Shareholders may attend and participate in the Annual Meeting by logging in at <http://www.virtualshareholdermeeting.com/LEE2024>. At the Annual Meeting, you will be asked to:

4. Transact any other business that is properly brought before the Annual Meeting.

The Board has fixed the close of business on December 29, 2023, as the record date for the Annual Meeting ("Record Date"). Only shareholders of record at that time are entitled to notice of, and to vote at, the Annual Meeting and any adjournment or postponement thereof. A list of shareholders entitled to vote at the Annual Meeting will be available for examination by any shareholder, for any purpose germane to the Annual Meeting, at the Annual Meeting and for 10 days prior to the Annual Meeting during ordinary business hours at 4600 E. 53rd Street, Davenport, IA 52807, the Company's principal executive offices.

We are furnishing our proxy materials to you under Securities and Exchange Commission rules that allow public companies to deliver proxy materials to their shareholders using the Internet. On or about January 12, 2024, you were provided with a Notice of Internet Availability of Proxy Materials ("Notice") and provided access to our proxy materials over the Internet.

We encourage you to attend and participate in the Annual Meeting. However, it is important that your shares be represented whether or not you plan to attend. Even if you plan to attend the Annual Meeting, please vote as instructed in the Proxy Statement as promptly as possible to ensure your vote is recorded. Alternatively, you may follow the procedures outlined in the Notice to request a paper proxy card to submit your vote by mail. What Matters Will Be Voted On At The Annual Meeting?

We are aware of three matters that shareholders may vote on at the Annual Meeting. The following items are each listed on the proxy card:

- The election to our Board of two nominees named in this Proxy Statement (Proposal 1);
- The approval, by non-binding vote, of the Company’s compensation of its named executive officers (the “say-on-pay” vote) (Proposal 2); and
- The ratification of our Board’s selection of BDO USA, P.C. as the Company’s independent registered public accounting firm (Proposal 3).

We will also transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Could Other Matters Be Decided At The Annual Meeting?

The Board does not intend to present to the Annual Meeting any business other than the proposals described in this Proxy Statement. Our Board is not aware of any other business to be presented for action at the Annual Meeting. - **FOR** ratification of the selection of BDO USA, P.C. as the Company’s independent registered public accounting firm (Proposal 3).

How May I Obtain A Printed Copy Of The Proxy Materials?

To receive free of charge a separate copy of the Notice and, if applicable, this Proxy Statement or the Annual Report, shareholders may write or call our offices at the following:

Lee Enterprises, Incorporated
Attn: Investor Relations
4600 E. 53rd Street
Davenport, IA 52807
(563) 383-2100

Shareholders who hold shares in “street name” (as described below) may contact their brokerage firm, bank, broker-dealer, or other similar organization to request information.

Who May Vote At The Annual Meeting?

Each share of our common stock, par value \$0.01 (“Common Stock”), has one vote on each proposal. Only shareholders of record at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting or at any adjournment or postponement thereof. As of the Record Date, there were 6,142,003 shares of Common Stock outstanding.

How Many Votes Can Be Cast By All Shareholders?

6,142,003 votes, consisting of one vote for each share of Common Stock outstanding on the Record Date. There is no cumulative voting, and the holders of the Common Stock vote together as a single class.

How Can I Convert Former Class B Common Stock Into Common Stock?

In 2011, all shares of Class B Common Stock were converted into an equal number of shares of Common Stock, in accordance with sunset provisions for Class B Common Stock established in 1986. If you still hold certificates for Class B Common Stock, contact our transfer agent, EQ Shareowner Services (“Equiniti”), at 1-800-468-9716 to have the shares converted to Common Stock.

What Is The Difference Between A Shareholder Of Record And A Beneficial Owner Of Shares Held In Street Name?

Shareholder of Record. You are the “shareholder of record” for any Company shares that you own directly in your name in an account with the Company’s transfer agent, Equiniti.

Beneficial Owner of Shares Held in Street Name. You are the “beneficial owner” of shares held in street name if your Company shares are held in an account with a broker, bank, or other nominee as custodian on your behalf. The broker, bank, or other nominee is considered the shareholder of record of these shares. As the beneficial owner, you have the right to instruct the broker, bank, or other nominee how to vote the Company shares in your account. Please refer to the voting instructions provided by your bank, broker, or other nominee to direct it how to vote your shares. You are also invited to attend the Annual Meeting; however, because you are not the shareholder of record, you will not be able to vote the shares of which you are the beneficial owner in person at the Annual Meeting unless you obtain a legal proxy from the shareholder of record authorizing you to vote the shares.

What Is The Quorum Requirement For The Annual Meeting?

A majority of the shares entitled to vote at the Annual Meeting must be present at the Annual Meeting in person or by proxy for the transaction of business. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum if you:

- Are entitled to vote and you are present in person at the Annual Meeting; or
- Have properly voted on the Internet, by telephone or by submitting a proxy card or voting instruction form by mail.

Abstentions and broker non-votes (if any) are counted as present for purposes of establishing a quorum at the Annual Meeting. For additional information regarding broker non-votes, please see the section titled “About the Annual Meeting-What Happens If I Do Not Give Specific Voting Instructions?” in this Proxy Statement.

A properly executed proxy marked “withhold” with respect to the election of a director nominee will be counted for purposes of determining if there is a quorum at the Annual Meeting but will not be considered to have been voted for the director nominee.

How Do I Vote?

Whether you are a shareholder of record or hold any of your shares in “street name,” such as in a stock brokerage account or through a bank or other nominee, you may vote in the following ways:

By Phone	By Internet
Vote by dialing the number on the proxy card/voting instruction form and following the easy voice prompts	Follow the instructions included on the proxy card/voting instruction form
By Mail	By Virtual Meeting
If you request printed copies of the proxy materials by mail, you will receive a proxy card and you may vote by proxy by filling out the proxy card and returning it.	Attend the Virtual Meeting

The deadline for voting by telephone or by Internet will vary depending upon how you vote your shares. Please follow the instructions shown on your proxy card or voting instruction form.

If you are not the shareholder of record, please refer to the voting instructions provided by your bank, broker, or other nominee to direct it how to vote your shares. Your vote is important. You are also invited to attend the Annual Meeting; however, if you are not the shareholder of record, you may not vote these shares at the Annual Meeting unless you obtain a legal proxy from the shareholder of record authorizing you to vote the shares.

Certain of our shareholders hold their shares in more than one account and may receive separate proxy cards or voting instruction forms for each of those accounts. To ensure that all of your shares are represented at the Annual Meeting, we recommend that you submit every proxy card or voting instruction form you receive.

How Can I Revoke My Proxy Or Change My Vote After I Vote?

If you are a shareholder of record, you may revoke your proxy or change your vote prior to the Annual Meeting by:

- Voting again via the Internet or by telephone;
- Signing, dating, and returning a new proxy card or voting instruction form with a later date;
- Signing, dating, and mailing an instrument revoking the proxy to Lee Enterprises, Incorporated, at 4600 E. 53rd Street, Davenport, Iowa 52807, the Company’s principal executive offices; or
- Attending the Annual Meeting and voting.

