Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Attorneys at Lane & Waterman LLP, which is delivering the opinion filed as Exhibit 5.1 to this registration statement, beneficially owned, as of June 14, 2005, 12,753 shares of the Company's common stock and 21,249 shares of the Company's Class B common stock. These amounts are expected to change from time to time. C. D. Waterman III, a partner in said firm, is the secretary of the Company.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law generally permits a Delaware corporation to indemnify officers, directors, employees or agents of the corporation if they are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding by reason of the fact that such person was an officer, director, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise. The Company's Restated Certificate of Incorporation provides that it shall, subject to certain limitations, indemnify its directors and officers against expenses, including attorneys' fees, judgments, fines and certain settlements, actually and reasonably incurred by them in connection with any suit or proceeding to which they are a party so long as they acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to a criminal action or proceeding, so long as they had no reasonable cause to believe their conduct to have been unlawful.

Section 102 of the Delaware General Corporation Law permits a Delaware corporation to include in its certificate of incorporation a provision eliminating or limiting a director's liability to a corporation or its stockholders for monetary damages for breaches of fiduciary duty. This section further provides, however, that liability for breaches of the duty of loyalty, acts or omissions not in good faith or involving intentional misconduct, or knowing violation of the law, and the unlawful purchase or redemption of stock or payment of unlawful dividends or the receipt of improper personal benefits cannot be eliminated or limited in this manner. The Company's Restated Certificate of Incorporation includes a provision that eliminates, to the fullest extent permitted, director liability for monetary damages for breaches of fiduciary duty.

The Company has directors' liability insurance which insures the directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

Item 7. Exemption from Registration Claimed.

Not applicable.

a. The undersigned Company hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Sections 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

b. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer, or controlling person of the Company in the successful defense of any action, suit or proceedings) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(Effective as of June 3, 2005)

1. **Purpose.** The purpose of the Plan is to provide eligible Employees of certain Designated Subsidiaries of the Company with a convenient way to acquire shares of the Company's Common Stock through payroll deductions.

 2. **Definitions.** Wherever used herein, the following terms have the following meanings:
 - (a) "Account" means the bookkeeping account established in the name of each Participant to reflect the payroll deductions made on behalf of the Participant.

 - (g) "Compensation" means the base cash compensation paid by the Company or a Designated Subsidiary to a Participant which is required to be reported as wages on the Participant's Form W-2, including such additional amounts which are not includable in gross income by reason of Sections 125, 402(e) or 402(h)(1)(B) of the Code, and excluding any bonuses, overtime pay, expense allowances and other irregular payments (except commissions).
 - (h) "Designated Subsidiary" means any Subsidiary which has been designated from time to time by the Board to participate in the Plan including, without limitation, the Subsidiaries set forth on **Schedule I** hereto (as amended from time to time).
 - (i) "Employee" means an individual who performs services for a Designated Subsidiary in an employer-employee relationship.
 - (j) "Enrollment Date" means the first day of an Offering Period.
 - (k) "Exercise Date" means the last business day of an Offering Period.
-

(l) "Fair Market Value" means the average between the highest and lowest quoted selling price per share of the Company's Common Stock as recorded on the New York Stock Exchange Composite Transaction Tape on such date or, if there is no sale on such date, on the next preceding date.

(m) "Offering Period" means the calendar quarter commencing as of July 1, 2005, and each calendar quarter thereafter through April 28, 2006; provided, however, that the Committee shall have the power to change the duration of Offering Periods and the commencement dates thereof from time to time.

(n) "Participant" means any Employee for whom an Account is maintained under the Plan.

(o) "Subsidiary" means (i) any trade or business, other than a corporation, which is controlled fifty percent (50%) or more (whether by ownership of stock, assets or an equivalent ownership interest) by the Company or any of its Subsidiaries, including, without limitation, a partnership or a limited liability company, or (ii) any other entity in which the Company or any of its Subsidiaries has an equity or other ownership interest and which is approved by the Board as a Subsidiary under the Plan.

