Permitted Encumbrances granted pursuant to the Second Lien Loan Documents) which would include the Securities and the Pledgee is entitled to all the rights, priorities and benefits afforded by the UCC or other relevant law as enacted in any relevant jurisdiction to perfect security interests in respect of such Collateral; and

(viii) "control" (as defined in Section 8-106 of the UCC) has been obtained by the Pledgee over all of such Pledgor's Collateral consisting of Securities with respect to which such "control" may be obtained pursuant to Section 8-106 of the UCC, except to the extent that the obligation of the applicable Pledgor to provide the Pledgee with "control" of such Collateral has not yet arisen under this Agreement; provided that in the case of the Pledgee obtaining "control" over Collateral consisting of a Security Entitlement, such Pledgor shall have taken all steps in its control so that the Pledgee obtains "control" over such Security Entitlement.

(b) Each Pledgor covenants and agrees that it will defend the Pledgee's right, title and security interest in and to such Pledgor's Collateral and the proceeds thereof against the claims and demands of all persons whomsoever; and each Pledgor covenants and agrees that it will have like title to and right to pledge any other property at any time hereafter pledged to the Pledgee by such Pledgor as Collateral hereunder and will likewise defend the right thereto and security interest therein of the Pledgee and the other Secured Creditors.

(c) Each Pledgor covenants and agrees that it will take no action which would violate any of the terms of any Secured Debt Agreement.

17. LEGAL NAMES; TYPE OF ORGANIZATION (AND WHETHER A REGISTERED ORGANIZATION AND/OR A TRANSMITTING UTILITY); JURISDICTION OF ORGANIZATION; LOCATION; ORGANIZATIONAL IDENTIFICATION NUMBERS; CHANGES THERETO; ETC. The exact legal name of each Pledgor, the type of organization of such Pledgor, whether or not such Pledgor is a Registered Organization, the jurisdiction of organization of such Pledgor, such Pledgor's Location, the organizational identification number (if any) of each Pledgor, and whether or not such Pledgor is a Transmitting Utility, is listed on Annex A hereto for such Pledgor. No Pledgor shall change its legal name, its type of organization, its status as a Registered Organization (in the case of a Registered Organization), its status as a Transmitting Utility or as a Person which is not a Transmitting Utility, as the case may be, its jurisdiction of organization, its Location, or its organizational identification number (if any), except that any such changes shall be permitted (so long as not in violation of the applicable requirements of the Secured Debt Agreements and so long as same do not involve (x) a Registered Organization ceasing to constitute same or (y) any Pledgor changing its jurisdiction of organization or Location from the United States or a State thereof to a jurisdiction of organization or Location, as the case may be, outside the United States or a State thereof) if (i) it shall have given to the Collateral Agent not less than 15 days' prior written notice of each change to the information listed on Annex A (as adjusted for any subsequent changes thereto previously made in accordance with this sentence), together with a supplement to Annex A which shall correct all information contained therein for such Pledgor, and (ii) in connection with such change or changes, it shall have taken all action reasonably requested by the Pledgee to

maintain the security interests of the Pledgee in the Collateral intended to be granted hereby at all times fully perfected and in full force and effect. In addition, to the extent that any Pledgor does not have an organizational identification number on the date hereof and later obtains one, such Pledgor shall promptly thereafter deliver a notification of the Collateral Agent of such organizational identification number and shall take all actions reasonably satisfactory to the Pledgee to the extent necessary to maintain the security interest of the Pledgee in the Collateral intended to be granted hereby fully perfected and in full force and effect.

18. PLEDGORS' OBLIGATIONS ABSOLUTE, ETC. The obligations of each Pledgor under this Agreement shall be absolute and unconditional and shall remain in full force and effect without regard to, and shall not be released, suspended, discharged, terminated or otherwise affected by, any circumstance or occurrence whatsoever (other than termination of this Agreement pursuant to Section 20 hereof), including, without limitation:

(i) any renewal, extension, amendment or modification of, or addition or supplement to or deletion from any Secured Debt Agreement (other than this Agreement in accordance with its terms), or any other instrument or agreement referred to therein, or any assignment or transfer of any thereof;

(ii) any waiver, consent, extension, indulgence or other action or inaction under or in respect of any such agreement or instrument including, without limitation, this Agreement (other than a waiver, consent or extension with respect to this Agreement in accordance with its terms);

(iii) any furnishing of any additional security to the Pledgee or its assignee or any acceptance thereof or any release of any security by the Pledgee or its assignee;

(iv) any limitation on any party's liability or obligations under any such instrument or agreement or any invalidity or unenforceability, in whole or in part, of any such instrument or agreement or any term thereof; or

(v) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to any Pledgor or any Subsidiary of any Pledgor, or any action taken with respect to this Agreement by any trustee or receiver, or by any court, in any such proceeding, whether or not such Pledgor shall have notice or knowledge of any of the foregoing.

19. SALE OF COLLATERAL WITHOUT REGISTRATION. (a) If an Event of Default shall have occurred and be continuing and any Pledgor shall have received from the Pledgee a written request or requests that such Pledgor cause any registration, qualification or compliance under any federal or state securities law or laws to be effected with respect to all or any part of the Collateral, such Pledgor as soon as practicable and at its expense will use its best efforts to cause such registration to be effected (and be kept effective) and will use its best efforts to cause such qualification and compliance to be effected (and be kept effective) as may be so requested and as would permit or facilitate the sale and distribution of such Collateral, including, without limitation, registration under the Securities Act, as then in effect (or any similar statute then in effect), appropriate qualifications under applicable blue sky or other state securities laws

and appropriate compliance with any other governmental requirements; provided, that the Pledgee shall furnish to such Pledgor such information regarding the Pledgee as such Pledgor may request in writing and as shall be required in connection with any such registration, qualification or compliance. Each Pledgor will cause the Pledgee to be kept reasonably advised in writing as to the progress of each such registration, qualification or compliance and as to the completion thereof, will furnish to the Pledgee such number of prospectuses, offering circulars and other documents incident thereto as the Pledgee from time to time may reasonably request, and will indemnify, to the extent permitted by law, the Pledgee and all other Secured Creditors participating in the distribution of such Collateral against all claims, losses, damages and liabilities caused by any untrue statement (or alleged untrue statement) of a material fact contained therein (or in any related registration statement, notification or the like) or by any omission (or alleged omission) to state therein (or in any related registration statement, notification or the like) a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same may have been caused by an untrue statement or omission based upon information furnished in writing to such Pledgor by the Pledgee or such other Secured Creditor expressly for use therein.

(b) If at any time when the Pledgee shall determine to exercise its right to sell all or any part of the Collateral pursuant to Section 7 hereof, and such Collateral or the part thereof to be sold shall not, for any reason whatsoever, be effectively registered under the Securities Act, as then in effect, the Pledgee may, in its sole and absolute discretion, sell such Collateral or part thereof by private sale in such manner and under such circumstances as the Pledgee may deem necessary or advisable in order that such sale may legally be effected without such registration. Without limiting the generality of the foregoing, in any such event the Pledgee, in its sole and absolute discretion (i) may proceed to make such private sale notwithstanding that a registration statement for the purpose of registering such Collateral or part thereof shall have been filed under such Securities Act, (ii) may approach and negotiate with a single possible purchaser to effect such sale, and (iii) may restrict such sale to a purchaser who will represent and agree that such purchaser is purchasing for its own account, for investment, and not with a view to the distribution or sale of such Collateral or part thereof. In the event of any such sale, the Pledgee shall incur no responsibility or liability for selling all or any part of the Collateral at a price which the Pledgee, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might be realized if the sale were deferred until the registration as aforesaid.

20. TERMINATION; RELEASE. (a) On the Termination Date, this Agreement shall terminate (provided that all indemnities set forth herein including, without limitation, in Section 11 hereof shall survive any such termination) and the Pledgee, at the request and expense of such Pledgor, will execute and deliver to such Pledgor a proper instrument or instruments (including UCC termination statements) acknowledging the satisfaction and termination of this Agreement (including, without limitation, UCC termination statements and instruments of satisfaction, discharge and/or reconveyance), and will duly release from the security interest created hereby and assign, transfer and deliver to such Pledgor (without recourse and without any representation or warranty) such of the Collateral as may be in the possession of the Pledgee and as has not theretofore been sold or otherwise applied or released pursuant to this Agreement, together with any moneys at the time held by the Pledgee or any of its sub-agents hereunder and, with respect to any Collateral consisting of an Uncertificated Security, a Partnership Interest or a

Limited Liability Company Interest (other than an Uncertificated Security, Partnership Interest or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary), a termination of the agreement relating thereto executed and delivered by the issuer of such Uncertificated Security pursuant to Section 3.2(a)(ii) or by the respective partnership or limited liability company pursuant to Section 3.2(a)(iv)(2). As used in this Agreement, "Termination Date" shall mean the date upon which the Commitments under the Credit Agreement have been terminated and all Secured Hedging Agreements entitled to the benefits of this Agreement have been terminated (or other arrangements satisfactory to the counterparties thereto have been completed), no Note (as defined in the Credit Agreement) is outstanding (and all Loans have been paid in full in cash), all Letters of Credit have been terminated (or cash collateralized or made subject to backstop letters of credit in the aggregate face amount of all outstanding Letters of Credit pursuant to documentation acceptable to the Collateral Agent and the Issuing Lender), and all other Obligations (other than indemnities described in Section 11 hereof and described in Section 13.01 of the Credit Agreement, in each case which are not then due and payable) then due and payable have been paid in full.

(b) In the event that any part of the Collateral is sold or otherwise disposed of (to a Person other than a Credit Party) (I) (x) at any time prior to the time at which all Credit Document Obligations have been paid in full and all Commitments and Letters of Credit under the Credit Agreement have been terminated, in connection with a sale or disposition permitted by Section 10.02 of the Credit Agreement or is otherwise released at the direction of the Required Lenders (or all the Lenders if required by Section 13.12 of the Credit Agreement) or (y) at any time thereafter, to the extent permitted by the other Secured Debt Agreements, and in the case of clauses (x) and (y), the proceeds of such sale or disposition (or from such release) are applied in accordance with the terms of the Credit Agreement or such other Secured Debt Agreement, as the case may be, to the extent required to be so applied, or (II) pursuant to a Joint-Venture Transaction in accordance with the terms of the Credit Agreement, the Pledgee, at the request and expense of such Pledgor, will duly release from the security interest created hereby, or in the case of a Joint-Venture Transaction, the security interests created hereby shall be automatically released (and, in each case, will execute and deliver such documentation, including termination or partial release statements and the like in connection therewith) and assign, transfer and deliver to such Pledgor (without recourse and without any representation or warranty) such of the Collateral as is then being (or has been) so sold or released and as may be in the possession of the Pledgee (or, in the case of Collateral held by any sub-agent designated pursuant to Section 4 hereto, such sub-agent) and has not theretofore been released pursuant to this Agreement.

(c) At any time that any Pledgor desires that Collateral be released as provided in the foregoing Section 20(a) or (b), it shall deliver to the Pledgee (and the relevant sub-agent, if any, designated pursuant to Section 4 hereof) a certificate signed by an Authorized Officer of such Pledgor stating that the release of the respective Collateral is permitted pursuant to Section 20(a) or (b) hereof. If reasonably requested by the Pledgee (although the Pledgee shall have no obligation to make any such request), the relevant Pledgor shall furnish appropriate legal opinions (from counsel, reasonably acceptable to the Pledgee) to the effect set forth in the immediately preceding sentence.

(d) Upon the occurrence of the Termination Date, the Pledgors shall be automatically released from this Agreement and all security interests created hereunder shall be

released automatically without further action on the part of the Pledgee and this Agreement shall, as to each Pledgor, terminate, and have no further force or effect (provided that all indemnitees set forth herein, including, without limitation, in Section 11 hereof shall survive any such termination).

(e) The Pledgee shall have no liability whatsoever to any other Secured Creditor as the result of any release of Collateral by it in accordance with (or which the Collateral Agent in good faith believes to be in accordance with) this Section 20.

21. NOTICES, ETC. Except as otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be sent or delivered by mail, telegraph, telex, telecopy, cable or courier service and all such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Pledgee or any Pledgor shall not be effective until received by the Pledgee or such Pledgor, as the case may be. All notices and other communications shall be in writing and addressed as follows:

(b) if to the Pledgee, at:

(c) if to any Lender Creditor, either (x) to the Administrative Agent, at the address of the Administrative Agent specified in the Credit Agreement, or (y) at such address as such Lender Creditor shall have specified in the Credit Agreement;

(d) if to any Other Creditor, at such address as such Other Creditor shall have specified in writing to the Pledgors and the Pledgee;

or at such other address or addressed to such other individual as shall have been furnished in writing by any Person described above to the party required to give notice hereunder.

22. WAIVER; AMENDMENT. Except as provided in Sections 30 and 32 hereof, none of the terms and conditions of this Agreement may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by each Pledgor directly affected thereby (it being understood that the addition or release of any Pledgor hereunder shall not constitute a change, waiver, discharge or termination affecting any Pledgor other than the Pledgor so added or released) and the Pledgee (with the written consent of the Required Secured Creditors); provided, however, that any change, waiver, modification or variance affecting the rights and benefits of a single Class of Secured Creditors (and not all Secured Creditors in a like or similar manner) also shall require the written consent of the Requisite Creditors of such

affected Class. For the purpose of this Agreement, the term “Class” shall mean each class of Secured Creditors, i.e., whether (x) the Lender Creditors as holders of the Credit Document Obligations or (y) the Other Creditors as the holders of the Other Obligations. For the purpose of this Agreement, the term “Requisite Creditors” of any Class shall mean each of (x) with respect to the Credit Document Obligations, the Required Lenders (or, to the extent provided in Section 13.12 of the Credit Agreement, each of the Lenders), and (y) with respect to the Other Obligations, the holders of at least a majority of all Other Obligations outstanding from time to time.

23. SUCCESSORS AND ASSIGNS. This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect, subject to release and/or termination as set forth in Section 20 hereof, (ii) be binding upon each Pledgor, its successors and assigns; provided, however, that no Pledgor shall assign any of its rights or obligations hereunder without the prior written consent of the Pledgee (with the prior written consent of the Required Secured Creditors), and (iii) inure, together with the rights and remedies of the Pledgee hereunder, to the benefit of the Pledgee, the other Secured Creditors and their respective successors, transferees and assigns. All agreements, statements, representations and warranties made by each Pledgor herein or in any certificate or other instrument delivered by such Pledgor or on its behalf under this Agreement shall be considered to have been relied upon by the Secured Creditors and shall survive the execution and delivery of this Agreement and the other Secured Debt Agreements regardless of any investigation made by the Secured Creditors or on their behalf.

24. HEADINGS DESCRIPTIVE. The headings of the several Sections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

25. GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL. (a) THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE INTERNAL LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, IN EACH CASE WHICH ARE LOCATED IN THE COUNTY OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PLEDGOR HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE NON-EXCLUSIVE JURISDICTION OF THE AFORESAID COURTS. EACH PLEDGOR HEREBY FURTHER IRREVOCABLY WAIVES ANY CLAIM THAT ANY SUCH COURTS LACK PERSONAL JURISDICTION OVER SUCH PLEDGOR, AND AGREES NOT TO PLEAD OR CLAIM IN ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN ANY OF THE AFORESAID COURTS THAT ANY SUCH COURT LACKS PERSONAL JURISDICTION OVER SUCH PLEDGOR. EACH PLEDGOR FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR

PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO ANY SUCH PLEDGOR AT ITS ADDRESS FOR NOTICES AS PROVIDED IN SECTION 21 ABOVE, SUCH SERVICE TO BECOME EFFECTIVE 30 DAYS AFTER SUCH MAILING. EACH PLEDGOR HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY OTHER CREDIT DOCUMENT THAT SUCH SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE PLEDGEE UNDER THIS AGREEMENT, OR ANY SECURED CREDITOR, TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY PLEDGOR IN ANY OTHER JURISDICTION.

(b) EACH PLEDGOR HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

26. PLEDGOR'S DUTIES. It is expressly agreed, anything herein contained to the contrary notwithstanding, that each Pledgor shall remain liable to perform all of the obligations, if any, assumed by it with respect to the Collateral and the Pledgee shall not have any obligations or liabilities with respect to any Collateral by reason of or arising out of this Agreement, except for the safekeeping of Collateral actually in Pledgor's possession, nor shall the Pledgee be required or obligated in any manner to perform or fulfill any of the obligations of any Pledgor under or with respect to any Collateral.

27. COUNTERPARTS. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with each Pledgor and the Pledgee.

28. SEVERABILITY. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any

such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

29. **RECOURSE.** This Agreement is made with full recourse to each Pledgor and pursuant to and upon all the representations, warranties, covenants and agreements on the part of such Pledgor contained herein and in the other Secured Debt Agreements and otherwise in writing in connection herewith or therewith.

30. **ADDITIONAL PLEDGORS.** It is understood and agreed that any Subsidiary of the Borrower that is required to become a party to this Agreement after the date hereof pursuant to the requirements of the Credit Agreement or any other Secured Debt Agreement, shall become a Pledgor hereunder by (x) executing a counterpart hereof and delivering same to the Pledgee or executing a joinder agreement and delivering same to the Pledgee, in each case as may be required by (and in form and substance satisfactory to) the Pledgee, (y) delivering supplements to Annexes A through F, hereto as are necessary to cause such annexes to be complete and accurate with respect to such additional Pledgor on such date and (z) taking all actions as specified in this Agreement as would have been taken by such Pledgor had it been an original party to this Agreement, in each case with all documents required above to be delivered to the Pledgee and with all documents and actions required above to be taken to the reasonable satisfaction of the Pledgee.

31. **LIMITED OBLIGATIONS.** It is the desire and intent of each Pledgor and the Secured Creditors that this Agreement shall be enforced against each Pledgor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought. Notwithstanding anything to the contrary contained herein, in furtherance of the foregoing, it is noted that the obligations of each Pledgor constituting a Subsidiary Guarantor have been limited as provided in the Subsidiaries Guaranty.

32. **RELEASE OF PLEDGORS.** If at any time all of the Equity Interests of any Pledgor owned by the Borrower or any of its Subsidiaries are sold (to a Person other than a Credit Party) in a transaction permitted pursuant to the Credit Agreement (and which does not violate the terms of any other Secured Debt Agreement then in effect), then, such Pledgor shall be released as a Pledgor pursuant to this Agreement without any further action hereunder (it being understood that the sale of all of the Equity Interests in any Person that owns, directly or indirectly, all of the Equity Interests in any Pledgor shall be deemed to be a sale of all of the Equity Interests in such Pledgor for purposes of this Section), and the Pledgee is authorized and directed to execute and deliver such instruments of release as are reasonably satisfactory to it. At any time that the Borrower desires that a Pledgor be released from this Agreement as provided in this Section 32, the Borrower shall deliver to the Pledgee a certificate signed by an Authorized Officer of the Borrower stating that the release of such Pledgor is permitted pursuant to this Section 32. If requested by Pledgee (although the Pledgee shall have no obligation to make any such request), the Borrower shall furnish legal opinions (from counsel acceptable to the Pledgee) to the effect set forth in the immediately preceding sentence. The Pledgee shall have no liability whatsoever to any other Secured Creditor as a result of the release of any Pledgor by it in accordance with, or which it believes in good faith to be in accordance with, this Section 32.

34. INTERCREDITOR AGREEMENTS. Notwithstanding anything herein to the contrary, the exercise of any right or remedy by the Pledgee hereunder shall be subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.

(x) subordinated to any Lien securing any obligation of any Loan Party other than the Second Priority Obligations or (y) otherwise subordinated, voided, avoided, invalidated or lapsed.

(b) The First Priority Representative, on behalf of itself and the other First Priority Secured Parties, acknowledges and agrees that the Second Priority Representative on behalf of itself and the other Second Priority Secured Parties, has been granted Liens upon all of the Common Collateral, and the First Priority Representative, on behalf of itself and the other First Priority Secured Parties, hereby consents thereto. The subordination of its Liens on assets of the Loan Parties by the Second Priority Representative in favor of the First Priority Liens on such assets shall not be deemed to subordinate any Liens of the Second Priority Representative (or any Second Priority Secured Party) to any Liens other than (x) the First Priority Liens on such assets securing the First Priority Obligations and (y) Liens that are permitted under the First Priority Documents and the Second Priority Documents to be senior to the First Priority Liens and the Second Priority Liens.

2.2 Nature of First Priority Obligations. The Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, acknowledges that a portion of the First Priority Obligations represents debt that is revolving in nature and that the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, and that the terms of the First Priority Obligations may be modified, extended or amended from time to time, and that the aggregate amount of the First Priority Obligations may be increased, replaced or refinanced, in each event, without notice to or consent by the Second Priority Secured Parties and without affecting the provisions hereof but only so long as any such obligations are permitted to be incurred pursuant to the terms hereof or of the Second Priority Documents as in effect on the date of this Agreement. 2.3 Agreements Regarding Actions to Perfect Liens. (a) The Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, agrees that each patent, trademark or copyright filing or other filings or recordings (other than Uniform Commercial Code financing statements) filed or recorded by or on behalf of the Second Priority Representative in respect of applicable Common Collateral shall, to the extent reasonably practicable, contain the following notation: "The lien created hereby on the property described herein is junior and subordinate to the lien on such property created by any agreement, filing or recording now or hereafter granted to Deutsche Bank Trust Company Americas, as Collateral Agent (under the First Priority Documents), and its successors and assigns, in such property, in accordance with the provisions of the Intercreditor Agreement dated as of January 30, 2012, among DEUTSCHE BANK TRUST COMPANY AMERICAS, as First Priority Representative, WILMINGTON TRUST, NATIONAL ASSOCIATION, as Second Priority Representative, LEE ENTERPRISES, INCORPORATED, as Borrower, and the other Loan Parties referred to therein, as amended from time to time."

Documents), and its successors and assigns, in such property, in accordance with the provisions of the Intercreditor Agreement dated as of January 30, 2012, among DEUTSCHE BANK TRUST COMPANY AMERICAS, as First Priority Representative, WILMINGTON TRUST, NATIONAL ASSOCIATION, as Second Priority Representative, LEE ENTERPRISES, INCORPORATED, as Borrower, and the other Loan Parties referred to therein, as amended from time to time.”

(c) The First Priority Representative hereby acknowledges and agrees that, to the extent that it holds, or a third party holds on its behalf, physical possession of or “control” (as defined in the Uniform Commercial Code) over Common Collateral pursuant to the First Priority Security Documents, such possession or control is also for the benefit of, and the First Priority Representative or such third party holds such possession or control as bailee and agent for, the Second Priority Representative and the other Second Priority Secured Parties solely to the extent required to perfect their security interest in such Common Collateral (such bailment and agency for perfection being intended, among other things, to satisfy the requirements of sections 8-301(a)(2) and 9-313(c) of the Uniform Commercial Code). Nothing in the preceding sentence shall be construed to impose any duty on the First Priority Representative (or any third party acting on its behalf) with respect to such Common Collateral or provide the Second Priority Representative or any other Second Priority Secured Party with any rights with respect to such Common Collateral beyond those specified in this Agreement and the Second Priority Security Documents, provided that as soon as practicable after the occurrence of the events described in clauses (a), (b) and (c) of the definition of the First Priority Obligations Payment Date, the First Priority Representative shall (i) deliver, at the Borrower’s sole cost and expense, the Common Collateral in its possession or control together with any necessary endorsements (x) *first*, to the Second Priority Representative to the extent any Second Priority Obligations remain outstanding and (y) *second*, to the Borrower to the extent no First Priority Obligations or Second Priority Obligations remain outstanding, or (ii) direct and deliver such Common Collateral as a court of competent jurisdiction otherwise directs, and provided, further, that the provisions of this Agreement are intended solely to govern the respective Lien priorities as between the First Priority Secured Parties and the Second Priority Secured Parties and shall not impose on the First Priority Secured Parties any obligations in respect of the disposition of any Common Collateral (or any proceeds thereof) that would conflict with prior perfected Liens or any claims thereon in favor of any other Person that is not a Secured Party.

(d) To the extent that any deposit account or securities account of any Loan Party is subject to a control agreement in favor of the First Priority Representative, the First Priority Representative will act as bailee and agent for the Second Priority Representative solely to the extent required to perfect the Liens of the Second Priority Secured Parties in such deposit accounts and securities accounts and the cash and other assets therein. Nothing in the preceding sentence shall be construed to impose any duty on the First Priority Representative (or any third party acting on its behalf) with respect to such Common Collateral or provide the Second Priority Representative or any other Second Priority Secured Party with any rights with respect to such Common Collateral beyond those specified in this Agreement and the Second Priority Security Documents. Unless the Second Priority Liens on such First Priority Collateral shall have been or concurrently are released, after the First Priority Obligations Payment Date, the First Priority Representative shall cooperate with the Loan Parties and the Second Priority Representative (at the expense of the Loan Parties) in permitting control of any deposit accounts and securities accounts to be transferred to the Second Priority Representative (or for other arrangements with respect to each such deposit account and securities account reasonably satisfactory to the Second Priority Representative and in accordance with the Second Priority Documents to be made).

2.4 **No New Liens.** So long as the First Priority Obligations Payment Date has not occurred, whether or not an Insolvency Proceeding has been commenced by or against any Loan Party the parties hereto agree that (a) there shall be no Lien, and no Loan Party shall have any right to create any Lien, on any assets of any Loan Party securing any Second Priority Obligation if these same assets are not subject to, and do not become subject to, a Lien securing the First Priority Obligations and (b) there shall be no Lien, and no Loan Party shall have any right to create any Lien, on any assets of any Loan Party securing any First Priority Obligation if these same assets are not subject to, and do not become subject to, a Lien securing the Second Priority Obligations. To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to the First Priority Secured Parties, the Second Priority Representative and the other Second Priority Secured Parties agree that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.4 shall be subject to Section 4.1.

Notwithstanding any failure by any First Priority Secured Party or Second Priority Secured Party to perfect its security interests in the Common Collateral or any avoidance, invalidation or subordination by any third party or court of competent jurisdiction of the security interests in the Common Collateral granted to the First Priority Secured Parties or the Second Priority Secured Parties, the priority and rights as between the First Priority Secured Parties and the Second Priority Secured Parties with respect to the Common Collateral shall be as set forth herein.

3.1 **Exclusive Enforcement.** Until the First Priority Obligations Payment Date has occurred, whether or not an Insolvency Proceeding has been commenced by or against any Loan Party, the First Priority Secured Parties shall have the exclusive right to take and continue any Enforcement Action with respect to the Common Collateral, without any consultation with or consent of any Second Priority Secured Party, but subject to the provisos set forth in Sections 3.2 and 5.1. Upon the occurrence and during the continuance of a default or an event of default under the First Priority Documents, the First Priority Representative and the other First Priority Secured Parties may take and continue any Enforcement Action with respect to the First Priority Obligations and the Common Collateral in such order and manner as they may determine in their sole discretion.

(c) they will not contest, oppose, object to, interfere with, hinder or delay, in any manner, whether by judicial proceedings (including without limitation the filing of an Insolvency Proceeding in respect of any Loan Party) or otherwise, any foreclosure, sale, lease, exchange, transfer or other disposition of the Common Collateral by any First Priority Secured Party or any other Enforcement Action taken (or any forbearance from taking any Enforcement Action) by or on behalf of any First Priority Secured Party;

(d) they have no right to (i) direct either the First Priority Representative or any other First Priority Secured Party to exercise any right, remedy or power with respect to the Common Collateral or pursuant to the First Priority Security Documents or (ii) consent or object to the exercise by the First Priority Representative or any other First Priority Secured Party of any right, remedy or power with respect to the Common Collateral or pursuant to the First Priority Security Documents or to the timing or manner in which any such right is exercised or not exercised (or, to the extent they may have any such right described in this clause (d), whether as a junior lien creditor or otherwise, they hereby irrevocably waive such right);

- (7) bid for or purchase Common Collateral at any private or judicial foreclosure upon such Common Collateral initiated by the First Priority Representative or any of the First Priority Secured Parties.