If you are a beneficial owner of your shares and you have instructed your bank, broker, or other nominee to vote your shares, you may change your vote prior to the Annual Meeting by following directions provided by your bank, broker, or other nominee to change such voting instructions.

What Happens If I Do Not Give Specific Voting Instructions?

Shareholders of Record. If you are a shareholder of record and you indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board, or sign and return a proxy card without giving specific voting instructions, then the persons named as proxy holders will vote your

shares in the manner recommended by the Board on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, then the organization that holds your shares may generally vote on “routine” matters but cannot vote on “non-routine” matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a “broker non-vote.” Proposals 1 and 2 included in this Proxy Statement are considered to be non-routine matters, and therefore brokers, banks or other nominees will not have authority to vote your shares if you do not provide them with specific voting instructions.

What Is The Voting Requirement To Approve Each Of The Proposals?

Proposal 1 – Election of Directors. The affirmative vote of the holders of a MAJORITY of the shares of our Common Stock, represented virtually or by proxy at the Annual Meeting and entitled to vote on the matter, is required to elect directors. If you do not vote for a particular nominee, or if you indicate on your proxy card, via the Internet or by telephone that you want to withhold authority to vote for a particular nominee, then your shares will not be voted for that nominee.

Proposal 2 – Non-Binding Approval of the Company’s Compensation of Its Named Executive Officers (the “Say-On-Pay” vote). The affirmative vote of a MAJORITY of the shares of our Common Stock, represented virtually or by proxy at the Annual Meeting, will be considered an approval of the say-on-pay vote on an advisory, non-binding basis. However, our Board values the opinion of our shareholders and will consider the outcome of this vote when making future compensation decisions for our named executive officers. In addition, the say-on-pay vote is considered a non-routine item, so there may be broker non-votes with respect to the proposal.

Proposal 3 - Ratification of Selection of BDO USA, P.C. The affirmative vote of a MAJORITY of the shares of our Common Stock, represented in person or by proxy at the Annual Meeting and entitled to vote on the matter, is required to ratify the selection of BDO USA, P.C. If the shareholders do not ratify the appointment, the Audit Committee of the Board (the “Audit Committee”) will consider any information submitted by the shareholders in determining whether to retain BDO USA, P.C. as the Company’s independent registered public accounting firm for 2024. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company and its shareholders.

How Do Abstentions, Broker Non-Votes and Unmarked Proxy Cards Affect The Voting Results?

Abstentions and Broker Non-Votes. Abstentions will have no effect with respect to proposals 2 and 3, and broker non-votes will have no effect with respect to all three proposals.

Unmarked Proxies. If you sign and return a proxy card or otherwise vote as directed herein, but do not mark how your shares are to be voted, the individuals named as proxies therein will vote your shares in accordance with the recommendation of the Board on all three proposals; therefore, if no direction is made, an unmarked proxy will be voted:

- **FOR ALL** of the nominees recommended by our Board of Directors;
- **FOR** the non-binding approval of the Company’s compensation of its named executive officers (the “say-on-pay” vote); and
- **FOR** ratification of the selection of BDO USA, P.C. as the Company’s independent registered public accounting firm for fiscal year ending September 29, 2024

If permitted, in their discretion, the proxies named therein will be authorized to vote upon such other business as may properly come before the Annual Meeting and any adjournment or postponement thereof.

Is My Vote Confidential?

Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except:

- As necessary to meet applicable legal requirements;
- To allow for the tabulation and certification of votes; and
- To facilitate a successful proxy solicitation.

Occasionally, shareholders provide written comments on their proxy cards, which may be forwarded to our management and the Board.

Where Can I Find The Voting Results Of The Annual Meeting?

Voting results will be tallied by the inspector of election. The Company will report the preliminary results in a Current Report on Form 8-K, to be filed with the SEC within four business days following the Annual Meeting, and the final results as soon as practicable following certification by the inspector of election.

Who Is Paying The Costs Of Proxy Solicitation?

The Company will bear the cost of the solicitation of proxies by the Company. For additional information regarding the cost of this solicitation, please see the section titled "Additional Information-Costs of Solicitation" in this Proxy Statement.

What Is The Deadline To Propose Actions For Consideration, Or To Nominate Individuals To Serve As Directors, At The 2025 Annual Meeting Of Shareholders?

Shareholder Proposals for Inclusion in the Proxy Statement for the 2025 Annual Meeting

Shareholders interested in submitting a proposal considered for inclusion in the Company's proxy statement for the 2025 annual meeting of shareholders ("2025 annual meeting") must follow the procedures set forth in Rule 14a-8 under the Exchange Act. Proposals must be submitted to us by registered, certified, or express mail to the attention of the Company's Corporate Secretary at our principal executive offices. In general, to be considered for inclusion in our proxy statement and form of proxy relating to the 2025 annual meeting, the Company has determined that shareholder proposals pursuant to Rule 14a-8 must be received no later than the close of business on September 16, 2024.

Director Nominations for Inclusion in the Proxy Statement for the 2025 Annual Meeting ("Proxy Access")

Under the proxy access provision in our By-Laws, an eligible shareholder or group of up to 20 shareholders owning at least 3% of our Common Stock continuously for three years may elect to nominate up to two individuals or 20% of the Board, whichever is greater, for election at the 2025 annual meeting, and to have those individuals included in our proxy statement for that meeting. If a shareholder or group of shareholders wishes to nominate one or more director candidates to be included in the Company's proxy statement for the 2025 annual meeting pursuant to these proxy access provisions in Article II, Section 12 of the By-Laws, notice must be received by the Secretary of the Company at the Company's principal executive offices no earlier than the close of business on August 15, 2024 and no later than the close of business on September 16, 2024. However, if the date of the 2025 annual meeting

is more than 30 days before or more than 60 days after the first anniversary of the date of the Annual Meeting, such notice must be received by the Secretary of the Company at the Company's principal executive offices no earlier than the close of business on the date that is 150 days in advance of the date of the 2025 annual meeting and no later than the close of business on the later of 120 days in advance of the 2025 annual meeting or 10 days following the date we first publicly announce the date of 2025 annual meeting. Any such notice must also comply with the timing, disclosure, procedural and other requirements as set forth in our By-Laws.