3. **Available Shares.** Subject to the provisions of Section 11 hereof, the maximum number of shares of Common Stock available for issuance pursuant to the Plan as of June 3, 2005 is 382,467 shares. Such shares may be either authorized and unissued or held by the Company in its treasury. The Committee may cause the Company to purchase previously-issued and outstanding shares of Common Stock in order to enable the Company to satisfy its obligations hereunder.

4. **Administration.** The Plan shall be administered by a committee appointed by and serving at the pleasure of the Board. Subject to the provisions of the Plan, the Committee, acting in its sole and absolute discretion, shall have full power and authority to interpret the provisions of the Plan, to change the time covered by an Offering Period, to supervise the administration of the Plan, and to take such other action as may be necessary or desirable in order to carry out the provisions of the Plan. A majority of the members of the Committee shall constitute a quorum. The Committee may act by the vote of a majority of its members present at a meeting at which there is a quorum or by unanimous written consent. The decisions of the Committee with regard to questions of construction, interpretation and administration, shall be final and conclusive on all persons. The Committee shall keep a record of its proceedings and acts and will keep or cause to be kept such books and records as may be necessary in connection with the proper administration of the Plan. The Company shall indemnify and hold harmless each member of the Committee and any employee or director of the Company or of a Subsidiary to whom any duty or power relating to the administration or interpretation of the Plan is delegated from and against any loss, cost, liability (including any sum paid in settlement of a claim with the approval of the Board), damage and expense (including legal and other expenses incident thereto) arising out of or incurred in connection with the Plan, unless and except to the extent attributable to such person's fraud or wilful misconduct.

5. **Eligibility and Enrollment.** An Employee shall be eligible to become a Participant in the Plan on the Enrollment Date coincident with or next following the date he commences employment with a Designated Subsidiary. An eligible Employee shall become a Participant for an Offering Period by completing a Plan enrollment form authorizing payroll deductions and filing it with the Company prior to the Offering Period. Payroll deductions for a Participant shall commence with the first payroll and shall end with the last payroll in the Offering Period to which such authorization is applicable, unless sooner terminated by the Participant in accordance with the provisions hereof. Notwithstanding anything herein to the contrary, the Committee may, in its sole discretion, limit the number of shares of Common Stock a Participant may purchase during any Offering Period or any calendar year.

6. **Payroll Deduction.** At the time a Participant enrolls in the Plan, he or she shall be required elect the amount to be deducted from each paycheck during the Offering Period(s) covered by the election; provided, however, that no more than ten percent (10%) of a Participant's Compensation may be withheld under the Plan on any pay date, and provided further that the Committee, acting in its discretion, may establish a minimum required amount or percentage of Compensation which is required to be withheld during an Offering Period. All payroll deductions made for a Participant shall be credited to the Participant's Account. Interest shall not accrue on any amounts credited to a Participant's Account. The rate of a Participant's contribution, once established, shall remain in effect for all subsequent Offering Periods unless changed by the Participant in writing at such time and in such manner as the Committee may prescribe.

7. **Purchase of Shares.** On each Exercise Date, the amount credited to a Participant's Account shall be used to purchase a whole number of shares of Common Stock, the number of which shall be determined by dividing the amount credited to the Participant's Account by the purchase price per share. Any amount remaining in the Participant's Account shall be converted to a fractional share unless the Committee, acting, in its discretion, determines that fractional shares shall not be credited to Participants under the Plan, in which event, subject to the Participant's continuing withdrawal right, such amount shall be credited to the Participant's Account as of the beginning of the next Offering Period. Subject to Section 11 of the Plan, the purchase price per share shall be equal to eighty-five (85%) of the Fair Market Value of a share of Common Stock on the Exercise Date. If the total number of shares of Common Stock to be purchased as of an Exercise Date, when aggregated with shares of Common Stock previously purchased for all Employees under the Plan, exceeds the number of shares then authorized under the Plan, a pro-rata allocation of the available shares shall be made among the Participants based upon the amounts in their respective Accounts as of the Exercise Date.