3.3 Judgment Creditors. In the event that any Second Priority Secured Party becomes a judgment lien creditor as a result of its enforcement of its rights as an unsecured creditor, such judgment lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First Priority Liens and the First Priority Obligations) to the same extent as all other Liens securing the Second Priority Obligations are subject to the terms of this Agreement.

3.4 No Additional Rights For the Loan Parties Hereunder. Except as provided in Section 3.5, if any First Priority Secured Party or Second Priority Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, no Loan Party shall be entitled to use such violation as a defense to any action by any First Priority Secured Party or Second Priority Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any First Priority Secured Party or Second Priority Secured Party.

3.5 **Actions Upon Breach.** (a) If any Second Priority Secured Party, contrary to this Agreement, commences or participates in any action or proceeding against any Loan Party or the Common Collateral, such Loan Party, with the prior written consent of the First Priority Representative, may interpose as a defense or dilatory plea the making of this Agreement, and any First Priority Secured Party may intervene and interpose such defense or plea in its or their name or in the name of such Loan Party.

(b) Should any Second Priority Secured Party, contrary to this Agreement, in any way take, attempt to or threaten to take any action with respect to the Common Collateral (including, without limitation, any attempt to realize upon or enforce any remedy with respect to this Agreement), or fail to take any action required by this Agreement, any First Priority Secured Party (in its own name or in the name of the relevant Loan Party) or the relevant Loan Party may obtain relief against such Second Priority Secured Party by injunction, specific performance and/or other appropriate equitable relief, it being understood and agreed by the Second Priority Representative on behalf of each Second Priority Secured Party that (i) the First Priority Secured Parties' damages from its actions may at that time be difficult to ascertain and may be irreparable, and (ii) each Second Priority Secured Party waives any defense that the Loan Parties and/or the First Priority Secured Parties cannot demonstrate damage and/or be made whole by the awarding of damages.

3.6 **Option to Purchase.** (a) The First Priority Representative agrees that it will give the Second Priority Representative written notice (the "**Enforcement Notice**") within five business days after commencing any Enforcement Action with respect to Common Collateral or the institution of any Insolvency Proceeding (which notice shall be effective for all Enforcement Actions taken after the date of such notice so long as the First Priority Representative is diligently pursuing in good faith the exercise of its default or enforcement rights or remedies against, or diligently attempting in good faith to vacate any stay of enforcement rights of its senior Liens on a material portion of the Common Collateral, including, without limitation, all Enforcement Actions identified in such notice). Following the commencement of an Enforcement Action or the institution of any Insolvency Proceeding by the First Priority Representative or any other First Priority Secured Party, any Second Priority Secured Party shall have the option, by irrevocable written notice (the "**Purchase Notice**") delivered by the Second Priority Representative to the First Priority Representative no later than five business days after receipt by the Second Priority Representative of the Enforcement Notice, to purchase all of the First Priority Obligations from the First Priority Secured Parties. If the Second Priority Representative so delivers the Purchase Notice, the First Priority Representative shall terminate any existing Enforcement Actions, and shall not take any further Enforcement Actions, provided, that the Purchase (as defined below) shall have been consummated on the date specified in the Purchase Notice in accordance with this Section 3.6.

(b) On the date specified by the Second Priority Representative in the Purchase Notice (which shall be a business day not less than five business days, nor more than ten business days, after receipt by the First Priority Representative of the Purchase Notice), the First Priority Secured Parties shall, subject to any required approval of any court or other governmental authority then in effect, sell to the Second Priority Secured Parties electing to purchase pursuant to Section 3.6(a) (the "**Purchasing Parties**"), and the Purchasing Parties shall purchase (the "**Purchase**") from the First Priority Secured Parties, the First Priority Obligations; provided, that the First Priority Obligations purchased shall not include any rights of First Priority Secured Parties with respect to indemnification and other obligations of the Loan Parties under the First Priority Documents that are expressly stated to survive the termination of the First Priority Documents (the "**Surviving Obligations**").

(c) Without limiting the obligations of the Loan Parties under the First Priority Documents to the First Priority Secured Parties with respect to the Surviving Obligations (which shall not be transferred in connection with the Purchase), on the date of the Purchase, the Purchasing Parties shall (i) pay to the First Priority Secured Parties as the purchase price (the “**Purchase Price**”) therefor the full amount of all First Priority Obligations then outstanding and unpaid (including principal, interest (including, to the extent applicable, interest at the default rate), Post-Petition Interest, fees, breakage costs, attorneys’ fees and expenses, and, in the case of any Hedging Obligations, the amount that would be payable by the relevant Loan Party thereunder if it were to terminate such Hedging Obligations on the date of the Purchase or, if not terminated, an amount determined by the relevant First Priority Secured Party to be necessary to collateralize its credit risk arising out of such Hedging Obligations), (ii) furnish cash collateral (the “**Cash Collateral**”) to the First Priority Secured Parties in such amounts as the relevant First Priority Secured Parties determine is reasonably necessary to secure such First Priority Secured Parties in connection with any outstanding letters of credit (not to exceed 105% of the aggregate undrawn face amount of such letters of credit), (iii) agree to reimburse the First Priority Secured Parties for any loss, cost, damage or expense (including attorneys’ fees and expenses) in connection with any fees, costs or expenses related to any checks or other payments provisionally credited to the First Priority Obligations and/or as to which the First Priority Secured Parties have not yet received final payment and (iv) agree, after written request from the First Priority Representative, to reimburse the First Priority Secured Parties in respect of indemnification obligations of the Loan Parties under the First Priority Documents as to matters or circumstances known to the Purchasing Parties at the time of the Purchase which could reasonably be expected to result in any loss, cost, damage or expense to any of the First Priority Secured Parties, provided that, in no event shall any Purchasing Party have any liability for such amounts in excess of proceeds of Common Collateral received by the Purchasing Parties.

(d) The Purchase Price and Cash Collateral shall be remitted by wire transfer in immediately available funds to such account of the First Priority Representative as it shall designate to the Purchasing Parties. The First Priority Representative shall, promptly following its receipt thereof, distribute the amounts received by it in respect of the Purchase Price to the First Priority Secured Parties in accordance with the First Priority Agreement. Interest shall be calculated to but excluding the day on which the Purchase occurs if the amounts so paid by the Purchasing Parties to the account designated by the First Priority Representative are received in such account prior to 12:00 Noon, New York City time, and interest shall be calculated to and including such day if the amounts so paid by the Purchasing Parties to the account designated by the First Priority Representative are received in such account later than 12:00 Noon, New York City time.

(e) The Purchase shall be made without representation or warranty of any kind by the First Priority Secured Parties as to the First Priority Obligations, the Common Collateral or otherwise and without recourse to the First Priority Secured Parties, except that the First Priority Secured Parties shall represent and warrant: (i) the amount of the First Priority Obligations being purchased, (ii) that the First Priority Secured Parties own the First Priority Obligations free and clear of any liens or encumbrances and (iii) that the First Priority Secured Parties have the right to assign the First Priority Obligations and the assignment is duly authorized.

3.7 Rights as Unsecured Creditors. The Second Priority Representative and the Second Priority Secured Parties may exercise rights and remedies available to unsecured creditors against the Loan Parties that have granted Liens to secure the Second Priority Obligations in accordance with the terms of the Second Priority Documents and applicable law to the extent that such exercise is not inconsistent with, or in contravention of, the express terms of this Agreement; provided that in the event that any Second Priority Secured Party becomes an attachment or a judgment Lien creditor in respect of

the Common Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Second Priority Obligations, such attachment or judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First Priority Obligations) as the other Liens on Common Collateral securing the Second Priority Obligations are subject to this Agreement.

3.8 Second Priority Interest, Principal, Etc. Nothing in this Agreement shall prohibit the receipt by the Second Priority Representative or any Second Priority Secured Parties of payments (including in cash) of interest, principal and other amounts owed in respect of the Second Priority Obligations unless such receipt is (x) the direct or indirect result of the exercise by the Second Priority Representative or any Second Priority Secured Parties of rights or remedies with respect to, or enforcement of, any Lien on Common Collateral held by any of them, which exercise or enforcement is inconsistent with, or in contravention of, the express terms of this Agreement or (y) from the proceeds of an Enforcement Action required to be applied in accordance with Section 4.1 below. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies the First Priority Representative or the First Priority Secured Parties may have with respect to the Common Collateral.

3.9 Notice By First Priority Representative. The First Priority Representative shall render to Second Priority Representative written notice of the occurrence of the events described in clauses (a), (b) and (c) of the definition of "First Priority Obligations Payment Date" as soon as practicable (and in any event within two business days) following the occurrence thereof, provided that such notice shall not be required in connection with the consummation of a Replacement First Priority Agreement.

SECTION 4. *Application Of Proceeds Of Common Collateral; Dispositions And Releases Of Common Collateral; Inspection and Insurance.*

4.1 Application of Proceeds; Turnover Provisions. All proceeds of Common Collateral (including without limitation any interest earned thereon) resulting from the sale, collection or other disposition of Common Collateral in connection with an Enforcement Action or the exercise by any First Priority Secured Party or any Second Priority Secured Party of any of its respective rights and remedies with respect to Common Collateral, whether or not pursuant to an Insolvency Proceeding, shall be distributed as follows: first to the First Priority Representative for application to the First Priority Obligations in accordance with the terms of the First Priority Documents, until the First Priority Obligations Payment Date has occurred and thereafter, to the Second Priority Representative for application in accordance with the Second Priority Documents. Until the occurrence of the First Priority Obligations Payment Date, any Common Collateral, including without limitation any such Common Collateral constituting proceeds, that may be received by any Second Priority Secured Party in violation of this Agreement shall be segregated and held in trust and promptly paid over to the First Priority Representative, for the benefit of the First Priority Secured Parties, in the same form as received, with any necessary endorsements, and each Second Priority Secured Party hereby authorizes the First Priority Representative to make any such endorsements as agent for the Second Priority Representative (which authorization, being coupled with an interest, is irrevocable).

4.2 Releases of Second Priority Lien. (a) Upon any release, sale or disposition of Common Collateral (other than in connection with the occurrence of the First Priority Obligations Payment Date) permitted pursuant to the terms of the First Priority Documents that results in the release of the First Priority Lien on any Common Collateral (excluding any sale or other disposition that is not permitted by the Second Priority Documents unless such sale or disposition is consummated in connection with an Enforcement Action or consummated after the institution of an Insolvency Proceeding in respect of any Loan Party), the Second Priority Lien on such Common Collateral (excluding any portion of the proceeds

of such Common Collateral remaining after the First Priority Obligations Payment Date occurs) shall be automatically and unconditionally released with no further consent or action of any Person.

(b) The Second Priority Representative shall promptly execute and deliver such release documents and instruments and shall take such further actions as the First Priority Representative shall request to evidence any release of the Second Priority Lien described in paragraph (a). The Second Priority Representative hereby appoints the First Priority Representative and any officer or duly authorized person of the First Priority Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power of attorney in the place and stead of the Second Priority Representative and in the name of the Second Priority Representative or in the First Priority Representative's own name, from time to time, in the First Priority Representative's sole discretion, for the purposes of carrying out the terms of this Section 4.2, to take any and all appropriate action and to execute and deliver any and all documents and instruments as may be necessary or desirable to accomplish the purposes of this Section 4.2, including, without limitation, any financing statements, endorsements, assignments, releases or other documents or instruments of transfer (which appointment, being coupled with an interest, is irrevocable).

4.3 Inspection Rights and Insurance. (a) Any First Priority Secured Party and its representatives and invitees may at any time inspect, repossess, remove and otherwise deal with the Common Collateral in accordance with the terms of the First Priority Documents, and the First Priority Representative may advertise and conduct public auctions or private sales of the Common Collateral, in each case without notice to, the involvement of or interference by any Second Priority Secured Party or liability to any Second Priority Secured Party; provided that the First Priority Representative shall provide the Second Priority Representative with notice of any sales.

(b) Until the First Priority Obligations Payment Date has occurred, the First Priority Representative will have the sole and exclusive right (i) to be named as additional insured and loss payee under any insurance policies maintained from time to time by any Loan Party (except that the Second Priority Representative shall have the right to be named as additional insured and loss payee so long as its second lien status is identified in a manner satisfactory to the First Priority Representative); (ii) to adjust or settle any insurance policy or claim covering the Common Collateral in the event of any loss thereunder in accordance with the terms of the First Priority Documents; (iii) to approve any award granted in any condemnation or similar proceeding affecting the Common Collateral in accordance with the terms of the First Priority Documents; and (iv) to apply the proceeds of any insurance or condemnation award to the First Priority Obligations in accordance with the terms of the First Priority Documents.

4.4 Subrogation. With respect to the value of any payments or distributions in cash, property or other assets that any Second Priority Secured Party pays over to the First Priority Secured Parties under the terms of this Agreement, the Second Priority Secured Parties shall be subrogated to the rights of the First Priority Secured Parties; provided that, the Second Priority Representative, on behalf of itself and the Second Priority Creditors, hereby agrees not to assert or enforce all such rights of subrogation it may acquire as a result of any payment hereunder until the First Priority Obligations Payment Date has occurred. Each Loan Party acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by any Second Priority Secured Party that are paid over to the First Priority Secured Parties pursuant to this Agreement shall not reduce any of the Second Priority Obligations.

SECTION 5. *Insolvency Proceedings.*

5.1 Filing of Motions. Until the First Priority Obligations Payment Date has occurred, the Second Priority Representative agrees on behalf of itself and the other Second Priority Secured Parties that no Second Priority Secured Party shall, in or in connection with any Insolvency Proceeding in respect of any Loan Party, file any pleadings or motions, take any position at any hearing or proceeding of any nature, or otherwise take any action whatsoever, in each case that (a) violates, or is prohibited by, this Agreement, (b) asserts any right, benefit or privilege that arises in favor of the Second Priority Representative or Second Priority Secured Parties in their capacity as secured creditors solely as a result of their interest in the Common Collateral or in the Second Priority Lien (unless the assertion of such right is expressly permitted by this Agreement) or (c) challenges the validity, priority, enforceability or voidability of any Liens or claims held by the First Priority Representative or any other First Priority Secured Party, or the extent to which the First Priority Obligations constitute secured claims under section 506(a) of the Bankruptcy Code or otherwise; provided that the Second Priority Representative may take the actions specifically set forth in Section 3.2.

The First Priority Representative agrees on behalf of itself and the other First Priority Secured Parties that no First Priority Secured Party shall, in or in connection with any Insolvency Proceeding, file any pleadings or motions, take any position at any hearing or proceeding of any nature, or otherwise take any action whatsoever, in each case that challenges the validity, priority, enforceability or voidability of any Liens or claims held by the Second Priority Representative or any other Second Priority Secured Party, or the extent to which the Second Priority Obligations constitute secured claims under section 506(a) of the Bankruptcy Code or otherwise, except that the foregoing shall not limit the ability of any First Priority Secured Party to enforce the terms of this Agreement.

5.2 Financing Matters. Until the First Priority Obligations Payment Date has occurred, if any Loan Party becomes subject to any Insolvency Proceeding, and if the First Priority Representative or the other First Priority Secured Parties consent to the use of cash collateral under the Bankruptcy Code or provide financing to any Loan Party under the Bankruptcy Code or consent to the provision of such financing to any Loan Party by any third party that (w) is in an aggregate principal amount (including any undrawn portion of the revolving commitments thereunder and the face amount of any letters of credit issued and not reimbursed thereunder) of no more than the sum of (i) the amount by which the Maximum First Priority Amount then exceeds the First Priority Outstanding Amount plus (ii) \$35,000,000, the proceeds of which are used solely by, and for the benefit of, the Loan Parties (and not, for the avoidance of doubt, any Pulitzer Entity) (x) provides that the Second Priority Secured Parties retain the right to object to any ancillary agreements or arrangements regarding the cash collateral use or the financing that are materially adverse to the Second Priority Secured Parties, (y) provides the Second Priority Secured Parties with the Second Priority Required Adequate Protection, and (z) does not compel the Loan Parties to pursue any specific plan or to conduct a sale or other liquidation of the Common Collateral (any such financing that complies with such clauses (w)-(z) (a “**DIP Financing**”), then the Second Priority Representative agrees, on behalf of itself and the other Second Priority Secured Parties, that each Second Priority Secured Party (a) will raise no objection to, nor support any other Person objecting to, the use of such cash collateral or to such DIP Financing, (b) will not request or accept adequate protection or any other relief in connection with the use of such cash collateral or such DIP Financing except as set forth in Section 5.4 below and (c) to the extent the Liens securing the First Priority Obligations are subordinated to or pari passu with such DIP Financing will subordinate (and will be deemed hereunder to have subordinated) the Second Priority Liens (i) to such DIP Financing on the same terms as the First Priority Liens are subordinated thereto (and such subordination will not alter in any manner the terms of this Agreement), (ii) to any adequate protection provided to the First Priority Secured Parties and (iii) to any

“carve-out” agreed to by the First Priority Representative or the other First Priority Secured Parties in an amount not to exceed \$5,000,000, and (d) agrees that notice received two calendar days prior to the entry of an interim order approving such usage of cash collateral or approving such financing and fifteen days prior to the entry of a final order approving such usage of cash collateral or approving such financing shall be adequate notice.

5.3 Relief From the Automatic Stay. The Second Priority Representative agrees, on behalf of itself and the other Second Priority Secured Parties, that none of them will seek relief from the automatic stay (or any analogous stay) in any Insolvency Proceeding in respect of a Loan Party or take any action in derogation thereof, in each case in respect of any Common Collateral, without the prior written consent of the First Priority Representative unless the First Priority Representative or any of the First Priority Secured Parties have concurrently sought relief from the automatic stay (or from any analogous stay) in any Insolvency Proceeding and the Second Priority Representative and/or the other Second Priority Secured Parties are not seeking relief from the automatic stay (or from any analogous stay) in any Insolvency Proceeding in order to take any Enforcement Action in any manner in violation of or otherwise inconsistent with the provisions of this Agreement.

5.4 Adequate Protection. The Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, agrees that none of them shall object, contest, or support any other Person objecting to or contesting, in respect of any Insolvency Proceeding of a Loan Party, (a) any request by the First Priority Representative or the other First Priority Secured Parties for adequate protection or any adequate protection provided to the First Priority Representative or the other First Priority Secured Parties or (b) any objection by the First Priority Representative or any other First Priority Secured Parties to any motion, relief, action or proceeding based on a claim of a lack of adequate protection or (c) the payment of interest, fees, expenses or other amounts to the First Priority Representative or any other First Priority Secured Party under section 506(b) or 506(c) of the Bankruptcy Code or otherwise. In any Insolvency Proceeding of a Loan Party, (i) if the First Priority Secured Parties (or any subset thereof) are granted adequate protection consisting of additional collateral (with replacement liens on such additional collateral) and superpriority claims in connection with any DIP Financing or use of cash collateral, then in connection with any such DIP Financing or use of cash collateral, the Second Priority Representative, on behalf of itself and any of the Second Priority Secured Parties, may seek or accept adequate protection consisting solely of (w) a replacement Lien on the same additional collateral, subordinated to the Liens securing the First Priority Obligations and such DIP Financing on the same basis as the other Liens securing the Second Priority Obligations are so subordinated to the First Priority Obligations under this Agreement, (x) superpriority claims junior in all respects to the superpriority claims granted to the First Priority Secured Parties, (y) payment of the fees and expenses of the Second Priority Representative and the Second Priority Secured Parties, to the extent permitted in the Second Priority Documents (the adequate protection for the Second Priority Secured Parties described in clauses (w), (x), and (y), collectively, the “**Second Priority Required Adequate Protection**”) and (z) subject to the right of the First Priority Secured Parties to object thereto, the payment of post-petition interest at the pre-default rate (provided, that in the case of this clause (z), that the First Priority Secured Parties have been granted adequate protection in the form of post-petition interest at a rate no lower than the pre-default rate), provided, however, that the Second Priority Representative shall have irrevocably agreed, pursuant to section 1129(a)(9) of the Bankruptcy Code, on behalf of itself and the Second Priority Secured Parties, in any stipulation and/or order granting such adequate protection, that such junior superpriority claims in excess of \$3,000,000 may with the consent of two-thirds in amount of the Second Priority Obligations be paid under any plan of reorganization in any combination of cash, debt, equity or other property having a value on the effective date of such plan equal to the allowed amount of such claims and (ii) in the event the Second Priority Representative, on behalf of itself and the

Second Priority Secured Parties, seeks or accepts adequate protection in respect of Loan Party in accordance with clause (i) above and such adequate protection is granted in the form of additional collateral comprising assets of a Loan Party, then the Second Priority Representative, on behalf of itself or any of the Second Priority Secured Parties, agrees that the First Priority Representative shall also be granted a senior Lien on such additional collateral as security for the First Priority Obligations and any such DIP Financing and that any Lien on such additional collateral securing the Second Priority Obligations shall be subordinated to the Liens on such collateral securing the First Priority Obligations and any such DIP Financing (and all Obligations relating thereto) and any other Liens granted to the First Priority Secured Parties as adequate protection, with such subordination to be on the same terms that the other Liens securing the Second Priority Obligations are subordinated to such First Priority Obligations under this Agreement. The Second Priority Representative, on behalf of itself and the other Second Priority Secured Parties, agrees that except as expressly set forth in this Section none of them shall seek or accept adequate protection in respect of a Loan Party without the prior written consent of the First Priority Representative.

5.5 Avoidance Issues. If any First Priority Secured Party is required in any Insolvency Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of any Loan Party, because such amount was avoided or ordered to be paid or disgorged for any reason, including without limitation because it was found to be a constructively fraudulent or preferential transfer, any amount (a “**Recovery**”), whether received as proceeds of security, enforcement of any right of set-off or otherwise, then the First Priority Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the First Priority Obligations Payment Date shall be deemed not to have occurred. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. The Second Priority Secured Parties agree that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to the First Priority Liens or the Second Priority Liens, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

5.6 Asset Dispositions in an Insolvency Proceeding. In an Insolvency Proceeding or otherwise, neither the Second Priority Representative nor any other Second Priority Secured Party shall oppose any sale or disposition of any assets of any Loan Party that is supported by the First Priority Secured Parties (or any right of the First Priority Secured Party to credit bid the First Priority Obligations in any such sale or disposition), and the Second Priority Representative and each other Second Priority Secured Party will be deemed to have consented under section 363 of the Bankruptcy Code (and otherwise) to any sale (and related matters) supported by the First Priority Secured Parties and to have released their Liens on such assets provided that their Liens attach to the proceeds of such assets (subject to the priorities set forth in this Agreement) and that the proceeds remaining after payment of related transaction costs and expenses are applied as a permanent reduction of the First Priority Obligations (with a corresponding reduction in the Maximum First Priority Amount). In an Insolvency Proceeding or otherwise, neither the First Priority Representative nor any other First Priority Secured Party shall oppose any right of any Second Priority Secured Party to credit bid the Second Priority Obligations in any sale or disposition, provided that such bid provides for the payment in full of the First Priority Obligations and the occurrence of the events described in clauses (a), (b) and (c) of the definition of First Priority Obligations Payment Date.

5.7 Separate Grants of Security and Separate Classification. Each Secured Party and Loan Party acknowledges and agrees that (a) the grants of Liens on the assets of each Loan Party pursuant to

the First Priority Security Documents and the Second Priority Security Documents constitute two separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Common Collateral, the First Priority Obligations and the Second Priority Obligations are fundamentally different from each other and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the First Priority Secured Parties and Second Priority Secured Parties in respect of the Common Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then the Second Priority Secured Parties hereby acknowledge and agree that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Loan Parties in respect of the Common Collateral, with the effect being that, to the extent that the aggregate value of the Common Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Secured Parties), the First Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of Post-Petition Interest before any distribution is made in respect of the claims held by the Second Priority Secured Parties. The Second Priority Secured Parties hereby acknowledge and agree to turn over to the First Priority Secured Parties amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of the preceding sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Secured Parties.

5.8 No Waivers of Rights. Nothing contained herein shall prohibit or in any way limit the First Priority Representative, the Second Priority Representative, any First Priority Secured Party, or any Second Priority Secured Party from objecting, in any Insolvency Proceeding or otherwise, to any action taken by any party not permitted hereunder.

5.9 Plans of Reorganization. Nothing in this Agreement shall impair the rights of any Second Priority Secured Party to propose, support, or vote in favor of or against any plan of reorganization or similar plan or scheme in any Insolvency Proceeding, so long as such plan or scheme is not inconsistent with, or in contravention of, the express terms of this Agreement, provided that in the case of proposing such plan of reorganization or similar plan or scheme it shall, unless otherwise approved by the First Priority Representative, provide for payment in full of the First Priority Obligations and the occurrence of the events described in clauses (a), (b) and (c) of the definition of the First Priority Obligations Payment Date.

5.10 Effectiveness in Insolvency Proceedings. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under section 510(a) of the Bankruptcy Code, shall be effective before, during and after the commencement of an Insolvency Proceeding.

SECTION 6. Security Documents.

(a) Each Loan Party and the Second Priority Representative, on behalf of itself and the Second Priority Secured Parties, agrees that it shall not at any time execute or deliver any amendment or other modification to any of the Second Priority Documents that is inconsistent with or in violation of this Agreement.

(b) Each Loan Party and the First Priority Representative, on behalf of itself and the First Priority Secured Parties, agrees that it shall not at any time execute or deliver any amendment or other modification to any of the First Priority Documents that is inconsistent with or in violation of this Agreement.

(c) In the event the First Priority Representative enters into any amendment, waiver or consent in respect of any of the First Priority Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any First Priority Security Document or changing in any manner the rights of any parties thereunder, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Comparable Second Priority Security Document to the extent applicable to any Loan Party and Common Collateral without the consent of or action by any Second Priority Secured Party (with all such amendments, waivers and modifications subject to the terms hereof); provided that (other than with respect to amendments, modifications or waivers that secure additional extensions of credit and add additional secured creditors and do not violate the express provisions of the Second Priority Agreements), (i) no such amendment, waiver or consent shall have the effect of removing assets subject to the Lien of any Second Priority Security Document, except to the extent that a release of such Lien is permitted by Section 4.2, (ii) any such amendment, waiver or consent that materially and adversely affects the rights of the Second Priority Secured Parties and does not affect the First Priority Secured Parties in a like or similar manner shall not apply to the Second Priority Security Documents without the prior written consent of the Second Priority Representative, (iii) no such amendment, waiver or consent with respect to any provision applicable to the Second Priority Representative under the Second Priority Documents shall be made without the prior written consent of the Second Priority Representative and (iv) notice of such amendment, waiver or consent shall be given to the Second Priority Representative no later than 15 days after its effectiveness, provided that the failure to give such notice shall not affect the effectiveness and validity thereof.

SECTION 7. *Reliance; Waivers; etc.*

7.1 Reliance. The First Priority Documents are deemed to have been executed and delivered, and all extensions of credit thereunder are deemed to have been made or incurred, in reliance upon this Agreement. The Second Priority Representative, on behalf of itself and the Second Priority Secured Parties, expressly waives all notice of the acceptance of and reliance on this Agreement by the First Priority Secured Parties. The Second Priority Documents are deemed to have been executed and delivered and all extensions of credit related thereto are deemed to have been made or incurred, in reliance upon this Agreement. The First Priority Representative expressly waives all notices of the acceptance of and reliance by the Second Priority Representative and the Second Priority Secured Parties.