Other Proposals or Director Nominations for Presentation at the 2025 Annual Meeting

Shareholders who wish to nominate one or more individuals to serve as directors or to bring business before the 2025 annual meeting (other than nominations pursuant to our proxy access bylaw or a shareholder proposal in accordance with Rule 14a-8), must notify the Secretary of the Company in writing and provide the information required by Article II, Section 2 of our By-Laws. The notice must be made to the attention of the Company's Corporate Secretary and delivered to, or mailed and received at the Company's principal executive offices no earlier than the close of business on October 25, 2024, and no later than the close of business on November 25, 2024. However, if the date of the 2025 annual meeting is more than 30 days before or more than 70 days after the first anniversary of the date of the Annual Meeting, such notice must be made to the attention of the Company's Corporate Secretary and delivered to, or mailed and received at the Company's principal executive offices no earlier than the close of business on the 120th day in advance of the 2025 annual meeting and no later than the close of business on the later of 90 days in advance of the 2025 annual meeting or 10 days following the date we first publicly announce the date of 2025 annual meeting. Any such notice must also comply with the timing, disclosure, procedural and other requirements as set forth in our By-Laws.

In addition to satisfying the requirements of the By-Laws, to comply with the requirements set forth in Rule 14a-19 of the Exchange Act (the universal proxy rules), shareholders who intend to solicit proxies in support of director nominees other than the Board's nominees must also provide written notice to the Secretary of the Company that sets forth all the information required by Rule 14a-19(b) of the Exchange Act. Such notice must be postmarked or transmitted electronically to the Company at the Company's principal executive offices no later than December 24, 2024.

PROPOSAL 1 - ELECTION OF DIRECTORS

At the Annual Meeting, two directors on our nine-member Board are to be elected for three-year terms expiring at the annual meeting in 2027. Each of the individuals named below is a nominee of the full Board for election as a director at the Annual Meeting. Our Board has examined the relationship between each of our non-employee directors and the Company and has determined that Mr. Fletcher and Dr. McAlmont qualify as “independent” directors in accordance with The Nasdaq Stock Market LLC (“Nasdaq”) listing requirements (“Nasdaq rules”) and SEC rules. The current terms of the nominees, Mr. Fletcher and Dr. McAlmont, expire in 2024.

Each nominee has provided a consent permitting the Company to name such nominee in this Proxy Statement and stating that such nominee consents to serve if elected as a director, and the Board has no reason to believe that any nominee will be unable to serve. However, if, before the election, any nominee is unable to serve or for good cause will not serve (a situation that we do not anticipate), the proxy holders will vote the proxies for the remaining nominees and for substitute nominees chosen by the Board (unless the Board reduces the number of directors to be elected). If any substitute nominees are designated, we will file an amended proxy statement that, as applicable, identifies each substitute nominee, discloses that such nominee have consented to being named in the revised proxy statement and to serve if elected, and includes certain biographical and other information about such nominee required by the rules of the SEC.

The Board recommends you vote **FOR ALL** of the Board’s nominees for director.

The following material contains information concerning the Board’s nominees, including their period of service as a director, their recent employment, other directorships, including those held during the past five years with a public company or registered investment company, and age as of the Annual Meeting.

PROPOSAL 2 - APPROVAL, BY NON-BINDING VOTE, OF THE COMPANY'S COMPENSATION OF ITS NAMED EXECUTIVE OFFICERS

We are providing our shareholders with the opportunity to cast an advisory vote regarding executive compensation as described below. The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, enables our shareholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with SEC rules. This vote is also referred to as a "say-on-pay" vote.

Our goal is to be an employer of choice for our key executives. In order to achieve this status, our strategies are to have compensation programs in place that will:

- Reward executives for their contribution to our success;
- Create an ownership mentality in our executives;
- Focus the executives on building long-term value;
- Permit us to recruit the talent we need;
- Pay our executives at comparable levels with organizations with which we compete for talent; and
- Encourage top performers to remain with the Company

Our core compensation philosophy is to pay our executive officers competitive levels of compensation that best reflect their individual responsibilities and contributions to the Company, while providing incentives to achieve our business and financial objectives.

The Executive Compensation section below more fully describes our executive compensation program and the decisions made by the Executive Compensation Committee.

As required by Section 14A of the Exchange Act, shareholders may vote to approve (or not approve) the following resolution on the compensation of our named executive officers, as disclosed in the executive compensation tables and narrative discussion related thereto on pages 29-40.

"RESOLVED, that the shareholders approve, on an advisory basis, the compensation of Lee Enterprises, Incorporated's named executive officers as disclosed in this Proxy Statement for the 2024 Annual Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and narrative discussion accompanying the compensation tables."

Voting Standard

The affirmative vote of a majority of the shares of our Common Stock, represented virtually or by proxy at the Annual Meeting, will be considered an approval of the say-on-pay vote on an advisory, non-binding basis. However, our Board values the opinion of our shareholders and will consider the outcome of this vote when making future compensation decisions for our named executive officers.

THE BOARD RECOMMENDS A VOTE "FOR" APPROVAL, BY NON-BINDING VOTE, OF THE COMPANY'S COMPENSATION OF ITS NAMED EXECUTIVE OFFICERS

Our By-laws do not require that the shareholders ratify the appointment of BDO as our independent registered public accounting firm. The Board is requesting the shareholders to ratify this appointment as a means of soliciting shareholders' opinions and as a matter of good corporate practice.

Representatives of BDO are expected to be present at the Annual Meeting, will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions from shareholders.

Voting Standard

The affirmative vote of a majority of the shares of our Common Stock, represented in person or by proxy at the Annual Meeting and entitled to vote on the matter, is required to pass this Proposal 3 to ratify the selection of BDO. If the shareholders do not ratify the appointment, the Audit Committee will consider any information submitted by the shareholders in determining whether to retain BDO as the Company's independent registered public accounting firm for 2024. Even if the appointment of BDO is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company and its shareholders.

THE BOARD RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF BDO USA, P.C. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 29, 2024

Board Leadership Structure

As stated in our Corporate Governance Guidelines, our Board has no formal policy with respect to the separation of the offices of Chairman and the CEO. Our Board believes that having a separate Chairman and CEO, together with an independent Lead Director, provides the best Board leadership structure for the Company. This structure, together with our other corporate governance practices, provides strong independent oversight of management, while ensuring clear strategic alignment throughout the Company and improving our ability to navigate the always-evolving newspaper and publishing industry. Ms. Junck serves as Chairman of the Board and Kevin Mowbray serves as President and CEO. Our Lead Director is a non-employee director who is elected by the independent members of the Board at its annual meeting. Herbert W. Moloney III, a director since 2001, currently serves as our Lead Director.

The role of Mr. Moloney, as Lead Director, includes the following duties:

- Preside at all meetings of the Board when the Chairman is not present;
- Call meetings of the non-management directors, as needed;

- Develop the agendas for meetings of the non-management directors;
- Preside at executive sessions of the non-management directors;
- Confer regularly with the Chairman and the CEO;
- Serve as a liaison between the CEO and the non-management directors;
- In consultation with the Chairman, review and approve Board meeting schedules and agendas; and
- Meet with shareholders as appropriate.

Risk Oversight

Oversight of risk management is a responsibility of the Board and is an integral part of the Board's oversight of our business. The primary responsibility for the identification, assessment and management of the various risks resides with management. The Board has delegated to the Audit Committee primary responsibility for evaluating our overall risk management profile and ensuring that management has established and adequately reviewed processes for identifying and preparing the Company to manage risks.