8. **Discontinuance and Withdrawal of Contributions; Change of Rate of Payroll Deductions.**

(a) **Discontinuance or Withdrawal.** At any time during an Offering Period, a Participant may notify the Company that the Participant wishes to discontinue contributions under the Plan. This notice shall be in writing and shall become effective as soon as practicable following its receipt by the Company. A Participant may elect to withdraw all, but not less than all, of the amount of his Account at any time during an Offering Period except on the Exercise Date with respect to that Offering Period. If a withdrawal is made during an Offering Period, no further contributions will be permitted during that Offering Period by the withdrawing Participant.

(b) Withholding Changes. At any time during an Offering Period, a Participant may increase or decrease the rate of his payroll deductions by completing or filing with the Company a new enrollment form authorizing a change in payroll deduction rate. The Committee may, in its discretion, limit the number of payroll deduction rate changes during any Offering Period. The change in rate shall be effective as soon as practicable after the Company's receipt of the new enrollment form.

9. Termination of Employment. Any Participant whose employment with a Designated Subsidiary is terminated for any reason before an Exercise Date shall thereupon cease being a Participant. The total amount credited to the Participant's Account during the Offering Period shall be returned to the Participant or, in the case of a deceased Participant, to the Participant's beneficiary, as soon as practicable after the Participant's termination of employment. For purposes of this Section 9, a Participant who is transferred from one Designated Subsidiary to another or to the Company or any other Subsidiary of the Company shall be deemed not to have terminated employment.

10. Rights as a Stockholder. No shares of Common Stock shall be issued under the Plan until full payment therefor has been made (and/or provided for if all or a portion of the purchase price is being paid in installments). The holder of an option shall have no rights as a stockholder with respect to any shares covered by an option until the date a stock certificate for such shares is issued to him or her. Except as otherwise specifically provided herein, no adjustments shall be made for dividends or distributions of other rights for which the record date is prior to the date such stock certificate is issued.

11. Capital Changes, Reorganization, Sale.

(a) Adjustments Upon Changes in Capitalization. The number and class of shares of Common Stock which may be issued under the Plan, as well as the number and class of shares of Common Stock and the price per share covered by each right outstanding under the Plan which has not yet been exercised, shall be adjusted proportionately or as otherwise appropriate to reflect any increase or decrease in the number of issued shares of Common Stock resulting from a split-up or consolidation of shares or any like capital adjustment, or the payment of a stock dividend, and/or to reflect a change in the character or class of shares covered by the Plan arising from a readjustment or recapitalization.

(b) Cash, Stock or Other Property for Stock. Except as otherwise provided in this Section, in the event of an Exchange Transaction (as defined below), each Participant shall be permitted to purchase Common Stock with the balance of his or her Account immediately prior to such Exchange Transaction, and any amount credited to a Participant's Account which is not used to purchase Common Stock before the Exchange Transaction shall be distributed to the Participant. Notwithstanding the preceding sentence, (1) if, as part of the Exchange Transaction, the stockholders of the Company receive capital stock of another corporation ("Exchange Stock") in exchange for their shares of Common Stock (whether or not such Exchange Stock is the sole consideration), and if the Board, in its sole discretion, so directs, then the rights of all Participants to purchase shares of Common Stock shall be converted into rights to purchase shares of Exchange Stock on an economically equivalent basis; and (2) the Committee, acting in its discretion, may suspend operation of the Plan as of any date that occurs after a contract is made which, if consummated, would result in an Exchange Transaction and before the Exchange Transaction is consummated.

(c) **Definition of Exchange Transaction.** For purposes hereof, the term “Exchange Transaction” means a merger (other than a merger of the Company in which the holders of Common Stock immediately prior to the merger have the same proportionate ownership of Common Stock in the surviving corporation immediately after the merger), consolidation, acquisition of property or stock, separation, reorganization (other than a mere reincorporation or the creation of a holding company), liquidation of the Company or any other similar transaction or event so designated by the Board in its sole discretion, as a result of which the stockholders of the Company receive cash, stock or other property in exchange for or in connection with their shares of Common Stock.