7.2 No Warranties or Liability. The Second Priority Representative and the First Priority Representative acknowledge and agree that neither has made any representation or warranty with respect to the execution, validity, legality, completeness, collectibility or enforceability of any First Priority Document or any Second Priority Document. Except as otherwise provided in this Agreement, the Second Priority Representative and the First Priority Representative will be entitled to manage and supervise their respective extensions of credit to any Loan Party in accordance with law and their usual practices, modified from time to time as they deem appropriate.

7.3 No Waivers. No right or benefit of any party hereunder shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of such party or any other party hereto or by any noncompliance by any Loan Party with the terms and conditions of any of the First Priority Documents or the Second Priority Documents.

SECTION 8. *Obligations Unconditional.*

8.1 First Priority Obligations Unconditional. All rights and interests of the First Priority Secured Parties hereunder, and all agreements and obligations of the Second Priority Secured Parties

(and, to the extent applicable, the Loan Parties) hereunder, shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First Priority Document;

(b) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the First Priority Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any First Priority Document;

(c) prior to the First Priority Obligations Payment Date, any exchange, release, voiding, avoidance or non-perfection of any security interest in any Common Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of all or any portion of the First Priority Obligations or any guarantee or guaranty thereof; or

(d) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Loan Party in respect of the First Priority Obligations, or of the Second Priority Representative, or any Loan Party, to the extent applicable, in respect of this Agreement.

8.2 Second Priority Obligations Unconditional. All rights and interests of the Second Priority Secured Parties hereunder, and all agreements and obligations of the First Priority Secured Parties (and, to the extent applicable, the Loan Parties) hereunder, shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Second Priority Document;

(b) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the Second Priority Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any Second Priority Document;

(c) any exchange, release, voiding, avoidance or non-perfection of any security interest in any Common Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of all or any portion of the Second Priority Obligations or any guarantee or guaranty thereof; or

(d) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Loan Party in respect of the Second Priority Obligations or any First Priority Secured Party in respect of this Agreement.

SECTION 9. Miscellaneous.

9.1 In the event of any conflict between the provisions of this Agreement and the provisions of any First Priority Document or any Second Priority Document, the provisions of this Agreement shall govern. Notwithstanding the foregoing, the parties hereto acknowledge that the terms of this Agreement are not intended to and shall not, as between the Loan Parties and the Secured Parties, negate, waive or cancel any rights granted to, or carry liability or obligation of, any Loan Party in the First Priority

Documents and the Second Priority Documents or impose any additional obligations on the Loan Parties (other than as expressly set forth herein).

9.2 Continuing Nature of Provisions. This Agreement shall continue to be effective, and shall not be revocable by any party hereto, until the First Priority Obligation Payment Date shall have occurred. This is a continuing agreement and the First Priority Secured Parties and the Second Priority Secured Parties may continue, at any time and without notice to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide indebtedness to, or for the benefit of, Borrower or any other Loan Party on the faith hereof.

9.3 Amendments; Waivers. (a) No amendment or modification of any of the provisions of this Agreement shall be effective unless the same shall be in writing and signed by the First Priority Representative (with the consent of the Required Lenders under and as defined in the First Priority Agreement) and the Second Priority Representative (with the consent of the Required Lenders under and as defined in the Second Priority Agreement), and, in the case of amendments or modifications of Sections 3.5, 3.6, 9.3, 9.5 or 9.6 that directly affect the rights or duties of any Loan Party, such Loan Party, and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Anything herein to the contrary notwithstanding, no consent of any Loan Party shall be required for amendments, modifications or waivers of any other provisions of this Agreement other than those that directly affect any obligation or right of the Loan Parties hereunder or under the First Priority Documents or the Second Priority Documents or that would impose any additional obligations on the Loan Parties.

(b) It is understood that the First Priority Representative and the Second Priority Representative, without the consent of any other First Priority Secured Party or Second Priority Secured Party, may in their discretion determine that a supplemental agreement (which make take the form of an amendment and restatement of this Agreement) is necessary or appropriate to facilitate having additional indebtedness or other obligations (“**Additional Debt**”) of any of the Loan Parties become First Priority Obligations or Second Priority Obligations, as the case may be, under this Agreement, which supplemental agreement shall specify whether such Additional Debt constitutes First Priority Obligations or Second Priority Obligations, provided, that such Additional Debt is permitted to be incurred by the First Priority Agreement and Second Priority Agreement then extant, and is permitted by said Agreements to be subject to the provisions of this Agreement as First Priority Obligations or Second Priority Obligations, as applicable.

9.4 Information Concerning Financial Condition of the Borrower and the other Loan Parties. Each of the Second Priority Representative and the First Priority Representative hereby assume responsibility for keeping itself informed of the financial condition of the Borrower and each of the other Loan Parties and all other circumstances bearing upon the risk of nonpayment of the First Priority Obligations or the Second Priority Obligations. The Second Priority Representative and the First Priority Representative hereby agree that no party shall have any duty to advise any other party of information known to it regarding such condition or any such circumstances. In the event the Second Priority Representative or the First Priority Representative, in its sole discretion, undertakes at any time or from time to time to provide any information to any other party to this Agreement, it shall be under no obligation (a) to provide any such information to such other party or any other party on any subsequent occasion, (b) to undertake any investigation not a part of its regular business routine, or (c) to disclose any other information.

9.5 Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York, except as otherwise required by mandatory provisions of law and except to the extent that remedies provided by the laws of any jurisdiction other than the State of New York are governed by the laws of such jurisdiction.

9.6 Submission to Jurisdiction. (a) Each First Priority Secured Party, each Second Priority Secured Party and each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each such party hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each such party agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any First Priority Secured Party or any Second Priority Secured Party may otherwise have to bring any action or proceeding against any Loan Party or its properties in the courts of any jurisdiction.

(b) Each First Priority Secured Party, each Second Priority Secured Party and each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so (i) any objection it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (a) of this Section and (ii) the defense of an inconvenient forum to the maintenance of such action or proceeding.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.7. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

9.7 Notices. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telecopied, or sent by overnight express courier service or United States mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or five days after deposit in the United States mail (certified, with postage prepaid and properly addressed). For the purposes hereof, the addresses of the parties hereto (until notice of a change thereof is delivered as provided in this Section) shall be as set forth below each party's name on the signature pages hereof, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

9.8 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and each of the First Priority Secured Parties and Second Priority Secured Parties and their respective successors and permitted assigns, and nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Common Collateral.

9.9 Headings. Section headings used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

9.10 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

9.11 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by email or telecopy shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement shall become effective when it shall have been executed by each party hereto.

9.12 **WAIVER OF JURY TRIAL**. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

9.13 Additional Loan Parties. Each Person that becomes a Loan Party after the date hereof shall become a party to this Agreement upon execution and delivery by such Person of a joinder agreement as provided in section 10.12 of the Security Agreement referred to in the First Priority Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first written above.

INTERCOMPANY SUBORDINATION AGREEMENT

THIS INTERCOMPANY SUBORDINATION AGREEMENT (as amended, restated, modified and/or supplemented from time to time, this "Agreement"), dated as of January 30, 2012, made by each of the undersigned (each, a "Party" and, together with any entity that becomes a party to this Agreement pursuant to Section 9 hereof, the "Parties") and Deutsche Bank Trust Company Americas, as collateral agent (in such capacity, together with any successor collateral agent, the "Collateral Agent"), for the benefit of the Senior Creditors (as defined below). Unless otherwise defined herein, all capitalized terms used herein shall have the meanings ascribed to them in the Credit Agreement referred to below.

W I T N E S S E T H:

WHEREAS, Lee Enterprises, Incorporated (the "Borrower"), the lenders from time to time party thereto (the "Lenders"), Deutsche Bank Securities Inc. and Goldman Sachs Lending Partners LLC, as Joint Lead Arrangers and Joint Book Running Managers, and Deutsche Bank Trust Company Americas, as Administrative Agent and Collateral Agent (together with any successor administrative agent, the "Administrative Agent"), have entered into an Exit Credit Agreement, dated as of January 30, 2012, providing for the making (or deemed making) and continuation of Loans to the Borrower and the issuance and maintenance of, and participation in, Letters of Credit for the account of the Borrower, all as contemplated therein (with the Lenders, each Issuing Lender, the Administrative Agent, the Collateral Agent and each other Agent being herein called the "Lender Creditors") (as used herein, the term "Credit Agreement" means the Exit Credit Agreement described above in this paragraph, as the same may be amended, restated, modified, supplemented, extended, renewed, refinanced, replaced, or refunded from time to time, and including any agreement extending the maturity of, or refinancing or restructuring (including, but not limited to, the inclusion of additional borrowers or guarantors thereunder or any increase in the amount borrowed) all or any portion of, the indebtedness under such agreement or any successor agreement, whether or not with the same agent, trustee, representative, lenders or holders; provided that, with respect to any subsequent agreement providing for the refinancing or replacement of indebtedness under the Credit Agreement, such agreement shall only be treated as, or as part of, the Credit Agreement hereunder if (i) either (A) all obligations under the Credit Agreement being refinanced or replaced shall be paid in full at the time of such refinancing or replacement, and all Commitments and Letters of Credit issued pursuant to the refinanced or replaced Credit Agreement shall have terminated in accordance with their terms or (B) the Required Lenders shall have consented in writing to the refinancing or replacement indebtedness being treated as indebtedness pursuant to the Credit Agreement, and (ii) a notice to the effect that the refinancing or replacement indebtedness shall be treated as issued under the Credit Agreement shall be delivered by the Borrower to the Collateral Agent);

WHEREAS, the Borrower and/or one or more of its Qualified Wholly-Owned Domestic Subsidiaries have heretofore entered into, and/or may at any time and from time to time after the date hereof enter into, one or more Interest Rate Protection Agreements or Other Hedging Agreements with one or more Lenders or any affiliate thereof (each such Lender or

affiliate, even if the respective Lender subsequently ceases to be a Lender under the Credit Agreement for any reason, together with such Lender's or affiliate's successors and assigns, if any, collectively, the "Hedging Creditors"; and with each such Interest Rate Protection Agreement and/or Other Hedging Agreement with a Hedging Creditor being herein called a "Secured Hedging Agreement");

WHEREAS, pursuant to the Subsidiaries Guaranty, each Subsidiary Guarantor has jointly and severally guaranteed to the Guaranteed Creditors the payment when due of all Guaranteed Obligations (as defined in the Subsidiaries Guaranty);

WHEREAS, it is a condition precedent to the extensions of credit under the Credit Agreement that this Agreement be executed and delivered by the original Parties hereto;

WHEREAS, additional Parties may from time to time become parties hereto in order to allow for certain extensions of credit in accordance with the requirements of the Credit Agreement; and

WHEREAS, each of the Parties desires to execute this Agreement to satisfy the conditions described in the immediately preceding paragraphs.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, the Parties and the Collateral Agent (for the benefit of the Senior Creditors) hereby agree as follows:

1. The Subordinated Debt (as defined in Section 7 hereof) and all payments of principal, interest and all other amounts thereunder are hereby, and shall continue to be, subject and subordinate in right of payment to the prior payment in full, in cash, of all Senior Indebtedness to the extent, and in the manner, set forth herein. The foregoing shall apply notwithstanding the availability of collateral to the Senior Creditors or the holders of Subordinated Debt or the actual date and time of execution, delivery, recordation, filing or perfection of any security interests granted with respect to the Senior Indebtedness or the Subordinated Debt, or the lien or priority of payment thereof, and in any instance wherein the Senior Indebtedness or any claim for the Senior Indebtedness (as defined in Section 7 hereof) is subordinated, avoided or disallowed, in whole or in part, under the Bankruptcy Code or other applicable federal, foreign, state or local law. In the event of a proceeding, whether voluntary or involuntary, for insolvency, liquidation, reorganization, dissolution, bankruptcy or other similar proceeding pursuant to the Bankruptcy Code or other applicable federal, foreign, state or local law (each, a "Bankruptcy Proceeding"), the Senior Indebtedness shall include all interest accrued on the Senior Indebtedness, in accordance with and at the rates specified in the Senior Indebtedness, both for periods before and for periods after the commencement of any of such proceedings, even if the claim for such interest is not allowed pursuant to the Bankruptcy Code or other applicable law.

2. Each Party (as a lender of any Subordinated Debt) hereby agrees that until all Senior Indebtedness has been repaid in full in cash:

(a) Such Party shall not, without the prior written consent of the Required Senior Creditors (as defined in Section 7 hereof), which consent may be withheld or conditioned in the Required Senior Creditors' sole discretion, commence, or join or participate in, any Enforcement Action (as defined in Section 7 hereof).

(b) In the event that (i) all or any portion of any Senior Indebtedness remaining unpaid after it becomes due (whether at stated maturity, by acceleration or otherwise), (ii) any Event of Default under the Credit Agreement or any event of default under, and as defined in, any other Senior Indebtedness (or the documentation governing the same), then exists or would result from such payment on the Subordinated Debt (including, without limitation, pursuant to Section 11.10 of the Credit Agreement), (iii) such Party receives any payment or prepayment of principal, interest or any other amount, in whole or in part, of (or with respect to) the Subordinated Debt in violation of the terms of the Credit Agreement or any other Senior Indebtedness (or the documentation governing the same) or (iv) any distribution, division or application, partial or complete, voluntary or involuntary, by operation of law or otherwise, is made of all or any part of the property, assets or business of the Borrower or any of its Subsidiaries or the proceeds thereof, in whatever form, to any creditor or creditors of the Borrower or any of its Subsidiaries or to any holder of indebtedness of the Borrower or any of its Subsidiaries or by reason of any liquidation, dissolution or other winding up of the Borrower, any of its Subsidiaries or their respective businesses, or of any receivership or custodianship for the Borrower or any of its Subsidiaries or of all or substantially all of their respective property, or of any insolvency or bankruptcy proceedings or assignment for the benefit of creditors or any proceeding by or against the Borrower or any of its Subsidiaries for any relief under any bankruptcy, reorganization or insolvency law or laws, federal, foreign, state or local, or any law, federal, foreign, state or local relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension, then, and in any such event, any payment or distribution of any kind or character, whether in cash, property or securities, which shall be payable or deliverable with respect to any or all of the Subordinated Debt or which has been received by any Party shall be held in trust by such Party for the benefit of the Senior Creditors and shall forthwith be paid or delivered directly to the Senior Creditors for application to the payment of the Senior Indebtedness (after giving effect to the relative priorities of such Senior Indebtedness) to the extent necessary to make payment in full in cash of all sums due under the Senior Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution to the Senior Creditors. In any such event, the Senior Creditors may, but shall not be obligated to, demand, claim and collect any such payment or distribution that would, but for these subordination provisions, be payable or deliverable with respect to the Subordinated Debt. In the event of the occurrence of any event referred to in subclauses (i), (ii), (iii) or (iv) of the second preceding sentence of this clause (b) and until the Senior Indebtedness shall have been fully paid in cash and satisfied and all of the obligations of the Borrower or any of its Subsidiaries to the Senior Creditors have been performed in full, no payment of any kind or character (whether in cash, property, securities or otherwise) shall be made to or accepted by any Party in respect of the Subordinated Debt. Notwithstanding anything to the contrary contained above, if one or more of the events referred to in subclauses (i) through (iv) of the first sentence of this clause (b) is in existence, the Required Senior Creditors may agree in writing that payments may be made with respect to the Subordinated Debt which would otherwise be prohibited pursuant to the provisions contained above, provided that any such waiver shall be

specifically limited to the respective payment or payments which the Required Senior Creditors agree may be so paid to any Party in respect of the Subordinated Debt.

(c) If such Party shall acquire by indemnification, subrogation or otherwise, any lien, estate, right or other interest in any of the assets or properties of the Borrower or any of its Subsidiaries, that lien, estate, right or other interest shall be subordinate in right of payment to the Senior Indebtedness and the lien of the Senior Indebtedness as provided herein, and such Party hereby waives any and all rights it may acquire by subrogation or otherwise to any lien of the Senior Indebtedness or any portion thereof until such time as all Senior Indebtedness has been repaid in full in cash.

(d) Such Party shall not pledge, assign, hypothecate, transfer, convey or sell any Subordinated Debt or any interest in any Subordinated Debt to any entity (other than under the relevant Security Documents (as hereinafter defined) or in accordance with the relevant requirements of the Credit Agreement to a Credit Party which is a Party hereto) without the prior written consent of the Administrative Agent (with the prior written consent of the Required Senior Creditors).

(e) After request by the Administrative Agent or the Required Senior Creditors, such Party shall within ten (10) days furnish the Senior Creditors with a statement, duly acknowledged and certified setting forth the original principal amount of the notes evidencing the indebtedness of the Subordinated Debt, the unpaid principal balance, all accrued interest but unpaid interest and any other sums due and owing thereunder, the rate of interest, the monthly payments and that, to the best knowledge of such Party, there exists no defaults under the Subordinated Debt, or if any such defaults exist, specifying the defaults and the nature thereof.

(f) In any case commenced by or against the Borrower or any of its Subsidiaries under the Bankruptcy Code or any similar federal, foreign, state or local statute (a "Reorganization Proceeding"), to the extent permitted by applicable law, the Required Senior Creditors shall have the exclusive right to exercise any voting rights in respect of the claims of such Party against the Borrower or any of its Subsidiaries.

(g) If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made (whether by the Borrower, any other Credit Party or any other Person or enforcement of any right of setoff or otherwise) is rescinded or must otherwise be returned by the holders of Senior Indebtedness for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of the Borrower, any other Credit Party or such other Persons), the subordination provisions set forth herein shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

(h) Such Party shall not object to the entry of any order or orders approving any cash collateral stipulations, adequate protection stipulations or similar stipulations executed by the Senior Creditors in any Reorganization Proceeding or any other proceeding under the Bankruptcy Code.

(i) Such Party waives any marshalling rights with respect to the Senior Creditors in any Reorganization Proceeding or any other proceeding under the Bankruptcy Code.

3. Each Party hereby represents, warrants and covenants as follows:

(a) each Party will deliver a schedule setting forth all Intercompany Debt to the Administrative Agent within 10 days after any request by the Administrative Agent or the Required Senior Creditors (although any failure to deliver such a supplement shall have no effect whatsoever on the subordination provisions contained herein, which shall apply to all Subordinated Debt whether or not listed on said schedule); and

(b) each Party will not lend, hold or permit to exist any Intercompany Debt owed by it or to it (in accordance with the definition thereof contained herein) unless each obligee or obligor, as the case may be, with respect to such Intercompany Debt is (or concurrently with such extension becomes) a Party to this Agreement.

4. Any payments made to, or received by, any Party in respect of any guaranty or security in support of the Subordinated Debt shall be subject to the terms of this Agreement and applied on the same basis as payments made directly by the obligor under such Subordinated Debt. To the extent that the Borrower or any of its Subsidiaries (other than the respective obligor or obligors which are already Parties hereto) provides a guaranty or any security in support of any Subordinated Debt, the Party which is the lender of the respective Subordinated Debt will cause each such Person to become a Party hereto (if such Person is not already a Party hereto) not later than the date of the execution and delivery of the respective guarantee or security documentation, provided that any failure to comply with the foregoing requirements of this Section 4 will have no effect whatsoever on the subordination provisions contained herein (which shall apply to all payments received with respect to any guarantee or security for any Subordinated Debt, whether or not the Person furnishing such guarantee or security is a Party hereto).

5. Each Party hereby acknowledges and agrees that no payments will be accepted by it in respect of the Subordinated Debt (unless promptly turned over to the holders of Senior Indebtedness as contemplated by Section 2 above) to the extent such payments would be prohibited under any Senior Indebtedness (or the documentation governing the same).

6. In addition to the foregoing agreements, each Party hereby acknowledges and agrees that, with respect to all Intercompany Debt (whether or not same constitutes Subordinated Debt), that (x) such Intercompany Debt (and any promissory notes or other instruments evidencing same) may be pledged, and delivered for pledge, by the Borrower or any of its Subsidiaries pursuant to any Security Document (as used herein, the term "Security Documents" shall mean the Pledge Agreement (as defined in the Credit Agreement) and also shall include any other security documentation executed and delivered in connection with, or pursuant to, the Credit Agreement) to which the Borrower or the respective such Subsidiary is, or at any time in the future becomes, a party and (y) with respect to all Intercompany Debt so pledged, the Collateral Agent shall be entitled to exercise all rights and remedies with respect to such Intercompany Debt to the maximum extent provided in the various Security Documents (in accordance with the terms thereof and subject to the requirements of applicable law). Further-

more, with respect to all Intercompany Debt at any time owed to the Borrower or any of its Subsidiaries which is a Credit Party, and notwithstanding anything to the contrary contained in the terms of such Intercompany Debt, each obligor (including any guarantor) and obligee with respect to such Intercompany Debt hereby agrees, for the benefit of the holders from time to time of the Senior Indebtedness, that the Administrative Agent or the Collateral Agent may at any time, and from time to time, acting on its own or at the request of the Required Senior Creditors, accelerate the maturity of such Intercompany Debt if (x) any obligor (including any guarantor) of such Intercompany Debt is subject to any Bankruptcy Proceeding or (y) any event of default under the Credit Agreement shall have occurred and be continuing. Any such acceleration of the maturity of any Intercompany Debt shall be made by written notice by the Administrative Agent or Collateral Agent to the obligor on the respective Intercompany Debt; provided that no such notice shall be required (and the acceleration shall automatically occur) either upon the occurrence of a Bankruptcy Proceeding with respect to the respective obligor (or any guarantor) of the respective Intercompany Debt or upon (or following) any acceleration of the maturity of any Loans pursuant to the Credit Agreement.

7. Definitions. As and in this Agreement, the terms set forth below shall have the respective meanings provided below:

“Credit Document Obligations Termination Date” shall mean the first date after the Conversion Date upon which all Commitments and Letters of Credit under the Credit Agreement have terminated and all Credit Document Obligations have been paid in full in cash.

“Enforcement Action” shall mean any acceleration of all or any part of the Subordinated Debt, any foreclosure proceeding, the exercise of any power of sale, the obtaining of a receiver, the seeking of default interest, the suing on, or otherwise taking action to enforce the obligation of the Borrower or any of its Subsidiaries to pay any amounts relating to any Subordinated Debt, the exercising of any banker’s lien or rights of set-off or recoupment, the institution of a Bankruptcy Proceeding against the Borrower or any of its Subsidiaries, or the taking of any other enforcement action against any asset or Property of the Borrower or its Subsidiaries.

“Intercompany Debt” shall mean any Indebtedness, payables or other obligations, whether now existing or hereinafter incurred, owed by the Borrower or any Subsidiary Guarantor to the Borrower or any Subsidiary of the Borrower, provided that no such payables or other obligations incurred by any Credit Party after the Conversion Date and owing to Pulitzer or any of its Subsidiaries shall constitute Intercompany Debt. For the avoidance of doubt, all such Intercompany Debt outstanding on the Conversion Date and owed to Pulitzer or any of its Subsidiaries shall continue to be subordinated on, and subject to, the terms of this Agreement.

“Obligation” shall mean any principal, interest, premium, penalties, fees, indemnities and other liabilities and obligations payable under the documentation governing any indebtedness (including, without limitation, all interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided in the governing documentation, whether or not such interest is an allowed claim in such proceeding).

“Required Senior Creditors” shall mean (i) the Required Lenders (or, to the extent required by Section 13.12 of the Credit Agreement, each of the Lenders) at all times prior to the Credit Document Obligations Termination Date, and (ii) the holders of at least a majority of the other outstanding Senior Indebtedness at all times after the Credit Document Obligations Termination Date.

“Secured Hedging Agreements” shall have the meaning provided in the recitals to this Agreement.

“Senior Creditors” shall mean all holders from time to time of any Senior Indebtedness and shall include, without limitation, the Lender Creditors and the Hedging Creditors.

“Senior Indebtedness” shall mean:

(i) all Obligations (including Obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due) and liabilities (including, without limitation, indemnities, Fees and interest thereon) of each Credit Party (whether as obligor, guarantor or otherwise) to the Lender Creditors, whether now existing or hereafter incurred under, arising out of or in connection with each Credit Document to which it is at any time a party (including, without limitation, all such obligations and liabilities of each Credit Party under the Credit Agreement (if a party thereto) and under the Subsidiaries Guaranty (if a party thereto) or under any other guarantee by it of obligations pursuant to the Credit Agreement) and the due performance and compliance by each Credit Party with the terms of each such Credit Document (all such obligations and liabilities under this clause (i), except to the extent consisting of obligations or indebtedness with respect to Secured Hedging Agreements, being herein collectively called the “Credit Document Obligations”); and

(ii) all Obligations (including Obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due) and liabilities of each Credit Party to the Hedging Creditors, whether now existing or hereafter incurred under, arising out of or in connection with any Secured Hedging Agreement (including, without limitation, all such obligations and liabilities of such Credit Party under the Subsidiaries Guaranty (if a party thereto) with respect thereto or under any other guarantee by it of obligations pursuant to any Secured Hedging Agreement) and the due performance and compliance by each Credit Party with the terms of each such Secured Hedging Agreement (all such obligations and liabilities under this clause (ii) being herein collectively called the “Hedging Obligations”).

“Subordinated Debt” shall mean the principal of, interest on, and all other amounts owing from time to time in respect of, all Intercompany Debt (including, without limitation, pursuant to guarantees thereof or security therefor and intercompany payables not evidenced by a note) at any time outstanding.

8. Each Party agrees to be fully bound by all terms and provisions contained in this Agreement, both with respect to any Subordinated Debt (including any guarantees thereof

and security therefor) owed to it, and with respect to all Subordinated Debt (including all guarantees thereof and security therefor) owing by it.

9. It is understood and agreed that any Subsidiary of the Borrower that is required to execute a counterpart of this Agreement after the date hereof pursuant to the requirements of the Credit Agreement or any other Senior Indebtedness shall become a Party hereunder by executing a counterpart hereof (or a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent) and delivering same to the Collateral Agent.

10. No failure or delay on the part of any party hereto or any holder of Senior Indebtedness in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder.

11. Each Party hereto acknowledges that to the extent that no adequate remedy at law exists for breach of its obligations under this Agreement, in the event any Party fails to comply with its obligations hereunder, the Collateral Agent, the Administrative Agent or the holders of Senior Indebtedness shall have the right to obtain specific performance of the obligations of such defaulting Party, injunctive relief or such other equitable relief as may be available.

12. Any notice to be given under this Agreement shall be in writing and shall be sent in accordance with the provisions of the Credit Agreement.

13. In the event of any conflict between the provisions of this Agreement and the provisions of the Subordinated Debt, the provisions of this Agreement shall prevail.

14. No Person other than the parties hereto, the Senior Creditors from time to time and their successors and assigns as holders of the Senior Indebtedness and the Subordinated Debt shall have any rights under this Agreement.

15. This Agreement may be executed in any number of counterparts each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

16. No amendment, supplement, modification, waiver or termination of this Agreement shall be effective against a party against whom the enforcement of such amendment, supplement, modification, waiver or termination would be asserted, unless such amendment, supplement, modification, waiver or termination was made in a writing signed by such party, provided that amendments hereto shall be effective as against the Senior Creditors only if executed and delivered by the Collateral Agent (with the written consent of the Required Senior Creditors at such time).

17. “USA PATRIOT Act” shall have the meaning provided in Section 13.19.

“Voting Equity Interests” shall mean, as to any Person, any class or classes of outstanding Equity Interests of such Person pursuant to which the holders thereof have the

general voting power under ordinary circumstances to elect at least a majority of the board of directors of such Person.

“Wholly-Owned Domestic Subsidiary” shall mean, as to any Person, any Wholly-Owned Subsidiary of such Person which is a Domestic Subsidiary.

“Wholly-Owned Foreign Subsidiary” shall mean, as to any Person, any Wholly-Owned Subsidiary of such Person which is a Foreign Subsidiary.