Information Security Risk Oversight

Our Chief Information Officer oversees our information security program and reports regularly to the Audit Committee of our Board of Directors regarding any controls remediation as well as any cyber incidents. Our Board receives regular reports on the Company's cybersecurity and other information technology risks. The Company did not experience any material cybersecurity incidents in 2023.

Each member of our Audit Committee is experienced in the area of information security, either as a result of their professional history, their current responsibilities in overseeing processes and controls in this area at the Company, or both. The Audit Committee may discuss such processes and controls with our internal accounting and auditing teams and our independent registered public accounting firm.

We identify and address information security risks by employing a defense-in-depth methodology that provides multiple, redundant defensive measures in case a security control fails, or a vulnerability is exploited. We leverage internal and external resources to mitigate cybersecurity threats to the Company. We leverage commercially available solutions to manage threats to our information technology environment. We provide and require cybersecurity training for all employees annually to promote good cyber-safety habits and security online.

We are externally audited against top information security standards, as well as key financial system controls as a part of our Sarbanes Oxley audit process. We regularly engage appropriate external resources regarding emerging threats to navigate the diverse cybersecurity landscape. We maintain cybersecurity insurance at levels we believe to be appropriate for our size in this industry.

Social Responsibility

The Board and the Nominating and Corporate Governance Committee oversee the Company's overall social responsibility strategy and support the implementation of the Company's environmental, social, and governance (ESG) plans, while specific ESG topics are overseen by the appropriate Board committee. In addition, the Board oversees the Company's efforts to realize a more diverse, equitable, and inclusive (DEI) workplace for our employees and to promote a more complete and inclusive news coverage of the communities in which we serve. The Board continues to monitor and evaluate the impact

of the Company's ESG and DEI efforts and strives for improvement and growth of the Company's social responsibility benchmarks.

Director Independence

The Nominating and Corporate Governance Committee assesses the independence of each director and director nominee and makes recommendations to the Board. For a director or director nominee to be "independent," the Board must affirmatively determine that the director has no material relationship with the Company other than his or her service as a director. In addition, members of the Audit Committee and Executive Compensation Committee must meet heightened independence standards under applicable Nasdaq and SEC rules.

Our Board has examined the relationship between each of our non-employee directors and the Company and has determined that Mses. Junck and Liberman; Messrs. Fletcher, Magid, Moloney, Pearson, and Schermer; and Dr. McAlmont qualify as "independent" directors in accordance with Nasdaq rules and, in the case of the Audit Committee and Executive Compensation Committee, the rules of the SEC. Mr. Mowbray does not qualify as an independent director because he is an employee of the Company.

Audit Committee

The Audit Committee consists of Messrs. Fletcher, Magid, Moloney, Pearson, and Schermer, with Mr. Fletcher serving as chairman. The Audit Committee met eleven times in fiscal year 2023. The Audit Committee has the oversight responsibilities set forth in its charter, including, without limitation: (1) the quality and integrity of our financial statements; (2) our compliance with legal and regulatory requirements, including the review of related persons reports and disclosures of transactions involving the Company and any director, nominee for director, officer, owner of more than 5% of our Common Stock or immediate family member of any of the above; (3) our overall risk management profile, including, without limitation, cyber risks; (4) the independent registered public accounting firm's qualifications and independence; (5) the performance of our internal audit function and that of our independent registered public accounting firm; and (6) preparation of the annual Audit Committee Report to be included in our Proxy Statement.

Executive Compensation Committee

The Executive Compensation Committee consists of Messrs. Fletcher, Magid, and Moloney, and Dr. McAlmont, with Mr. Moloney serving as chairman. The Executive Compensation Committee met four times in fiscal year 2023. Its responsibilities include, without limitation, the authority to: (1) administer our Retirement Account Plan, our Supplementary Benefit Plan, as amended and restated as of January 1, 2008 ("Non-Qualified Plan"), our LTIP, our Amended and Restated 1977 Employee Stock Purchase Plan ("ESPP") and our 2005 Supplemental Employee Stock Purchase Plan ("SPP"); (2) establish salaries, bonus formulae and bonuses, and participation in other benefit plans or programs for executive officers; (3) review employment terminations involving payment to any officer or other key executive in excess of \$200,000; (4) approve employment contracts for executives extending beyond one year; (5) approve the position description, performance standards and goals for incentive cash and restricted stock awards for our CEO and other executive officers under our Incentive Compensation Program and to measure their related performance thereunder; and (6) to determine and, as appropriate, recommend to the Board the compensation of non-employee directors, including the Chairman, Lead Director and committee chairs. In addition, the Executive Compensation Committee recommends to the Board significant employee benefit programs and bonus or other benefit plans affecting executives other than our Named Executive Officers ("NEOs") listed in the Summary Compensation Table. The Executive Compensation Committee is also responsible for evaluating risks posed by our compensation policies.

Compensation Committee Interlocks and Insider Participation

Messrs. Fletcher, Magid, McAlmont and Moloney served on the Executive Compensation Committee during 2023. Each director who served on the Executive Compensation Committee during 2023 is independent within the meaning of Nasdaq's independent director standards, as currently in effect. None of them either has been an officer or employee of the Company at any time or has had a relationship requiring disclosure by the Company under Item 404 of the SEC's Regulation S-K. None of our executive officers served during 2023 on the compensation committee (or equivalent body) or the board of directors of another entity whose executive officers served on our Executive Compensation Committee.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of Ms. Liberman and Messrs. Fletcher, Moloney, and Schermer, with Mr. Magid serving as chairman. The Nominating and Corporate Governance Committee met five times in 2023. Its functions are to consider and recommend to the Board all nominees for possible election and re-election to the Board, and to consider all matters relating to the size, composition and governance of the Board and the general subject matter, size and composition of Board committees.

The Nominating and Corporate Governance Committee regularly reviews the composition of the Board, anticipated openings and whether the addition of directors with particular experiences, skills or other characteristics would make the Board more effective. The Nominating and Corporate Governance Committee seeks directors who possess integrity and other valuable character traits, broad experience, expertise in their field, capacity to understand our business, a willingness to devote adequate time to duties of the Board and the ability to make independent judgments using their diversity of experience. The Nominating and Corporate Governance Committee also considers if a potential nominee will otherwise qualify for membership on the Board and if the potential nominee will satisfy Nasdaq's and SEC independent director requirements. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the Board.

The Nominating and Corporate Governance Committee considers diversity in the nominating process and recognizes the value of diverse opinions, perspectives, personal and professional experiences, and backgrounds. The Nominating and Corporate Governance Committee believes that the judgment and perspectives offered by a diverse Board improve the quality of decision-making and have the potential to enhance the Company's business performance. The Nominating and Corporate Governance Committee also believes that diversity can help the Board to respond more effectively to the needs of the Company's business partners, shareholders, employees, and other stakeholders.

