Cover Page

1. We note from your Form 10-K that the aggregate market value of your common stock held by non-affiliates was approximately \$142 million at March 31, 2021. In this regard, it appears you meet the threshold for an accelerated filer rather than a non-accelerated filer. Refer to Rule 12b-2 of Exchange Act. Management's Discussion and Analysis of Financial Condition and Results of Operations Non-GAAP Financial Measures, page 13

2. We note your presentation of cash costs and total operating revenue less cash costs in the table on page 16. Your presentation of cash costs and total operating revenue less cash costs within your table of operating results, as reported in the consolidated financial statements is not appropriate as it gives the appearance that the measures have been prepared in accordance with GAAP. Please remove or alternatively, you may revise to separately present the non-GAAP measures below your GAAP income statement, and

clearly identify the measures as non-GAAP. Further, revise your filing to include reconciliations for both non-GAAP measures to the most directly comparable GAAP measure. Lastly, please revise your MD&A to precede the disclosure of non-GAAP measures with your Results of Operations disclosure, which is presented on a GAAP basis, to avoid giving undue prominence to the non-GAAP measures. Refer to Question 102.10 of the C&DI on Non-GAAP Financial Measures.

3. We not that you appear to operate in one segment. Please tell us and revise your notes to the consolidated financial statements to disclose the factors used to identify your reportable segment, including the basis of organization, and whether operating segments have been aggregated into one reportable segment. Refer to ASC 280-10-50-21.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Charles Eastman at 202-551-3794 or Jean Yu at 202-551-3305 with any questions.