“Wholly-Owned Subsidiary” shall mean, as to any Person, (i) any corporation 100% of whose capital stock is at the time owned by such Person and/or one or more Wholly-Owned Subsidiaries of such Person and (ii) any partnership, association, joint venture or other entity in which such Person and/or one or more Wholly-Owned Subsidiaries of such Person has a 100% equity interest at such time (other than, in the case of a Foreign Subsidiary of the Borrower with respect to preceding clauses (i) and (ii), director’s qualifying shares and/or other nominal amount of shares required to be held by Persons other than the Borrower and its Subsidiaries under applicable law).

SECTION 2. Amount and Terms of Credit.

2.01 Loans. Each of the Borrower, each Credit Party, each Lender and the Administrative Agent hereby confirms and acknowledges that each Lender has heretofore made credit extensions to the Borrower pursuant to the Prepetition Credit Agreement, including without limitation, the Existing Loans in the amount for each Lender as set forth on Schedule I hereto, the aggregate outstanding principal amount of which Existing Loans of all Lenders on the Effective Date is \$330,016,006.26. The Borrower agrees, ratifies and confirms that the Existing Loans (and all other loans held by Lenders outstanding under the Prepetition Credit Agreement which are not converted into and exchanged for Loans hereunder but which shall remain outstanding under the First Lien Credit Agreement), together with all accrued and unpaid interest thereon, are due and owing to the Lenders (in their capacity as Lenders under (and as defined in) the Prepetition Credit Agreement) and are not subject to any offset, counterclaims or defenses of any kind or nature. As of the Effective Date, subject to the terms and conditions hereof and to give effect to the Plan of Reorganization, the Existing Loans are hereby converted into, and exchanged for, Loans hereunder on a dollar-for-dollar basis in an aggregate principal amount (including the fees payable pursuant to Section 4.01(b)) of \$175,000,000, which Loans shall be allocated to each Lender in the respective principal amount specified for such Lender on Schedule I. Such Loans shall be denominated in Dollars. Once repaid, Loans may not be reborrowed.

2.02 Intentionally Omitted.

2.03 Notice of Borrowing. On the Effective Date the Borrower shall give the Administrative Agent at the Notice Office written notice of the Loans to be incurred (or deemed incurred) hereunder prior to 3:00 P.M. (New York time) on such day. Such notice (the “Notice of Borrowing”) shall be irrevocable and shall be in the form of Exhibit A, appropriately completed to specify: (i) the aggregate principal amount of the Loans to be incurred pursuant to such Borrowing; and (ii) the date of such Borrowing (which shall be a Business Day). The

Administrative Agent shall promptly give each Lender which is required to make (or be deemed to make) Loans notice of such proposed Borrowing, of such Lender's proportionate share thereof and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Intentionally Omitted.

2.05 Notes. (a) The Borrower's obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.15 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a "Note" and, collectively, the "Notes").

(b) The Note issued to each Lender that has outstanding Loans shall (i) be executed by the Borrower, (ii) be payable to such Lender or its registered assigns and be dated the Effective Date (or, if issued after the Effective Date, be dated the date of issuance thereof), (iii) be in a stated principal amount equal to the Loans of such Lender as of the Effective Date (or, if issued after the Effective Date, be in a stated principal amount equal to the outstanding Loans of such Lender at such time) and be payable in the outstanding principal amount of Loans evidenced thereby from time to time, (iv) mature on the Maturity Date, (v) bear interest as provided in Section 2.08, (vi) be subject to voluntary prepayment as provided in Section 5.01 and (vii) be entitled to the benefits of this Agreement and the other Credit Documents.

(c) Each Lender will note on its internal records the amount of each Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrower's obligations in respect of such Notes or Loans.

(d) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Loans shall affect or in any manner impair the obligations of the Borrower to pay the Loans (and all related Obligations) which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in preceding clause (c). At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loan(s).

2.06 Intentionally Omitted.

2.07 Intentionally Omitted.

2.08 Interest. (a) The Borrower agrees to pay interest in respect of the unpaid principal amount of each Loan from the date of Borrowing thereof until the maturity thereof (whether by acceleration or otherwise) at the Applicable Interest Rate.

(b) Notwithstanding anything to the contrary contained in this Agreement, the unpaid principal amount of each Loan shall bear interest at a rate per annum equal to the rate which is 2% in excess of the rate otherwise applicable to such Loan at all times that an Event of Default shall have occurred and be continuing. In addition (but without duplication of any amounts payable pursuant to the immediately preceding sentence), overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan shall, in each case, bear interest at a rate per annum equal to the rate which is 2% in excess of the rate then borne by Loans hereunder. Interest that accrues under this Section 2.08(b) shall be payable on demand. Payment or acceptance of the increased rates of interest provided for in this Section 2.08(b) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

(c) Accrued (and theretofore unpaid) interest shall be payable in cash (x) quarterly in arrears on each Quarterly Payment Date, (y) on the date of any repayment or prepayment in full of all outstanding Loans, and (z) at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

2.09 Intentionally Omitted.

2.10 Increased Costs, Illegality, etc. (a) If any Lender determines that after the Effective Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital adequacy, or any change in interpretation or administration thereof by the NAIC or any governmental authority, central bank or comparable agency, will have the effect of increasing the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender's obligations hereunder, then the Borrower agrees to pay to such Lender, upon its written demand therefor, such additional amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender's determination of compensation owing under this Section 2.10 shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10, will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

(b) Notwithstanding anything in this Agreement to the contrary, the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder, issued in connection therewith or in implementation thereof, and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority)

or the United States regulatory authorities, in each case pursuant to Basel III, shall be deemed to be a change after the Effective Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented for purposes of this Section 2.10.

2.11 Intentionally Omitted.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10 or Section 5.04 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Sections 2.10 and 5.04.

2.13 Replacement of Lenders. (x) Upon the occurrence of any event giving rise to the operation of Section 2.10 or Section 5.04 with respect to any Lender which results in such Lender charging to the Borrower increased costs in excess of those being generally charged by the other Lenders or (y) in the case of a refusal by a Lender to consent to a proposed change, waiver, discharge or termination with respect to this Agreement which has been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Borrower shall have the right, in accordance with Section 13.04(b), if no Default or Event of Default then exists or would exist after giving effect to such replacement, to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees (collectively, the "Replacement Lender") and each of which shall be reasonably acceptable to the Administrative Agent or, in the case of a replacement as provided in Section 13.12(b) where the consent of the respective Lender is required with respect to less than all of its Loans, to replace outstanding Loans of such Lender where the consent of such Lender would otherwise be individually required, with identical Loans provided by the Replacement Lender; provided that:

(a) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender) pursuant to which the Replacement Lender shall acquire all of the outstanding Loans of the respective Replaced Lender and, in connection therewith, shall pay to the Replaced Lender in respect thereof an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the respective Replaced Lender with respect to which such Replaced Lender is being replaced, and (B) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01; and

(b) all obligations of the Borrower then owing to the Replaced Lender (other than those (i) specifically described in clause (a) above in respect of which the assignment purchase price has been, or is concurrently being, paid or (ii) relating to any Loans of the respective Replaced Lender which will remain outstanding after giving

effect to the respective replacement) shall be paid in full to such Replaced Lender concurrently with such replacement.

Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (a) and (b) above, recordation of the assignment on the Register by the Administrative Agent pursuant to Section 13.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrower, the Replacement Lender shall become a Lender hereunder and, unless the respective Replaced Lender continues to have outstanding Loans hereunder, the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 5.04, 12.06, 13.01 and 13.06), which shall survive as to such Replaced Lender.

SECTION 3. Intentionally Omitted.

SECTION 4. Fees; Call Protection.

4.01 Fees. (a) The Borrower agrees to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by the Borrower or any of its Subsidiaries and the Administrative Agent.

(b) The Borrower agrees to pay on the Effective Date to each Lender party to this Agreement as a Lender on the Effective Date, as fee compensation for the deemed funding of such Lender's Loan in accordance with the conversion mechanics set forth in Section 2.01, a non-cash closing fee in an amount equal to 5.0% of the stated principal amount of such Lender's Loan, payable to such Lender as provided in Section 2.01 and added to the principal amount of its Loan as and when deemed funded on the Effective Date. Such closing fee will be in all respects fully earned, due and payable on the Effective Date and non-refundable and non-creditable thereafter.

4.02 Call Protection. In the event that all or any portion of the Loans are repaid or prepaid pursuant to Section 5.01(a) or by acceleration on or after the first anniversary of the Effective Date but prior to the third anniversary of the Effective Date, each such repayment or prepayment shall be made at (i) 102.0% of the principal amount so repaid or prepaid if such repayment or prepayment occurs on or after the first anniversary of the Effective Date but prior to the second anniversary of the Effective Date and (ii) 101.0% of the principal amount so repaid or prepaid if such repayment or prepayment occurs on or after the second anniversary of the Effective Date but prior to the third anniversary of the Effective Date.

SECTION 5. Prepayments; Payments; Taxes.

5.01 Voluntary Prepayments. (a) No voluntary prepayments of Loans shall be permitted prior to the first anniversary of the Effective Date. Subject to Section 4.02, the

Borrower shall have the right to prepay the Loans in whole or in part at any time and from time to time on or after the first anniversary of the Effective Date on the following terms and conditions: (i) the Borrower shall give the Administrative Agent prior to 12:00 Noon (New York time) at the Notice Office at least one Business Day's prior written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay Loans, which notice shall specify the amount of such prepayment, and which notice the Administrative Agent shall promptly transmit to each of the Lenders; and (ii) each partial prepayment of Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least \$5,000,000 (or such lesser amount as is acceptable to the Administrative Agent).

(b) Without in any way limiting the obligation of the Borrower to confirm in writing any telephonic notice of any prepayment of Loans permitted hereunder, the Administrative Agent may act without liability upon the basis of telephonic notice of such prepayment believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower, prior to receipt of written confirmation. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of such telephonic notice of such prepayment absent manifest error.

(c) In the event of certain refusals by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Borrower may, upon five Business Days' prior written notice to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), repay all Loans of such Lender, together with accrued and unpaid interest, Fees, premiums and all other amounts then owing to such Lender in accordance with, and subject to the requirements of, said Section 13.12(b), so long as the consents, if any, required by Section 13.12(b) in connection with the repayment pursuant to this clause (c) shall have been obtained.

5.02 Mandatory Repayment. (a) The Borrower shall repay the entire principal amount of the outstanding Loans, together with all other amounts owed hereunder with respect thereto, in full on the Maturity Date.

(b) At the end of any accrual period (as defined in Section 1272(a)(5) of the Code) following the fifth anniversary of the Effective Date (each a "Determination Date"), if the aggregate amounts which would be includible in gross income of the holders of the Loans with respect to such Loans for all periods ending on or before such Determination Date (the "Aggregate Accrual") would exceed an amount equal to the sum of (x) the aggregate amount of interest to be paid (within the meaning of Section 163(i) of the Code) under the Loans on or before such Determination Date (determined without regard to the amounts payable on such date under this Section 5.02(b)), and (y) the product of (A) the issue price (as defined in Sections 1273(b) and 1274(a) of the Code) of the Loans and (B) the yield to maturity (interpreted in accordance with Section 163(i) of the Code) of the Loans (such sum, the "Maximum Accrual"), then, Borrower shall mandatorily pay to the Lenders ratably in cash, on each Determination Date following the fifth anniversary of the Effective Date, an amount equal to the excess, if any, of the Aggregate Accrual over the Maximum Accrual and the amount of such payment shall be treated for purposes of section 163(i) of the Code as interest paid under the Loans.

5.03 Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement and under any Note shall be made to the Administrative Agent for the account of the Lender or Lenders entitled thereto not later than 12:00 Noon (New York time) on the date when due and shall be made in Dollars in immediately available funds at the Payment Office. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.

5.04 Net Payments. (a) All payments made by or on behalf of the Borrower hereunder and under any Note will be made without setoff, counterclaim or other defense. Except as provided in Section 5.04(b), all such payments will be made free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein with respect to such payments (but excluding, (i) except as provided in the second succeeding sentence, any tax imposed on or measured by the net income or net profits of a Lender pursuant to the laws of the jurisdiction in which it is organized or the jurisdiction in which the principal office or applicable lending office of such Lender is located or any subdivision thereof or therein and (ii) any United States Federal withholding tax that would not have been imposed but for a failure by such recipient (or any financial institution through which any payment is made to such recipient) to comply with the applicable requirements of Sections 1471 through 1474 of the Code, as of the date of this Agreement, and any regulations or official interpretations thereof) and all interest, penalties or similar liabilities with respect to such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being referred to, collectively, as "Taxes"). If any Taxes are so levied or imposed, the Borrower agrees to pay the full amount of such Taxes, and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement or under any Note, after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein or in such Note as if such Taxes had not been levied or imposed. If any amounts are payable in respect of Taxes pursuant to the preceding sentence, the Borrower agrees to reimburse each Lender, upon the written request of such Lender, for taxes imposed on or measured by the net income or net profits of such Lender pursuant to the laws of the jurisdiction in which such Lender is organized or in which the principal office or applicable lending office of such Lender is located or under the laws of any political subdivision or taxing authority of any such jurisdiction in which such Lender is organized or in which the principal office or applicable lending office of such Lender is located and for any withholding of taxes as such Lender shall determine are payable by, or withheld from, such Lender, in respect of such amounts so paid to or on behalf of such Lender pursuant to the preceding sentence and in respect of any amounts paid to or on behalf of such Lender pursuant to this sentence. The Borrower will furnish to the Administrative Agent within 45 days after the date the payment of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by such Borrower. The Borrower agrees to indemnify and hold harmless each Lender, and reimburse such Lender upon its written request, for the amount of any Taxes so levied or imposed and paid by such Lender (other than for any interest or penalties directly attributable to any failure of a Lender to file any returns or pay any Taxes directly attributable to this Agreement, to the extent such Lender was legally required to file such returns and/or pay such Taxes and was reasonably

informed by the Borrower about such requirements and had all information necessary to file such returns and/or pay such Taxes). For purposes of this Section 5.04(a), Taxes shall include Other Taxes.

(b) Each Lender that is a “United States person” (as such term is defined in Section 7701(a)(30) of the Code) agrees to deliver to the Borrower and the Administrative Agent on or prior to the Effective Date or, in the case of a Lender that is an assignee, transferee or acquiror of an interest under this Agreement pursuant to Section 2.12, 2.13 or 13.04(b) (unless the respective Lender was already a Lender hereunder immediately prior to such assignment, transfer or acquisition), on the date of such assignment, transfer or acquisition to or by such Lender, two properly completed and duly signed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. Federal withholding tax. Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes agrees to deliver to the Borrower and the Administrative Agent on or prior to the Effective Date or, in the case of a Lender that is an assignee, transferee or acquiror of an interest under this Agreement pursuant to Section 2.12, 2.13 or 13.04(b) (unless the respective Lender was already a Lender hereunder immediately prior to such assignment, transfer or acquisition), on the date of such assignment, transfer or acquisition to or by such Lender, (i) two accurate and complete original signed copies of Internal Revenue Service Form W-8ECI, Form W-8BEN (with respect to a complete exemption under an income tax treaty) or Form W-8IMY (together with any applicable underlying Internal Revenue Service forms) (or successor forms) certifying to such Lender’s entitlement as of such date to a complete exemption from United States withholding tax with respect to payments to be made under this Agreement and under any Note, (ii) if the Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code and cannot deliver either Internal Revenue Service Form W-8ECI or Form W-8BEN (with respect to a complete exemption under an income tax treaty) or W-8IMY (or any successor forms) pursuant to clause (i) above, (x) a certificate substantially in the form of Exhibit D (any such certificate, a “Section 5.04(b)(ii) Certificate”) and (y) two accurate and complete original signed copies of applicable Internal Revenue Service Form W-8 (with respect to the portfolio interest exemption) (or successor form) certifying to such Lender’s entitlement as of such date to a complete exemption from United States withholding tax with respect to payments of interest to be made under this Agreement and under any Note, or (iii) any other form prescribed by applicable requirements of U.S. Federal income tax law as a basis for claiming exemption from or a reduction in U.S. Federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect and from time to time thereafter upon the request of the Borrower or the Administrative Agent, such Lender will deliver to the Borrower and the Administrative Agent two new accurate and complete original signed copies of Internal Revenue Service Form W-8ECI, Form W-8BEN (with respect to the benefits of any income tax treaty), Form W-8IMY (together with any applicable underlying Internal Revenue Service forms) or applicable Form W-8 (with respect to the portfolio interest exemption) and a Section 5.04(b)(ii) Certificate, as the case may be, and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under

this Agreement and any Note, or such Lender shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such Form or Certificate, in which case such Lender shall not be required to deliver any such Form or Certificate pursuant to this Section 5.04(b). Notwithstanding anything to the contrary contained in Section 5.04(a), but subject to Section 13.04(b) and the immediately succeeding sentence, (x) the Borrower shall be entitled, to the extent it is required to do so by law, to deduct or withhold income or similar taxes imposed by the United States (or any political subdivision or taxing authority thereof or therein) from interest, Fees or other amounts payable hereunder for the account of any Lender which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes to the extent that such Lender has not provided to the Borrower U.S. Internal Revenue Service Forms that establish a complete exemption from such deduction or withholding and (y) the Borrower shall not be obligated pursuant to Section 5.04(a) to gross-up payments to be made to a Lender in respect of income or similar taxes imposed by the United States if (I) such Lender has not provided to the Borrower the Internal Revenue Service Forms required to be provided to the Borrower pursuant to this Section 5.04(b) or (II) in the case of a payment, other than interest, to a Lender described in clause (ii) above, to the extent that such forms do not establish a complete exemption from withholding of such taxes. Notwithstanding anything to the contrary contained in the preceding sentence or elsewhere in this Section 5.04 and except as set forth in Section 13.04(b), the Borrower agrees to pay any additional amounts and to indemnify each Lender in the manner set forth in Section 5.04(a) (without regard to the identity of the jurisdiction requiring the deduction or withholding) in respect of any amounts deducted or withheld by it as described in the immediately preceding sentence as a result of any changes that are effective after the Effective Date in any applicable law, treaty, governmental rule, regulation, guideline or order, or in the interpretation thereof, relating to the deducting or withholding of such Taxes.

(c) Each Lender shall indemnify the Administrative Agent for the full amount of any taxes, levies, imposts, duties, charges, fees, deductions, withholdings or similar charges imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein (but only to the extent that the Borrower has not already reimbursed the Administrative Agent for such taxes, levies, imposts, duties, charges, fees, deductions, withholdings or similar charges and without limiting the obligation of the Borrower to do so) that are attributable to such Lender and that are payable or paid by the Administrative Agent, together with all interest, penalties, reasonable costs and expenses arising therefrom or with respect thereto in connection with any Credit Document, as determined by the Administrative Agent in good faith. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error.

The occurrence of the Effective Date pursuant to Section 13.10 and the obligation of each Lender to make (or be deemed to have made) Loans on the Effective Date, are subject at the time of the occurrence of the Effective Date to the satisfaction of the following conditions (none of which may be waived without the prior written consent of each Backstop Party):

In order to induce the Lenders and the Agents to enter into this Agreement and to make (or be deemed to have made) the Loans, the Borrower makes the following representations, warranties and agreements, in each case after giving effect to the Effective Date, all of which shall survive the execution and

delivery of this Agreement and the Notes and the making (or deemed making) of the Loans with the occurrence of the Effective Date being deemed to constitute a representation and warranty that the matters specified in this Section 8 are true and correct in all material respects on and as of the Effective Date (it being understood and agreed that any representation or warranty which by its terms is made as of a specified date shall be required to be true and correct in all material respects only as of such specified date):

8.01 Company Status. Each of the Borrower and each of its Subsidiaries (i) is a duly organized and validly existing Company in good standing under the laws of the jurisdiction of its organization, (ii) has the Company power and authority to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (iii) is duly qualified and is authorized to do business and is in good standing in each jurisdiction where the ownership, leasing or operation of its property or the conduct of its business requires such qualifications except for failures to be so qualified or authorized which, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

8.02 Power and Authority. Each Credit Party has the Company power and authority to execute, deliver and perform the terms and provisions of each of the Credit Documents to which it is party and has taken all necessary Company action to authorize the execution, delivery and performance by it of each of such Credit Documents. Each Credit Party has duly executed and delivered each of the Credit Documents to which it is party, and each of such Credit Documents constitutes its legal, valid and binding obligation enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law).

8.03 No Violation. Neither the execution, delivery or performance by any Credit Party of the Credit Documents, the Tax Sharing Agreements to which it is a party, nor compliance by it with the terms and provisions thereof, (i) contravenes any provision of any law, statute, rule or regulation or any order, writ, injunction or decree of any court or governmental instrumentality, (ii) conflicts with or results in any breach of any of the terms, covenants, conditions or provisions of, or constitutes a default under, or results in the creation or imposition of (or the obligation to create or impose) any Lien (except (x) pursuant to the Security Documents and (y) the Liens permitted under Sections 10.01(xviii) and 10.01(xix)) upon any of the property or assets of any Credit Party or any of its Subsidiaries pursuant to the terms of any material indenture, mortgage, deed of trust, credit agreement or loan agreement, or any other material agreement, contract or instrument, in each case to which any Credit Party or any of its Subsidiaries is a party or by which it or any its property or assets is bound or to which it may be subject, or (iii) violates any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of any Credit Party or any of its Subsidiaries, in each case, except solely with respect to the Pulitzer Entities, in the case of the Security Documents other than those specifically referred to in the definition of "Credit Documents" in Section 1.01, to the extent such contravention, conflict, breach or violation, individually or in the aggregate, could not reasonably be expected to cause a Pulitzer Material Adverse Effect.

8.04 Approvals. All necessary governmental (domestic and foreign) and material third party approvals and/or consents in connection with this Agreement and the other transactions contemplated hereby and by the other Credit Documents shall have been obtained and remain in effect, and all applicable waiting periods with respect thereto shall have expired without any action being taken by any competent authority which restrains, prevents or imposes materially adverse conditions upon the consummation of this Agreement or the other transactions contemplated hereby and by the other Credit Documents or otherwise referred to herein or therein. No order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except for those that have otherwise been obtained or made on or prior to the Effective Date and which remain in full force and effect on the Effective Date and for the filings for perfection or recordation of the Liens under the Credit Documents set forth in Section 8.11), or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to be obtained or made by, or on behalf of, any Credit Party to authorize, or is required to be obtained or made by, or on behalf of, any Credit Party in connection with, (i) the execution, delivery and performance of any Credit Document or (ii) the legality, validity, binding effect or enforceability of any such Credit Document.

8.05 Financial Statements; Financial Condition; Undisclosed Liabilities; Projections. (a) The consolidated balance sheets of the Borrower and its Subsidiaries at September 25, 2011 and September 26, 2010, and the related consolidated statements of income and cash flows and changes in shareholders' equity of the Borrower and its Subsidiaries for the Borrower's respective fiscal year ended on each such date, in each case furnished to the Lenders prior to the Effective Date, present fairly in all material respects the consolidated financial position of the Borrower and its Subsidiaries at the dates of said financial statements and the consolidated results of their operations for the periods covered thereby. The consolidated balance sheets of Pulitzer and its Subsidiaries at September 25, 2011 and September 26, 2010 and the related consolidated statements of income and cash flows and changes in shareholders' equity of Pulitzer and its Subsidiaries for Pulitzer's fiscal year ended on each such date, furnished to the Lenders prior to the Effective Date, present fairly in all material respects the consolidated financial condition of Pulitzer and its Subsidiaries at the date of said financial statements and the consolidated results of their operations for the periods covered thereby. All such financial statements have been prepared in accordance with GAAP consistently applied except to the extent provided in the notes to said financial statements and subject, in the case of the unaudited interim consolidated financial statements of the Borrower and Pulitzer, to normal year-end audit adjustments (all of which are of a recurring nature and none of which, individually or in the aggregate, would be material) and the absence of footnotes.

(b) On and as of the Effective Date, and after giving effect to all Indebtedness (including the Loans) being incurred or assumed and Liens created by the Credit Parties in connection therewith, (i) the sum of the assets, at a fair valuation, of the Borrower (on a stand-alone basis) and of the Borrower and its Subsidiaries (taken as a whole), will exceed its or their respective debts, (ii) the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole) has or have not incurred and does or do not intend to incur, and does or do not believe that it or they will incur, debts beyond its or their respective ability to pay such debts as such debts mature, and (iii) the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole) will have sufficient capital with which to conduct its or their respective businesses. For purposes of this Section 8.05(b), "debt" means any liability on a

claim, and “claim” means (A) right to payment, whether or not such a right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured or (B) right to an equitable remedy for breach of performance if such breach gives rise to a payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured. The amount of contingent liabilities at any time shall be computed as the amount that, in the light of all the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability.

(c) Except as fully disclosed in the financial statements delivered pursuant to Section 8.05(a) and for the Indebtedness incurred under this Agreement, the Pulitzer Debt Documents and the First Lien Loan Documents, there were as of the Effective Date no liabilities or obligations with respect to the Borrower or any of its Subsidiaries of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether or not due) which, either individually or in the aggregate, could reasonably be expected to be material to the Borrower and its Subsidiaries taken as a whole. As of the Effective Date, the Borrower knows of no basis for the assertion against it or any of its Subsidiaries of any liability or obligation of any nature whatsoever that is not fully disclosed in the financial statements delivered pursuant to Section 8.05(a) or referred to in the immediately preceding sentence which, either individually or in the aggregate, could reasonably be expected to be material to the Borrower and its Subsidiaries taken as a whole.

(d) The Projections delivered to the Administrative Agent and the Lenders prior to the Effective Date have been prepared in good faith and are based on reasonable assumptions, and there are no statements or conclusions in the Projections which are based upon or include information known to the Borrower to be misleading in any material respect or which fail to take into account material information known to the Borrower regarding the matters reported therein. On the Effective Date, the Borrower believes that the Projections are reasonable and attainable, it being recognized by the Lenders, however, that projections as to future events are not to be viewed as facts and that the actual results during the period or periods covered by the Projections may differ from the projected results.

(e) Since September 25, 2011, nothing has occurred that has had, or could reasonably be expected to have, a Material Adverse Effect or a Pulitzer Material Adverse Effect (it being understood that the filing of the voluntary petitions under Chapter 11 of the Bankruptcy Code on the Petition Date shall not, in and of itself, be deemed to have had or, reasonably be expected to have, a Material Adverse Effect or a Pulitzer Material Adverse Effect).

8.06 Litigation. Except as set forth in Schedule XI (it being understood that disclosure on Schedule XI is not a representation that a matter to which the disclosure relates is expected to have a Material Adverse Effect), there are no actions, suits, proceedings or governmental investigations pending or, to the knowledge of the Borrower, threatened with respect to any Credit Document or otherwise that have had, or could reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect (it being understood that the filing of the voluntary petitions under Chapter 11 of the Bankruptcy Code on the Petition Date shall not, in and of itself, be deemed to have had or, reasonably be expected to have, a Material Adverse Effect).

8.07 True and Complete Disclosure. All factual information (taken as a whole) theretofore furnished by or on behalf of the Borrower in writing to the Administrative Agent or any Lender (including, without limitation, all information contained in the Credit Documents, the Plan of Reorganization and the Disclosure Statement) for purposes of or in connection with this Agreement, the other Credit Documents or any transaction contemplated herein or therein is true and accurate in all material respects on the date as of which such information is dated or certified and not incomplete by omitting to state any fact necessary to make such information (taken as a whole) not misleading in any material respect at such time in light of the circumstances under which such information was provided, it being understood and agreed that for purposes of this Section 8.07, such factual information shall not include the Projections or any *pro forma* financial information.

8.08 Use of Proceeds; Margin Regulations. (a) All proceeds of the Loans were used by the Borrower to restructure (by way of exchange) Existing Loans as contemplated by the Lee Support Agreement and the Backstop Commitment Letters.