Consideration of a nominee for the Board typically involves a series of internal discussions, review of a nominee's background and experience and interviews of the nominee. Our Board has also engaged a leading, nationally recognized director search firm, Korn Ferry, to assist the Nominating and Corporate Governance Committee in identifying, screening, and assessing the capabilities of potential director candidates. The Nominating and Corporate Governance Committee seeks nominees who, taken together as a group, possess the skills, diversity, and expertise appropriate for maintaining a well-rounded and effective Board aligned with achievement of the Company's business strategy and operations. The Nominating and Corporate Governance Committee meets to consider and approve nominees and makes its recommendations to the Board to fill a vacancy, add an additional member, or recommend a slate of nominees to the Board for nomination and election to the Board. Director nominees recommended by the Nominating and Corporate Governance Committee for election at an annual meeting are subject to approval by the full Board.

The Nominating and Corporate Governance Committee considers nominees recommended by shareholders. The Nominating and Corporate Governance Committee evaluates nominees proposed by

shareholders using the same criteria as other nominees. A shareholder's written nomination should be mailed or delivered to Chairman, Nominating and Corporate Governance Committee, in care of the Company, at the address shown on the cover of this Proxy Statement. The nomination should include the shareholder's name, address and number of shares of our Common Stock owned. It should also include the name, age, business and residence addresses of the individual being nominated, the nominee's principal occupation or employment and the number of shares of our Common Stock, if any, owned by the nominee, together with a statement indicating the nominee's willingness to serve, if elected. To assist in the evaluation of nominees recommended by the shareholders, the Nominating and Corporate Governance Committee may require the nominees to provide any additional information about themselves as the Nominating and Corporate Governance Committee may determine appropriate or desirable, including information required to be disclosed in our Proxy Statement under the Exchange Act.

Prohibition Against Hedging and Pledging

Our insider trading policy prohibits our directors, officers, and certain other employees from engaging in short-term, speculative trading in Company securities, including hedging or other derivative transactions, hold Company securities in a margin account, or pledge Company securities as collateral for a loan.

CORPORATE GOVERNANCE

Board Refreshment and Governance Enhancements

Our Board believes the Company benefits from a mix of directors with experience and familiarity with the Company's business developed over a number of years and directors with fresh perspectives and new ideas. To this end, the Board has maintained an ongoing Board refreshment process, seeking out new, highly qualified candidates whose background and experience align with the Company's strategy and complement the existing skill sets on the Board. The Board is also committed to sound corporate governance and is committed to maintaining a governance structure that promotes and protects the long-term interests of shareholders.

Below is a summary of the changes to our governance since the 2019 Annual Meeting of Shareholders:

Effective July 11, 2019, our Board appointed digital media expert Margaret (Megan) R. Liberman as a new independent director to the Board. As a lifelong journalist and highly accomplished digital media executive, Ms. Liberman brings unique perspectives and experience developing and implementing digital strategies.

Concurrent with Ms. Liberman's appointment, the Company also announced that the Board unanimously adopted and approved the currently effective By-Laws to implement certain governance enhancements, including:

- A majority voting standard for the election of directors in uncontested elections;
- Proxy access, providing shareholders who satisfy the requirements specified in the By-Laws the ability to include their own nominees in the Company's proxy statement; and
- Substantially more time for shareholders to submit proposals and director nominations for consideration at annual meetings.

Effective February 19, 2020, our Board appointed Steven Fletcher and David Pearson as independent directors. Their experience in technology, media, and finance have been highly valuable as our Board continues to focus on delivering growth and shareholder value in the digital media environment.

Effective May 9, 2022, the Board appointed Dr. Shaun McAlmont an independent director. Dr. McAlmont brings to the Board an almost twenty-five (25) years of career leading digital transformation, online learning, workforce training and significant executive leadership and public company board experience.

In summary, the addition of Ms. Liberman, Messrs. Fletcher and Pearson, and Dr. McAlmont paired with the retirement of five directors since 2019 and the amending of our By-Laws to modernize our nomination and voting practices, underscores the Company's commitment to thoughtful Board refreshment and strong Board governance.

COMPENSATION OF NON-EMPLOYEE DIRECTORS

We desire to compensate our directors in a manner that is comparable to compensation levels at companies of similar size and in our industry. The Executive Compensation Committee reviews proxy statements and other information from such companies and makes a recommendation for compensation of non-employee directors to the full Board for its approval. In 2019, the Executive Compensation Committee also requested a comprehensive report on director compensation from Korn Ferry, its independent consultant (the “Korn Ferry report”).

In December 2019, upon the recommendation of the Executive Compensation Committee after review and analysis of industry peers’ board compensation practices and the Korn Ferry report, as part of the Board’s ongoing review of the Company’s governance practices, the Board approved the following Board compensation program:

- Annual cash retainer to \$100,000 in lieu of such fees;
- Implementation of an annual cash retainer for the following committee chairs and Lead Director:
 - Lead Director \$20,000
 - Audit and ECC \$15,000
 - NCGC \$10,000
- Implementation of non-employee director stock ownership guidelines, as reflected in the Company Corporate Governance Guidelines; and
- Annual restricted stock awards under the 2020 Long-Term Incentive Plan (“2020 Plan”) to non-employee directors, with the 2020 stock award to be shares of our Common Stock with a fair market value of \$50,000 on June 1, 2020, subject to shareholder approval of the 2020 Plan.

At the 2020 Annual Meeting, the shareholders approved the 2020 Plan, and the 2020 Plan was implemented in March 2020 and remains in effect in 2023. In 2022, the annual restricted stock award to non-employee directors was increased to \$60,000.

Directors engaged to provide consultative services are normally compensated at the rate of \$1,500 per day. None of our non-employee directors received compensation for consultative services in 2023.

The following table summarizes non-employee director compensation for calendar year 2023:

<i>(Dollars)</i>	Fees Earned or Paid in Cash	(1) Value of Stock Awards	(2)	Total
Steven C. Fletcher	112,500	60,000		172,500
Margaret R. Liberman	100,000	60,000		160,000
Brent M. Magid	112,500	60,000		172,500
Shaun E. McAlmont	100,000	60,000		160,000
Herbert W. Moloney III	135,000	60,000		195,000
David T. Pearson	100,000	60,000		160,000
Gregory P. Schermer	100,000	60,000		160,000
Mary E. Junck	250,000	180,000		430,000

(1) Cash compensation in excess of the 2023 annual retainer represents payment for directors as a committee chair or, in the case of Mr. Moloney, for his service as Lead Director.

(2) All restricted stock awards are fully vested on the first anniversary of the grant date. Restricted Stock awards are granted at a price equal to the fair market value of the date of the grant.