(d) **Fractional Shares.** In the event of any adjustment in the number of shares of Common Stock covered by any right pursuant to the provisions hereof, any fractional shares resulting from such adjustment shall be disregarded and each such right will cover only the number of full shares of Common Stock resulting from the adjustment.

(e) **Determination of Board to be Final.** All adjustments under this Section 11 shall be made by the Board, and its determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive.

12. **Amendment and Termination.** The Board may amend or terminate the Plan at any time; provided that any such amendment shall be subject to the approval of the Company’s stockholders if and to the extent such approval is necessary or desirable to comply with applicable law or exchange requirements.

13. **Transferability.** The rights of a Participant to purchase Common Stock under the Plan are not assignable or transferable and may only be exercised during the Participant’s lifetime by the Participant. A Participant may file a written designation of a beneficiary who is to receive the amount credited to the Participant’s Account in the event of the Participant’s death during an Offering Period. A Participant’s beneficiary designation may be changed by the Participant at any time by written notice. In the event of the death of a Participant and in the absence of a validly designated beneficiary who is living at the time of the Participant’s death, the Participant’s estate shall be deemed to be his designated beneficiary.

14. **No Rights Conferred.** Nothing contained in the Plan shall be deemed to give any individual any right to be retained in the service or employ of a Designated Subsidiary or to interfere with the right of the Designated Subsidiary to discharge him at any time.

15. **Use of Funds.** All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

16. **Legal Requirements.** The Committee may impose such other conditions with respect to the purchase of Common Stock hereunder, including, without limitation, any conditions relating to the application of federal or state securities laws, as it may deem necessary or advisable.

17. **Governing Law.** The Plan shall be governed by the laws of the State of Delaware, without regard to its conflict of laws provisions.

18. **Decisions and Determinations of Committee to be Final.** Any decision or determination made by the Board pursuant to the provisions hereof and, except to the extent rights or powers under this Plan are reserved specifically to the discretion of the Board, all decisions and determinations of the Committee are final, binding and conclusive.

Ladies and Gentlemen:

We have acted as counsel to Lee Enterprises, Incorporated, a Delaware corporation (the "Company"), in connection with the filing of a Registration Statement on Form S-8 (the "Registration Statement") by the Company under the Securities Act of 1933, as amended, which Registration Statement registers 75,000 shares of the Company's Common Stock, \$2.00 par value, as well as an indeterminate amount of plan interests to be offered and sold pursuant to the Lee Enterprises, Incorporated Supplemental Employee Stock Purchase Plan, f/n/a the Pulitzer Inc. 2000 Stock Purchase Plan (effective as of June 3, 2005) (the "Common Stock" and the "Plan"). In that capacity, we have reviewed the Restated Certificate of Incorporation and Amended and Restated By-laws of the Company, both as amended to date, the Registration Statement, the Plan, the originals or copies of corporate records reflecting the corporate action taken by the Company in connection with the approval of the Plan and the issuance of the Common Stock under the Plan and such other instruments as we have deemed necessary for the issuance of this opinion.

Based upon the foregoing, we are of the opinion that the Common Stock to be issued under the Plan has been duly authorized by all requisite action on the part of the Company and, when issued in accordance with the terms and conditions of the Plan, will be legally issued, fully paid and non-assessable.

We consent to the filing of this opinion as an exhibit to the Registration Statement. In giving this consent, we do not admit that we are within the category of persons whose consent is required by Section 7 of the Securities Act of 1933, as amended.

We do not find it necessary for the purposes of this opinion to cover, and accordingly we express no opinion as to, the application of the securities or blue sky laws of the various states as to the issuance and sale of the Common Stock.

Very truly yours,

/s/Lane & Waterman LLP