(b) No part of the Loans (or the proceeds thereof) will be used to purchase or carry any Margin Stock or to extend credit for the purpose of purchasing or carrying any Margin Stock. Neither the making of any Loan nor the use of the proceeds thereof will violate or be inconsistent with the provisions of Regulation T, U or X of the Board of Governors of the Federal Reserve System.

8.09 Tax Returns and Payments. Each of the Borrower and each of its Subsidiaries has timely filed or caused to be timely filed (in each case giving effect to all applicable and permitted extensions) with the appropriate taxing authority all Federal and other material returns, statements, forms and reports for taxes (the "Returns") required to be filed by, or with respect to the income, properties or operations of, the Borrower and/or any of its Subsidiaries. The Returns accurately reflect in all material respects all liability for taxes of the Borrower and its Subsidiaries, as applicable, for the periods covered thereby. Each of the Borrower and each of its Subsidiaries has paid all taxes and assessments payable by it which have become due, other than those that are immaterial and those that are being contested in good faith and adequately disclosed and fully provided for on the financial statements of the Borrower and its Subsidiaries in accordance with GAAP. There is no material action, suit, proceeding, investigation, audit or claim now pending or, to the knowledge of the Borrower, threatened by any authority regarding any material taxes relating to the Borrower or any of its Subsidiaries. Neither the Borrower nor any of its Subsidiaries has incurred, nor will any of them incur, any material tax liability in connection with transactions contemplated in this Agreement, the First Lien Credit Agreement or the Pulitzer Debt Agreement (it being understood that (x) the representation contained in this sentence does not cover any future tax liabilities of the Borrower or any of its Subsidiaries arising as a result of the operation of their businesses in the ordinary course of business and (y) the consummation of the Plan of Reorganization may result in tax consequences to the Borrower, including an adjustment of asset values or tax basis as a result of cancellation of indebtedness resulting from the Plan of Reorganization).

8.10 Compliance with ERISA. (a) Schedule IV sets forth each Plan as of the Effective Date. Except as disclosed on Schedule IV or otherwise as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect (it

being understood that disclosure on Schedule IV is not a representation that such item is expected to have a Material Adverse Effect): each Plan (and each related trust, insurance contract or fund) is in compliance with its terms and with all applicable laws, including without limitation ERISA and the Code; each Plan (and each related trust, if any) which is intended to be qualified under Section 401(a) of the Code has received a determination letter from the Internal Revenue Service to the effect that it meets the requirements of Sections 401(a) and 501(a) of the Code, has applied for such a determination letter within the time period permitted by the Internal Revenue Service, or has time remaining within the time period permitted by the Internal Revenue Service in which to apply for such a determination letter; no Reportable Event has occurred; the Borrower has not been notified by any Plan which is a multiemployer plan (as defined in Section 4001(a)(3) of ERISA) that it is insolvent or in reorganization; no Plan has an Unfunded Current Liability; no Plan which is subject to Section 412 of the Code or Section 302 of ERISA has an accumulated funding deficiency or failure to meet applicable minimum funding standards, within the meaning of such sections of the Code or ERISA, or has applied for or received either a waiver of such standards or an extension of any amortization period (to the extent applicable), within the meaning of Section 412 of the Code or Section 302 of ERISA; all contributions required to be made with respect to a Plan have been timely made; neither the Borrower nor any ERISA Affiliate has incurred any liability (including any indirect, contingent or secondary liability to or on account of a Plan) pursuant to Sections 409, 502(i), 502(l), 515, 4062, 4063, 4064, 4069, 4201, 4204 or 4212 of ERISA or Sections 401(a)(29), 4971 or 4975 of the Code or expects to incur any liability under any of the foregoing sections with respect to any Plan; no condition exists which presents a risk to the Borrower or any ERISA Affiliate of incurring a liability to or on account of a Plan pursuant to the foregoing provisions of ERISA and the Code; no proceedings have been instituted to terminate or appoint a trustee to administer any Plan which is subject to Title IV of ERISA; no action, suit, proceeding, hearing, audit or investigation with respect to the administration, operation or the investment of assets of any Plan (other than routine audits and claims for benefits) is pending, expected or threatened; using actuarial assumptions and computation methods consistent with Part 1 of subtitle E of Title IV of ERISA, the aggregate liabilities of the Borrower and its ERISA Affiliates to all Plans which are multiemployer plans (as defined in Section 4001(a)(3) of ERISA) in the event of a complete withdrawal therefrom, as of the close of the most recent fiscal year of each such Plan ended prior to the Effective Date, would not exceed \$10,000,000; each group health plan (as defined in Section 607(1) of ERISA or Section 4980B(g)(2) of the Code) which covers or has covered employees or former employees of the Borrower or any ERISA Affiliate has at all times been operated in compliance with the provisions of Part 6 of subtitle B of Title I of ERISA and Section 4980B of the Code; each group health plan (as defined in 45 Code of Federal Regulations Section 160.103) which covers or has covered employees or former employees of the Borrower or any ERISA Affiliate has at all times been operated in compliance with the provisions of the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder; no lien imposed under the Code or ERISA on the assets of the Borrower or any ERISA Affiliate exists or is likely to arise on account of any Plan; and the Borrower and its ERISA Affiliates may cease contributions to or terminate any employee maintained by any of them without incurring any liability (other than any termination of employees which, individually or in the aggregate, may trigger a complete or partial withdrawal from a multiemployer pension fund).

(b) Except as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect: each Foreign Pension Plan has been maintained in compliance with its terms and with the requirements of any and all applicable laws, statutes, rules, regulations and orders and has been maintained, where required, in good standing with applicable regulatory authorities; all contributions required to be made with respect to a Foreign Pension Plan have been timely made; neither the Borrower nor any of its Subsidiaries has incurred any obligation in connection with the termination of, or withdrawal from, any Foreign Pension Plan; and the present value of the accrued benefit liabilities (whether or not vested) under each Foreign Pension Plan, determined as of the end of the Borrower's most recently ended fiscal year on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the assets of such Foreign Pension Plan allocable to such benefit liabilities.

8.11 Security Documents. (a) The provisions of the Security Agreement are effective to create in favor of the Collateral Agent for the benefit of the Secured Creditors a legal, valid and enforceable security interest in all right, title and interest of the Credit Parties in the Security Agreement Collateral described therein, and the Collateral Agent, for the benefit of the Secured Creditors, has a fully perfected security interest in all right, title and interest in all of the Security Agreement Collateral described therein, subject to no other Liens other than Permitted Liens. The recordation of (x) the Grant of Security Interest in U.S. Patents and (y) the Grant of Security Interest in U.S. Trademarks in the respective form attached to the Security Agreement, in each case in the United States Patent and Trademark Office, together with filings on Form UCC-1 made pursuant to the Security Agreement, creates, as may be perfected by such filings and recordation, a perfected security interest in the United States trademarks and patents covered by the Security Agreement, and the recordation of the Grant of Security Interest in U.S. Copyrights in the form attached to the Security Agreement with the United States Copyright Office, together with filings on Form UCC-1 made pursuant to the Security Agreement, creates, as may be perfected by such filings and recordation, a perfected security interest in the United States copyrights covered by the Security Agreement.

(b) The security interests created under the Pledge Agreement in favor of the Collateral Agent, as Pledgee, for the benefit of the Secured Creditors, constitute perfected security interests in the Pledge Agreement Collateral described in the Pledge Agreement, subject to no security interests of any other Person other than Permitted Liens applicable thereto.

(c) Upon the filing thereof, each Mortgage creates, as security for the obligations purported to be secured thereby, a valid and enforceable perfected security interest in and mortgage lien on the respective Mortgaged Property in favor of the Collateral Agent (or such other trustee as may be required or desired under local law) for the benefit of the Secured Creditors, superior and prior to the rights of all third Persons (except that the security interest and mortgage lien created on such Mortgaged Property may be subject to the Permitted Encumbrances related thereto) and subject to no other Liens (other than Permitted Encumbrances related thereto).

8.12 Properties. Each of the Borrower and each of its Subsidiaries has good and indefeasible title to all material properties (and to all buildings, fixtures and improvements located thereon) owned by it, including all material property reflected in the most recent

The Administrative Agent may perform any of its respective duties hereunder by or through its officers, directors, agents, employees or affiliates. Notwithstanding anything herein or in any other Credit Document to the contrary, the Administrative Agent shall not take any discretionary action (other than any such actions of a purely administrative or ministerial nature) or exercise any discretionary powers, including in each case any expressions of satisfaction, except such discretionary actions and powers exercised in the manner directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under Section 13.12(a)), and in the absence of any such direction shall refrain from taking any such discretionary actions or exercising any such discretionary powers.

12.02 Nature of Duties. (a) The Administrative Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Credit Documents. Neither the Administrative Agent nor any of its officers, directors, agents, employees or affiliates shall be liable for any action taken or omitted by it or them hereunder or under any other Credit Document or in connection herewith or therewith, unless caused by its or their gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Credit Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Credit Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Credit Document except as expressly set forth herein or therein.

(b) Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, the Joint Lead Arrangers and the Joint Book Running Managers and are named as such for recognition purposes only, and in their respective capacities as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Credit Documents or the transactions contemplated hereby and thereby; it being understood and agreed that the Joint Lead Arrangers and the Joint Book Running Managers shall each be entitled to all indemnification and reimbursement rights in favor of the Administrative Agent as, and to the extent, provided for under Sections 12.06 and 13.01. Without limitation of the foregoing, none of the Joint Lead Arrangers or the Joint Book Running Managers shall, solely by reason of this Agreement or any other Credit Documents, have any fiduciary relationship in respect of any Lender or the holder of any Note.

12.03 Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of

the financial condition and affairs of the Borrower and its Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of the Borrower and its Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectibility, priority or sufficiency of this Agreement or any other Credit Document or the financial condition of the Borrower or any of its Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Credit Document, or the financial condition of the Borrower or any of its Subsidiaries or the existence or possible existence of any Default or Event of Default.

12.04 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Credit Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders.

12.05 Reliance. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, teletype or telecopier message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent reasonably believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Credit Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent.

12.06 Indemnification. To the extent the Administrative Agent (or any affiliate thereof) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent (and any affiliate thereof) in proportion to their respective "percentage" as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any affiliate thereof) in performing its duties hereunder or under any other Credit Document or in any way relating to or arising out of this Agreement or any other Credit Document with respect to such duties or its role as Administrative Agent; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting

from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

12.07 The Administrative Agent in its Individual Capacity. With respect to its obligation to make (or be deemed to have made) Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term "Lender", "Required Lenders" or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Credit Party or any Affiliate of any Credit Party (or any Person engaged in a similar business with any Credit Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Credit Party or any Affiliate of any Credit Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

12.08 Holders. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

12.09 Resignation by the Administrative Agent. (a) The Administrative Agent may (and must, if so directed by the Required Lenders, with or without cause (any such resignation, a "Mandatory Resignation") resign from the performance of all its respective functions and duties hereunder and/or under the other Credit Documents (including, for the avoidance of doubt, in its capacity as Collateral Agent) at any time by giving 30 days' prior written notice of any such resignation (other than a Mandatory Resignation) to the Lenders and, unless a Default or an Event of Default under Section 11.05 then exists, the Borrower.

(b) Upon any such notice of resignation (or upon a Mandatory Resignation) by the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent who shall be a financial institution acceptable to the Required Lenders in their sole discretion; provided, that if no Event of Default then exists and such successor Administrative Agent's stated annual fees exceed \$75,000 per year, such successor Administrative Agent shall also be reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld, delayed or conditioned.

(c) If a successor Administrative Agent shall not have been so appointed within such 30 day period, the Administrative Agent, with the consent of the Required Lenders (which consent shall not be unreasonably withheld or delayed), shall then appoint a successor Administrative Agent (provided, that if no Event of Default then exists and such successor Administrative Agent's stated annual fees exceed \$75,000 per year, such successor

Administrative Agent shall also be reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld, delayed or conditioned) who shall serve as Administrative Agent until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(d) If no successor Administrative Agent has been appointed pursuant to clause (b) or (c) above by the 35th day after the date any such notice of resignation was given by the Administrative Agent, the Administrative Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder and/or under any other Credit Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(e) Upon a resignation of the Administrative Agent pursuant to this Section 12.09, such former Administrative Agent shall remain indemnified to the extent provided in this Agreement and the other Credit Documents and the provisions of this Section 12 (and the analogous provisions of the other Credit Documents) shall continue in effect for the benefit of such former Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

12.10 Collateral Matters. (a) Each Lender authorizes and directs the Collateral Agent to enter into the Security Documents for the benefit of the Lenders and the other Secured Creditors. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders (or all of the Lenders, to the extent required by Section 13.12) in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders (or all the Lenders, as the case may be) of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or the Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents.

(b) The Lenders hereby authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral (i) upon payment and satisfaction of all of the Obligations at any time arising under or in respect of this Agreement or the Credit Documents or the transactions contemplated hereby or thereby, (ii) constituting property being sold or otherwise disposed of (to Persons other than the Borrower and its Subsidiaries) upon the sale or other disposition thereof in compliance with Section 10.02, (iii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 13.12) or (iv) as otherwise may be expressly provided in this Agreement and/or the relevant Security Documents. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 12.10.

(c) The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Credit Party or is

cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 12.10 or in any of the Security Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(d) The Lenders hereby authorize and instruct the Collateral Agent to enter into each Intercreditor Agreement and to take all actions and execute all documents required or deemed advisable by it in accordance with the terms of each such Intercreditor Agreement.

12.11 Delivery of Information. The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Credit Party, any Subsidiary, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Credit Document except (i) as specifically provided in this Agreement or any other Credit Document and (ii) as specifically requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

SECTION 13. Miscellaneous.

13.01 Payment of Expenses, etc. The Borrower hereby agrees to: (i) whether or not the transactions herein contemplated are consummated, reimburse or pay, as the case may be, from time to time all reasonable out-of-pocket costs and expenses (including, without limitation, the reasonable fees and disbursements of legal counsel (including, without limitation, Milbank, Tweed, Hadley & McCloy LLP and Willkie Farr & Gallagher LLP) and consultants) of each Agent (including, without limitation, any successor Agent contemplated by Section 12.09, including any such successor Agent appointed following a Mandatory Resignation) and each Backstop Party in connection with the preparation, execution, delivery and administration of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, and in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a “work-out” or pursuant to any insolvency or bankruptcy proceedings (including, in each case without limitation, the reasonable fees and disbursements of counsel and consultants for each Agent and, after the occurrence and during the continuance of an Event of Default, each of the Lenders); (ii) without duplication with Section 5.04(a), pay and hold each Agent and each of the Lenders harmless from and against any and all present and future stamp, excise and other similar documentary taxes with respect to the foregoing matters and save each Agent and each of the Lenders harmless from and against any and all liabilities with respect to or resulting from any

delay or omission (other than to the extent attributable to such Agent or such Lender) to pay such taxes; and (iii) indemnify each Agent and each Lender, and each of their respective officers, directors, employees, representatives, agents, affiliates, trustees and investment advisors from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) of whatsoever kind or nature incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any Agent or any Lender is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the use of the proceeds of any Loans hereunder or the consummation of any transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents or in any other way relating to or arising out of this Agreement or any other Credit Document, or (b) the actual or alleged presence of Hazardous Materials in the air, surface water or groundwater or on the surface or subsurface of any Real Property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, the generation, storage, transportation, handling or disposal of Hazardous Materials by the Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Borrower or any of its Subsidiaries, the non-compliance by the Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property, or any Environmental Claim asserted against the Borrower, any of its Subsidiaries or any Real Property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding (but excluding any losses, liabilities, claims, damages or expenses to the extent incurred by reason of the gross negligence or willful misconduct of the Person to be indemnified (as determined by a court of competent jurisdiction in a final and non-appealable decision)). To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

13.02 Right of Setoff. (a) Subject to the terms of each Intercreditor Agreement and Section 13.06, in addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by the Administrative Agent or such Lender (including, without limitation, by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of the Borrower or any other Credit Party against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender

pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

(b) NOTWITHSTANDING THE FOREGOING SUBSECTION (a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL BE SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER SHALL EXERCISE A RIGHT OF SETOFF, LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT OR ANY NOTE UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY OR ENFORCEABILITY OF THE LIENS GRANTED TO THE COLLATERAL AGENT PURSUANT TO THE SECURITY DOCUMENTS OR THE ENFORCEABILITY OF THE NOTES AND OTHER OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OF ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE REQUIRED LENDERS OR THE ADMINISTRATIVE AGENT SHALL BE NULL AND VOID. THIS SUBSECTION (b) SHALL BE SOLELY FOR THE BENEFIT OF EACH OF THE LENDERS AND THE ADMINISTRATIVE AGENT HEREUNDER.

13.03 Notices. Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, telecopier or cable communication) and mailed, telegraphed, telexed, telecopied, cabled or delivered: if to any Credit Party, at the address specified opposite its signature below or in the other relevant Credit Documents; if to any Lender, at its address specified on Schedule II or in its administrative questionnaire delivered to the Administrative Agent; and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent and the Borrower shall not be effective until received by the Administrative Agent or the Borrower, as the case may be.

13.04 Benefit of Agreement; Assignments; Participations. (a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, the Borrower may not assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of each Lender and, provided, further, that, although any Lender may transfer, assign or grant participations in

its rights hereunder, such Lender shall remain a “Lender” for all purposes hereunder and the transferee, assignee or participant, as the case may be, shall not constitute a “Lender” hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 13.07(a) shall not constitute a reduction in the rate of interest or Fees payable hereunder), or increase the amount of the participant’s participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default shall not constitute a change in the terms of such participation), (ii) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement or (iii) release all or substantially all of the Collateral under all of Security Documents (except as expressly provided in the Credit Documents) supporting the Loans in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (including, without limitation, any rights of set-off) (the participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its outstanding Obligations hereunder to (i)(A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this sub-clause (x)(i)(B)), or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least \$1,000,000 in the aggregate for the assigning Lender or assigning Lenders, of such outstanding Obligations hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement, provided that (i) at such time, Schedule I shall be deemed modified to reflect the outstanding Loans of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender’s indemnifying the Borrower for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrower’s expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised outstanding Loans, as the

case may be, (iii) the consent of the Administrative Agent and, so long as no Default or Event of Default then exists, the Borrower shall be required in connection with any such assignment pursuant to clause (y) above (each of which consents shall not be unreasonably withheld or delayed), (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of \$3,500, and (v) no such transfer or assignment will be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.15. To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned outstanding Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person which is not already a Lender hereunder, the respective assignee Lender shall, to the extent legally entitled to do so, provide to the Borrower the appropriate Internal Revenue Service Forms (and, if applicable, a Section 5.04(b)(ii) Certificate) described in Section 5.04(b). To the extent that an assignment of all or any portion of a Lender's outstanding Obligations pursuant to Section 2.13 or this Section 13.04(b) would, at the time of such assignment, result in increased costs under Section 2.10 or 5.04 from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such increased costs (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(c) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrower), any Lender which is a fund may pledge all or any portion of its Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata. (a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on

behalf of the Borrower in respect of any Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its pro rata share of any such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Except as otherwise provided in this Agreement, each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise), which is applicable to the payment of the principal of, or interest on, the Loans, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lenders, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

13.07 Calculations; Computations. (a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto or as otherwise disclosed in writing by the Borrower to the Lenders); provided that, (i) except as otherwise specifically provided herein, all computations and all definitions (including accounting terms) used in determining compliance with Section 10.07 shall utilize GAAP and policies in conformity with those used to prepare the audited financial statements of the Borrower referred to in Section 8.05(a) for the Borrower's fiscal year ended September 25, 2011 and (ii) to the extent expressly provided herein, certain calculations shall be made on a *pro forma* basis.

(b) All computations of interest hereunder shall be made on the basis of a year of 365/366 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable.

13.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL. (a) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL, EXCEPT AS OTHERWISE PROVIDED IN ANY MORTGAGE, BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE INTERNAL LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, IN EACH CASE WHICH ARE LOCATED IN THE COUNTY OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT THE BORROWER HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY,

GENERALLY AND UNCONDITIONALLY, THE PERSONAL JURISDICTION OF THE AFORESAID COURTS. THE BORROWER HEREBY FURTHER IRREVOCABLY WAIVES ANY CLAIM THAT ANY SUCH COURTS LACK PERSONAL JURISDICTION OVER THE BORROWER, AND AGREES NOT TO PLEAD OR CLAIM, IN ANY LEGAL ACTION PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN ANY OF THE AFOREMENTIONED COURTS, THAT SUCH COURTS LACK PERSONAL JURISDICTION OVER THE BORROWER. THE BORROWER FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS SET FORTH OPPOSITE ITS SIGNATURE BELOW, SUCH SERVICE TO BECOME EFFECTIVE 30 DAYS AFTER SUCH MAILING. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY OTHER CREDIT DOCUMENT THAT SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT, ANY LENDER OR THE HOLDER OF ANY NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE BORROWER IN ANY OTHER JURISDICTION.

(b) THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

13.09 Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile or other electronic transmission) and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent.

13.10 Effectiveness. This Agreement shall become effective on the date (the "Effective Date") on which (i) the Borrower, the Administrative Agent and each of the Lenders

shall have signed a counterpart hereof (whether the same or different counterparts) and shall have delivered the same (including by facsimile or other electronic transmission) to the Administrative Agent at the Notice Office and (ii) each of the conditions precedent set forth in Section 6 shall have been satisfied (provided, that no such condition precedent shall be waived without the prior written consent of each Backstop Party). The Administrative Agent will give the Borrower and each Lender prompt written notice of the occurrence of the Effective Date.

13.11 Headings Descriptive. The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

13.12 Amendment or Waiver; etc. (a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions), and Subsidiaries of the Borrower may be released from, the Subsidiaries Guaranty and the Pledge Agreement in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders), provided that no such change, waiver, discharge or termination shall, without the consent of each Lender (with Obligations being directly affected in the case of following clause (i)), (i) extend the final scheduled maturity of any Loan or Note, or reduce the rate or extend the time of payment of interest, premium or Fees thereon (except in connection with the waiver of applicability of any post-default increase in interest rates), or reduce the principal amount thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 13.07(a) shall not constitute a reduction in the rate of interest or Fees for the purposes of this clause (i)) or remove the non-call period in Section 5.01, or waive any condition in Section 6, (ii) release all or substantially all of the Collateral (except as expressly provided in the Credit Documents) under the Pledge Agreement or the Security Agreement, (iii) amend, modify or waive any provision of this Section 13.12(a) (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Loans on the Effective Date), (iv) reduce the percentage specified in the definition of Required Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the extensions of Loans are included on the Effective Date) or (v) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement; provided further, that no such change, waiver, discharge or termination shall, (1) without the consent of the Administrative Agent, amend, modify or waive any provision of Section 12 or any other provision as same relates to the rights or obligations of the Administrative Agent, (2) without the consent of Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent or (3) without the consent of each Backstop Party, amend, modify or waive any provision or clause of, or any condition set forth in, Section 6.

(b) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required

Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described below, to replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination.

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 5.04, 12.06 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

13.14 Domicile of Loans. Each Lender may transfer and carry its Loans at, to or for the account of any office, Subsidiary or affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 2.10 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrower shall not be obligated to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

13.15 Register. The Borrower hereby designates the Administrative Agent to serve as its agent, solely for purposes of this Section 13.15, to maintain a register (the "Register") on which it will record the Loans made by each of the Lenders and each repayment in respect of the principal amount of the Loans of each Lender. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans. The Register shall be available for inspection by Borrower, any Backstop Party or any Lender (with respect to any entry relating to such Lender's Loans) at any reasonable time and from time to time upon reasonable prior notice. With respect to any Lender, the transfer of its rights to the principal of, and interest on, any Loan shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Loan and prior to such recordation all amounts owing to the transferor with respect to such Loan shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The Borrower agrees to indemnify the Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature which may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this Section 13.15. Each Lender that sells a participation, acting solely for this purpose as an agent of the Borrower, shall maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that

no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant's interest in any Loans or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, and such Lender, each Credit Party and the Administrative Agent shall treat each person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary.

13.16 Confidentiality. (a) Subject to the provisions of clause (b) of this Section 13.16, each Lender agrees that it will use its reasonable efforts not to disclose without the prior consent of the Borrower (other than to its employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender's holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender) any non-public confidential information with respect to the Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by the respective Lender or is or has become available to such Lender on a non-confidential basis, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor) or to any credit insurance provider relating to the Borrower and its obligations, so long as such contractual counterparty (or such professional advisor) or credit insurance provider agrees to be bound by the provisions of this Section 13.16 and (vii) to any prospective or actual transferee or participant in connection with any contemplated transfer or participation of any of the Notes or any interest therein by such Lender, provided that such prospective transferee agrees to be bound by the confidentiality provisions contained in this Section 13.16.

(b) The Borrower hereby acknowledges and agrees that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to the Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of the Borrower and its Subsidiaries), in each case only if such Lender or affiliate shall have determined in its sole discretion that the Lender or affiliate with whom the information is to be shared should have access to such information; provided that such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender.

13.17 Application of Proceeds.

(a) After the exercise of remedies (including rights of setoff) provided for in Section 11 (or after the Loans and the Obligations owing hereunder have automatically become immediately due and payable as set forth in Section 11), any amounts received on account of the Obligations (whether as a result of a payment under the Subsidiaries Guaranty, any realization on the Collateral, any setoff rights, any distribution in connection with any proceedings or otherwise and whether received in cash or otherwise) shall be applied in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including legal fees and expenses payable under the Security Documents) payable to the Collateral Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including legal fees and expenses payable under Section 13.01 and amounts payable under Sections 2.10 and 5.04) payable to the Administrative Agent in its capacity as such;

Third, to payment of that portion of the Obligations constituting Fees, indemnities and other fees and amounts (other than principal and interest) payable to the Lenders (including legal fees and expenses payable under Section 13.01 and amounts payable under Sections 2.10 and 5.04), ratably among them in proportion to the amounts described in this clause *Third* payable to them;

Fourth, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause *Fourth* payable to them;

Fifth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, ratably among the applicable Secured Creditors in proportion to the respective amounts described in this clause *Fifth* held by them;

Sixth, to the payment of all other Obligations that are due and payable to the Administrative Agent and the other applicable Secured Creditors on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other applicable Secured Creditors on such date; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by law.

(b) If any Secured Creditor collects or receives any amounts received on account of the Obligations to which it is not entitled under Section 13.17(a) hereof, such Secured Creditor shall hold the same in trust for the applicable Secured Creditors entitled thereto and shall forthwith deliver the same to the Administrative Agent, for the account of such Secured Creditors, to be applied in accordance with Section 13.17(a) hereof, in each case until the prior payment in full in cash of the applicable Obligations of such Secured Creditors.

13.18 Certain Releases. In further consideration of the Lenders' execution of this Agreement, the Borrower, for itself and on behalf of each Credit Party, unconditionally and irrevocably acquits and fully forever releases and discharges each Lender, the Administrative Agent, the Collateral Agent and all affiliates, partners, subsidiaries, officers, employees, agents, attorneys, principals, directors and shareholders of such Persons, and their respective heirs, legal representatives, successors and assigns (collectively, the "Releasees") from any and all claims, demands, causes of action, obligations, remedies, suits, damages and liabilities of any nature whatsoever, whether now known, suspected or claimed, whether arising under common law, in equity or under statute, which such Credit Party ever had or now has against any of the Releasees and which may have arisen at any time prior to the Effective Date and which were in any manner related to this Agreement, any other Credit Document, any Backstop Commitment Letter, the Lee Support Agreement, the Pulitzer Support Agreement or any related document, instrument or agreement or the enforcement or attempted or threatened enforcement by any of the Releasees of any of their respective rights, remedies or recourse related thereto (collectively, the "Released Claims"). The Borrower, for itself and on behalf of each Credit Party, covenants and agrees never to commence, voluntarily aid in any way, prosecute or cause to be commenced or prosecuted against any of the Releasees any action or other proceeding based upon any of the Released Claims.