The Board has authorized non-employee directors, prior to the beginning of any calendar year, to elect to defer receipt of all or any part of the cash compensation a director might earn during such year under our Outside Directors Deferral Plan (Amended and Restated as of January 1, 2008). Amounts so deferred will be paid to the director upon his or her separation from service, death, or disability, adjusted for any investment gains (or losses) thereon. Alternatively, directors may elect to have deferred compensation credited to a "rabbi trust" established by us with an independent trustee, which administers the investment of amounts so credited for the benefit and at the direction of the trust beneficiaries until their accounts are distributed under the deferred compensation plan. Amounts so credited for the benefit of non-employee directors are invested in investment alternatives selected by the director.

None of our employees receives any compensation for serving as a director.

The following describes certain aspects, elements, and objectives of and information concerning the Company's executive compensation program with respect to the Company's NEOs in 2023.

2023 Corporate Performance Assessment

In 2023, the Company continued to grow digital revenue, managed print revenue in a difficult environment, controlled costs and significantly reduced debt. Significant results for the year included the following:

- Total operating revenue was \$691 million, down 12% versus the prior year.
- Total Digital Revenue was \$273 million, a 14% increase over the prior year, and represented 40% of our total operating revenue.
- Digital-only subscription revenue increased 51% in 2023 compared to 2022.
- Digital advertising and marketing services revenue represented 61% of our total advertising revenue and totaled \$193 million, a 6% increase over the prior year. Digital marketing services revenue at Amplified Digital® fueled the growth, with revenue of \$91 million, a 20% increase over the prior year.
- Digital services revenue, which is predominantly BLOX Digital, totaled \$19 million in the year. On a standalone basis, revenue at BLOX Digital totaled \$35 million, a 13% increase over the prior year.
- Operating expenses totaled \$660 million and Cash Costs⁽¹⁾ were down 11%. Reductions in costs tied to our legacy print revenue streams were partially offset by rapidly rising prices, incremental investments in digital talent and technology tied to our digital growth strategy, and an increase in cost of goods sold attributed to revenue growth at Amplified Digital®.
- Net loss totaled \$2.7 million and Adjusted EBITDA⁽¹⁾ totaled \$85 million.

Elements of Compensation

Our compensation program reinforces the key drivers of success in the Company's business. Our financial emphasis is on revenue and operating cash flow. We believe these two measures are key measures of long and short-term success in our industry. Compensation for our NEOs includes the following:

- Salaries;
- Annual cash incentives which are based, to a large extent, on annual performance of the Company and the operations the individual manages;
- Discretionary cash bonus awards in those circumstances where we believe exceptional performance is not adequately rewarded under our annual cash incentive compensation program;
- Long-term equity incentives in the form of stock options or restricted Common Stock awards that fully vest three years after grant; and
- Benefits, including health, life and disability insurance, a 401(K) plan and a supplemental deferred compensation plan.

Our annual cash incentive program places a portion of NEO compensation at risk, based on performance criteria. In addition, stock options, when granted, are inherently performance-based because an option only has value if the stock price rises after the option is granted. In some instances, we also make restricted Common Stock awards conditioned on the achievement of one or more specified performance goals under our Incentive Compensation Program.

Say-On-Pay Proposals

At our 2023 annual meeting, we conducted a non-binding advisory vote of the shareholders on the frequency of advisory votes on the Company's compensation of its NEOs (the "say-on-frequency" vote). Of the 3,352,152 shares represented at the meeting, a plurality of approximately 87.2% of the shares represented at the meeting were voted in favor of a one-year frequency vote; 0.3% of such shares were voted in favor of a two-year frequency for such votes; 3.5% of such shares were voted in favor of a three-year frequency for such votes; and due to broker non-votes, approximately 9.0% of the shares represented at the meeting were not voted in favor of any alternative.

The Executive Compensation Committee considered several factors in making its determination regarding the frequency of advisory shareholder votes on the Company's executive compensation program.

- In 2011, 2014, 2017, 2020, and 2023, the shareholders recommended, on an advisory basis, the approval of the compensation philosophy, policies and procedures employed by the Executive Compensation Committee, substantially as described herein (the "say-on-pay" vote).

- In 2011, 2014, 2017, 2020, and 2023, 93.6%, 95.8%, 95.4%, 79.9% and 66.7% of the votes cast were voted in favor of the say-on-pay proposal, respectively.
- Shareholder engagement and feedback findings do not indicate any concerns with the Company's executive compensation program.
- Shareholders who have concerns about executive compensation during the interval between say-on-pay votes are welcome to bring their specific concerns to the attention of the Board and the Executive Compensation Committee.

Consistent with the recommendation of the Board as set forth in the Company's proxy statement for its 2024 annual meeting, the Board determined, after consideration, to hold an advisory shareholder vote on the compensation of the Company's NEOs annually. This policy remains in effect until the say-on-frequency vote regarding the compensation of the Company's NEOs at the 2029 annual meeting of shareholders. The next scheduled say-on-pay vote related to executive compensation matters will be conducted at the Annual Meeting.

Change of Control, Employment and Other Agreements

In 2015, we entered into amended and restated employment agreements between the Company and eight senior executive officers, including all of our NEOs, with the exception of Messr. Millage, who entered into such agreements in 2018. The employment agreements entitle these executives to severance and other benefits upon termination without cause or for good reason that becomes effective only upon a change of control. We approved the new agreements because we believe they better align our agreements with general industry change of control employment agreements.

A change of control is defined to include certain mergers and acquisitions, liquidation or dissolution of the Company, changes in the membership of the Company's Board and acquisition of 15% of the outstanding stock of the Company for the purpose of changing the control of the Company. The new agreements superseded agreements originally entered into in 1998 and amended and restated in 2008 and provide substantially lower benefits upon a change of control.

Absent a change of control, the agreements do not require the Company to retain the executives or to pay them any specified level of compensation or benefits, and they remain employees at will.

The agreements extend for two years from the date of signature. On each annual anniversary date of the agreements (each a “Renewal Date”), the change of control period will be automatically extended so as to terminate two years from such Renewal Date, unless at least 60 days prior to the Renewal Date the Company gives notice to the executive that the change of control period will not be extended.

The agreements are subject to the following triggers:

- The agreements become effective and the protective features vest upon a change of control or if an executive's employment is terminated as a consequence of such event.
- The agreements provide that each executive is to remain an employee for a two-year period following a change of control of the Company unless the executive resigns for good reason or is terminated for cause, each as defined in the agreement.

Under the agreements, a termination pursuant to the terms of the change of control agreement triggers the following compensation and benefits for the executives:

Employment Period Benefits

During the two-year employment period, the executives are entitled to:

- An annual base salary, payable monthly in an amount at least equal to their highest monthly base salary during the year prior to the change of control;
- An annual bonus, payable in a lump sum within 75 days following each fiscal year in an amount at least equal to their highest annual bonus in the three years prior to the change of control;
- Continued participation in the Company's incentive, savings, retirement, and welfare benefit plans; and
- Payment of expenses and fringe benefits (including office and support staff, tax and financial planning services, applicable club dues and use of an automobile and related expenses) to the extent paid or provided to such executive immediately prior to the change of control or to other peer executives of the Company.

