Lee Enterprises, Incorporated (the "Company") was unable to file its Annual Report on Form 10-K for the fiscal year ended September 25, 2022 (the "2022 Form 10-K") within the prescribed time period without unreasonable effort or expense because it requires additional time to complete management's assessment of the effectiveness of the Company's internal control over financial reporting.

Management is in the process of evaluating deficiencies identified in connection with its assessment of the effectiveness of its internal control over financial reporting as of September 25, 2022, based upon criteria in Internal Control—Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO").