13.19 The USA PATRIOT Act. Each Lender subject to the USA PATRIOT ACT (Title 111 of Pub. L. 107-56 (signed into law October 26, 2001)) (the "USA PATRIOT Act") hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the other Credit Parties and other information that will allow such Lender to identify the Borrower and the other Credit Parties in accordance with the USA PATRIOT Act.

13.20 OID. THE LOANS HAVE BEEN ISSUED WITH ORIGINAL ISSUE DISCOUNT FOR UNITED STATES FEDERAL INCOME TAX PURPOSES. THE ISSUE PRICE, AMOUNT OF SUCH ORIGINAL ISSUE DISCOUNT, ISSUE DATE AND YIELD TO MATURITY OF THESE LOANS MAY BE OBTAINED BY WRITING TO THE ADMINISTRATIVE AGENT AT THE NOTICE OFFICE.

Litigation

In 2008, a group of newspaper carriers filed a lawsuit against Lee Publications, Inc. ("Lee Publications"), which is currently pending in the United States District Court for the Southern District of California (the "California Litigation"), in which the plaintiffs claimed to be employees of Lee Publications and not independent contractors. The plaintiffs seek relief related to alleged violations of various employment-based statutes, and request punitive damages and attorneys' fees. In July 2010, the trial court granted the plaintiffs' petition for class certification. Lee Publications filed an interlocutory appeal, which was denied. After concluding discovery, Lee Publications filed a motion to reverse the class certification ruling. This motion is currently pending before the trial court. Lee Publications denies the allegations of employee status, consistent with its past practices and industry practices, and intends to vigorously contest the action, which is not covered by insurance.

In 2009, the Graphic Communications Union filed a lawsuit against PD LLC in the United States District Court for the Eastern District of Missouri (the "Pressmen Litigation"). In the Pressmen Litigation, the Graphic Communications Union sought to compel PD LLC to participate in arbitration under the union contract after PD LLC increased retiree premium cost for those under age 65 and eliminated coverage for those 65 and older. The trial court dismissed the second amended complaint, and the Graphic Communications Union appealed. The Eighth Circuit Court of Appeals court ruled in favor of PD LLC in May 2011. To date, the Graphic Communications Union has taken no further action in this matter.

In 2009 and 2011, the St. Louis Newspaper Guild filed three separate lawsuits against PD LLC in the Eastern District of Missouri. In these cases, the St. Louis Newspaper Guild sought to compel PD LLC to participate in arbitration under two different union contracts regarding changes made by PD LLC to retiree medical benefits. Two cases involving the same union contract were consolidated into one lawsuit, in which the trial court judge granted the St. Louis Newspaper Guild's motion for summary judgment and ordered arbitration. PD LLC successfully appealed that decision, and the appellate court remanded the matter back to the trial court. Lee Enterprises then filed class action lawsuits under both union contracts at issue (collectively with the lawsuits initially filed by the St. Louis Newspaper Guild, the "Newspaper Guild Litigation"), seeking a declaratory judgment that the medical benefit rights were not vested under those contracts and that PD LLC had the right to change the retiree benefits without arbitration. The Newspaper Guild Litigation is now currently pending in two consolidated cases before one judge in the Eastern District of Missouri.

On September 28, 2011, the Communication Workers Union filed a lawsuit against PD LLC in the Eastern District of Missouri (the "CWU Litigation") and, together with the Pressmen Litigation and the Newspaper Guild Litigation, the "Retiree Cases"), in which plaintiff seeks to compel PD LLC to participate in arbitration under the union contract after PD LLC increased retiree premium cost for those under age 65 and eliminated coverage for those 65 and older. The matter is currently before the Eastern District of Missouri.

The description of litigation set forth in this section is not, and is not intended to be, a comprehensive list of all claims and actions involving the Prospective Debtors and specifically excludes, among others, administrative actions and workers compensation actions. Inclusion of the California Litigation and Retiree Cases in this section is for disclosure purposes only and is not an admission, and is not intended to be an admission, of liability with respect to any claim alleged in those actions.

FORM OF
SUBSIDIARIES GUARANTY

SUBSIDIARIES GUARANTY (as amended, modified, restated and/or supplemented from time to time, this "Guaranty"), dated as of [____], made by and among each of the undersigned guarantors (each, a "Guarantor" and, together with any other entity that becomes a guarantor hereunder pursuant to Section 22 hereof, collectively, the "Guarantors") in favor of Wilmington Trust, National Association, as Administrative Agent (together with any successor administrative agent, the "Administrative Agent"), for the benefit of the Secured Creditors (as defined below). Except as otherwise defined herein, all capitalized terms used herein and defined in the Loan Agreement (as defined below) shall be used herein as therein defined.

W I T N E S S E T H :

WHEREAS, Lee Enterprises, Incorporated (the "Borrower"), the lenders from time to time party thereto (the "Lenders"), Deutsche Bank Securities Inc. and Goldman Sachs Lending Partners LLC, as Joint Lead Arrangers and Joint Book Running Managers, and the Administrative Agent have entered into a Second Lien Loan Agreement, dated as of January 30, 2012, (as amended, modified, restated and/or supplemented from time to time, the "Loan Agreement"), providing for the making and continuation of Loans to the Borrower, as contemplated therein (the Lenders, the Administrative Agent and the Collateral Agent are herein called the "Secured Creditors");

WHEREAS, each Guarantor is a direct or indirect Subsidiary of the Borrower;

WHEREAS, it is a condition precedent to the making and continuation of Loans to the Borrower under the Loan Agreement that each Guarantor shall have executed and delivered to the Administrative Agent this Guaranty; and

WHEREAS, each Guarantor will obtain benefits from the incurrence and continuation of Loans by the Borrower under the Loan Agreement and, accordingly, desires to execute this Guaranty in order to satisfy the condition described in the preceding paragraph and to induce the Lenders to make (or be deemed to have made) and continue Loans to the Borrower.

NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby makes the following representations and warranties to the Administrative Agent for the benefit of the Secured Creditors and hereby covenants and agrees with each other Guarantor and the Administrative Agent for the benefit of the Secured Creditors as follows:

1. Guaranty. (a) Each Guarantor, jointly and severally, irrevocably, absolutely and unconditionally guarantees as a primary obligor and not merely as surety to the Secured Creditors the full and prompt payment when due (whether at the stated maturity, by required prepayment, declaration, acceleration, demand or otherwise), subject to any applicable grace periods set forth in the Credit Documents, of (x) the principal of, premium, if any, and

interest on the Notes issued by, and the Loans made to, the Borrower under the Loan Agreement, and (y) all other obligations (including, without limitation, obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness owing by the Borrower to the Secured Creditors under each Credit Document to which the Borrower is a party (including, without limitation, indemnities, Fees and interest thereon (including, without limitation, any interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the Loan Agreement, whether or not such interest is an allowed claim in any such proceeding)), whether now existing or hereafter incurred under, arising out of or in connection with each such Credit Document and the due performance and compliance by the Borrower with all of the terms, conditions, covenants and agreements contained in all such Credit Documents (all such principal, premium, interest, liabilities, indebtedness and obligations under this clause being herein collectively called the "Guaranteed Obligations").

(b) Each Guarantor understands, agrees and confirms that the Secured Creditors may enforce this Guaranty up to the full amount of the Guaranteed Obligations against such Guarantor without proceeding against any other Guarantor or the Borrower, or against any security for the Guaranteed Obligations, or under any other guaranty covering all or a portion of the Guaranteed Obligations. This Guaranty is a guaranty of prompt payment and performance and not of collection.

Additionally, each Guarantor, jointly and severally, unconditionally, absolutely and irrevocably, guarantees the payment of any and all Guaranteed Obligations whether or not due or payable by the Borrower upon the occurrence in respect of the Borrower of any of the events specified in Section 11.05 of the Loan Agreement, and unconditionally, absolutely and irrevocably, jointly and severally, promises to pay such Guaranteed Obligations to the Secured Creditors, or order, on demand.

2. Liability of Guarantors Absolute. The liability of each Guarantor hereunder is primary, absolute, joint and several, and unconditional and is exclusive and independent of any security for or other guaranty of the indebtedness of the Borrower whether executed by such Guarantor, any other Guarantor, any other guarantor or by any other party, and the liability of each Guarantor hereunder shall not be affected or impaired by any circumstance or occurrence whatsoever, including, without limitation: (a) any direction as to application of payment by the Borrower or any other party, (b) any other continuing or other guaranty, undertaking or maximum liability of a Guarantor or of any other party as to the Guaranteed Obligations, (c) any payment on or in reduction of any such other guaranty or undertaking, (d) any dissolution, termination or increase, decrease or change in personnel by the Borrower, (e) the failure of the Guarantor to receive any benefit from or as a result of its execution, delivery and performance of this Guaranty, (f) any payment made to any Secured Creditor on the indebtedness which any Secured Creditor repays the Borrower pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (g) any action or inaction by the Secured Creditors as contemplated in Section 5 hereof or (h) any invalidity, rescission, irregularity or unenforceability of all or any part of the Guaranteed Obligations or of any security therefor.

3. **Obligations of Guarantors Independent.** The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor or the Borrower, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor or the Borrower and whether or not any other Guarantor or the Borrower be joined in any such action or actions. Each Guarantor waives (to the fullest extent permitted by applicable law) the benefits of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by the Borrower or other circumstance which operates to toll any statute of limitations as to the Borrower shall operate to toll the statute of limitations as to each Guarantor.

4. **Waivers by Guarantors.** (a) Each Guarantor hereby waives (to the fullest extent permitted by applicable law) notice of acceptance of this Guaranty and notice of the existence, creation or incurrence of any new or additional liability to which it may apply, and waives promptness, diligence, presentment, demand of payment, demand for performance, protest, notice of dishonor or nonpayment of any such liabilities, suit or taking of other action by the Administrative Agent or any other Secured Creditor against, and any other notice to, any party liable thereon (including such Guarantor, any other Guarantor, any other guarantor or the Borrower) and each Guarantor further hereby waives any and all notice of the creation, renewal, extension or accrual of any of the Guaranteed Obligations and notice or proof of reliance by any Secured Creditor upon this Guaranty, and the Guaranteed Obligations shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended, modified, supplemented or waived, in reliance upon this Guaranty.

(b) Each Guarantor waives any right to require the Secured Creditors to: (i) proceed against the Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; (ii) proceed against or exhaust any security held from the Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; or (iii) pursue any other remedy in the Secured Creditors' power whatsoever. Each Guarantor waives any defense based on or arising out of any defense of the Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party other than payment in full in cash of the Guaranteed Obligations, including, without limitation, any defense based on or arising out of the disability of the Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party, or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower, other than payment in full in cash of the Guaranteed Obligations. The Secured Creditors may, at their election and in accordance with the applicable Intercreditor Agreement, foreclose on any collateral serving as security held by the Administrative Agent, the Collateral Agent or the other Secured Creditors by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Secured Creditors may have against the Borrower or any other party or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full in cash. Each Guarantor waives any defense arising out of any such election by the Secured Creditors, even though such election operates to impair or extinguish any right of reimbursement, contribution, indemnification or subrogation or other right or remedy of such Guarantor against the Borrower, any other guarantor of the Guaranteed Obligations or any other party or any security.

(c) Each Guarantor has knowledge and assumes all responsibility for being and keeping itself informed of the Borrower's, and each other Guarantor's financial condition, affairs and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and has adequate means to obtain from the Borrower and each other Guarantor on an ongoing basis information relating thereto and the Borrower's and each other Guarantor's ability to pay and perform its respective Guaranteed Obligations, and agrees to assume the responsibility for keeping, and to keep, so informed for so long as this Guaranty is in effect. Each Guarantor acknowledges and agrees that (x) the Secured Creditors shall have no obligation to investigate the financial condition or affairs of the Borrower or any other Guarantor for the benefit of such Guarantor nor to advise such Guarantor of any fact respecting, or any change in, the financial condition, assets or affairs of the Borrower or any other Guarantor that might become known to any Secured Creditor at any time, whether or not such Secured Creditor knows or believes or has reason to know or believe that any such fact or change is unknown to such Guarantor, or might (or does) increase the risk of such Guarantor as guarantor hereunder, or might (or would) affect the willingness of such Guarantor to continue as a guarantor of the Guaranteed Obligations hereunder and (y) the Secured Creditors shall have no duty to advise any Guarantor of information known to them regarding any of the aforementioned circumstances or risks.

(d) Each Guarantor hereby acknowledges and agrees that no Secured Creditor nor any other Person shall be under any obligation (a) to marshal any assets in favor of such Guarantor or the obligation of such Guarantor hereunder or (b) to pursue any other remedy that such Guarantor may or may not be able to pursue itself any right to which such Guarantor hereby waives.

(e) Each Guarantor warrants and agrees that each of the waivers set forth in Section 3 and in this Section 4 is made with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective only to the maximum extent permitted by applicable law.

5. Rights Of Secured Creditors. Subject to Sections 4 and 13 hereof, any Secured Creditor may (except as shall be required by applicable statute and cannot be waived) at any time and from time to time without the consent of, or notice to, any Guarantor, without incurring responsibility to such Guarantor, without impairing or releasing the obligations or liabilities of such Guarantor hereunder, upon or without any terms or conditions and in whole or in part:

(a) change the manner, place or terms of payment of, and/or change, increase or extend the time of payment of, renew, increase, accelerate or alter, any of the Guaranteed Obligations (including, without limitation, any increase or decrease in the rate of interest thereon or the principal amount thereof), any security therefor, or any liability incurred directly or indirectly in respect thereof, and the guaranty herein made shall apply to the Guaranteed Obligations as so changed, extended, increased, accelerated, renewed or altered;

(b) take and hold security for the payment of the Guaranteed Obligations and sell, exchange, release, surrender, impair, realize upon or otherwise deal with in any manner and

in any order any property or other collateral by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;

(c) exercise or refrain from exercising any rights against the Borrower, any other Credit Party, any Subsidiary thereof, any other guarantor of the Borrower or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, Guarantors, other guarantors, the Borrower or other obligors;

(e) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of the Borrower to creditors of the Borrower other than the Secured Creditors;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of the Borrower to the Secured Creditors regardless of what liabilities of the Borrower remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, any of the Credit Documents or any of the instruments or agreements referred to therein, or otherwise amend, modify or supplement any of the Credit Documents or any of such other instruments or agreements;

(h) act or fail to act in any manner which may deprive such Guarantor of its right to subrogation against the Borrower to recover full indemnity for any payments made pursuant to this Guaranty; and/or

(i) take any other action or omit to take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Guarantor from its liabilities under this Guaranty (including, without limitation, any action or omission whatsoever that might otherwise vary the risk of such Guarantor or constitute a legal or equitable defense to or discharge of the liabilities of a guarantor or surety or that might otherwise limit recourse against such Guarantor).

No invalidity, illegality, irregularity or unenforceability of all or any part of the Guaranteed Obligations, the Credit Documents or any other agreement or instrument relating to the Guaranteed Obligations or of any security or guarantee therefor shall affect, impair or be a defense to this Guaranty, and this Guaranty shall be primary, absolute and unconditional notwithstanding the occurrence of any event or the existence of any other circumstances which might constitute a legal or equitable discharge of a surety or guarantor except payment in full in cash of the Guaranteed Obligations.

6. Continuing Guaranty. This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have

been created in reliance hereon. No failure or delay on the part of any Secured Creditor in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Secured Creditor would otherwise have. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Secured Creditor to any other or further action in any circumstances without notice or demand. It is not necessary for any Secured Creditor to inquire into the capacity or powers of the Borrower or the officers, directors, partners or agents acting or purporting to act on its or their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

7. Subordination of Indebtedness held by Guarantors. Any indebtedness of the Borrower now or hereafter held by any Guarantor is hereby subordinated to the indebtedness of the Borrower to the Secured Creditors; and such indebtedness of the Borrower to any Guarantor, if the Administrative Agent or the Collateral Agent, after an Event of Default has occurred and is continuing, so requests, shall be collected, enforced and received by such Guarantor as trustee for the Secured Creditors and be paid over to the Secured Creditors on account of the indebtedness of the Borrower to the Secured Creditors, but without affecting or impairing in any manner the liability of such Guarantor under the other provisions of this Guaranty. Prior to the transfer by any Guarantor of any note or negotiable instrument evidencing any indebtedness of the Borrower to such Guarantor, such Guarantor shall mark such note or negotiable instrument with a legend that the same is subject to this subordination. Without limiting the generality of the foregoing, each Guarantor hereby agrees with the Secured Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Guaranteed Obligations have been irrevocably paid in full in cash; provided, that if any amount shall be paid to such Guarantor on account of such subrogation rights at any time prior to the irrevocable payment in full in cash of all the Guaranteed Obligations, such amount shall be held in trust for the benefit of the Secured Creditors and shall forthwith be paid to the Secured Creditors to be credited and applied upon the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms of the Credit Documents or, if the Credit Documents do not provide for the application of such amount, to be held by the Secured Creditors as collateral security for any Guaranteed Obligations thereafter existing.

8. Guaranty Enforceable by Administrative Agent or Collateral Agent. Notwithstanding anything to the contrary contained elsewhere in this Guaranty, the Secured Creditors agree (by their acceptance of the benefits of this Guaranty) that this Guaranty may be enforced only by the action of the Administrative Agent or the Collateral Agent, in each case acting upon the instructions of the Required Lenders, and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Guaranty or to realize upon the security to be granted by the Security Documents, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent or the Collateral Agent for the benefit of the Secured Creditors upon the terms of this Guaranty and the Security Documents. The Secured Creditors further agree that this Guaranty may not be enforced against any director, officer, employee, partner, member or stockholder of any Guarantor (except to the extent such

partner, member or stockholder is also a Guarantor hereunder). It is understood and agreed that the agreement in this Section 8 is among and solely for the benefit of the Secured Creditors and that, if the Required Lenders agree (without requiring the consent of any Guarantor), this Guaranty may be directly enforced by any Secured Creditor.

9. Representations, Warranties and Covenants of Guarantors. In order to induce the Lenders to make (or be deemed to have made) loans to the Borrower pursuant to the Loan Agreement, each Guarantor (or, in the case of clause (i) below, each Guarantor that is a Pulitzer Entity) represents, warrants and covenants that:

(a) such Guarantor (i) is a duly organized and validly existing Company in good standing under the laws of the jurisdiction of its organization, (ii) has the Company power and authority to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (iii) is duly qualified and is authorized to do business and is in good standing in each jurisdiction where the nature of its business requires such qualification, except for failures to be so qualified which, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect;

(b) such Guarantor has the Company power and authority to execute, deliver and perform the terms and provisions of this Guaranty and each other Credit Document to which it is a party and has taken all necessary Company action to authorize the execution, delivery and performance by it of this Guaranty and each such other Credit Document;

(c) such Guarantor has duly executed and delivered this Guaranty and each other Credit Document to which it is a party, and this Guaranty and each such other Credit Document constitutes the legal, valid and binding obligation of such Guarantor enforceable in accordance with its terms, except to the extent that the enforceability hereof or thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law);

(d) neither the execution, delivery or performance by such Guarantor of this Guaranty or any other Credit Document to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, will (i) contravene any provision of any applicable law, statute, rule or regulation or any applicable order, writ, injunction or decree of any court or governmental instrumentality, (ii) conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents) upon any of the property or assets of such Guarantor or any of its Subsidiaries pursuant to the terms of any material indenture, mortgage, deed of trust, loan agreement, credit agreement, notes agreement, guaranty agreement, or any other material agreement, contract or instrument to which such Guarantor or any of its Subsidiaries is a party or by which it or any of its property or assets is bound or to which it may be subject or (iii) violate any provision of the certificate or articles of incorporation, by-laws, partnership agreement or limited liability company agreement (or equivalent organizational documents), as the case may be, of such Guarantor or any of its Subsidiaries;

(e) no order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except as have been obtained or made prior to the date when required and which remain in full force and effect), or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to authorize, or is required in connection with, (i) the execution, delivery and performance of this Guaranty by such Guarantor or any other Credit Document to which such Guarantor is a party or (ii) the legality, validity, binding effect or enforceability of this Guaranty or any other Credit Document to which such Guarantor is a party;

(f) there are no actions, suits or proceedings pending or, to such Guarantor's knowledge, threatened (i) with respect to this Guaranty or any other Credit Document to which such Guarantor is a party or (ii) with respect to such Guarantor or any of its Subsidiaries that, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect;

(g) until such time as no Note remains outstanding and all Guaranteed Obligations have been paid in full (other than indemnities described in Section 13.01 of the Loan Agreement and analogous provisions in the Pledge Agreement or the Security Agreement which are not then due and payable), such Guarantor will comply, and will cause each of its Subsidiaries to comply, with all of the applicable provisions, covenants and agreements contained in Sections 9 and 10 of the Loan Agreement, and will take, or will refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that no violation of any provision, covenant or agreement contained in Sections 9 and 10 of the Loan Agreement, and so that no Default or Event of Default, is caused by the actions of such Guarantor or any of its Subsidiaries;

(h) an executed (or conformed) copy of each of the Credit Documents has been made available to a senior officer and an authorized officer of each Guarantor and each such officer is familiar with the contents thereof; and

(i) on the date hereof, all representations and warranties of the Pulitzer Entities contained in the Pulitzer Debt Documents are true and correct in all material respects with the same effect as though such representations and warranties had been made on the date hereof, both before and after giving effect to the transactions contemplated to occur on the Effective Date and the application of the proceeds of the Loans (unless stated to relate to a specific earlier date, in which case such representations and warranties were true and correct in all material respects as of such earlier date), and all such representations and warranties are hereby made to and in favor of the Secured Creditors as if the same were set out herein in full, *mutatis mutandis*.

10. Expenses. The Guarantors hereby jointly and severally agree to pay all reasonable out-of-pocket costs and expenses of the Collateral Agent, the Administrative Agent and each other Secured Creditor in connection with the enforcement of this Guaranty and the protection of the Secured Creditors' rights hereunder and any amendment, waiver or consent relating hereto (including, in each case, without limitation, the reasonable fees and disbursements of counsel (including in-house counsel) employed by the Collateral Agent, the Administrative Agent and each other Secured Creditor).

11. **Benefit and binding effect.** This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the Secured Creditors and their successors and assigns.

12. **Amendments; Waivers.** Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of each Guarantor directly affected thereby (it being understood that the addition or release of any Guarantor hereunder shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released) and with the written consent of the Required Lenders (or such other Lenders (or number or percentage thereof) as shall be necessary under Section 13.12(a) of the Loan Agreement) at all times prior to the time at which all Guaranteed Obligations have been paid in full.

13. **Set off.** In addition to any rights now or hereafter granted under applicable law (including, without limitation, Section 151 of the New York Debtor and Creditor Law) and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Secured Creditor is hereby authorized, at any time or from time to time, without notice to any Guarantor or to any other person, any such notice being expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any time held or owing by such Secured Creditor to or for the credit or the account of such Guarantor, against and on account of the obligations and liabilities of such Guarantor to such Secured Creditor under this Guaranty, irrespective of whether or not such Secured Creditor shall have made any demand hereunder and although said obligations, liabilities, deposits or claims, or any of them, shall be contingent or unmatured. Each Secured Creditor (by its acceptance of the benefits hereof) acknowledges and agrees that the provisions of this Section 13 are subject to the sharing provisions set forth in Section 13.06 of the Loan Agreement.

14. **Notice.** Except as otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be sent or delivered by mail, telegraph, telex, telecopy, cable or courier service and all such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent or any Guarantor shall not be effective until received by the Administrative Agent or such Guarantor, as the case may be. All notices and other communications shall be in writing and addressed to such party (i) in the case of any Secured Creditor, as provided in the Loan Agreement, and (ii) in the case of any Guarantor, at its address set forth opposite its signature below.

15. **Reinstatement.** If any claim is ever made upon any Secured Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including, without limitation, the Borrower), then and in such event each Guarantor agrees that any such judgment, decree, order,

settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation hereof or the cancellation of any note or any other instrument evidencing any liability of the Borrower and such Guarantor shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

16. CONSENT TO JURISDICTION; SERVICE OF PROCESS; AND WAIVER OF TRIAL BY JURY. (a) THIS GUARANTY AND THE RIGHTS AND OBLIGATIONS OF THE SECURED CREDITORS AND OF THE UNDERSIGNED HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. Any legal action or proceeding with respect to this Guaranty or any other Credit Document to which any Guarantor is a party may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York, in each case located within the County of New York, and, by execution and delivery of this Guaranty, each Guarantor hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the personal jurisdiction of the aforesaid courts. Each Guarantor hereby further irrevocably waives any claim that any such courts lack personal jurisdiction over such Guarantor, and agrees not to plead or claim, in any legal action or proceeding with respect to this Guaranty or any other Credit Document to which such Guarantor is a party brought in any of the aforesaid courts, that any such court lacks personal jurisdiction over such Guarantor. Each Guarantor further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to each Guarantor at its address set forth opposite its signature below, such service to become effective 30 days after such mailing. Each Guarantor hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Credit Document to which such Guarantor is a party that such service of process was in any way invalid or ineffective. Nothing herein shall affect the right of any of the Secured Creditors to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against each Guarantor in any other jurisdiction.

(b) Each Guarantor hereby irrevocably waives (to the fullest extent permitted by applicable law) any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Guaranty or any other Credit Document to which such Guarantor is a party brought in the courts referred to in clause (a) above and hereby further irrevocably waives and agrees not to plead or claim in any such court that such action or proceeding brought in any such court has been brought in an inconvenient forum.

(c) EACH GUARANTOR AND EACH SECURED CREDITOR (BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY) HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS GUARANTY, THE OTHER CREDIT DOCUMENTS TO WHICH SUCH GUARANTOR IS A PARTY OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

17. Release of Guarantors. (a) In the event that all of the Equity Interests of one or more Guarantors is sold or otherwise disposed of or liquidated in compliance with the requirements of Section 10.02 of the Loan Agreement (or such sale, other disposition or liquidation has been approved in writing by the Required Lenders (or such other Lenders (or number or percentage thereof) as shall be necessary under Section 13.12(a) of the Loan Agreement) and the proceeds of such sale, disposition or liquidation are applied in accordance with the provisions of the Loan Agreement, to the extent applicable, such Guarantor shall, upon consummation of such sale or other disposition (except to the extent that such sale or disposition is to the Borrower or another Subsidiary thereof), be released from this Guaranty automatically and without further action and this Guaranty shall, as to each Guarantor, terminate, and have no further force or effect (it being understood and agreed that the sale of one or more Persons that own, directly or indirectly, all of the Equity Interests of any Guarantor shall be deemed to be a sale of such Guarantor for the purposes of this Section 17(a)).

(b) Upon the payment in full of all Guaranteed Obligations and the termination of the Loan Agreement, the Guarantors shall be released from this Guaranty automatically and without further action and this Guaranty shall, as to each Guarantor, terminate, and have no further force or effect.