Benefits Upon Termination

If the executive's employment is terminated during the two-year employment period other than for cause, death or disability, or the executive terminates employment for good reason, the executive will be entitled to the following benefits:

- All accrued and unpaid annual base salary and annual bonus for the prior fiscal year payable in a lump sum within 30 days of termination;
- A lump sum severance payment equal to the amount corresponding to the executive's title set forth in the following table:
 - CEO 3x annual base salary and highest recent annual bonus
 - Vice Presidents 1x annual base salary and highest recent annual bonus
- A payment equal to the payment multiple above of the Company's average annual contributions on behalf of the executive under all defined contribution plans maintained by the Company during the three-year period immediately preceding the termination;

Any legal fees and expenses incurred by the executive in asserting legal rights in connection with the agreement; and

- Continued welfare benefits for the period equal to the multiple of their base salary payable plus certain outplacement services.

Under the agreements, termination for cause means termination of the executive's employment due to the (1) willful and continued failure of the executive to perform substantially the executive's duties with the Company or one of its affiliates, or (2) the willful engaging by the executive in illegal conduct or gross misconduct which is materially and demonstrably injurious to the Company.

Good reason means actions taken by the Company that result in a material negative change in the employment relationship, including a detrimental change in responsibilities, a reduction in salary or benefits or a relocation of office, as described in the agreement.

Excise Tax Cap on Payments

To reduce the impact of any excise tax imposed on the executive related to the change of control, the agreements also require the Company to cap the overall value of payments if such reduction results in a larger net after-tax payment than would result if such payments were not capped and subject to an excise tax.

Other Provisions

For a period of one year after the agreements become effective, the executives are restricted from:

- Disclosing the confidential information of the Company and its affiliates;
- Competing against the Company and its affiliates;
- Soliciting the customers of the Company and its affiliates; and
- Soliciting the employees of the Company and its affiliates for employment and hiring them, unless the employee is responding to employment advertising of a general nature or unless approved by the President of the Company in advance.

There is no requirement in the agreements that the executives execute a release of claims in favor of the Company and its affiliates.

Acquirer's Obligations

The agreements mandate that the Company require an acquirer to assume and satisfy the Company's obligations under the agreements.

Equity Awards

The Company's LTIP was amended to provide that, if a change of control occurs, for early vesting and exercise and issuance or payment will be subject to a "double-trigger" for the following awards to executives (subject to certain limits):

- Awards of restricted Common Stock;
- Stock options and stock grants; or
- Amounts payable instead of such issuance in a lump-sum payment within 30 days of surrender of such stock options to the Company.

Generally, vesting and payment will not occur if replacement awards equal in value and vesting terms are granted to the affected executive in connection with the change of control, unless the executive is thereafter terminated within the specified protection period.

Potential Payments Upon Termination or Change of Control

The following summarizes information as of September 24, 2023, related to estimated potential cash payments upon a change of control to the NEOs. Amounts in the table do not reflect income tax benefits that may be realized by the Company. The estimated payments also make assumptions as to

whether certain discretionary bonus payments made to NEOs are qualifying annual incentive plan payments under the agreements.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have adopted procedures that apply to any transaction or series of transactions in which the Company or a subsidiary is a participant involving an amount in excess of \$120,000, and a related person has a direct or indirect material interest. Under SEC rules, a related person is a director, nominee for director, executive officer, owner of more than 5% of our Common Stock or immediate family member of any of the above. On an annual basis, each director, nominee for director and officer and certain 5% or greater shareholders are required to complete a Director and Officer Questionnaire that requires disclosure of any transactions with us in which a related person has a direct or indirect material interest. Our general counsel is primarily responsible for the development and implementation of procedures and controls to obtain information from these related persons. The charter of our Audit Committee provides that the Audit Committee is responsible for review, approval, or ratification of related-person transactions. Though we have no written policy, it is the practice of our Audit Committee to approve such transactions only if it deems them to be in the best interests of the Company. When considering a transaction, the Audit Committee will review all relevant factors, including our rationale for entering into a related-person transaction, alternatives to the transaction, whether the transaction is on terms at least as fair to the Company as would be the case were the transaction entered into with a third party, and potential for an actual or apparent conflict of interest. The Audit Committee reports its findings to the Board.

We have entered into indemnification agreements with each of our directors and executive officers. These agreements require us to indemnify such individuals, to the fullest extent permitted by Delaware law, for certain liabilities to which they may become subject as a result of their affiliation with the Company.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is currently comprised of five directors who are not officers or employees of the Company. All members are independent under Nasdaq and SEC rules. The Board has established a written charter for the Audit Committee.

The Audit Committee held eleven meetings in 2023. The meetings were designed to facilitate and encourage private communication among the Audit Committee, management, our internal auditors and our independent registered public accounting firm.

During these meetings, the Audit Committee reviewed and discussed the annual audited and quarterly unaudited financial statements with management and the independent registered public accounting firm and management's assessment of the effectiveness of our internal control over financial reporting including the identification of material weaknesses and the remediation plan for those material weaknesses. Based on such review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended September 24, 2023, including any applicable amendments thereto, which was filed with the SEC on December 8, 2023.

The discussions with the independent registered public accounting firm also included the matters required by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T regarding "Communications with Audit Committees". The Audit Committee received from the independent registered public accounting firm written disclosures and the letter required by PCAOB Rule 3600T regarding "Independence Discussions with Audit Committees". This information was discussed with the independent registered public accounting firm. The Audit Committee considered whether the non-audit services provided by the independent registered public accounting firm to us are compatible with maintaining auditor independence.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BDO has served as our independent registered public accounting firm since 2021. Representatives of BDO are expected to be present at the Annual Meeting, will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions from shareholders.

For 2023 and 2022, BDO performed the following professional services and received, or will receive, fees in the amounts indicated.

<i>(Dollars)</i>	2023	2022
	BDO	BDO
Audit fees	1,300,000	1,659,763
Audit-related fees	—	—
Tax Fees	—	—
All other Fees	—	—
	1,300,000	1,659,763

Services Provided By BDO

All services rendered by BDO are permissible under applicable laws and regulations. The Audit Committee reviewed and pre-approved all services related to the fees listed in the above table in accordance with our Policy Regarding the Approval of Audit and Non-Audit Services by Independent Public Accountants (“Policy”). Under the Policy, Audit Committee pre-approval includes audit services, audit-related services, tax services, other services and services exceeding the pre-approved cost range. In some instances, pre-approval is provided by the full Audit Committee for up to a year with any such pre-approval relating to a particular defined assignment or scope of work and subject to a specific defined budget. In other instances, the Audit Committee may delegate pre-approval authority of additional services to one or more designated members with any such pre-approval reported to the Audit Committee at its next scheduled meeting. Any pre-approved service requires the submission of an engagement letter or other detailed back-up information. Pursuant to rules of the SEC, the fees paid to BDO for services are disclosed in the table above under the categories described below, as applicable.