18. Contribution. At any time a payment in respect of the Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a "Relevant Payment") is made on the Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor's Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the "Aggregate Excess Amount"), each such Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor's Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Guarantors in respect of the Guaranteed Obligations (the aggregate amount of such deficit, the "Aggregate Deficit Amount") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor's right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment to the time of each computation; provided that no Guarantor may take any action to enforce such right until the Guaranteed Obligations have been irrevocably paid in full in cash, it being expressly recognized and agreed by all parties hereto that any Guarantor's right of contribution arising pursuant to this Section 18 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor's obligations and liabilities in respect of the Guaranteed Obligations. As used in this Section 18: (i) each Guarantor's "Contribution Percentage" shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such Guarantor by (y) the aggregate Adjusted Net Worth of all Guarantors; (ii) the "Adjusted Net Worth" of each

Guarantor shall mean the greater of (x) the Net Worth (as defined below) of such Guarantor and (y) zero; and (iii) the “Net Worth” of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor’s assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under this Guaranty on such date). Notwithstanding anything to the contrary contained above, any Guarantor that is released from this Guaranty pursuant to Section 17 hereof shall thereafter have no contribution obligations, or rights, pursuant to this Section 18, and at the time of any such release, if the released Guarantor had an Aggregate Excess Amount or an Aggregate Deficit Amount, same shall be deemed reduced to \$0, and the contribution rights and obligations of the remaining Guarantors shall be recalculated on the respective date of release (as otherwise provided above) based on the payments made hereunder by the remaining Guarantors. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 18, each Guarantor who makes any payment in respect of the Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Guaranteed Obligations have been irrevocably paid in full in cash. Each of the Guarantors recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive its contribution right against any Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the determination of the Required Lenders.

19. Limitation on Guaranteed Obligations. Each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby confirms that it is its intention that this Guaranty not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act or any similar federal or state law. To effectuate the foregoing intention, each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably agrees that the Guaranteed Obligations guaranteed by such Guarantor shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such laws and after giving effect to any rights to contribution pursuant to any agreement providing for an equitable contribution among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.

20. Counterparts. This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent.

21. Payments. All payments made by any Guarantor hereunder will be made without setoff, counterclaim or other defense and on the same basis as payments are made by the Borrower under Sections 5.03 and 5.04 of the Loan Agreement.

22. Additional Guarantors. It is understood and agreed that any Subsidiary of the Borrower that is required to execute a counterpart of this Guaranty after the date hereof pursuant to the Loan Agreement shall become a Guarantor hereunder by (x) executing and

delivering a counterpart hereof to the Administrative Agent or executing a joinder agreement and delivering same to the Administrative Agent, in each case as may be requested by (and in form and substance satisfactory to) the Administrative Agent and (y) taking all actions as specified in this Guaranty as would have been taken by such Guarantor had it been an original party to this Guaranty, in each case with all documents required above to be delivered to the Administrative Agent with all documents and actions required to be taken above to be taken to the reasonable satisfaction of the Administrative Agent.

23. Headings descriptive. The headings of the several sections of this Guaranty are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Guaranty.

IN WITNESS WHEREOF, each of the undersigned has caused this Guaranty to be executed and delivered as of the date first above written.

FORM OF
INTERCOMPANY SUBORDINATION AGREEMENT

THIS INTERCOMPANY SUBORDINATION AGREEMENT (as amended, restated, modified and/or supplemented from time to time, this "Agreement"), dated as of January 30, 2012, made by each of the undersigned (each, a "Party" and, together with any entity that becomes a party to this Agreement pursuant to Section 9 hereof, the "Parties") and Wilmington Trust, National Association, as collateral agent (in such capacity, together with any successor collateral agent, the "Collateral Agent"), for the benefit of the Senior Creditors (as defined below). Unless otherwise defined herein, all capitalized terms used herein shall have the meanings ascribed to them in the Loan Agreement referred to below.

W I T N E S S E T H:

WHEREAS, Lee Enterprises, Incorporated (the "Borrower"), the lenders from time to time party thereto (the "Lenders"), Deutsche Bank Securities Inc. and Goldman Sachs Lending Partners LLC, as Joint Lead Arrangers and Joint Book Running Managers, and Wilmington Trust, National Association, as administrative agent (together with any successor administrative agent, the "Administrative Agent"), have entered into a Second Lien Loan Agreement, dated as of January 30, 2012, providing for the making (or deemed making) and continuation of Loans to the Borrower, all as contemplated therein (with the Lenders, the Administrative Agent and the Collateral Agent being herein called the "Secured Creditors") (as used herein, the term "Loan Agreement" means the Second Lien Loan Agreement described above in this paragraph, as the same may be amended, restated, modified, supplemented, extended, renewed, refinanced, replaced, or refunded from time to time, and including any agreement extending the maturity of, or refinancing or restructuring (including, but not limited to, the inclusion of additional borrowers or guarantors thereunder or any increase in the amount borrowed) all or any portion of, the indebtedness under such agreement or any successor agreement, whether or not with the same agent, trustee, representative, lenders or holders; provided that, with respect to any subsequent agreement providing for the refinancing or replacement of indebtedness under the Loan Agreement, such agreement shall only be treated as, or as part of, the Loan Agreement hereunder if (i) either (A) all obligations under the Loan Agreement being refinanced or replaced shall be paid in full at the time of such refinancing or replacement or (B) the Required Lenders shall have consented in writing to the refinancing or replacement indebtedness being treated as indebtedness pursuant to the Loan Agreement, and (ii) a notice to the effect that the refinancing or replacement indebtedness shall be treated as issued under the Loan Agreement shall be delivered by the Borrower to the Collateral Agent);

WHEREAS, pursuant to the Subsidiaries Guaranty, each Subsidiary Guarantor has jointly and severally guaranteed to the Secured Creditors the payment when due of all Guaranteed Obligations (as defined in the Subsidiaries Guaranty);

WHEREAS, it is a condition precedent to the extensions of credit under the Loan Agreement that this Agreement be executed and delivered by the original Parties hereto;

WHEREAS, additional Parties may from time to time become parties hereto in order to allow for certain extensions of credit in accordance with the requirements of the Loan Agreement; and

WHEREAS, each of the original Parties desires to execute this Agreement to satisfy the conditions described in the immediately preceding paragraphs.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, the Parties and the Collateral Agent (for the benefit of the Senior Creditors) hereby agree as follows:

1. The Subordinated Debt (as defined in Section 7 hereof) and all payments of principal, interest and all other amounts thereunder are hereby, and shall continue to be, subject and subordinate in right of payment to the prior payment in full, in cash, of all Senior Indebtedness to the extent, and in the manner, set forth herein. The foregoing shall apply notwithstanding the availability of collateral to the Senior Creditors or the holders of Subordinated Debt or the actual date and time of execution, delivery, recordation, filing or perfection of any security interests granted with respect to the Senior Indebtedness or the Subordinated Debt, or the lien or priority of payment thereof, and in any instance wherein the Senior Indebtedness or any claim for the Senior Indebtedness (as defined in Section 7 hereof) is subordinated, avoided or disallowed, in whole or in part, under the Bankruptcy Code or other applicable federal, foreign, state or local law. In the event of a proceeding, whether voluntary or involuntary, for insolvency, liquidation, reorganization, dissolution, bankruptcy or other similar proceeding pursuant to the Bankruptcy Code or other applicable federal, foreign, state or local law (each, a "Bankruptcy Proceeding"), the Senior Indebtedness shall include all interest accrued on the Senior Indebtedness, in accordance with and at the rates specified in the Senior Indebtedness, both for periods before and for periods after the commencement of any of such proceedings, even if the claim for such interest is not allowed pursuant to the Bankruptcy Code or other applicable law.

2. Each Party (as a lender of any Subordinated Debt) hereby agrees that until the Senior Indebtedness Termination Date shall have occurred:

(a) Such Party shall not, without the prior written consent of the Required Senior Creditors (as defined in Section 7 hereof), which consent may be withheld or conditioned in the Required Senior Creditors' sole discretion, commence, or join or participate in, any Enforcement Action (as defined in Section 7 hereof).

(b) In the event that (i) all or any portion of any Senior Indebtedness remaining unpaid after it becomes due (whether at stated maturity, by acceleration or otherwise), (ii) any Event of Default under the Loan Agreement or any event of default under, and as defined in, any other Senior Indebtedness (or the documentation governing the same), then exists or would result from such payment on the Subordinated Debt (including, without limitation, pursuant to Section 11.09 of the Loan Agreement), (iii) such Party receives any payment or prepayment of principal, interest or any other amount, in whole or in part, of (or with respect to) the Subordinated Debt in violation of the terms of the Loan Agreement or any other Senior

Indebtedness (or the documentation governing the same) or (iv) any distribution, division or application, partial or complete, voluntary or involuntary, by operation of law or otherwise, is made of all or any part of the property, assets or business of the Borrower or any of its Subsidiaries or the proceeds thereof, in whatever form, to any creditor or creditors of the Borrower or any of its Subsidiaries or to any holder of indebtedness of the Borrower or any of its Subsidiaries or by reason of any liquidation, dissolution or other winding up of the Borrower, any of its Subsidiaries or their respective businesses, or of any receivership or custodianship for the Borrower or any of its Subsidiaries or of all or substantially all of their respective property, or of any insolvency or bankruptcy proceedings or assignment for the benefit of creditors or any proceeding by or against the Borrower or any of its Subsidiaries for any relief under any bankruptcy, reorganization or insolvency law or laws, federal, foreign, state or local, or any law, federal, foreign, state or local relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension, then, and in any such event, any payment or distribution of any kind or character, whether in cash, property or securities, which shall be payable or deliverable with respect to any or all of the Subordinated Debt or which has been received by any Party shall be held in trust by such Party for the benefit of the Senior Creditors and shall forthwith be paid or delivered directly to the Senior Creditors for application to the payment of the Senior Indebtedness (after giving effect to the relative priorities of such Senior Indebtedness) to the extent necessary to make payment in full in cash of all sums due under the Senior Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution to the Senior Creditors. In any such event, the Senior Creditors may, but shall not be obligated to, demand, claim and collect any such payment or distribution that would, but for these subordination provisions, be payable or deliverable with respect to the Subordinated Debt. In the event of the occurrence of any event referred to in subclauses (i), (ii), (iii) or (iv) of the second preceding sentence of this clause (b) and until the Senior Indebtedness Termination Date shall have occurred and all of the obligations of the Borrower or any of its Subsidiaries to the Senior Creditors have been performed in full, no payment of any kind or character (whether in cash, property, securities or otherwise) shall be made to or accepted by any Party in respect of the Subordinated Debt. Notwithstanding anything to the contrary contained above, if one or more of the events referred to in subclauses (i) through (iv) of the first sentence of this clause (b) is in existence, the Required Senior Creditors may agree in writing that payments may be made with respect to the Subordinated Debt which would otherwise be prohibited pursuant to the provisions contained above, provided that any such waiver shall be specifically limited to the respective payment or payments which the Required Senior Creditors agree may be so paid to any Party in respect of the Subordinated Debt.

(c) If such Party shall acquire by indemnification, subrogation or otherwise, any lien, estate, right or other interest in any of the assets or properties of the Borrower or any of its Subsidiaries, that lien, estate, right or other interest shall be subordinate in right of payment to the Senior Indebtedness and the lien of the Senior Indebtedness as provided herein, and such Party hereby waives any and all rights it may acquire by subrogation or otherwise to any lien of the Senior Indebtedness or any portion thereof until such time as the Senior Indebtedness Termination Date shall have occurred.

(d) Such Party shall not pledge, assign, hypothecate, transfer, convey or sell any Subordinated Debt or any interest in any Subordinated Debt to any entity (other than under the relevant Security Documents (as hereinafter defined) or in accordance with the relevant

requirements of the Loan Agreement to a Credit Party which is a Party hereto) without the prior written consent of the Administrative Agent (with the prior written consent of the Required Senior Creditors).

(e) After request by the Administrative Agent or the Required Senior Creditors, such Party shall within ten (10) days furnish the Senior Creditors with a statement, duly acknowledged and certified setting forth the original principal amount of the notes evidencing the indebtedness of the Subordinated Debt, the unpaid principal balance, all accrued interest but unpaid interest and any other sums due and owing thereunder, the rate of interest, the monthly payments and that, to the best knowledge of such Party, there exists no defaults under the Subordinated Debt, or if any such defaults exist, specifying the defaults and the nature thereof.

(f) In any case commenced by or against the Borrower or any of its Subsidiaries under the Bankruptcy Code or any similar federal, foreign, state or local statute (a "Reorganization Proceeding"), to the extent permitted by applicable law, the Required Senior Creditors shall have the exclusive right to exercise any voting rights in respect of the claims of such Party against the Borrower or any of its Subsidiaries.

(g) If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made (whether by the Borrower, any other Credit Party or any other Person or enforcement of any right of setoff or otherwise) is rescinded or must otherwise be returned by the holders of Senior Indebtedness for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of the Borrower, any other Credit Party or such other Persons), the subordination provisions set forth herein shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

(h) Such Party shall not object to the entry of any order or orders approving any cash collateral stipulations, adequate protection stipulations or similar stipulations executed by the Senior Creditors in any Reorganization Proceeding or any other proceeding under the Bankruptcy Code.

(i) Such Party waives any marshalling rights with respect to the Senior Creditors in any Reorganization Proceeding or any other proceeding under the Bankruptcy Code.

(j) Notwithstanding anything herein to the contrary, if any amount otherwise required to be held for or paid to the Senior Creditors is required to be held for or paid to any other Senior Creditors (as defined in the Lee Intercompany Subordination Agreement or the Pulitzer Intercompany Subordination Agreement, as applicable) pursuant to the Lee Intercompany Subordination Agreement or the Pulitzer Intercompany Subordination Agreement, the terms of the Lee Intercompany Subordination Agreement or the Pulitzer Intercompany Subordination Agreement, as applicable, shall supersede the terms hereof and such amounts may be held for or paid to such other Senior Creditors (as defined in the Lee Intercompany Subordination Agreement or the Pulitzer Intercompany Subordination Agreement, as applicable) pursuant to the Lee Intercompany Subordination Agreement or the Pulitzer Intercompany Subordination Agreement, as applicable, without resulting in any violation by such Party of this Agreement.

3. Each Party hereby represents, warrants and covenants as follows:

(a) each Party will deliver a schedule setting forth all Intercompany Debt to the Administrative Agent within 10 days after any request by the Administrative Agent or the Required Senior Creditors (although any failure to deliver such a supplement shall have no effect whatsoever on the subordination provisions contained herein, which shall apply to all Subordinated Debt whether or not listed on said schedule); and

(b) each Party will not lend, hold or permit to exist any Intercompany Debt owed by it or to it (in accordance with the definition thereof contained herein) unless each obligee or obligor, as the case may be, with respect to such Intercompany Debt is (or concurrently with such extension becomes) a Party to this Agreement.

4. Any payments made to, or received by, any Party in respect of any guaranty or security in support of the Subordinated Debt shall be subject to the terms of this Agreement and applied on the same basis as payments made directly by the obligor under such Subordinated Debt. To the extent that the Borrower or any of its Subsidiaries (other than the respective obligor or obligors which are already Parties hereto) provides a guaranty or any security in support of any Subordinated Debt, the Party which is the lender of the respective Subordinated Debt will cause each such Person to become a Party hereto (if such Person is not already a Party hereto) not later than the date of the execution and delivery of the respective guarantee or security documentation, provided that any failure to comply with the foregoing requirements of this Section will have no effect whatsoever on the subordination provisions contained herein (which shall apply to all payments received with respect to any guarantee or security for any Subordinated Debt, whether or not the Person furnishing such guarantee or security is a Party hereto).

5. Each Party hereby acknowledges and agrees that no payments will be accepted by it in respect of the Subordinated Debt (unless promptly turned over to the holders of Senior Indebtedness as contemplated by Section 2 above) to the extent such payments would be prohibited under any Senior Indebtedness (or the documentation governing the same).

6. In addition to the foregoing agreements, each Party hereby acknowledges and agrees that, with respect to all Intercompany Debt (whether or not same constitutes Subordinated Debt), that (x) such Intercompany Debt (and any promissory notes or other instruments evidencing same) may be pledged, and delivered for pledge, by the Borrower or any of its Subsidiaries pursuant to any Security Document to which the Borrower or the respective such Subsidiary is, or at any time in the future becomes, a party and (y) with respect to all Intercompany Debt so pledged, the Collateral Agent shall be entitled to exercise all rights and remedies with respect to such Intercompany Debt to the maximum extent provided in the various Security Documents (in accordance with the terms thereof and subject to the requirements of applicable law). Furthermore, with respect to all Intercompany Debt at any time owed to any Credit Party, and notwithstanding anything to the contrary contained in the terms of such Intercompany Debt, each obligor (including any guarantor) and obligee with respect to such Intercompany Debt hereby agrees, for the benefit of the holders from time to time of the Senior Indebtedness, that the Administrative Agent or the Collateral Agent may at any time, and from time to time, acting on its own or at the request of the Required Senior Creditors, accelerate the

maturity of such Intercompany Debt if (x) any obligor (including any guarantor) of such Intercompany Debt is subject to any Bankruptcy Proceeding or (y) any event of default under the Loan Agreement shall have occurred and be continuing. Any such acceleration of the maturity of any Intercompany Debt shall be made by written notice by the Administrative Agent or Collateral Agent to the obligor on the respective Intercompany Debt; provided that no such notice shall be required (and the acceleration shall automatically occur) either upon the occurrence of a Bankruptcy Proceeding with respect to the respective obligor (or any guarantor) of the respective Intercompany Debt or upon (or following) any acceleration of the maturity of any Loans pursuant to the Loan Agreement.

9. It is understood and agreed that any Subsidiary of the Borrower that is required to execute a counterpart of this Agreement after the date hereof pursuant to the requirements of the Loan Agreement or any other Senior Indebtedness shall become a Party hereunder by executing a counterpart hereof (or a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent) and delivering same to the Collateral Agent.

10. No failure or delay on the part of any party hereto or any holder of Senior Indebtedness in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder.

11. Each Party hereto acknowledges that to the extent that no adequate remedy at law exists for breach of its obligations under this Agreement, in the event any Party fails to comply with its obligations hereunder, the Collateral Agent, the Administrative Agent or the holders of Senior Indebtedness shall have the right to obtain specific performance of the obligations of such defaulting Party, injunctive relief or such other equitable relief as may be available.

No amendment, supplement, modification, waiver or termination of this Agreement shall be effective against a party against whom the enforcement of such amendment, supplement, modification, waiver or termination would be asserted, unless such amendment, supplement, modification, waiver or termination was made in a writing signed by such party, provided that amendments hereto shall be effective as against the Senior Creditors only if executed and delivered by the Collateral Agent (with the written consent of the Required Senior Creditors at such time).

17. In case any one or more of the provisions confined in this Agreement, or any application thereof, shall be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein, and any other application thereof, shall not in any way be affected or impaired thereby.

FORM OF
SOLVENCY CERTIFICATE

To the Administrative Agent and each of the Lenders party to the Loan Agreement referred to below:

I, the undersigned, the Chief Financial Officer of Lee Enterprises, Incorporated, a Delaware corporation (the "Borrower"), in that capacity only and not in my individual capacity, do hereby certify as of the date hereof that:

1. This Certificate is furnished to the Administrative Agent and the Lenders pursuant to Section 6.14(i) of the Second Lien Loan Agreement, dated as of the date hereof (the "Loan Agreement"), among the Borrower, the lenders from time to time party thereto (each, a "Lender" and, collectively, the "Lenders"), Deutsche Bank Securities Inc. and Goldman Sachs Lending Partners LLC, as Joint Lead Arrangers and Joint Book Running Managers, and Wilmington Trust, National Association, as Administrative Agent. Unless otherwise defined herein, capitalized terms used in this solvency certificate (this "Certificate") shall have the meanings set forth in the Loan Agreement.

2. For purposes of this Certificate, the terms below shall have the following definitions:

(a) "does or do not have Unreasonably Small Capital"

For the period from the date hereof through the stated maturity of all New Financing, each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, after the incurrence, issuance or assumption of all Indebtedness (including the Loans) being incurred, issued or assumed and Liens of such Person or of such group of Persons existing or created, as the case may be, on the Effective Date, has or have sufficient capital with which to conduct its or their respective businesses.

(b) "Fair Value"

The amount at which the assets (both tangible and intangible), in their entirety, of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, would change hands between a willing buyer and a willing seller, within a commercially reasonable period of time, each having reasonable knowledge of the relevant facts, with neither being under any compulsion to act.

(c) "Identified Contingent Liabilities"

The maximum estimated amount of liabilities reasonably likely to result from pending litigation, asserted claims and assessments, guaranties, uninsured risks and other contingent liabilities (other than such contingent liabilities included within the term “Stated Liabilities”) of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, after giving effect to the transactions consummated on the Effective Date (including all fees and expenses related thereto but exclusive of such contingent liabilities to the extent reflected in Stated Liabilities), as identified and explained in terms of their nature and estimated magnitude by responsible officers of the Borrower and its Subsidiaries or that have been identified as such by an officer of the Borrower or any of its Subsidiaries, determined in accordance with GAAP.

(d) “New Financing”

All Indebtedness incurred or to be incurred by the Borrower and its Subsidiaries under the Credit Documents, the First Lien Credit Documents (assuming the full utilization by the Borrower of the Commitments under (and as defined in) the First Lien Credit Agreement) and the Pulitzer Debt Documents, as applicable.

(e) “Present Fair Salable Value”

The amount that could be obtained by an independent willing seller from an independent willing buyer if the assets of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, are sold with reasonable promptness in an arm’s-length transaction under present conditions for the sale of comparable business enterprises.

(f) “Stated Liabilities”

The recorded liabilities (including contingent liabilities that would be recorded in accordance with GAAP) of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, as of the date hereof after giving effect to the transactions consummated on the Effective Date, determined in accordance with GAAP consistently applied, together with the amount of the New Financing.

(g) “will be able to pay its or their respective Stated Liabilities and Identified Contingent Liabilities as they mature or otherwise become payable”

For the period from the date hereof through the stated maturity of all New Financing, each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, will have sufficient assets and cash flow to pay its or their respective Stated

Liabilities and Identified Contingent Liabilities as those liabilities mature or otherwise become payable.

3. For purposes of this Certificate, I, or officers of the Borrower and/or its Subsidiaries under my direction and supervision, have performed the following procedures as of and for the periods set forth below.

- (a) Reviewed the financial statements (including the pro forma financial statements) referred to in Section 8.05 of the Loan Agreement.
- (b) Made inquiries of certain officials of the Borrower and its Subsidiaries who have responsibility for financial and accounting matters regarding (i) the existence and amount of Identified Contingent Liabilities associated with the business of the Borrower and its Subsidiaries and (ii) whether the financial statements referred to in paragraph (a) above are in conformity with GAAP applied on a basis consistent with that of the Borrower's audited financial statements for the Borrower's fiscal year ended September 25, 2011.
- (c) Reviewed to my satisfaction the Credit Documents, the First Lien Credit Documents and the Pulitzer Debt Documents and the respective Schedules, Annexes and Exhibits thereto.
- (d) With respect to Identified Contingent Liabilities:
 - 1. inquired of certain officials of the Borrower and/or its Subsidiaries who have responsibility for legal, financial and accounting matters as to the existence and estimated liability with respect to all contingent liabilities associated with the business of the Borrower and its Subsidiaries;
 - 2. confirmed with officers of the Borrower and/or its Subsidiaries that, to the best of such officers' knowledge, (i) all appropriate items were included in Stated Liabilities or Identified Contingent Liabilities and that (ii) the amounts relating thereto were the maximum estimated amount of liabilities reasonably likely to result therefrom as of the date hereof; and
 - 3. to the best of my knowledge, in making the certification set forth in paragraph 4 below, considered all material Identified Contingent Liabilities that may arise from any pending litigation, asserted claims and assessments, guarantees, uninsured risks and other Identified Contingent Liabilities of the Borrower and its Subsidiaries (exclusive of such Identified Contingent Liabilities to the extent reflected in Stated Liabilities) and with respect to each such Identified Contingent Liability the estimable maximum amount of liability with respect thereto was used in making such certification.

- (e) Made inquiries of certain officers of the Borrower and/or its Subsidiaries who have responsibility for financial reporting and accounting matters regarding whether they were aware of any events or conditions that, as of the date hereof, would cause either Borrower (on a stand-alone basis) or the Borrower and its Subsidiaries (taken as a whole), as the case may be, after giving effect to the consummation of the financing transactions (including the incurrence of the New Financing), to (i) have assets with a Fair Value or Present Fair Salable Value that are less than the sum of its or their Stated Liabilities and Identified Contingent Liabilities; (ii) have Unreasonably Small Capital; or (iii) not be able to pay its or their respective Stated Liabilities and Identified Contingent Liabilities as they mature or otherwise become payable.
- (f) Had the Projections relating to the Borrower and/or its Subsidiaries which have been previously delivered to the Administrative Agent and the Lenders, prepared under my direction based on good faith estimates and assumptions, and have re-examined the Projections on the date hereof and considered the effect thereon of any changes since the date of the preparation thereof on the results projected therein. After such review, I hereby certify that in my opinion the Projections are (and remain) reasonable and attainable (it being recognized by the Lenders that such projections of future events are not to be viewed as facts and that actual results during the period or periods covered by any such Projections may differ from the projected results contained therein) and the Projections support the conclusions contained in paragraph 4 below.

4. Based on and subject to the foregoing, I hereby certify on behalf of the Borrower that, on and as of the date hereof and after giving effect to the consummation of the financing transactions (including the incurrence of the New Financing), it is my opinion that (i) the Fair Value and Present Fair Salable Value of the assets of each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, exceed its or their respective Stated Liabilities and Identified Contingent Liabilities; (ii) each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, do not have Unreasonably Small Capital; and (iii) each of the Borrower (on a stand-alone basis) and the Borrower and its Subsidiaries (taken as a whole), as the case may be, intends to and believes that it will be able to pay its or their respective Stated Liabilities and Identified Contingent Liabilities as they mature or otherwise become payable.

5. The Borrower does not intend, in consummating the transactions contemplated by the New Financing, to delay, hinder, or defraud either present or future creditors.

IN WITNESS WHEREOF, the undersigned has set his hand this [____] day of [_____].

SUBSIDIARIES GUARANTY

SUBSIDIARIES GUARANTY (as amended, modified, restated and/or supplemented from time to time, this "Guaranty"), dated as of January 30, 2012 made by and among each of the undersigned guarantors (each, a "Guarantor" and, together with any other entity that becomes a guarantor hereunder pursuant to Section 22 hereof, collectively, the "Guarantors") in favor of Wilmington Trust, National Association, as Administrative Agent (together with any successor administrative agent, the "Administrative Agent"), for the benefit of the Secured Creditors (as defined below). Except as otherwise defined herein, all capitalized terms used herein and defined in the Loan Agreement (as defined below) shall be used herein as therein defined.

W I T N E S S E T H :

WHEREAS, Lee Enterprises, Incorporated (the "Borrower"), the lenders from time to time party thereto (the "Lenders"), Deutsche Bank Securities Inc. and Goldman Sachs Lending Partners LLC, as Joint Lead Arrangers and Joint Book Running Managers, and the Administrative Agent have entered into a Second Lien Loan Agreement, dated as of January 30, 2012 (as amended, modified, restated and/or supplemented from time to time, the "Loan Agreement"), providing for the making and continuation of Loans to the Borrower, as contemplated therein (the Lenders, the Administrative Agent and the Collateral Agent are herein called the "Secured Creditors");

WHEREAS, each Guarantor is a direct or indirect Subsidiary of the Borrower;

WHEREAS, it is a condition precedent to the making and continuation of Loans to the Borrower under the Loan Agreement that each Guarantor shall have executed and delivered to the Administrative Agent this Guaranty; and

WHEREAS, each Guarantor will obtain benefits from the incurrence and continuation of Loans by the Borrower under the Loan Agreement and, accordingly, desires to execute this Guaranty in order to satisfy the condition described in the preceding paragraph and to induce the Lenders to make (or be deemed to have made) and continue Loans to the Borrower.

NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby makes the following representations and warranties to the Administrative Agent for the benefit of the Secured Creditors and hereby covenants and agrees with each other Guarantor and the Administrative Agent for the benefit of the Secured Creditors as follows:

1. Guaranty. (a) Each Guarantor, jointly and severally, irrevocably, absolutely and unconditionally guarantees as a primary obligor and not merely as surety to the Secured Creditors the full and prompt payment when due (whether at the stated maturity, by required prepayment, declaration, acceleration, demand or otherwise), subject to any applicable grace periods set forth in the Credit Documents, of (x) the principal of, premium, if any, and interest on the Notes issued by, and the Loans made to, the Borrower under the Loan Agreement,

and (y) all other obligations (including, without limitation, obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness owing by the Borrower to the Secured Creditors under each Credit Document to which the Borrower is a party (including, without limitation, indemnities, Fees and interest thereon (including, without limitation, any interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the Loan Agreement, whether or not such interest is an allowed claim in any such proceeding)), whether now existing or hereafter incurred under, arising out of or in connection with each such Credit Document and the due performance and compliance by the Borrower with all of the terms, conditions, covenants and agreements contained in all such Credit Documents (all such principal, premium, interest, liabilities, indebtedness and obligations under this clause being herein collectively called the "Guaranteed Obligations").

(b) Each Guarantor understands, agrees and confirms that the Secured Creditors may enforce this Guaranty up to the full amount of the Guaranteed Obligations against such Guarantor without proceeding against any other Guarantor or the Borrower, or against any security for the Guaranteed Obligations, or under any other guaranty covering all or a portion of the Guaranteed Obligations. This Guaranty is a guaranty of prompt payment and performance and not of collection.

Additionally, each Guarantor, jointly and severally, unconditionally, absolutely and irrevocably, guarantees the payment of any and all Guaranteed Obligations whether or not due or payable by the Borrower upon the occurrence in respect of the Borrower of any of the events specified in Section 11.05 of the Loan Agreement, and unconditionally, absolutely and irrevocably, jointly and severally, promises to pay such Guaranteed Obligations to the Secured Creditors, or order, on demand.

2. Liability of Guarantors Absolute. The liability of each Guarantor hereunder is primary, absolute, joint and several, and unconditional and is exclusive and independent of any security for or other guaranty of the indebtedness of the Borrower whether executed by such Guarantor, any other Guarantor, any other guarantor or by any other party, and the liability of each Guarantor hereunder shall not be affected or impaired by any circumstance or occurrence whatsoever, including, without limitation: (a) any direction as to application of payment by the Borrower or any other party, (b) any other continuing or other guaranty, undertaking or maximum liability of a Guarantor or of any other party as to the Guaranteed Obligations, (c) any payment on or in reduction of any such other guaranty or undertaking, (d) any dissolution, termination or increase, decrease or change in personnel by the Borrower, (e) the failure of the Guarantor to receive any benefit from or as a result of its execution, delivery and performance of this Guaranty, (f) any payment made to any Secured Creditor on the indebtedness which any Secured Creditor repays the Borrower pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (g) any action or inaction by the Secured Creditors as contemplated in Section 5 hereof or (h) any invalidity, rescission, irregularity or unenforceability of all or any part of the Guaranteed Obligations or of any security therefor.

3. Obligations of Guarantors Independent. The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor or the Borrower, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor or the Borrower and whether or not any other Guarantor or the Borrower be joined in any such action or actions. Each Guarantor waives (to the fullest extent permitted by applicable law) the benefits of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by the Borrower or other circumstance which operates to toll any statute of limitations as to the Borrower shall operate to toll the statute of limitations as to each Guarantor.

4. Waivers by Guarantors. (a) Each Guarantor hereby waives (to the fullest extent permitted by applicable law) notice of acceptance of this Guaranty and notice of the existence, creation or incurrence of any new or additional liability to which it may apply, and waives promptness, diligence, presentment, demand of payment, demand for performance, protest, notice of dishonor or nonpayment of any such liabilities, suit or taking of other action by the Administrative Agent or any other Secured Creditor against, and any other notice to, any party liable thereon (including such Guarantor, any other Guarantor, any other guarantor or the Borrower) and each Guarantor further hereby waives any and all notice of the creation, renewal, extension or accrual of any of the Guaranteed Obligations and notice or proof of reliance by any Secured Creditor upon this Guaranty, and the Guaranteed Obligations shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended, modified, supplemented or waived, in reliance upon this Guaranty.

(b) Each Guarantor waives any right to require the Secured Creditors to: (i) proceed against the Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; (ii) proceed against or exhaust any security held from the Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; or (iii) pursue any other remedy in the Secured Creditors' power whatsoever. Each Guarantor waives any defense based on or arising out of any defense of the Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party other than payment in full in cash of the Guaranteed Obligations, including, without limitation, any defense based on or arising out of the disability of the Borrower, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party, or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower, other than payment in full in cash of the Guaranteed Obligations. The Secured Creditors may, at their election and in accordance with the applicable Intercreditor Agreement, foreclose on any collateral serving as security held by the Administrative Agent, the Collateral Agent or the other Secured Creditors by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Secured Creditors may have against the Borrower or any other party or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full in cash. Each Guarantor waives any defense arising out of any such election by the Secured Creditors, even though such election operates to impair or extinguish any right of reimbursement, contribution, indemnification or subrogation or other right or remedy of such Guarantor against the Borrower, any other guarantor of the Guaranteed Obligations or any other party or any security.

(c) Each Guarantor has knowledge and assumes all responsibility for being and keeping itself informed of the Borrower's, and each other Guarantor's financial condition, affairs and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and has adequate means to obtain from the Borrower and each other Guarantor on an ongoing basis information relating thereto and the Borrower's and each other Guarantor's ability to pay and perform its respective Guaranteed Obligations, and agrees to assume the responsibility for keeping, and to keep, so informed for so long as this Guaranty is in effect. Each Guarantor acknowledges and agrees that (x) the Secured Creditors shall have no obligation to investigate the financial condition or affairs of the Borrower or any other Guarantor for the benefit of such Guarantor nor to advise such Guarantor of any fact respecting, or any change in, the financial condition, assets or affairs of the Borrower or any other Guarantor that might become known to any Secured Creditor at any time, whether or not such Secured Creditor knows or believes or has reason to know or believe that any such fact or change is unknown to such Guarantor, or might (or does) increase the risk of such Guarantor as guarantor hereunder, or might (or would) affect the willingness of such Guarantor to continue as a guarantor of the Guaranteed Obligations hereunder and (y) the Secured Creditors shall have no duty to advise any Guarantor of information known to them regarding any of the aforementioned circumstances or risks.

(d) Each Guarantor hereby acknowledges and agrees that no Secured Creditor nor any other Person shall be under any obligation (a) to marshal any assets in favor of such Guarantor or the obligation of such Guarantor hereunder or (b) to pursue any other remedy that such Guarantor may or may not be able to pursue itself any right to which such Guarantor hereby waives.

(e) Each Guarantor warrants and agrees that each of the waivers set forth in Section 3 and in this Section 4 is made with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective only to the maximum extent permitted by applicable law.

5. Rights Of Secured Creditors. Subject to Sections 4 and 13 hereof, any Secured Creditor may (except as shall be required by applicable statute and cannot be waived) at any time and from time to time without the consent of, or notice to, any Guarantor, without incurring responsibility to such Guarantor, without impairing or releasing the obligations or liabilities of such Guarantor hereunder, upon or without any terms or conditions and in whole or in part:

(a) change the manner, place or terms of payment of, and/or change, increase or extend the time of payment of, renew, increase, accelerate or alter, any of the Guaranteed Obligations (including, without limitation, any increase or decrease in the rate of interest thereon or the principal amount thereof), any security therefor, or any liability incurred directly or indirectly in respect thereof, and the guaranty herein made shall apply to the Guaranteed Obligations as so changed, extended, increased, accelerated, renewed or altered;

(b) take and hold security for the payment of the Guaranteed Obligations and sell, exchange, release, surrender, impair, realize upon or otherwise deal with in any manner and

in any order any property or other collateral by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;

(c) exercise or refrain from exercising any rights against the Borrower, any other Credit Party, any Subsidiary thereof, any other guarantor of the Borrower or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, Guarantors, other guarantors, the Borrower or other obligors;

(e) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of the Borrower to creditors of the Borrower other than the Secured Creditors;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of the Borrower to the Secured Creditors regardless of what liabilities of the Borrower remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, any of the Credit Documents or any of the instruments or agreements referred to therein, or otherwise amend, modify or supplement any of the Credit Documents or any of such other instruments or agreements;

(h) act or fail to act in any manner which may deprive such Guarantor of its right to subrogation against the Borrower to recover full indemnity for any payments made pursuant to this Guaranty; and/or

(i) take any other action or omit to take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Guarantor from its liabilities under this Guaranty (including, without limitation, any action or omission whatsoever that might otherwise vary the risk of such Guarantor or constitute a legal or equitable defense to or discharge of the liabilities of a guarantor or surety or that might otherwise limit recourse against such Guarantor).

No invalidity, illegality, irregularity or unenforceability of all or any part of the Guaranteed Obligations, the Credit Documents or any other agreement or instrument relating to the Guaranteed Obligations or of any security or guarantee therefor shall affect, impair or be a defense to this Guaranty, and this Guaranty shall be primary, absolute and unconditional notwithstanding the occurrence of any event or the existence of any other circumstances which might constitute a legal or equitable discharge of a surety or guarantor except payment in full in cash of the Guaranteed Obligations.

6. Continuing Guaranty. This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have

been created in reliance hereon. No failure or delay on the part of any Secured Creditor in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Secured Creditor would otherwise have. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Secured Creditor to any other or further action in any circumstances without notice or demand. It is not necessary for any Secured Creditor to inquire into the capacity or powers of the Borrower or the officers, directors, partners or agents acting or purporting to act on its or their behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

7. Subordination of Indebtedness held by Guarantors. Any indebtedness of the Borrower now or hereafter held by any Guarantor is hereby subordinated to the indebtedness of the Borrower to the Secured Creditors; and such indebtedness of the Borrower to any Guarantor, if the Administrative Agent or the Collateral Agent, after an Event of Default has occurred and is continuing, so requests, shall be collected, enforced and received by such Guarantor as trustee for the Secured Creditors and be paid over to the Secured Creditors on account of the indebtedness of the Borrower to the Secured Creditors, but without affecting or impairing in any manner the liability of such Guarantor under the other provisions of this Guaranty. Prior to the transfer by any Guarantor of any note or negotiable instrument evidencing any indebtedness of the Borrower to such Guarantor, such Guarantor shall mark such note or negotiable instrument with a legend that the same is subject to this subordination. Without limiting the generality of the foregoing, each Guarantor hereby agrees with the Secured Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Guaranteed Obligations have been irrevocably paid in full in cash; provided, that if any amount shall be paid to such Guarantor on account of such subrogation rights at any time prior to the irrevocable payment in full in cash of all the Guaranteed Obligations, such amount shall be held in trust for the benefit of the Secured Creditors and shall forthwith be paid to the Secured Creditors to be credited and applied upon the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms of the Credit Documents or, if the Credit Documents do not provide for the application of such amount, to be held by the Secured Creditors as collateral security for any Guaranteed Obligations thereafter existing.

8. Guaranty Enforceable by Administrative Agent or Collateral Agent. Notwithstanding anything to the contrary contained elsewhere in this Guaranty, the Secured Creditors agree (by their acceptance of the benefits of this Guaranty) that this Guaranty may be enforced only by the action of the Administrative Agent or the Collateral Agent, in each case acting upon the instructions of the Required Lenders, and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Guaranty or to realize upon the security to be granted by the Security Documents, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent or the Collateral Agent for the benefit of the Secured Creditors upon the terms of this Guaranty and the Security Documents. The Secured Creditors further agree that this Guaranty may not be enforced against any director, officer, employee, partner, member or stockholder of any Guarantor (except to the extent such

partner, member or stockholder is also a Guarantor hereunder). It is understood and agreed that the agreement in this Section 8 is among and solely for the benefit of the Secured Creditors and that, if the Required Lenders agree (without requiring the consent of any Guarantor), this Guaranty may be directly enforced by any Secured Creditor.

9. Representations, Warranties and Covenants of Guarantors. In order to induce the Lenders to make (or be deemed to have made) loans to the Borrower pursuant to the Loan Agreement, each Guarantor (or, in the case of clause (i) below, each Guarantor that is a Pulitzer Entity) represents, warrants and covenants that:

(a) such Guarantor (i) is a duly organized and validly existing Company in good standing under the laws of the jurisdiction of its organization, (ii) has the Company power and authority to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (iii) is duly qualified and is authorized to do business and is in good standing in each jurisdiction where the nature of its business requires such qualification, except for failures to be so qualified which, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect;

(b) such Guarantor has the Company power and authority to execute, deliver and perform the terms and provisions of this Guaranty and each other Credit Document to which it is a party and has taken all necessary Company action to authorize the execution, delivery and performance by it of this Guaranty and each such other Credit Document;

(c) such Guarantor has duly executed and delivered this Guaranty and each other Credit Document to which it is a party, and this Guaranty and each such other Credit Document constitutes the legal, valid and binding obligation of such Guarantor enforceable in accordance with its terms, except to the extent that the enforceability hereof or thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law);

(d) neither the execution, delivery or performance by such Guarantor of this Guaranty or any other Credit Document to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, will (i) contravene any provision of any applicable law, statute, rule or regulation or any applicable order, writ, injunction or decree of any court or governmental instrumentality, (ii) conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents) upon any of the property or assets of such Guarantor or any of its Subsidiaries pursuant to the terms of any material indenture, mortgage, deed of trust, loan agreement, credit agreement, notes agreement, guaranty agreement, or any other material agreement, contract or instrument to which such Guarantor or any of its Subsidiaries is a party or by which it or any of its property or assets is bound or to which it may be subject or (iii) violate any provision of the certificate or articles of incorporation, by-laws, partnership agreement or limited liability company agreement (or equivalent organizational documents), as the case may be, of such Guarantor or any of its Subsidiaries;

(e) no order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except as have been obtained or made prior to the date when required and which remain in full force and effect), or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to authorize, or is required in connection with, (i) the execution, delivery and performance of this Guaranty by such Guarantor or any other Credit Document to which such Guarantor is a party or (ii) the legality, validity, binding effect or enforceability of this Guaranty or any other Credit Document to which such Guarantor is a party;

(f) there are no actions, suits or proceedings pending or, to such Guarantor's knowledge, threatened (i) with respect to this Guaranty or any other Credit Document to which such Guarantor is a party or (ii) with respect to such Guarantor or any of its Subsidiaries that, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect;

(g) until such time as no Note remains outstanding and all Guaranteed Obligations have been paid in full (other than indemnities described in Section 13.01 of the Loan Agreement and analogous provisions in the Pledge Agreement or the Security Agreement which are not then due and payable), such Guarantor will comply, and will cause each of its Subsidiaries to comply, with all of the applicable provisions, covenants and agreements contained in Sections 9 and 10 of the Loan Agreement, and will take, or will refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that no violation of any provision, covenant or agreement contained in Sections 9 and 10 of the Loan Agreement, and so that no Default or Event of Default, is caused by the actions of such Guarantor or any of its Subsidiaries;

(h) an executed (or conformed) copy of each of the Credit Documents has been made available to a senior officer and an authorized officer of each Guarantor and each such officer is familiar with the contents thereof; and

(i) on the date hereof, all representations and warranties of the Pulitzer Entities contained in the Pulitzer Debt Documents are true and correct in all material respects with the same effect as though such representations and warranties had been made on the date hereof, both before and after giving effect to the transactions contemplated to occur on the Effective Date and the application of the proceeds of the Loans (unless stated to relate to a specific earlier date, in which case such representations and warranties were true and correct in all material respects as of such earlier date), and all such representations and warranties are hereby made to and in favor of the Secured Creditors as if the same were set out herein in full, *mutatis mutandis*.

10. Expenses. The Guarantors hereby jointly and severally agree to pay all reasonable out-of-pocket costs and expenses of the Collateral Agent, the Administrative Agent and each other Secured Creditor in connection with the enforcement of this Guaranty and the protection of the Secured Creditors' rights hereunder and any amendment, waiver or consent relating hereto (including, in each case, without limitation, the reasonable fees and disbursements of counsel (including in-house counsel) employed by the Collateral Agent, the Administrative Agent and each other Secured Creditor).

11. **Benefit and binding effect.** This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the Secured Creditors and their successors and assigns.

12. **Amendments; Waivers.** Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of each Guarantor directly affected thereby (it being understood that the addition or release of any Guarantor hereunder shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released) and with the written consent of the Required Lenders (or such other Lenders (or number or percentage thereof) as shall be necessary under Section 13.12(a) of the Loan Agreement) at all times prior to the time at which all Guaranteed Obligations have been paid in full.

13. **Set off.** In addition to any rights now or hereafter granted under applicable law (including, without limitation, Section 151 of the New York Debtor and Creditor Law) and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Secured Creditor is hereby authorized, at any time or from time to time, without notice to any Guarantor or to any other person, any such notice being expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any time held or owing by such Secured Creditor to or for the credit or the account of such Guarantor, against and on account of the obligations and liabilities of such Guarantor to such Secured Creditor under this Guaranty, irrespective of whether or not such Secured Creditor shall have made any demand hereunder and although said obligations, liabilities, deposits or claims, or any of them, shall be contingent or unmatured. Each Secured Creditor (by its acceptance of the benefits hereof) acknowledges and agrees that the provisions of this Section 13 are subject to the sharing provisions set forth in Section 13.06 of the Loan Agreement.

14. **Notice.** Except as otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be sent or delivered by mail, telegraph, telex, telecopy, cable or courier service and all such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent or any Guarantor shall not be effective until received by the Administrative Agent or such Guarantor, as the case may be. All notices and other communications shall be in writing and addressed to such party (i) in the case of any Secured Creditor, as provided in the Loan Agreement, and (ii) in the case of any Guarantor, at its address set forth opposite its signature below.

15. **Reinstatement.** If any claim is ever made upon any Secured Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including, without limitation, the Borrower), then and in such event each Guarantor agrees that any such judgment, decree, order,

settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation hereof or the cancellation of any note or any other instrument evidencing any liability of the Borrower and such Guarantor shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

16. CONSENT TO JURISDICTION; SERVICE OF PROCESS; AND WAIVER OF TRIAL BY JURY. (a) THIS GUARANTY AND THE RIGHTS AND OBLIGATIONS OF THE SECURED CREDITORS AND OF THE UNDERSIGNED HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. Any legal action or proceeding with respect to this Guaranty or any other Credit Document to which any Guarantor is a party may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York, in each case located within the County of New York, and, by execution and delivery of this Guaranty, each Guarantor hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the personal jurisdiction of the aforesaid courts. Each Guarantor hereby further irrevocably waives any claim that any such courts lack personal jurisdiction over such Guarantor, and agrees not to plead or claim, in any legal action or proceeding with respect to this Guaranty or any other Credit Document to which such Guarantor is a party brought in any of the aforesaid courts, that any such court lacks personal jurisdiction over such Guarantor. Each Guarantor further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to each Guarantor at its address set forth opposite its signature below, such service to become effective 30 days after such mailing. Each Guarantor hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Credit Document to which such Guarantor is a party that such service of process was in any way invalid or ineffective. Nothing herein shall affect the right of any of the Secured Creditors to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against each Guarantor in any other jurisdiction.

(b) Each Guarantor hereby irrevocably waives (to the fullest extent permitted by applicable law) any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Guaranty or any other Credit Document to which such Guarantor is a party brought in the courts referred to in clause (a) above and hereby further irrevocably waives and agrees not to plead or claim in any such court that such action or proceeding brought in any such court has been brought in an inconvenient forum.

(C) EACH GUARANTOR AND EACH SECURED CREDITOR (BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY) HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS GUARANTY, THE OTHER CREDIT DOCUMENTS TO WHICH SUCH GUARANTOR IS A PARTY OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

17. Release of Guarantors. (a) In the event that all of the Equity Interests of one or more Guarantors is sold or otherwise disposed of or liquidated in compliance with the requirements of Section 10.02 of the Loan Agreement (or such sale, other disposition or liquidation has been approved in writing by the Required Lenders (or such other Lenders (or number or percentage thereof) as shall be necessary under Section 13.12(a) of the Loan Agreement) and the proceeds of such sale, disposition or liquidation are applied in accordance with the provisions of the Loan Agreement, to the extent applicable, such Guarantor shall, upon consummation of such sale or other disposition (except to the extent that such sale or disposition is to the Borrower or another Subsidiary thereof), be released from this Guaranty automatically and without further action and this Guaranty shall, as to each Guarantor, terminate, and have no further force or effect (it being understood and agreed that the sale of one or more Persons that own, directly or indirectly, all of the Equity Interests of any Guarantor shall be deemed to be a sale of such Guarantor for the purposes of this Section 17(a)).

(b) Upon the payment in full of all Guaranteed Obligations and the termination of the Loan Agreement, the Guarantors shall be released from this Guaranty automatically and without further action and this Guaranty shall, as to each Guarantor, terminate, and have no further force or effect.

18. Contribution. At any time a payment in respect of the Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a "Relevant Payment") is made on the Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor's Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the "Aggregate Excess Amount"), each such Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor's Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Guarantors in respect of the Guaranteed Obligations (the aggregate amount of such deficit, the "Aggregate Deficit Amount") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor's right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment to the time of each computation; provided that no Guarantor may take any action to enforce such right until the Guaranteed Obligations have been irrevocably paid in full in cash, it being expressly recognized and agreed by all parties hereto that any Guarantor's right of contribution arising pursuant to this Section 18 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor's obligations and liabilities in respect of the Guaranteed Obligations. As used in this Section 18: (i) each Guarantor's "Contribution Percentage" shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such Guarantor by (y) the aggregate Adjusted Net Worth of all Guarantors; (ii) the "Adjusted Net Worth" of each

Guarantor shall mean the greater of (x) the Net Worth (as defined below) of such Guarantor and (y) zero; and (iii) the “Net Worth” of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor’s assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under this Guaranty on such date). Notwithstanding anything to the contrary contained above, any Guarantor that is released from this Guaranty pursuant to Section 17 hereof shall thereafter have no contribution obligations, or rights, pursuant to this Section 18, and at the time of any such release, if the released Guarantor had an Aggregate Excess Amount or an Aggregate Deficit Amount, same shall be deemed reduced to \$0, and the contribution rights and obligations of the remaining Guarantors shall be recalculated on the respective date of release (as otherwise provided above) based on the payments made hereunder by the remaining Guarantors. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 18, each Guarantor who makes any payment in respect of the Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Guaranteed Obligations have been irrevocably paid in full in cash. Each of the Guarantors recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive its contribution right against any Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the determination of the Required Lenders.

19. Limitation on Guaranteed Obligations. Each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby confirms that it is its intention that this Guaranty not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act or any similar federal or state law. To effectuate the foregoing intention, each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably agrees that the Guaranteed Obligations guaranteed by such Guarantor shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such laws and after giving effect to any rights to contribution pursuant to any agreement providing for an equitable contribution among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.

20. Counterparts. This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent.

21. Payments. All payments made by any Guarantor hereunder will be made without setoff, counterclaim or other defense and on the same basis as payments are made by the Borrower under Sections 5.03 and 5.04 of the Loan Agreement.

22. Additional Guarantors. It is understood and agreed that any Subsidiary of the Borrower that is required to execute a counterpart of this Guaranty after the date hereof pursuant to the Loan Agreement shall become a Guarantor hereunder by (x) executing and

delivering a counterpart hereof to the Administrative Agent or executing a joinder agreement and delivering same to the Administrative Agent, in each case as may be requested by (and in form and substance satisfactory to) the Administrative Agent and (y) taking all actions as specified in this Guaranty as would have been taken by such Guarantor had it been an original party to this Guaranty, in each case with all documents required above to be delivered to the Administrative Agent with all documents and actions required to be taken above to be taken to the reasonable satisfaction of the Administrative Agent.

23. Headings descriptive. The headings of the several sections of this Guaranty are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Guaranty.

(b) The security interest of the Collateral Agent under this Agreement automatically (and without the taking of any action by any Assignor) extends to all Collateral which any Assignor may acquire, or with respect to which such Assignor may obtain rights, at any time during the term of this Agreement, and each Assignor shall (to the extent provided

below) take the following actions as set forth below (as promptly as practicable and, in any event, within 10 days (or, in the case of any Pulitzer Assignor, 5 Business Days) after it obtains such Collateral) for the benefit of the Collateral Agent and the other Secured Creditors:

(i) with respect to a Certificated Security (other than a Certificated Security credited on the books of a Clearing Corporation or Securities Intermediary), such Assignor shall physically deliver such Certificated Security to the Collateral Agent, endorsed to the Collateral Agent or endorsed in blank;

(ii) with respect to an Uncertificated Security (other than an Uncertificated Security credited on the books of a Clearing Corporation or Securities Intermediary), such Assignor shall cause the issuer of such Uncertificated Security to duly authorize, execute, and deliver to the Collateral Agent an agreement for the benefit of the Collateral Agent and the other Secured Creditors substantially in the form of Annex S (appropriately completed to the satisfaction of the Collateral Agent and with such modifications, if any, as shall be satisfactory to the Collateral Agent) pursuant to which such issuer agrees to comply with any and all instructions originated by the Collateral Agent without further consent by the registered owner and not to comply with instructions regarding such Uncertificated Security (and any Partnership Interests and Limited Liability Company Interests issued by such issuer) originated by any other Person other than a court of competent jurisdiction;

(iii) with respect to a Certificated Security, Uncertificated Security, Partnership Interest or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary (including a Federal Reserve Bank, Participants Trust Company or The Depository Trust Company), such Assignor shall promptly notify the Collateral Agent thereof and shall promptly take (x) all actions required (i) to comply with the applicable rules of such Clearing Corporation or Securities Intermediary and (ii) to perfect the security interest of the Collateral Agent under applicable law (including, in any event, under Sections 9-314(a), (b) and (c), 9-106 and 8-106(d) of the UCC) and (y) such other actions as the Collateral Agent deems necessary or desirable to effect the foregoing;

(iv) with respect to a Partnership Interest or a Limited Liability Company Interest (other than a Partnership Interest or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary), (1) if such Partnership Interest or Limited Liability Company Interest is represented by a certificate and is a Security for purposes of the UCC, the procedure set forth in Section 1.1(b)(i) hereof, and (2) if such Partnership Interest or Limited Liability Company Interest is not represented by a certificate or is not a Security for purposes of the UCC, the procedure set forth in Section 1.1(b)(ii) hereof;

(v) with respect to any Note, such Assignor shall physically deliver such Note to the Collateral Agent, endorsed in blank, or, at the request of the Collateral Agent, endorsed to the Collateral Agent in accordance with Section 3.6 hereof; and

(vi) with respect to cash proceeds from any of the Collateral, at the reasonable request of the Collateral Agent or upon an occurrence of a Default or an Event of Default, (i) establishment by the Collateral Agent of a cash account in the name of such Assignor over which the Collateral Agent shall have “control” within the meaning of the UCC and at any time any Default or Event of Default is in existence no withdrawals or transfers may be made therefrom by any Person except with the prior written consent of the Collateral Agent and (ii) deposit of such cash in such cash account.

(c) In addition to the actions required to be taken pursuant to Section 1.1(b) hereof, each Assignor shall take the following additional actions with respect to the Collateral:

(ii) each Assignor shall from time to time cause appropriate financing statements (on appropriate forms) under the UCC as in effect in the various relevant States, covering all Collateral hereunder (with the form of such financing statements to be satisfactory to the Collateral Agent), to be filed in the relevant filing offices so that at all times the Collateral Agent’s security interest in all Investment Property and other Collateral which can be perfected by the filing of such financing statements (in each case to the maximum extent perfection by filing may be obtained under the laws of the relevant States, including, without limitation, Section 9-312(a) of the UCC) is so perfected.