Audit Fees – Fees for professional services for the audit of our Consolidated Financial Statements, review of financial statements included in our quarterly Form 10-Q filings, attestation reporting on the effectiveness of our internal control over financial reporting, and services that are normally provided in connection with statutory and regulatory filings or engagements.

Audit-Related Fees – Fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. This includes due diligence related to mergers and acquisitions, preparation of comfort letters related to financing or other transactions, attestations that are not required by statute or regulation, and consulting related to financial accounting or reporting standards.

Tax Fees – Fees for professional services with respect to tax compliance and advice and planning. This includes preparation of original and amended tax returns for the Company and its consolidated subsidiaries, refund claims, payment planning, tax audit assistance and tax work stemming from audit-related matters. We also engage the services of other accounting firms and law firms for such services. Fees paid to such firms are not reflected in the table above except to the extent BDO is engaged directly by such firms to perform services on behalf of the Company.

All Other Fees - Fees for other permissible work that does not meet the above category descriptions.

These services are actively monitored both as to spending level and work content by the Audit Committee to maintain the appropriate objectivity and independence in our independent registered public accounting firm's core work, which is the audit of our Consolidated Financial Statements.

* * * *

The Report of the Audit Committee set forth above shall not be deemed to be incorporated by reference into any filing made by us under the Securities Act of 1933 ("Securities Act") or the Exchange Act, notwithstanding any general statement contained in any such filing incorporating this Proxy Statement by reference, except to the extent we incorporate such reports by specific reference. In addition, these Reports shall not be deemed to be filed under either the Securities Act or the Exchange Act.

DELINQUENT SECTION 16(a) REPORTS

Section 16(a) of the Exchange Act requires our executive officers and directors to file initial reports of ownership and reports of changes in that ownership with the SEC. Specific due dates for these reports have been established and we are required to disclose in our Proxy Statement any failure to file by these dates in 2023.

Based solely on review of the reports received by the Company, and on written representations from certain reporting persons, the Company believes the persons subject to Section 16(a) reporting complied with applicable SEC filing requirements during 2023.

ADDITIONAL INFORMATION - COSTS OF SOLICITATION

Eliminating Duplicate Mailings. If you share an address with other shareholders of the Company, you may receive notification that you are being sent only a single copy of the proxy materials, unless your bank, broker or other nominee that provides the notification receives contrary instructions from the affected shareholders. This practice, permitted under SEC rules and commonly referred to as “householding”, is designed to provide extra convenience for shareholders and potential cost savings for companies.

If, at any time, you no longer wish to participate in householding and would prefer to receive a separate set of proxy materials, please notify your broker if your shares of Common Stock are held in a brokerage account or the Company if you hold registered shares of Common Stock. We will promptly deliver a separate copy of the proxy materials, including the Annual Report, upon request. You can notify the Company by sending a written request to the attention of the Company’s Corporate Secretary to our principal executive offices..

Costs of Solicitation. We are required by law to convene an annual meeting of shareholders at which directors are elected. Because our shares of Common Stock are widely held, it would be impractical for our shareholders to meet physically in sufficient numbers to hold a meeting. Accordingly, the Company is soliciting proxies from our shareholders. United States federal securities laws require us to send you this Proxy Statement, and any amendments and supplements thereto, and to specify the information required to be contained in it. The Company will bear the costs of calling and holding the Annual Meeting and the solicitation of proxies therefor. These costs will include, among other items, the expense of preparing, assembling, printing and mailing the proxy materials to shareholders of record and beneficial owners, and reimbursements paid to brokerage firms, banks and other fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to shareholders and obtaining voting instructions of beneficial owners. In addition to soliciting proxies by mail, directors, officers and employees may solicit proxies on behalf of the Board, without additional compensation, personally or by telephone. We may also solicit proxies by e-mail from shareholders who are our employees or who previously requested to receive proxy materials electronically. The Company has retained Morrow Sodali LLC (“Morrow”) to solicit proxies for a fee of \$7,500 plus reimbursement of reasonable expenses.

APPENDIX A

NON-GAAP FINANCIAL INFORMATION

Adjusted EBITDA is a non-GAAP (Generally Accepted Accounting Principles) financial measure that enhances financial statement users' overall understanding of the operating performance of the Company. The measure isolates unusual, infrequent, or non-cash transactions from the operating performance of the business. This allows users to easily compare operating performance among various fiscal periods and how management measures the performance of the business. This measure also provides users with a benchmark that can be used when forecasting future operating performance of the Company that excludes unusual, nonrecurring or one time transactions. Adjusted EBITDA is also a component of the calculation used by shareholders and analysts to determine the value of our business when using the market approach, which applies a market multiple to financial metrics. It is also a measure used to calculate the leverage ratio of the Company, which is a key financial ratio monitored and used by the Company and its investors. Adjusted EBITDA is defined as net income (loss), plus non-operating expenses, income tax expense (benefit), depreciation and amortization, assets loss (gain) on sales, impairments and other, restructuring costs and other, stock compensation and our 50% share of EBITDA from TNI and MNI, minus equity in earnings of TNI and MNI and curtailment gains. TNI refers to TNI Partners publishing operations in Tucson, Arizona. MNI refers to Madison Newspapers, Inc. publishing operations in Madison, Wisconsin.

The table below reconciles Adjusted EBITDA for the fiscal year ended September 24, 2023 to net income, the most directly comparable measure under GAAP.

(Thousands of Dollars)	September 24, 2023
Net (loss) income	(2,733)
Adjusted to exclude	
Income tax (benefit) expense	(349)
Non-operating expenses, net	40,251
Equity in earnings of TNI and MNI	(6,527)
Assets loss (gain) on sales, impairments and other, net	1,882
Depreciation and amortization	30,621
Restructuring costs and other	12,673
Stock compensation	1,806
Add:	
Ownership share of TNI and MNI EBITDA (50%)	7,604
Adjusted EBITDA	85,228

Cash Costs represent a non-GAAP financial measure of operating expenses which are measured on an accrual basis and settled in cash. This measure is useful to investors in understanding the components of the Company's cash-settled operating costs. Cash Costs can be used by financial statement users to assess the Company's ability to manage and control its operating structure. Cash Costs are defined as compensation, newsprint and ink and other operating expenses. Depreciation and amortization, assets loss (gain) on sales, impairments and other, other non-cash operating expenses, and other non-operating expenses are excluded. Cash Costs also exclude restructuring costs and other, which are typically settled in cash.

The table below reconciles Cash Costs excluding unusual matters for the fiscal year ended September 24, 2023 to operating expenses, the most directly comparable measure under GAAP.

(Thousands of Dollars)	September 24, 2023
Operating expenses	660,496
Adjustments	
Depreciation and amortization	30,621
Assets loss (gain) on sales, impairments and other, net	1,882
Restructuring costs and other	12,673
